VOTING RECOMMENDATIONS

Proposal 1(a)—Election of Class A Directors

Each Class A Director nominee is elected annually by holders of Class A Shares.

PROPOSAL 1(a) RECOMMENDATION: Our board recommends a vote FOR the election of the Class A Director nominees.

See Proposal 1—Election of Class A Directors and Class B Directors—Proposal 1(a) for more information.

Proposal 1(b)—Election of Class B Directors

Each Class B Director nominee is elected annually by the holders of Class B Shares.

We expect the holder of our Class B Shares to reelect each of Mr. Nkosi, Mr. de Klerk and Mr. Blue at the Annual Meeting.

See Proposal 1—Election of Class A and Class B Directors—Proposal 1(b) for more information.

Proposal 2—Ratification of Existing Independent Registered Public Accounting Firm

The accounting firm of PricewaterhouseCoopers LLP (PwC) has been selected as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2016. Although the selection of accounting firms does not require ratification as the shareholders have previously approved such appointment, the Board of Directors has directed that the appointment of PwC be submitted to the

TABLE OF CONTENTS

PROXY SUMMARY

shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm and as a matter of good corporate governance. A representative of PwC will be present at the Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

PROPOSAL 2 RECOMMENDATION: Our board recommends a vote FOR this proposal.

See Proposal 2—Ratification of Existing Independent Registered Public Accounting Firm for more information.

Proposal 3—Advisory Approval of Our Executive Compensation (Say on Pay)

We are asking shareholders to approve on an advisory basis our Named Executive Officer compensation. We hold this advisory vote on an annual basis. The next such advisory vote will be at the 2017 annual meeting.

PROPOSAL 3 RECOMMENDATION: Our board recommends a vote FOR this proposal.

See Proposal 3—Advisory Vote on Executive Compensation (Say-on-Pay) for more information.

The approval of Proposals 1, 2 and 3 requires the affirmative vote of a majority of the shares present or represented at the Annual Meeting and actually cast on each such specific Proposal. Abstentions and broker non-votes will have no effect on the approval of Proposals 1, 2 and 3. Proposal 3 is considered a non-binding advisory vote.

Proposal 4— Approval of the Tronox Limited Management Equity Incentive Plan, as amended

We are seeking shareholder approval with respect to the Tronox Limited Management Equity Incentive Plan, as amended. The affirmative vote of the holders of a majority of the votes cast will be required for approval of the Tronox Limited Management Equity Incentive Plan, as amended, meaning the votes cast for must exceed the votes cast against. In addition, because we are a NYSE listed company, the total votes cast on this proposal must represent greater than 50% of the outstanding votes. Votes for and against and abstentions count as votes cast, while broker non-votes do not count as votes cast, but count as outstanding votes. Thus the total sum of the vote for plus votes against , plus abstentions, hereinafter referred to as the NYSE votes cast must be greater than 50% of the total outstanding votes. Further, the number of votes for the proposal must be greater than 50% of the NYSE votes cast. Thus, abstentions have the same effect as a vote against the proposal. Under the NYSE rules, brokers do not have discretionary authority to vote shares with respect to this proposal without direction from the beneficial owner. Thus, broker non-votes could impair our ability to satisfy the requirement that the NYSE votes cast represent over 50% of the outstanding votes.

PROPOSAL 4 RECOMMENDATION: Our board recommends a vote FOR this proposal.

See Proposal 4— Approval of the Tronox Limited Management Equity Incentive Plan, as amended for more information.

PROXY STATEMENT
FOR
ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 25, 2016

GENERAL INFORMATION

This proxy statement is being furnished to you in connection with the solicitation of proxies by the Board of Directors of Tronox Limited (the Board of Directors or the Board) for use at our 2016 Annual Meeting of Shareholders. In this proxy statement, references to Tronox, the Company, we, us, or our and similar expressions refer to Tronox Limited and Annual Meeting refers to the annual general meeting of the shareholders of Tronox Limited, unless the context of a particular reference provides otherwise. In the proxy statement references to shares refer to ordinary shares of Tronox Limited, including Class A ordinary shares (Class A Shares) and Class B ordinary shares (Class B Shares).

2016 Annual Meeting Date and Location

Tronox's 2016 Annual Meeting will be held at the Stamford Marriott Hotel, 243 Tresser Boulevard, Stamford, Connecticut 06901, USA on Wednesday, May 25, 2016 at 9:00 a.m., U.S. Eastern Daylight Time, or at such other time and place to which the Annual Meeting may be adjourned. For directions to the Annual Meeting, contact us at +1 (203) 705-3800. References in this proxy statement to the Annual Meeting also refer to any adjournments or changes in location of the meeting, to the extent applicable.

Delivery of Proxy Materials

These materials were first sent or made available to shareholders on, or about, April 8, 2016. If you previously chose to receive proxy material by e-mail, we have arranged to have these materials delivered to you in accordance with that election. Shareholders may request to receive proxy materials electronically by e-mail during the voting period. Choosing to receive your future proxy materials by e-mail will save us the cost of printing and mailing documents to you, as well as solicitation costs, if any. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

If your ordinary shares are registered directly in your name with our transfer agent you are considered, with respect to those shares, the registered shareholder of record, and we are sending this proxy statement and the other proxy materials directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to the named proxy holder or to vote in person at the meeting. We have enclosed a Proxy Card for you to use.

Most shareholders hold their shares through a broker or other nominee rather than directly in their own name. If your shares are held by a broker or by another nominee, you are considered the beneficial owner of these shares even though they are held in street-name, and these proxy materials should be forwarded to you by the broker, trustee or nominee together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and you are invited to attend the Annual Meeting. Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the

broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

4

TABLE OF CONTENTS

GENERAL INFORMATION

Each registered shareholder will receive one copy of each such Notice per account even if at the same address, while most banks and brokers will deliver only one copy of such Notice to consenting street-name shareholders (you own shares beneficially in the name of a bank, broker or other holder of record on the books of our transfer agent) who share the same address. This procedure reduces our printing and distribution costs. Those who wish to receive separate copies may do so by contacting their bank, broker or other nominee. Similarly, street-name shareholders who receive multiple copies of the Notice at a single address may request that only a single copy be sent to them in the future by contacting their bank, broker or other nominee. If you hold your shares in street-name through a broker, bank or other nominee, you must provide the record holder of your shares with instructions on how to vote the shares.

Please follow the voting instructions provided by the bank or broker. Brokers, banks and other nominees who hold Tronox Limited ordinary shares on behalf of their beneficial owners may not give a proxy to Tronox Limited to vote those shares with respect to any proposals other than Proposal 2, the ratification of our existing independent registered public accounting firm, without specific voting instructions from such beneficial owners, as none of these other matters to be voted upon at the Annual Meeting are considered routine matters under the New York Stock Exchange (NYSE) Rule 452 and brokers, banks and other nominees do not have discretionary voting power for such non-routine matters. Any votes cast by street-name shareholders or brokers, banks or other nominees will be treated as though they were votes cast by the shareholder of record. You may not vote shares held in street-name by returning a proxy card directly to Tronox Limited or by voting in person at the Annual Meeting unless you provide a legal proxy, which you must obtain from your broker, bank or other nominee. Any votes cast pursuant to a legal proxy will be treated as though they were cast by the shareholder of record.

Procedural Matters

Only holders of shares as of 5:00 p.m., U.S. Eastern Daylight Time, on May 23, 2016 will be entitled to attend and to vote at the Annual Meeting. As of March 31, 2016, there were 64,999,095 Class A Shares outstanding and 51,154,280 Class B Shares outstanding. Holders of Class A Shares and Class B Shares can vote on all the proposals except that only holders of Class A Shares can vote on the election of Class A Directors and only holders of Class B Shares (currently, Exxaro Resources Limited) can vote on the election of Class B Directors. Each of our Class A Shares and our Class B Shares entitles its holder to one vote on all matters on which holders of such shares have the right to vote. Shareholders do not have cumulative voting rights.

Voting Procedures

Registered Shareholders: Registered shareholders may vote their shares or submit a proxy to have their shares voted by one of the following methods:

In Person. You may vote in person at the Annual Meeting by completing a ballot; however, attending the meeting without completing a ballot will not count as a vote.

Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m., U.S. Eastern Daylight Time, on May 24, 2016.

TABLE OF CONTENTS

GENERAL INFORMATION

Street-name Shareholders: Shareholders whose shares are held in street-name by a broker or other nominee may generally vote their shares or submit a proxy to have their shares voted by one of the following methods:

By Methods Listed on Voting Instruction Form. Please refer to your voting instruction form or other information forwarded by your bank, broker or other holder of record to determine whether you may submit a proxy electronically on the Internet or by telephone, following the instructions on the voting instruction form or other information provided by the record holder.

In Person with a Proxy from the Record Holder. A street-name shareholder who wishes to vote in person at the meeting will need to obtain a legal proxy from their bank, broker or other nominee. Please consult the voting instruction form or other information sent to you by your bank, broker or other nominee to determine how to obtain a legal proxy in order to vote in person at the Annual Meeting.

Tabulation of Votes

Votes cast by proxy or in person at the meeting will be tabulated by a proxy tabulator.

Quorum Requirements and Effect of Abstention and Broker Non-Votes

A shareholder present in person, or by proxy, attorney or representative at the Annual Meeting, who abstains from voting on any or all proposals will be included in the determination of shareholders present at the Annual Meeting for the purpose of determining the presence of a quorum, as will broker non-votes. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the proposal is not a routine matter, and the broker has not received voting instructions from the beneficial owner of the shares. All items on this year's ballot are non-routine matters under NYSE rules except ratification of our existing independent registered public accounting firm (Proposal 2). Our Constitution requires that a quorum of shareholders—the holders of a majority of outstanding shares—be present or represented by proxy to conduct business at the Annual Meeting. Holders of Class A Shares and Class B Shares are counted together to determine whether a quorum is present.

Although abstentions and broker non-votes count as shares present at the meeting for purposes of determining a quorum, they will not be counted as votes in favor of or against the election of the director nominees or other proposals. Accordingly, a depository cannot cast a vote in favor of or against the election of director nominees absent instruction from the underlying beneficial owner.

Revocation of Proxies

Holders of ordinary shares can revoke their proxy at any time before it is voted at the Annual Meeting by either:

- Submitting another timely, later-dated proxy by mail;
- Delivering timely written notice of revocation to our Secretary; or,
- Attending the Annual Meeting and voting in person.

If your ordinary shares are held beneficially in street-name, you may revoke your proxy by following the instructions provided by your broker, trustee, nominee or depository, as applicable.

TABLE OF CONTENTS

GENERAL INFORMATION

Vote Confidentiality

Tronox has a confidential voting policy to protect our shareholders' voting privacy. Under this policy, ballots, proxy forms and voting instructions returned to brokerage firms, banks and other holders are kept confidential. Only the proxy tabulator and Inspector of Elections have access to the ballots, proxy forms and voting instructions. The proxy tabulator will disclose information taken from the ballots, proxy forms and voting instructions only if there is a proxy contest, if the shareholder authorizes disclosure, to defend legal claims or as otherwise required by law.

Annual Meeting Admission

Attendance at the Annual Meeting is limited to shareholders (or their proxies, attorneys or representatives) and a guest. Admission to the Annual Meeting is on a first-come, first-served basis. Registration begins at 8:00 a.m., U.S. Eastern Daylight Time, on May 25, 2016, and you will be asked to present a valid picture identification and proof of Tronox share ownership as of the record date. If you hold Tronox shares in a brokerage account, you must bring a copy of a brokerage account statement reflecting your share ownership as of the record date. If you plan to attend as the proxy or attorney of a shareholder, the shareholder must provide valid proof of your appointment no later than 11:59 p.m., U.S. Eastern Daylight Time, on May 24, 2016 to our Company's address set forth on page 1 of the Notice of Annual General Meeting of Shareholders. If you plan to attend as a representative of a body corporate you must bring evidence of appointment to the Annual Meeting. Submitting your proxy now will not prevent you from voting your shares at the Annual Meeting if you desire to do so, as your proxy is revocable at your option. The use of cameras at the Annual Meeting is prohibited and they will not be allowed into the Annual Meeting or any other related areas. We realize that many cellular phones have built-in digital cameras, and while these phones may be brought into the meeting room, they may not be used at any time.

TABLE OF CONTENTS**PROPOSAL 1—ELECTION OF CLASS A DIRECTORS AND CLASS B DIRECTORS**

Tronox's business and affairs are managed under the direction of our Board of Directors, which is currently comprised of nine members. The size of our board shall not be less than three, and for so long as the Class B Voting Interest is at least ten percent, the number of Directors must be nine, three of whom are Class B Directors elected by the holder of our Class B Shares. Under our Constitution, all elected directors will become eligible for reelection at the next Annual Meeting. Only holders of our Class A Shares are entitled to vote on Proposal 1(a). Only holders of our Class B Shares are entitled to vote on Proposal 1(b). Our Constitution requires that directors be elected by a plurality of votes.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

DIRECTOR INDEPENDENCE

The listing standards of the NYSE, as well as our Corporate Governance Guidelines, require that a majority of our Board of Directors be comprised of independent directors. For a director to be considered independent under these standards:

- The director must meet the bright-line independence tests under the listing standards of the NYSE; and
- The board must affirmatively determine that the director otherwise has no material relationship with us, directly or as a partner, shareholder or officer of an organization that has a relationship with us.

The board has adopted additional categorical standards which provide that certain relationships will not be considered material relationships that would impact a director's independence. These categorical standards are part of our Corporate Governance Guidelines and can be accessed under the Investor Relations and Corporate Governance sections of our website at www.tronox.com.

Based on these standards, our board has affirmatively determined that all of the current directors, except for Mr. Casey, Mr. de Klerk and Mr. Nkosi, are independent. The board based these determinations primarily on a review of the responses of our directors to questions regarding employment and compensation history, affiliations and family and other relationships and on discussions with the directors.

CODE OF BUSINESS CONDUCT AND ETHICS

The Company has adopted the Tronox Code of Business Conduct and Ethics that applies to all of the Company's employees, including our principal executive officer, principal financial officer and principal accounting officer, and our Board of Directors. The Code of Business Conduct and Ethics is available on the Company's website at www.tronox.com. If the Company makes any substantive amendments to the Business Code of Conduct and Ethics or grants any waiver from a provision of the Business Code of Conduct and Ethics to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on our website.

TABLE OF CONTENTS**BOARD MEETINGS AND COMMITTEES**

During the last full fiscal year, the Board of Directors held a total of twelve meetings. All directors attended at least 75% of the aggregate of the meetings of the Board of Directors and the committees of the Board of Directors on which they served that were held during the aforementioned period. The Company encourages all incumbent directors and nominees for director to attend the Annual Meeting. All Directors attended the 2015 Annual Meeting.

The Board of Directors has established three committees: a corporate governance committee, a human resources and compensation committee and an audit committee. In addition, the Company has a nominating committee which is a subcommittee of the corporate governance committee. Each such committee is governed by a written charter, and a current copy of each such charter is available to our shareholders at www.tronox.com. During the fiscal year ended December 31, 2015, there have been nine meetings held by the audit committee, four meetings held by the human resources and compensation committee and three meetings held by the corporate governance committee. The nominating subcommittee held one meeting in 2015. The table below provides current membership and fiscal year 2015 meeting information for each of the board committees.

Corporate Governance Committee and Nominating Subcommittee

The corporate governance committee assists the Board of Directors with respect to: (a) the organization and membership and function of the Board of Directors, (b) corporate governance principles applicable to the Company and (c) the Company's policies and programs that relate to matters of corporate responsibility. The committee reviews and makes recommendations to the Board of Directors regarding the composition of the Board of Directors, structure, format and frequency of the meetings. The corporate governance committee has not formally established any specific, minimum qualifications that must be met by each candidate for the Board of Directors or specific qualities or skills that are necessary for one or more of the members of the Board of Directors to possess. The nominating subcommittee is comprised of Class A Directors, and is responsible for the nomination of Class A Directors to the Board. The Class B Directors are appointed in accordance with our Constitution.

Audit Committee

The primary responsibilities of the audit committee are to oversee the accounting and financial reporting processes of the Company as well as our affiliated and subsidiary companies, and to oversee the internal and external audit processes. The audit committee also assists the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information which is provided to shareholders and others, and the system of internal controls which management and the Board of Directors have established. The audit committee oversees the independent registered public accounting firm, including their independence and objectivity. However, the committee members are not acting as professional accountants or auditors, and their functions are not intended to duplicate or substitute for the activities of management and our independent

BOARD MEETINGS AND COMMITTEES

registered public accounting firm. The audit committee is empowered to retain independent legal counsel and other advisors as it deems necessary or appropriate to assist the audit committee in fulfilling its responsibilities, and to approve the fees and other retention terms of the advisors. The Company maintains an internal audit function to provide management and the audit committee with ongoing assessments of the Company's risk management processes and system of internal control.

The audit committee is comprised of three members, each of whom was elected by the Board of Directors. Andrew Hines, because of his accounting background and extensive financial experience, meets the NYSE listing standard of having accounting or related financial management expertise and the SEC's definition of an audit committee financial expert. Each of the other members of our audit committee has financial management experience or is financially literate. Each committee member meets the additional independence requirements for members of an audit committee in the NYSE Corporate Governance Rules.

Human Resources and Compensation Committee

The human resources and compensation committee administers our executive compensation program and assists our Board of Directors in fulfilling its oversight responsibilities with respect to the compensation we pay to our executive officers and our non-employee directors. Among its other duties, the human resources and compensation committee:

- Evaluates and determines the salary, incentives and benefits making up the total compensation of our Chief Executive Officer and other executive officers;
- Reviews and monitors management succession planning and development, including promotability of all officers;
- Defines the terms and conditions, including performance metrics, for the stock options, restricted shares/units and other long-term equity awards for our executive officers and approves all grants made to the executive officers;
 - Reviews and approves the annual corporate goals and objectives of our Chief Executive Officer; and
- Considers industry conditions, relevant market conditions and our prospects and achievements when making recommendations with respect to compensation matters.

Each member of the human resources and compensation committee is independent as defined by SEC rules and NYSE listing standards and is a non-employee director as defined in Rule 16b-3 under the Exchange Act and an outside director as defined in Section 162(m) of the Internal Revenue Code.

Human Resources and Compensation Committee Interlocks and Insider Participation

During the fiscal year ended December 31, 2015, none of our human resources and compensation committee members (i) has ever been an executive officer or employee of our Company, or (ii) is or was a participant in a related person transaction in fiscal year 2015. During the fiscal year ended December 31, 2015, no executive officer of our Company served on the compensation committee (or its equivalent) or board of directors of any company that has an executive officer that serves on our Board of Directors or our human resources and compensation committee.

Board Leadership Structure

Chairman of the Board of Directors

The Chairman of the Board of Directors position is currently held by our Chief Executive Officer, Thomas Casey. Given the geographic range of our operations and the structure of our ownership, the Board believes this is a position that demands an individual with strong leadership skills and a comprehensive knowledge of our Company. Our Board of Directors believes it should appoint the best person for the job in this position, regardless of whether that person is someone who is currently serving, or has previously served, as one of our executive officers, and the Board believes Mr. Casey possesses the necessary attributes to best serve in this position. Our Board of Directors recognizes that, given the dynamic environment in which we operate, the right Board of Director leadership structure may vary as circumstances warrant.

The Board of Directors of the Company's predecessor considered its leadership structure in October 2011 in connection with the resignation of our former Chief Executive Officer and again in June 2012 in connection with our merger with Exxaro's mineral sands business, and determined that in order to fully implement the integration of our mineral sands and pigment businesses and the equity ownership that resulted therefrom, combining the roles of Chairman and Chief Executive Officer was optimal. Although Mr. Casey is not considered an independent director, this leadership structure is optimal for us because it provides us with consistency and continuity at the senior board leadership level.

Our Board of Directors believes that our current leadership structure, when combined with the functioning of the independent director component of our Board of Directors and our overall corporate governance structure, creates an appropriate balance between strong and consistent leadership and independent oversight of our business.

Directors meet in executive session at Board of Directors meetings held in person. At these executive sessions the directors review among other things the performance of the Company's management. In the fiscal year 2015, the directors met in executive session three times.

The Company's Corporate Governance Guidelines, a copy of which is available on our website at <http://investor.tronox.com/governance.cfm>, sets forth the policy and procedure with respect to meetings of non-management directors and the role of lead directors at such executive sessions, including the procedure by which a lead director is chosen.

The Board's Role in Risk Oversight

Our Board of Directors administers its risk oversight function directly and through its various committees. Our Board of Directors' role in our Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to our Company, including operational, financial, competitive, management retention and legal risks. Our Board of Directors routinely discusses with senior management our major risk exposures, their potential financial impact on our Company, and the steps (both short-term and long-term) we take to manage them. While our Board of Directors is ultimately responsible for risk oversight at our Company, our Board of Directors' committees assist our Board in fulfilling its oversight responsibilities in certain areas of risk. In particular, our audit committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management and their adequacy and

effectiveness. Our audit committee routinely discusses with senior management and our independent registered public accounting firm any financial risk exposures, including risks related to financial reporting, tax, accounting, disclosure, internal control over financial reporting, financial policies and credit and liquidity matters, steps taken to manage those exposures and our Company's risk tolerance in relation to our overall strategy. Our human resources and compensation committee also assists our Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. In addition, our corporate governance committee assists our Board of Directors in fulfilling its

oversight responsibilities with respect to risk assessment and management in a general manner and specifically the management of risks associated with board organization, membership and structure, succession planning for our directors and executive officers, and corporate governance.

Indemnification of Officers and Directors

Except as set forth below and in employment agreements, there is no provision in any contract, arrangement or statute under which any director or officer of the Company is insured or indemnified in any manner against any liability which he/she may incur in his/her capacity as such.

Subject to, and so far as permitted by applicable law (including the Australian Corporations Act), the Constitution (i) requires Tronox Limited to indemnify every officer of Tronox Limited and its related bodies corporate against a liability incurred as such an officer to any person (other than to Tronox Limited or a related entity of Tronox Limited), unless the liability arises out of conduct involving a lack of good faith, and (ii) permits Tronox Limited to make a payment in respect of legal costs incurred by an officer or employee in defending an action for a liability incurred as such an officer or employee or in resisting or responding to actions taken by a government agency or a liquidator.

Tronox Limited has entered into or will enter into Deeds of Indemnity, Access and Insurance (Deeds of Indemnity) with each of its directors to, among other things, give effect to these rights.

Directors and officers of the Company are covered by an insurance policy. Tronox Limited will insure against amounts that it may be liable to pay to directors, secretaries, officers or certain employees pursuant to the Constitution, the Deeds of Indemnity or that Tronox Limited otherwise agrees to pay by way of indemnity. Tronox Limited will pay premiums for this Directors and Officers insurance (D&O Insurance). The insurance policy also will insure directors, secretaries, officers and some employees against certain liabilities (including legal costs) they may incur as officers or employees of Tronox Limited. The Deeds of Indemnity will provide that, subject to the Australian Corporations Act, during the director's term of office as an officer of Tronox Limited (or as an officer or trustee of a corporation or trust of which the director is appointed or nominated an officer or trustee by Tronox Limited or a wholly owned subsidiary of Tronox Limited) and for seven years after the director ceases to hold such office, Tronox Limited must use its best efforts to effect and maintain D&O Insurance covering the director.

There are certain provisions of the Australian Corporations Act that restrict Tronox Limited from indemnifying officers in certain circumstances. These provisions are described below.

- A liability that is owed to someone other than the company or a related body corporate and did not arise out of conduct in good faith.

Section 199A(2) does not apply to a liability for legal costs.

Section 199A(3) of the Australian Corporations Act provides that a company or a related body corporate must not indemnify a person against legal costs incurred in defending an action for a liability incurred as an officer of the company if the costs are incurred:

- (this does not apply to costs incurred in responding to actions taken by ASIC or a liquidator as part of an investigation before commencing proceedings for the court order); or,
- In connection with proceedings for relief to the person under the Australian Corporations Act in which the court denies the relief.

Section 199B of the Australian Corporations Act provides that a company or a related body corporate must not pay, or agree to pay, a premium for a contract insuring a person who is or has been an officer of the company against a liability (other than one for legal costs) arising out of:

- Conduct involving a willful breach of duty in relation to the company; or,
- A contravention of the officer's duties under the Australian Corporations Act not to improperly use their position or make improper use of information obtained as an officer.

For the purpose of Sections 199A and 199B, an officer of a company includes:

- A person who makes, or participates in making, decisions that affect the whole, or a substantial part, of the business of the company;
 - A person who has the capacity to significantly affect the company's financial standing; and
- A person in accordance with whose instructions or wishes the directors of the company are accustomed to act.

The directors and officers of Tronox Limited are insured against certain liabilities, including certain insured liabilities under United States securities laws, which they may incur in their capacity as such under a liability insurance policy carried by Tronox Limited.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following Compensation Discussion and Analysis describes the material elements of the compensation paid to each of Tronox Limited's named executive officers (NEOs) identified in the Summary Compensation Table. This discussion should be read in conjunction with the executive compensation tables beginning with the Summary Compensation Table for Year-Ended December 31, 2015.

Compensation Philosophy and Objectives

Our executive compensation program is designed to attract, retain and motivate talented executives, and to align the objectives of our executives with our shareholders' expectations of increased value. In support of these objectives, our executive compensation program is intended to:

- Provide competitive levels of total compensation for our executives;
- Reward the achievement of specific annual, long-term and strategic company goals and specific individual goals set for each executive;
- Align our executive's interests with those of our shareholders through equity-based awards and by rewarding performance based upon established goals, with the ultimate objective of improving shareholder value; and,
 - Motivate our executives and other employees to achieve superior results.

Setting Executive Compensation

Elements of Compensation

The human resources and compensation committee (HRCC) determines all components of executive compensation and will consider the following elements to promote our pay-for-performance philosophy and compensation goals and objectives:

- Base salary;
- Annual cash incentive awards linked to both overall and individual performance;
- Grants of long-term equity-based compensation, such as restricted shares, restricted share units and stock options;
 - Termination and change of control provisions; and
 - Benefits.

We combine these elements in order to formulate compensation packages that provide competitive pay, reward the achievement of financial, operational and strategic objectives and align the interests of our executive officers and other senior personnel with those of our shareholders.

Pay Mix

We utilize the particular elements of compensation described above because we believe that it provides a mix of secure compensation, retention value and at-risk compensation which produces short-term and long-term performance

incentives and rewards. By following this approach, we provide the executive with a measure of financial security, while motivating him or her to focus on business metrics that will produce a high level of

EXECUTIVE COMPENSATION

short-term and long-term performance for Tronox that will create value for shareholders. Our compensation mix, which includes short- and long-term incentives as well as time and performance vesting features, is competitive and reduces the risk of recruitment of our top executive talent by competitors. The mix of metrics used for our annual performance bonus and long-term incentive program likewise provides an appropriate balance between short-term and long-term financial and stock performance. All incentives are intended to be aligned with our stated compensation philosophy of providing compensation commensurate with performance, while targeting pay at approximately the 50th percentile of the competitive market. For purposes of compensation competitiveness, the competitive market consists of our current peer group as described under *Other Compensation Practices—Market Competitiveness*.

Role of the Human Resources and Compensation Committee

The HRCC administers our executive compensation program and assists our Board of Directors in fulfilling its oversight responsibilities with respect to the compensation of executive officers and our non-employee directors. Among its other duties, the HRCC:

- Evaluates and determines the salary, incentives, and benefits making up the total compensation of our Chief Executive Officer and other executive officers;
- Reviews and monitors management succession planning and development, including promotability of all officers; Defines the terms and conditions, including performance metrics, for the stock options, restricted shares/units, and
- other long-term equity awards for our executive officers and reviews and approves all grants made to the executive officers;
 - Reviews and approves the annual corporate goals and objectives of our Chief Executive Officer; and
- Considers industry conditions, relevant market conditions and our prospects and achievements when making recommendations with respect to compensation matters.

The HRCC has targeted compensation at the median of benchmark statistics provided by our independent compensation consultant (described below) for each element of total compensation (base, annual incentive and long-term incentives). The actual pay level for each executive officer may vary from these targeted levels based on experience, the scope and complexity of his or her role, job performance and company performance. The compensation of our Chief Executive Officer must also be reviewed by the non-employee, independent members of the Board of Directors. When making recommendations with respect to our executive officers other than our Chief Executive Officer, the HRCC considers the recommendations made by the Chief Executive Officer and his evaluation of the other executive officers' performance.

Elements considered by the HRCC and our Chief Executive Officer when reviewing our performance include: stock price, our performance as measured against the performance goals established for the previous year, non-controllable events that may impact our performance, attainment of significant non-financial milestones and any other factors or goals it determines to be relevant to measuring our performance. The individual performance of our executive officers is measured against individual performance goals that were set for each executive officer by our CEO.

The HRCC has analyzed and continues to monitor whether our compensation practices with respect to executive officers or any of our employees create incentives for risk-taking that could harm Tronox or its business. Our compensation programs and policies mitigate risk and guard against undue risk-taking through careful balancing of short-term and long-term incentive compensation opportunities and by employing different and diverse performance measures in each compensation plan. The combination of performance measures for annual bonuses and the equity compensation programs as well as the multiyear vesting schedules for equity awards encourage employees to maintain both a short and a long-term view with respect to company performance. The HRCC has determined that none of our compensation practices creates a risk that is reasonably likely to have a material adverse effect on the Company.

EXECUTIVE COMPENSATION

Role of the Compensation Consultant

The HRCC has engaged Lyons, Benenson & Company Inc. (LBC) as its compensation consultant, to provide information to the HRCC to assist it in making determinations regarding our compensation programs for executives and non-employee directors. LBC provides the HRCC with among other things, a competitive pay analysis comparing the compensation of our executive officers against benchmark compensation statistics, program design advice and an independent review of compensation proposals developed by management. In carrying out its assignments, LBC may also interact with management when necessary and appropriate and may, in its discretion, meet with management regarding its consulting work prior to presentation to the HRCC in order to confirm alignment with our business strategy, and identify data questions or other similar issues, if any. A representative from LBC attended all HRCC meetings in 2015 and performed no other services for the Company or its management other than that described above. The HRCC has the sole authority to hire and terminate its consultant, approve its compensation, determine the nature and scope of its services, and evaluate its performance.

Role of our CEO and Management in Determining Performance

At the beginning of the year, the CEO recommends to the HRCC the objectives he believes should be achieved for the Company to be successful, based upon the approval of the Company's annual budget. These objectives are used to measure the CEO's performance during the year and include both financial and strategic measures. These goals are then approved by the HRCC at a meeting early in the year. In addition, some of these objectives are used by the HRCC in setting the metrics for the annual incentive plan. At an HRCC meeting early in the year, the CEO also recommends target compensation levels for annual and long-term awards for the executive officers other than himself.

At the end of the performance year, the CEO completes a self-evaluation of his own performance and reviews his evaluation with the HRCC. The full board also provides input on the CEO's performance and submits this to the Chairman of the HRCC for consolidation. The HRCC consolidates all input and the Chairman of the HRCC and the Chairman of the Corporate Governance Committee discuss the Board's assessment of the CEO's performance. The HRCC also determines the incentive amount, long-term incentive award, and any base salary change for the CEO.

In addition, each executive officer completes a self-evaluation for his or her own performance and reviews his evaluation with the CEO. The CEO then summarizes these results and brings them to the HRCC along with his initial recommendation for each executive's base salary increase, annual incentive award, and long-term incentive award. The HRCC will then determine the amounts for any base salary increase and annual and long-term incentive awards for each executive officer.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION****Components of Executive Compensation**

The principal components of our executive compensation program and the purpose of each component are presented in the following table. As described above, we target the median of each element of direct compensation as compared to market data in the Towers Watson executive compensation survey as well as compared to our peer group as provided by LBC (as described under "Other Compensation Practices—Market Competitiveness"). We also provide additional benefits and perquisites to be competitive with local practices and with our peer group.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION***Base Salary*

We consider base salary an element of total compensation that is tied to job responsibility and individual contributions to our success. Base salary is intended to be set at a level needed to attract and retain quality executive officers. While the HRCC uses benchmark statistics to guide it in its decisions regarding levels of base salary, it has considerable discretion and considers the experience, tenure and recent individual performance of our NEOs when making decisions regarding base salary. During 2015, after reviewing the current industry and business climate, the HRCC determined not to give any merit increase to any of the NEOs.

Annual Incentive Plan

For 2015, Tronox's executive officers were eligible to receive cash awards under the 2015 Annual Incentive Plan. This plan is covered under the Tronox Limited Annual Performance Bonus Plan that was approved by shareholders in May 2013.

The size of the target incentive payable to each executive officer is set as a percentage of each executive officer's base salary (the Target Percentage). The target incentive is paid for achieving the targeted objectives described below. The threshold level of performance pays 50% of target and achieving maximum performance pays 200% of target (300% for our CEO). The Target Percentage for our CEO is 150% of his base salary and the Target Percentage for the other NEOs range from 70% to 75% of base salary. The HRCC considers the input of our CEO, LBC and benchmark statistics when setting the Target Percentage for each executive officer each year.

At the beginning of each year the HRCC establishes the performance goals and metrics under the Annual Incentive Plan and the portion of the incentive attributable to the achievement of each performance goal. These performance goals are tied to measures that the HRCC believes will benefit our shareholders the most. The overall Company goals for 2015 include adjusted EBITDA, safety, and strategic/people goals. In addition, each NEO has a portion of their incentive tied to individual performance and the two Executive Vice Presidents also have a portion of their incentive tied to the performance of their respective individual business unit. The components of annual incentive for each of the NEOs are as follows:

At the February 2016 HRCC meeting, our CEO presented the actual results for the Company and a discussion took place about the results. The actual 2015 results were as follows:

	Weighting	Target Goal (100% payment)	Actual Result	Payout Level	Weighted Payout
Adjusted EBITDA	70 %	\$482 mm	\$272 mm	0 %	0 %
		DIR = 0.39, TIR	DIR = 0.41, TIR		
Safety	15 %	= .97	= .77	100 %	15 %
		Meet defined			
Culture/People/Integration	15 %	goals	Met goals	100 %	15 %
				Total Payout	30 %

Adjusted EBITDA is defined consistently with the results shared publicly each quarter in our earnings announcement. We used two metrics to assess our safety performance in 2015: (1) our disabling injury frequency rate for both Tronox employees and contractors per 200,000 hours worked, and (2) our total recordable injury frequency rate for both

Tronox employees and contractors per 200,000 hours worked. The

26

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

culture/people/integration metric is slightly broader and includes specific diversity workforce representation goals within certain countries and the implementation of specific global programs such as the CEO recognition program, learning and development programs and performance differentiation.

The HRCC approved the overall results as described above with a 30% payout level.

The HRCC evaluated Mr. Casey's efforts and achievements relative to the individual performance objectives that were established for him at the beginning of the year. The HRCC determined that Mr. Casey performed well on each of his objectives in a very difficult business climate, particularly in achieving our cost savings objectives, enhancing our safety culture and successfully completing the acquisition of FMC Alkali Chemicals and integrating such business into the Company. In recognition of his accomplishments, the HRCC determined that Mr. Casey warranted a maximum rating on his individual objectives, which resulted in a payment of 204% of target on that metric. Mr. Casey's payment for 2015 was reduced by 50% from 2014 and 33% from his 2015 target.

The final payments are determined by combining the overall Tronox results and the individual results along with other adjustments made by the HRCC. The award for 2015 performance for each NEO is shown below.

Executive	OVERALL TRONOX RESULTS				business unit results				INDIVIDUAL PERFORMANCE		TOTAL PAYMENT

Long-Term Incentive Program

We provide a long-term incentive opportunity to motivate and reward our executive officers for contributions in driving our overall performance. At the February 2015 meeting, the HRCC determined that the mix of the awards for 2015 will be 50% time-based RSUs and 50% performance-based RSUs; stock options would not be granted for 2015. The performance-based RSUs link the payments received by the executive officers to other shareholders' returns and motivate long-term financial performance. The amounts of the grants were determined by pre-established formula (unchanged since the original appointment of each executive) that were formulated using competitive market data. The Target LTIP award for our CEO, is defined in his employment agreement, and shall be at least \$3,000,000 per year. The LTIP awards for the participants are tied to a percentage of their base salary, which was equal to 150% for each of the other NEOs. Target percentage is defined as the initial grant value on the date of grant. Awards are provided under the Tronox Limited Management Equity Incentive Plan (the Tronox Limited Equity Plan).

In February 2015, the HRCC granted long-term incentives using a mix of performance-based restricted shares and time-based restricted share units to each of the NEOs. The annual grant to our NEOs was allocated as follows:

AWARD TYPE	PERCENTAGE	
Performance-based Restricted Share Units	50	%
Time-based Restricted Share Units	50	%

The annual grant for Mr. Casey is defined in his employment agreement. The terms and metrics are consistent with the grants to the other executive officers except that the number of shares granted to Mr. Casey was based on the volume-weighted average price over the 30-day period preceding the date of grant. The grants for other executives are based on the actual closing price of a share of stock on the date of grant.

Details of the long-term incentives granted during 2015 are shown below:

- Restricted share units (RSUs) provide value based on the New York Stock Exchange (NYSE) value of our shares without any discount but there is the risk that some or all of granted performance vested shares will not vest if the executive does not remain employed with us. Restricted share units have previously been granted in countries where shares are taxed upon grant rather than upon vesting and in 2015 were granted consistently across all countries. The time-based restricted share units vest one-third on each of the first three anniversaries of the date of grant. Dividends are accrued for restricted share units and not paid until the shares vest.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

Performance-based restricted share units provide value by linking the award vesting and payments to the long-term results of the Company. 50% of the performance-based restricted share units are tied to our ranking of total shareholder return versus that of the combination of the S&P GICS Chemical index and S&P GICS Metals & Mining index over a three-year measurement period. The actual number of units that will vest will be equal to the aggregate number of units granted multiplied by the applicable Total Shareholder Return (TSR) payout percentage. TSR payout percentages will be determined using straight line interpolation between Threshold and Target and between Target and Maximum.

THREE-YEAR TOTAL SHAREHOLDER RETURN RANKING	PAYOUT PERCENTAGE	
65th percentile (Maximum)	200	%
50th percentile (Target)	100	%
35th percentile (Threshold)	25	%
Below 35th percentile	0	%

The remaining 50% of performance-based restricted share units are tied to our return on capital employed over a three-year measurement period versus our weighted average cost of capital (WACC) over the same period. The actual number of units that will vest will be equal to the aggregate number of shares granted multiplied by the applicable Return on Capital Employed (ROCE) payout percentage. ROCE payout percentages will be determined using straight line interpolation between Threshold and Target and between Target and Maximum.

THREE-YEAR RETURN ON CAPITAL EMPLOYED VERSUS WACC	PAYOUT PERCENTAGE	
115% (Maximum)	200	%
110% (Target)	100	%

Below 100%	0	%

In October 2015, the performance-based shares from the October 2012 grant to our CEO vested. The payout was calculated as follows:

35,992 shares were tied to our ranking of TSR versus our peer group over a three-year measurement period. The actual number of shares that will vest will be equal to the aggregate number of shares granted multiplied by the applicable TSR payout percentage. Our TSR was approximately at the 11th percentile and therefore these shares did not vest.

Three-Year Total Shareholder Return Ranking	Payout Percentage	
75th percentile or higher (Maximum)	200	%
55th percentile or higher, but lower than 75th percentile (Target)	100	%
35th percentile or higher, but lower than 55th percentile (Threshold)	25	%
Below 35th percentile	0	%

35,991 shares were tied to our ROCE over a three-year measurement period versus our WACC over the same period. The actual number of shares that will vest will be equal to the aggregate number of shares granted multiplied by the applicable ROCE payout percentage. ROCE payout percentages will be determined using straight

line interpolation between Threshold and Target and between Target and Maximum. Our ROCE was calculated at -12% versus our WACC of 9%, therefore these shares did not vest.

At the February 2016 meeting, the HRCC determined that the mix of the awards for 2016 will be 50% time-based RSUs and 50% performance-based RSUs. 35% of the performance-based RSUs will be measured by comparing our ranking of total shareholder return versus that of a combination of the S&P GICS Chemicals

The other 65% of performance-based RSUs will be measured based upon the cumulative cash generated from our TiO2 Operational Excellence program for the period January 1, 2015 to December 31, 2017 and the maintenance of the actual cumulative cash position as of December 31, 2017 during the 2018 calendar year. The cumulative cash generated will be the sum of the cumulative operating cash cost reductions (net of costs to deliver) and cumulative working capital reductions from our TiO2 Operational Excellence program. Such amounts will exclude foreign exchange impacts and non-cash lower of cost or market inventory charges. The actual number of units that will vest will be equal to the aggregate number of shares granted multiplied by the applicable Cumulative Cash Generation (CCG) payout percentage. CCG payout percentages will be determined using straight line interpolation between Threshold and Target and between Target and Maximum.

Perquisites

Each executive officer is eligible to receive a financial counseling benefit. Under this plan, each executive officer will be eligible for up to \$10,000 per year to assist with financial planning, estate planning, and tax preparation. Due to his complex international tax preparation for 2013, Dr. Van Niekerk was approved for tax assistance payments of up to an additional \$30,000. Amounts paid pursuant to this plan are taxable to the executive and are included in the Summary Compensation Table in the All Other Compensation column.

During 2014, Mr. Turgeon spent a substantial amount of his time at our international locations. During some of this time, his wife traveled with him and the Company provided airfare and related living expenses for Mr. Turgeon's wife to accompany him. The incremental cost to the Company was \$25,921. Amounts paid pursuant to this plan are taxable to the executive and are included in the Summary Compensation Table in the All Other Compensation column.

Additionally, during 2015, Dr. Van Niekerk spent a substantial amount of time in South Africa. During such time, his wife travelled with him and the Company provided airfare and related travel expenses for Dr. Van Niekerk's wife. The incremental cost to the Company was \$11,081. Amounts paid pursuant to this plan are taxable to the executive and are included in the Summary Compensation Table in the All Other Compensation column.

In addition, Mr. Casey is eligible to use a Company-provided aircraft for personal use. All personal usage is taxable to Mr. Casey. We do not provide any other perquisites and typically only provide tax gross-ups for taxable relocation costs.

U.S. Savings & Retirement Plans

All our U.S. employees, including our U.S. executive officers, are eligible to participate in our savings plans. These plans are intended to provide our employees, including our executive officers, with the opportunity to save for retirement and have the Company contribute to these savings.

We sponsor a tax-qualified retirement savings plan (the Savings Plan) pursuant to which all our U.S.-based employees, including our U.S. based executive officers, are able to contribute the lesser of up to 85% of their

annual salary or the limit prescribed by the Internal Revenue Service to the Savings Plan on a before-tax basis. During 2015, the Company matched 100% of the first 6% of pay that each employee contributed. In addition, there was a discretionary profit sharing Company contribution to the Savings Plan of 6% of employee's eligible compensation. All contributions to the Savings Plan, as well as any Company matching contributions, are fully vested upon contribution. For employees hired after January 1, 2012, the vesting period for profit sharing contributions is three years.

In addition to the Savings Plan, U.S. executive officers and certain other eligible executives can participate in a nonqualified retirement savings plan (the Savings Restoration Plan). Pursuant to the Savings Restoration Plan, the Company will contribute at the appropriate level to the Savings Restoration Plan on a before-tax basis any amounts that would be provided under the Savings Plan but for limitations imposed by the Internal Revenue Code on qualified retirement plans. Also, U.S. executive officers and certain other eligible executives can participate in a nonqualified deferred compensation plan, which allows deferral of up to 20% of base salary and annual bonus.

Tronox also sponsors a qualified defined benefit retirement plan (the Qualified Plan) for its U.S. employees, which was frozen in April 2009, following Tronox Incorporated's filing for Chapter 11 bankruptcy protection. As part of Tronox's Plan of Reorganization, the Qualified Plan is frozen going forward and the Savings Plans are our sole employee retirement plans. Mr. Romano is the only NEO participating in this plan as described in the Pension Benefits as of December 31, 2015 table.

Other Compensation Practices*Market Competitiveness*

Our executive compensation program is designed to be competitive within the various marketplaces in which we compete for employees. The HRCC annually reviews the competitiveness of each executive's compensation as it compares to our peer group.

The HRCC has determined that the following companies represent our appropriate peer group:

Albemarle Corp.	Cliffs Natural Resources, Inc.	IAMGOLD Corp	Walter Energy, Inc.
Cabot Corp.	Cytec Industries Inc.	Kronos Worldwide, Inc.	Yamana Gold Inc.
Celanese Corp.	Eastman Chemical Company	Southern Copper Corp.	
Chemtura Corp.	Huntsman Corp.	Teck Resources Ltd.	

This peer group has been used for other compensation and performance metrics since the beginning of 2014.

LBC conducted an analysis during 2015 for the HRCC of our executives' compensation in comparison to the proxy data for the current peer group. As part of this analysis, each individual compensation component was reviewed as was aggregate compensation, and were compared to the 50th percentile of the peer group. The total target compensation for our named executive officers was generally at the median of the peer group target compensation.

Stock Ownership Guidelines

Beginning in December 2012, the HRCC approved stock ownership guidelines that ensure that executives are aligned with the interests of our shareholders by requiring them to hold significant levels of Company stock. All shares owned outright and 60% of time-based restricted shares count towards share ownership. Executives have five years to reach their ownership guidelines. None of our NEOs, other than our CEO, has met their ownership requirements due to the

considerable decline in our stock price during 2015. The ownership guidelines are presented as a percentage of base salary as follows:

POSITION	PERCENTAGE OF BASE SALARY	
Chief Executive Officer	500	%
Executive Officers	300	%
Other Direct Reports of the CEO at VP Level and Above	100	%

EXECUTIVE COMPENSATION

Compensation Recoupment Policy

The Company has adopted a recoupment or clawback policy for executives, including all the NEOs. This policy allows for clawback of incentive compensation, from both the annual and long-term plans, if payments pursuant to those plans were based on financial results that were subsequently restated due to fraud or intentional misconduct and the payment was greater than it would have been if calculated based on the accurate financial statements.

Deductibility of Executive Compensation

As part of their roles, the HRCC and the Board of Directors review and consider the deductibility of executive officer compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals unless such compensation qualifies for the performance-based exemption provided for under Section 162(m). The Board of Directors and the HRCC has determined that it may generally seek to capture the tax deduction for all compensation but may award nondeductible compensation when it believes that doing so would be in the best interests of our Company and shareholders. The Tronox Limited Annual Performance Bonus Plan and the Tronox Limited Equity Plan are intended to provide Tronox with the ability to pay incentive compensation and grant equity awards that are deductible under Section 162(m).

Post Termination and Change in Control

The Australian Corporations Act restricts the benefits that can be given to individuals who hold managerial or executive office on cessation of their employment or loss of their office with Tronox Limited or its related bodies corporate. Under the Australian Corporations Act, Tronox Limited (and certain of its affiliates) may give a person a benefit in connection with their ceasing to hold managerial or executive office in Tronox Limited or a related body corporate only if the giving of the benefit is approved by shareholders in accordance with the requirements of the Australian Corporations Act or an exemption applies. The giving of certain benefits was approved for this purpose in 2012.

In the case of Tronox Limited, a managerial or executive office is an office of director, or any other office or position related to the management of Tronox Limited's affairs that is held by a person who also holds an office of director of Tronox Limited or a related body corporate.

We will be obligated to make certain payments to our executive officers and/or accelerate the vesting of their equity awards upon a termination of their employment, including termination of their employment in connection with a change in control. For further details on these arrangements, please refer to the sections —Potential Payments upon Termination and —Employment Agreements.

We offer the benefits provided by the employment agreements, the retirement plans and awards granted under the Tronox Limited Equity Incentive Plan upon a change of control in order to be competitive with other employers who provide similar or enhanced benefits and to diminish the potential distraction due to personal uncertainties and risks that are inevitable in a change in control situation or threat. We believe that maintaining such benefits will help keep the management team focused on our performance and the benefit to the shareholders in the event of a change in control.

Human Resources and Compensation Committee Report

The HRCC of our Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the HRCC has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into our Annual Report on Form 10-K for the year ended December 31, 2015. This report is provided by the following independent directors, who comprise the HRCC:

(1) During 2015, the Company had 27 bi-weekly pay periods. Therefore, the 2015 salary amounts reported in this column are higher than the actual annual salaries.

Mr. Turgeon was based in Canada until approximately mid-February 2015. His pay during this period was (2) converted from Canadian Dollar to U.S. Dollars using the average conversion rate for the four payrolls during this period, which equaled 1CAD= 0.8190 USD.

Ms. Harper elected to defer 20% of her base salary during 2015 to our Savings Restoration Plan through (3) the deferral program. This amount of \$103,560 is included in this table. Dr. Van Niekerk elected to defer 7% of his base salary during 2015 into our Savings Restoration Plan through the deferral program. This amount of \$36,070 is included in this table.

Amounts reported in this column represent the aggregate grant date fair value for our shares (without a discount to reflect the risk of some or all of the performance vested shares not vesting) in each respective year computed in accordance with the share-based accounting guidance under ASC Topic 718. Further information regarding the 2015 awards is included in the Grants of Plan-Based Awards During 2015 and Outstanding Equity Awards at (4) December 31, 2015 tables appearing later in this proxy statement. Restricted share units were granted in 2015 rather than restricted shares to make awards consistent on a global basis. Further details related to these awards can be found in the Long Term Incentive Plan section in this proxy statement. For assumptions for these awards, please see Note 22 to our Consolidated Financial Statements beginning on page 92 of our Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

Amounts reflected in this column represent the incentive compensation earned for each year's (5) performance against predetermined objectives. Amounts also include payments that were deferred at the election of the NEOs under the terms of the Savings Restoration Plan. For 2015, this includes \$52,355 by Ms. Harper and \$20,400 by Dr. Van Niekerk.

Mr. Romano is the only NEO in the Tronox Inc. Retirement plan. The present value of accumulated benefits as of December 31, 2015 was determined using the estimated ASC 715 assumptions in effect on December 31, 2015. The ASC 715 discount rate was 4.75%, which was an increase from the 2014 (6) rate of 3.75%. The amounts in this column do not reflect amounts actually paid to Mr. Romano for the years reported but rather reflect only the aggregate change in the actuarial present value of Mr. Romano's accumulated benefit under the pension plan. Our deferred compensation program does not allow for above-market earnings and therefore there is no value included for this amount. Includes the actuarial increases in the present

values of the named executive officers' benefits under our pension plans determined using interest rate and mortality rate assumptions consistent with those used in our financial statements. For a full description of the pension plan assumptions used by us for financial reporting purposes, see Note 23 to our Consolidated Financial Statements beginning on page 94 of the Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

The Company match into the U.S. Savings Plan was 100% of the first 6% of employee's contributions up to the (1)IRC limits for each year and the same match went into the Savings Restoration Plan for all eligible income above the IRC limit.

The Company made a discretionary contribution of 6% of employee's earnings into the U.S. Savings Plan up to (2)the IRC limit for each year and the same contribution went into the Savings Restoration Plan for all eligible income above the IRC limit.

Dividends are paid on outstanding restricted shares at the approved dividend rate and date for all shareholders. For 2015, this rate was \$0.25/share per quarter. For restricted share units, dividends are accrued at the same rate (3)and paid at the time that the units vest. Dividends are not included in the grant date fair value calculation in the Summary Compensation Table. Further details regarding number of outstanding shares/units can be found in the Outstanding Equity Awards at December 31, 2015.

(4)This column reflects all other compensation that is not reported elsewhere. For 2015, these amounts include the following: for Mr. Casey, \$169,403 for personal aircraft use valued as the aggregate incremental cost to the Company of a Company-provided aircraft, and \$5,835 for life insurance premiums paid by the Company; for Ms.

Harper, \$10,000 for financial counseling, and \$3,509 for life insurance premiums paid by the Company; for Mr. Turgeon, \$23,052 related to 2014 salary payments calculated as the difference in the actual Canadian dollar exchange rate versus the agreed Canadian dollar exchange rate in his employment agreement, \$20,000 in costs related to his relocation to Stamford, Connecticut and \$9,486 for financial consulting; for Mr. Romano, \$5,041 for financial counseling and \$3,343 for life insurance premiums paid by the Company; for Dr. Van Niekerk, \$62,308 for housing allowance per his employment agreement, \$11,081 for airfare and related expenses for his wife's travel, \$5,041 for financial counseling, and \$3,725 for life insurance premiums paid by the Company. We determine the incremental cost of personal use of our corporate aircraft based on the variable operating costs to us, which includes (i) landing, ramp and parking fees and expenses; (ii) crew travel expense; (iii) supplies and catering; (iv) aircraft fuel and oil expenses per hour of flight; (v) and customs, foreign permit, and similar fees; (vi) crew travel; and (vii) passenger ground transportation. Because our aircraft is used primarily for business travel, this methodology excludes fixed lease costs that do not change based on usage.

(1) The HRCC approved grants to all NEOs at its meeting on February 10, 2015.

(2) Amounts in these columns reflect the threshold, target and maximum payout levels for the 2015 annual incentive award. Further details regarding these awards can be found in the section titled Annual Incentive Plan.

(3) Amounts in these columns reflect the threshold, target and maximum amount of performance-based units that were granted to the NEOs under the equity program. Performance-based units are granted for a three-year

(3) performance period with the payout determined at the end of the three-year period based on our ROCE and TSR performance against our peers. Further details regarding these grants can be found in the section titled Long-term Incentive Program.

(4) Amounts in this column represent the number of time-based restricted units granted to the NEOs under the equity program. These units vest one-third each year on the anniversary of the grant date. The grant date fair value is the closing price of our Class A Shares on the grant date.

(5) The amounts in this column have been calculated in accordance with FASB ASC Topic 718 using the number of

time-based restricted share units granted multiplied by the closing price of our common stock on the grant date, plus the number of ROCE performance-based restricted share units granted multiplied by the closing price of our common stock on the grant date, plus the number of TSR performance-based restricted share units multiplied by the grant date fair value as determined using a Monte-Carlo simulation.

Pension Benefits

Mr. Romano is a participant in the Tronox Incorporated Retirement Plan. We maintain this Qualified Plan and related trust, which were frozen in April of 2009, for all U.S. employees.

As part of Tronox Incorporated's separation from Kerr-McGee, it established the retirement plan and the trusts related to our retirement plan and accepted the transfer of assets and liabilities from the corresponding trusts for the Kerr-McGee retirement plans. All employees received credit for their service as Kerr-McGee employees prior to the establishment of our retirement plan.

All amounts set forth in the table below reflect normal retirement benefits that would be paid to each executive officer who is a participant in the Plan assuming the executive officer retired at the earliest retirement age that they could receive unreduced benefits (generally age 60).

PENSION BENEFITS AS OF DECEMBER 31, 2015

NAME	PLAN NAME	NUMBER OF YEARS CREDITED SERVICE (#)(1)	PRESENT VALUE OF ACCUMULATED BENEFIT (\$)(2)
John D. Romano	Tronox Incorporated Retirement Plan	20.167	524,868

(1) The years of credited service is fixed as of the date the plan was frozen in 2009.

The present value of accumulated benefits for the Tronox Incorporated Retirement Plan as of December 31, 2015 (2) was determined using the estimated ASC 715 assumptions in effect on December 31, 2015. The ASC 715 discount rate was 4.75%.

The lump sum assumption for the Tronox Incorporated Retirement Plan is based on the most recently published IRS 417(e) interest rates available and mortality based on RP-2014 adjusted with the MP-2015 projection scale.

The amounts shown in column (d) are determined according to prescribed SEC assumptions and may not reflect the benefits actually payable from the retirement plan if the named executive had retired during the last fiscal year. The above present values assume that the executive commences his accrued benefits at his earliest unreduced age under the plan provisions in effect at December 31, 2015.

Retirement benefits are calculated based upon years of service and final average monthly compensation. For benefits earned prior to January 1, 2009, an employee's final average monthly compensation is the highest average compensation for any period of 36 consecutive calendar months out of the final 120 consecutive calendar months prior to that employee's termination. For benefits earned beginning January 1, 2009, final

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

average monthly compensation is the highest average compensation for any period of 60 consecutive calendar months out of the final 120 consecutive calendar months prior to that employee's termination. Upon retirement, benefits are payable in a lump-sum or various annuity forms.

Tronox did not pay any retirement benefits to its NEOs in the fiscal year ended December 31, 2015.

Nonqualified Deferred Compensation

All U.S. employees, including our named executive officers, are eligible to participate in our Savings Plan. In addition, we offer a nonqualified deferred compensation plan, known as the Savings Restoration Plan. This plan allows certain employees the ability to defer up to 20% of their base salary and/or their annual incentive award. This plan also provides Company match and profit sharing credits for compensation in excess of the IRS maximum limit. The Company match was 100% up to 6% of employee contributions and the profit sharing match is 6%. All employees hired before January 1, 2012 have immediate vesting into both the Company match and the profit sharing, but for those hired after January 1, 2012 there is a three-year vesting for the profit sharing match. Distributions from the plan for employer contributions will be in the form of a lump sum and paid six months following separation from service. All payments from these plans are made from the general assets of the Company and no special fund or trust has been established for this money.

Employees who elect to defer any of their base salary or annual incentive award have their funds contributed into the Savings Restoration Plan. Employees elect the investment options for this money from the range of investment choices in the Savings Plan, including money market funds, equity funds, and bond funds. Because this is an unfunded plan, the investment elections are used only for the purpose of crediting earnings and determining the future benefit to be received from the plan. Distributions from the plan for employee contributions will be made either as a lump sum at a specified date in the future or upon separation from service.

Long-Term Incentives

The following definitions apply to the standard award agreements beginning in 2013 for the annual grants of equity awards for executives other than for our CEO:

- (1) If the executive officer is involuntarily terminated without Cause or for Good Reason, all unvested stock options and time-based restricted shares/units will be prorated for time worked and vest immediately. All performance-based restricted shares/units will be prorated for time worked and will vest at the end of the original three-year vesting period.
In the event of a Change in Control, all unvested stock options and all restricted shares/units, including performance-based shares/units, will vest immediately, provided the executive is continuously employed by Tronox or its subsidiaries through the date of such Change in Control.
- (2) If the executive officer is terminated by reason of death or Disability, all unvested stock options and all restricted shares/units will vest immediately.

If the Company terminates the CEO's employment other than for cause or the executive terminates his employment for good reason, then a) all share options and time-based restricted shares/units will vest immediately and b) performance-based restricted shares/units will be prorated for time worked and vest immediately as if target levels of performance had been achieved (other than the performance-based restricted shares/units that were granted in February 2016 which shall vest immediately as if target levels of performance had been achieved).

Calculation of Total Amounts Payable upon Termination

The following table provides the amount of compensation payable to each named executive officer upon various termination reasons. Except as noted, the amounts shown below assume that such termination was effective as of December 31, 2015, and thus includes amounts earned through such time and are estimates of the amounts which would be paid to each executive officer upon his or her termination. The actual amounts to be paid to each executive officer can only be determined at the time of that named executive officer's termination. All cash payments are expected to be made in a lump sum.

TABLE OF CONTENTS

EXECUTIVE COMPENSATION

- Cash Severance is based on annual rate of pay plus annual target bonus. For Mr. Casey, this amount is two times
- (1) base salary plus target bonus for Involuntary Not for Cause Termination and three times base salary plus target bonus for Termination Resulting from a Change in Control.
 - (2) Per each NEO's employment agreement, accrued vacation and sick leave balances will be paid out upon termination.
Accrued Bonus is defined as the prorated incentive amount due for performance up to the date of termination. For the examples, this amount is shown at target amounts for the full calendar year; however, in the event of a termination, actual payment will be based on actual time worked and actual performance results for the Company.
 - (3) The treatment of Mr. Casey's Restricted Shares is set forth in his employment agreement. For termination due to death or Disability or in the event of a Change in Control, all outstanding restricted shares/units including performance-based shares will vest immediately. For Involuntary Not for Cause Terminations, all outstanding time-based restricted shares/units will vest immediately but performance-based shares will be prorated for time worked since date of grant. Amounts are calculated using December 31, 2015 NYSE closing price of our stock of \$3.91 and performance-based shares are calculated using target amounts.
 - (4) The exercise price for all stock options that would vest in the event of Death or Disability, Involuntary Not for Cause Termination, Termination for Good Reason, and in the event of a Change in Control are all below the December 31, 2015 NYSE closing price of our stock of \$3.91.
 - (5) Medical benefits include medical, dental, and vision coverage through COBRA paid for by the Company.
 - (6) Cash Severance is based on annual rate of pay plus annual target bonus. For Ms. Harper and Mr. Turgeon, this amount is one times base salary plus target bonus for Involuntary Not for Cause Termination. For Mr. Romano and Dr. Van Niekerk, this amount is one times base salary plus target bonus for Involuntary Not for Cause Termination and two times base salary plus target bonus for Termination Resulting from a Change in Control. The treatment of the Restricted Shares/units for the NEOs other than Mr. Casey is based on their award agreements. For death and Disability, all outstanding shares/units, including performance based shares/units, will vest immediately. For Involuntary Not for Cause Terminations, all outstanding shares/units, including performance based shares/units, will be prorated for time-worked. In the event of a Change in Control, all outstanding shares/, including performance based shares/units, will vest immediately. Amounts are calculated using December 31, 2015 NYSE closing price of our stock of \$3.91 and performance-based shares are calculated using target amounts.
 - (7) Pension benefits are calculated as the lump-sum walk-away value under the U.S. Pension Plan. The lump-sum assumption is based on IRS 417(e) interest rates and mortality using a one-year stability period with a two-month look-back period.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

In November 2015, the board of directors adopted a program whereby directors could opt to receive their quarterly Board fees in shares of Class A stock in lieu of receiving a cash payment. In the event that a director elects to receive their quarterly Board fees in shares, such election must be made in writing to the Company's Corporate Secretary. The number of shares issued will be calculated by dividing the appropriate quarterly fee due by the closing price on the first trading day of the next quarter.

In March 2016, the Board of Directors formed a Special Ad Hoc Succession Committee to, among other things, identify and select an interim successor for the Company's Chief Executive Officer, Thomas Casey, should one become necessary as a result of Mr. Casey's previously disclosed medical condition. The members of this Committee are Wayne Hinman, Ilan Kaufthal, Andrew Hines and Daniel Blue, with Messrs. Hinman and Kaufthal serving as Co-Chairs. The members of this Committee will each receive \$15,000 per annum as additional compensation for serving on this Committee and each of the Co-Chairs will receive an additional \$10,000 per annum for acting as Chairman.

Additionally, non-employee directors will be entitled to receive an annual grant of time based restricted shares under the Tronox Limited Equity Plan with a fair-market value at grant equal to \$150,000, determined by dividing \$150,000 by the ten (10) day average closing price for the Company's shares for the first 10 business days in that calendar year and rounding down to the nearest full share. This award will vest ratably over a three-year period on each of the first three anniversaries of the date of the grant. Unvested awards will be forfeited upon termination except that in the case of a qualified change of control the awards will immediately become vested.

The following table sets forth the total compensation for the year ended December 31, 2015 paid to or earned by our non-employee directors during 2015.

Messrs. de Klerk and Nkosi accrue dividends on their restricted share units which are paid upon vesting. Dividends are not included in the grant date fair value calculation for time-based shares.

Messrs. de Klerk and Nkosi are not directly paid cash fees for their service as directors. Instead, Exxaro was paid (3)\$150,000 for their services. They are eligible to receive directly the long-term incentive grants that are awarded to each director.

Pursuant to the transaction with Exxaro, the Company maintains multiple transition services agreements, which amounted to \$2 million of payments by the Company to Exxaro during 2015. In order to effectively transition certain corporate functions following the closing of the transaction, the Company identified certain services that Exxaro could continue to perform on behalf of the Company on a temporary basis. These services include tax preparation assistance, information technology services, and research and development services. Additionally, we have a professional service agreement with Exxaro related to the Fairbreeze construction project, which amounted to \$3 million of payments by the Company to Exxaro during 2015.

Additionally, we hold a membership in ANSAC, which is responsible for promoting exports of US-produced soda ash. Under the ANSAC membership agreement, Alkali's exports of soda ash to all markets except Canada, European community, European Free Trade Association and the South African Customs Union are exclusively through ANSAC. Certain sales and marketing costs incurred by ANSAC are charged directly to us. Selling, general and administrative expenses in our consolidated statements of operations set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 include amounts charged to us by ANSAC principally consisting of salaries, benefits, office supplies, professional fees, travel, rent and certain other costs, amounted to \$3 million for 2015. These transactions do not necessarily represent arm's length transactions and may not represent all costs if Alkali operated on a stand-alone basis. During 2015, we recorded net sales to ANSAC of \$210 million which was included in Net sales in consolidated statements of operations set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015. At December 31, 2015, we had \$47 million of related party receivable from ANSAC and \$2 million of related party payables to ANSAC, which were recorded in Accounts receivable and Accounts payable, respectively, on our consolidated balance sheets set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015. Additionally, at December 31, 2015, we had a \$1 million payable to ANSAC for freight costs incurred on our behalf, which was included in Accounts payable on our consolidated balance sheets set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

The Company has adopted a written Related Person Transaction Policy that is administered by the Corporate Governance Committee. A copy of the Company's Related Person Transaction Policy can be found on the Company's website, <http://www.tronox.com>.

The Policy applies to any transaction or series of transactions in which the Company or a subsidiary is a participant, the amount involved exceeds \$120,000, and a related person has a direct or indirect material interest. Related persons subject to the policy include executive officers, directors, nominees for election as a director, owners of more than 5% of our total equity, and any members of the immediate family of any of the foregoing persons. The Policy also applies in respect of transactions which would involve the Company giving a financial benefit to related parties where, under the related party transaction provisions of Australia's Corporations Act, the benefit could be given only with shareholder approval. Under the Policy, Company management determines whether a transaction requires review by the Committee, and transactions requiring review are referred to the Committee for approval, ratification or other action. Based on its consideration of all of the relevant facts and circumstances, the Committee decides whether or not to approve such transactions and approves only those transactions that are deemed to be in the best interests of the Company. The Policy also contains a list of certain categories of related person transactions that are pre-approved under the Policy, and therefore need not be brought to the Committee for further approval, unless the transaction would require shareholder approval under Australia's Corporations Act. If the Company becomes aware of an existing transaction with a related person that has not been approved under this Policy, the matter is referred to the Committee. The Committee then evaluates all options available, including ratification, revision or termination of such transaction.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, among others, to file with the SEC and NYSE an initial report of ownership of our stock on Form 3 and reports of changes in ownership on Form 4 or Form 5. As a matter of practice, our staff assists our executive officers and directors in preparing initial ownership reports and reporting ownership changes, and typically files those reports on their behalf. We are asking shareholders to ratify the appointment of PricewaterhouseCoopers LLP (PwC) as the Company's independent registered public accounting firm.

The accounting firm of PwC has been selected as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2016. Although the selection of PwC does not require ratification, the Board of Directors has directed that the appointment of PwC be submitted to the shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm and as a matter of good corporate governance. A representative of PwC will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The affirmative vote of holders of a majority of ordinary shares cast at the Annual Meeting is required to ratify the appointment of PwC as the Company's independent registered public accounting firm.

PROPOSAL 3—ADVISORY VOTE ON EXECUTIVE COMPENSATION (SAY-ON-PAY)

In accordance with Section 14A of the Exchange Act and Section 951 of the Dodd-Frank Act, we are asking shareholders to approve the following non-binding advisory resolution at the Annual General Meeting to approve the compensation of our named executive officers (say-on-pay), which is described in this proxy statement:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed in this proxy statement, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED, on an advisory basis.

The primary goal of our executive compensation program is the same as our goal for operating the Company—to maximize corporate performance and thereby create value for our shareholders. To achieve this goal we have designed an executive compensation program based on the following principles:

- Paying for performance—A significant portion of each executive’s potential cash compensation is made subject to achieving business performance measures.
- Alignment with the interests of shareholders—Equity awards align our executives’ financial interests with those of our shareholders by providing value to our executives if the market price of our shares increase.
- Attracting and retaining top talent—The compensation of our executives must be competitive so that we may attract and retain talented and experienced executives in our industry.

For a detailed description of our executive compensation policies and programs and how they are designed to motivate superior performance, we urge shareholders to read —Compensation Discussion and Analysis in this proxy statement. The Compensation Discussion and Analysis also discusses the compensation objectives and principles that underlie the Company’s executive compensation program, the elements of the program and how performance is measured, evaluated and rewarded.

This vote is not intended to address any specific item of compensation, but rather the overall compensation that is paid to our named executive officers resulting from our compensation objectives, policies and practices as described in this proxy statement. Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Board of Directors and the Human Resources and Compensation Committee value the opinions expressed by our shareholders and will review the voting results in connection with their ongoing evaluation of our executive compensation program.

The accompanying proxy will be voted in favor of the approval, on an advisory basis, of the compensation of the Company’s named executive officers, as stated in the above advisory resolution, unless the shareholder indicates to the contrary on the proxy.

Our Board of Directors recommends a vote FOR the above advisory resolution approving the compensation paid to our named executive officers, as disclosed in this proxy statement.

TABLE OF CONTENTS**PROPOSAL 4—APPROVAL OF THE TRONOX LIMITED MANAGEMENT EQUITY INCENTIVE PLAN, AS AMENDED****Background; Reasons for the Proposal**

The Tronox Limited Management Equity Incentive Plan (the Tronox Limited Equity Plan) was originally established in 2012 and approved by our shareholders on June 13, 2012. In March 2016, subject to shareholder approval, our Board adopted an amendment to the Tronox Limited Equity Plan to increase the number of shares authorized for issuance under the Tronox Limited Equity Plan, adopted in 2012 and made certain other changes to the Tronox Limited Equity Plan as set forth below. If this proposal is approved, 8,000,000 additional shares will be added to the 2,762,185 authorized Class A Shares outstanding as of March 31, 2016 that may be granted under the Tronox Limited Equity Plan. As such, after giving effect to this amendment, the total number of Class A Shares authorized to be issued under the Tronox Limited Equity Plan will be 10,762,185 shares.

We believe that our future success depends, in large part, upon our ability to maintain a competitive position in attracting, retaining and motivating key personnel. Stock-based equity incentives are an important component of our compensation philosophy, intended to provide equity ownership opportunities and performance-based incentives to better align the recipient's interests with those of our shareholders. In light of this compensation philosophy and our business strategy, we believe that the number of shares currently available to us for option grants and other stock-based awards under the Tronox Limited Equity Plan will be insufficient to satisfy our future equity compensation needs. Accordingly, our Board determined that we needed to amend the Tronox Limited Equity Plan in order to increase the number of shares authorized under the plan. In making this determination and calculating the proposed 8,000,000 share increase in the number of shares authorized under the Tronox Limited Equity Plan our Board considered among other things, our stock price and volatility, our historical share usage under our equity incentive plans, our current overhang in shares issuable upon exercises of outstanding awards granted under our equity incentive plans and how they compare with our industry peers, current employee contractual obligations, the existing terms of our outstanding awards and assumptions regarding stock option exercise activity and forfeiture rate under the Tronox Limited Equity Plan as described in this proxy statement.

In addition, although we have not adopted a policy that all compensation paid to our executive officers must be tax-deductible, and we expect that we may continue to pay compensation to our executives that is not fully deductible, it is in the best interests of our shareholders to have flexibility in our awards such that awards granted under the Tronox Limited Equity Plan may qualify for exemption from the deduction limitations of Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), by providing for performance-based compensation to covered employees within the meaning of Section 162(m). In order to meet the requirements of these regulations and to qualify for the exemption for qualified performance-based compensation under Section 162(m), the shareholders must approve the material terms of the entire Tronox Limited Equity Plan, as amended. For purposes of Section 162(m), the material terms of the Tronox Limited Equity Plan include the eligible employees, business criteria and the maximum amount of compensation that may be paid to any individual in a specified period.

At this meeting, and in this proposal, our shareholders are being asked to approve the Tronox Limited Equity Plan, as amended, to allow us to grant awards under the Tronox Limited Equity Plan that may qualify as performance-based compensation under Section 162(m). Other than increasing the total number of shares authorized for issuance under the Tronox Limited Equity Plan and specifying the maximum amount of compensation that may be paid to any individual in a specified period, no changes are being made to the material terms of the Tronox Limited Equity Plan since it was initially adopted in 2012 . If the Tronox Limited Equity Plan, as amended, is approved, the material terms and performance goals of the Tronox Limited Equity Plan will need to be re-approved every five years following this year's approval.

Section 162(m)

Under Section 162(m), the federal income tax deductibility of compensation paid to our chief executive officer and any of our three other most highly compensated officers (other than its chief financial officer) (herein after referred to as Covered Employees) may be limited to the extent such compensation exceeds

50

PROPOSAL 4—APPROVAL OF THE TRONOX LIMITED MANAGEMENT EQUITY INCENTIVE PLAN, AS AMENDED

\$1,000,000 in any taxable year. However, we may deduct compensation paid to our Covered Employees in excess of that amount if it qualifies as performance-based compensation as defined in Section 162(m). In addition to certain other requirements, in order for any awards granted under the Tronox Limited Equity Plan to constitute performance-based compensation, the material terms of the Tronox Limited Equity Plan must be disclosed to, and reapproved by, our shareholders no later than the first shareholder meeting that occurs in the fifth year following the year in which shareholders previously approved the Tronox Limited Equity Plan.

For purposes of Section 162(m) regulations, the material terms of the Tronox Limited Equity Plan include:

- The employees eligible to receive compensation under the Tronox Limited Equity Plan, as described below under *Eligibility for Participation* ;
- The business criteria on which performance goals are based, as described below under *Performance Awards* ; and
- The maximum amount of compensation that may be paid to a participant under the Tronox Limited Equity Plan in any fiscal year, as described below under *Available Shares*.

Description of the Tronox Limited Management Equity Incentive Plan, as amended

The following is a summary of the key provisions of the Tronox Limited Equity Plan. This summary, however, does not purport to be a complete description of all the provisions of the Tronox Limited Equity Plan and is qualified in its entirety by a copy of the Tronox Limited Equity Plan, as amended which is included as Exhibit A to this proxy statement.

Purpose

The Tronox Limited Equity Plan provides a variety of incentives designed to attract, retain and motivate highly competent officers, directors, employees and consultants by providing them with appropriate incentives and rewards either through a proprietary interest in our long-term success or compensation based on their performance in fulfilling their personal responsibilities.

Administration

The Tronox Limited Equity Plan is administered by our HRCC. Our HRCC has the discretion to grant awards under the Tronox Limited Equity Plan, to determine the terms thereof, to interpret the provisions of the Tronox Limited Equity Plan and to take action as it deems necessary or advisable for the administration of the Tronox Limited Equity Plan.

Available Shares

Subject to Section 4.2 of the Tronox Limited Equity Plan, the maximum number of shares which may be the subject of awards (inclusive of incentive options) granted under the Tronox Limited Equity Plan is currently 12,781,225 Class A Shares. If this proposal is approved, 8,000,000 additional shares will be added to the 2,762,185 authorized Class A Shares currently outstanding as of March 31, 2016 that may be granted under the Tronox Limited Equity Plan. As such, after giving effect to this amendment, the total number of Class A Shares authorized to be issued under the Tronox Limited Equity Plan will be 10,762,185 shares.

In general, if awards under the Tronox Limited Equity Plan are for any reason cancelled, expire or terminate unexercised or are withheld as consideration for the exercise or purchase price of an award, the shares covered by such

awards will again be available for the grant of awards under the Tronox Limited Equity Plan. The maximum number of shares that may be subject to a performance award (which includes options) that may be granted to any one person in any one fiscal year is that number of Class A Shares equal to \$6,000,000 as determined on the grant date and the maximum amount that can be earned in respect of a performance award denominated in cash or value other than shares on an annualized basis is \$7,500,000. The maximum number of shares to which incentive stock options relate shall equal the total number of shares available for issuance under the Tronox Limited Equity Plan. The aggregate fair market value of shares underlying incentive stock options granted to a single participant during any calendar year under the Tronox Limited Equity Plan may not exceed \$100,000.

PROPOSAL 4—APPROVAL OF THE TRONOX LIMITED MANAGEMENT EQUITY INCENTIVE PLAN, AS AMENDED

Eligibility for Participation

Members of our Board, as well as our employees and independent contractors of, and advisors to, us or any of our subsidiaries and affiliates, are eligible to receive awards under the Tronox Limited Equity Plan.

Award Agreements

Awards granted under the Tronox Limited Equity Plan are evidenced by award agreements providing additional terms, conditions, restrictions and/or limitations covering the grant of the award, as determined by our HRCC in its sole discretion.

Adjustments

The aggregate number of shares under the Tronox Limited Equity Plan, the class of shares as to which awards may be granted and the exercise price of any number of shares covered by each outstanding award are subject to adjustment in the event of a stock dividend, recapitalization or certain other corporate transactions.

Type of Awards

The following types of awards are available under the Tronox Limited Equity Plan:

Share Options. The HRCC may grant nonqualified share options and incentive stock options (only to eligible employees) to purchase shares. The HRCC determines the number of shares subject to each option, the term of each option (which may not exceed ten years (or five years in the case of an incentive stock option granted to a 10% shareholder)), the exercise price, the vesting schedule (if any), and the other material terms of each option. No incentive stock option granted to a 10% shareholder may have an exercise price less than 110% of the fair market value of a share at the time of grant. Options are exercisable at such time or times and subject to such terms and conditions as determined by the HRCC at the time of the grant and the exercisability of such options may be accelerated by the HRCC in its sole discretion.

Share Appreciation Rights. The HRCC may grant share appreciation rights (which are referred to herein as SARs) either with a share option, which may be exercised only at such times and to the extent the related option is exercisable (a Related SAR), or independent of a share option. A SAR is a right to receive a payment in shares or cash equal in value to the excess of the fair market value of one share on the date of exercise over the base price per share established in connection with the grant of the SAR. The term of each SAR may not exceed ten years. The base price per share covered by a SAR is the exercise price per share of the related option in the case of a Related SAR.

Restricted Share and Restricted Share Units. The HRCC may award restricted shares and restricted share units. Except as otherwise provided by the HRCC, upon the award of restricted shares, the recipient generally has the rights of a shareholder with respect to the shares, including the right to receive dividends, the right to vote the restricted shares and, conditioned upon full vesting of the restricted shares, the right to sell or transfer such shares. The HRCC may determine at the time of the award that the payment of dividends or other distributions, if any, will be subject to the same vesting requirements as the underlying award and may be deferred until the expiration of the applicable restriction period. If a restricted share award is forfeited, the HRCC may either cause the forfeited shares to be bought back by us in accordance with the Australian Corporations Act for a nominal purchase price (in which case the shares would then be cancelled) or to be sold or transferred to another person, at its discretion. The Tronox Limited Equity

Plan provides that if the forfeited shares are sold or transferred, we will be entitled to receive the consideration for the sale or transfer (or a sum equivalent thereto) from the participant.

Other Share-Based Awards. The HRCC may, in its discretion, grant other share-based awards that are payable in, value in whole or in part by reference to, or otherwise based upon or related to our shares, including dividend equivalent units, share equivalent units and deferred share units. The terms applicable to any such share-based award, including the vesting schedule and the exercise price for such an award, if any, are determined by the HRCC in its sole discretion.

TABLE OF CONTENTS

PROPOSAL 4—APPROVAL OF THE TRONOX LIMITED MANAGEMENT EQUITY INCENTIVE PLAN, AS AMENDED

Performance Awards. The HRCC may grant a performance award to a participant payable upon the attainment of specific performance goals. If the performance award is payable in cash, it may be paid upon the attainment of the relevant performance goals either in cash or in restricted shares, as determined by the HRCC, in its sole discretion. The HRCC will establish the value or range of value of any performance award, the form in which it will be paid and the date(s) or timing of any payments made pursuant to such an award.

These awards may be granted, vest and be paid based on attainment of specified performance goals established by the HRCC. These performance goals will be based on one or more of the following criteria selected by the HRCC: (i) revenue, (ii) earnings per share, (iii) net income per share, (iv) share price, (v) pre-tax profits, (vi) net earnings, (vii) net income, (viii) operating income, (ix) cash flow, (x) EBITDA, (xi) earnings before interest and taxes, (xii) sales, (xiii) total shareholder return relative to assets, (xiv) total shareholder return relative to peers, (xv) financial returns, (xvi) cost reduction targets, (xvii) customer satisfaction, (xviii) customer growth, (xix) employee satisfaction, (xx) gross margin, (xxi) revenue growth, (xxii) market share, (xxiii) book value per share, (xxiv) expenses and expense ratio management, (xxv) system-wide sales or growth, (xxvi) traffic or customer counts, (xxvii) new product sales, or (xxviii) any combination thereof and such other criteria as the HRCC may determine. Performance objectives may be in respect of: (a) our performance, (b) the performance of any of our subsidiaries or affiliates, or (c) the performance of any of our divisions or business units. The HRCC may also include or exclude items it deems necessary, including, but not limited to, extraordinary, unusual or non-recurring items, expenses for restructuring, and acquisition expenses and may adjust previously established performance goals to reflect major unforeseen events.

Where the Company is required to deliver shares to a participant under the Tronox Limited Equity Plan, the Tronox Limited Equity Plan allows the Company to choose whether to: (i) issue new shares to the participant; or (ii) cause previously issued shares to be acquired (e.g., on market) by or for the benefit of, and transferred to, the participant at the Company's cost.

Change in Control

Under the Tronox Limited Equity Plan, in connection with a change in control, the HRCC may provide for the vesting of all awards. In addition, the Board can unilaterally implement and/or negotiate a procedure with any party to the change in control such that all unexercised options may be purchased for an amount equal to the excess of the price of a share paid in a change in control over the exercise price of the award(s).

Shareholder Rights

Under the Tronox Limited Equity Plan, except as otherwise provided with respect to awards of restricted shares and restricted share units, a participant will have no rights as a shareholder with respect to shares covered by any award until the participant becomes the record holder of such shares.

Amendment and Termination

Under the Tronox Limited Equity Plan, the Board may at any time amend, suspend or terminate any or all of the provisions of the Tronox Limited Equity Plan, subject to any requirement of shareholder approval required by applicable law; provided, however, that the Board may make any amendment necessary to avoid the imposition of any taxes under Section 409A of the Internal Revenue Code of 1986, as amended (the Code), without shareholder approval. Subject to the foregoing, the amendment, suspension or termination of the Tronox Limited Equity Plan may not, without the consent of a participant, materially adversely alter or impair any rights or obligations under any award

granted to such participant.

Transferability

Awards granted under the Tronox Limited Equity Plan are generally intended to be nontransferable (other than by will or the laws of descent and distribution), except that a participant may, with the prior consent of the HRCC, transfer without consideration, awards other than incentive stock options to certain family members, to a trust for the exclusive benefit of such family members, or to a partnership or limited liability company, the partners or members of which are exclusively such family members.

53

TABLE OF CONTENTS

PROPOSAL 4—APPROVAL OF THE TRONOX LIMITED MANAGEMENT EQUITY INCENTIVE PLAN, AS AMENDED

In addition, the Tronox Limited Equity Plan provides that it will be a condition of every award that no participant shall offer any shares that are delivered to him or her pursuant to the award for sale within 12 months of the date of issue of the shares, unless the offer does not need a disclosure document under the Australian Corporations Act or the offer is not received in Australia (or the award provides otherwise).

Requirements of Law

The Tronox Limited Equity Plan provides that the granting of awards and the delivery of shares under the plan is subject to all applicable laws. Nothing in the Tronox Limited Equity Plan will require us or any other person to do any act or thing, or refrain from doing any act or thing, if to do or not do the act or thing (as the case may be) would contravene the Australian Corporations Act or other applicable law. Accordingly, if a participant would be entitled to receive a payment or other benefit under the Tronox Limited Equity Plan, or an award in connection with the participant's termination of service, and payment of such amount or the giving of such benefit would result in us contravening the Australian Corporations Act, the participant will be entitled to receive only the maximum amount that may lawfully be paid, or the benefit to the extent that it may lawfully be given, in connection with the participant's termination of service. As mentioned elsewhere in this proxy statement, the giving of certain termination benefits was approved in 2012. These approved termination benefits include termination benefits that may be provided under the Tronox Limited Equity Plan. The approval will continue to be effective for such termination benefits (whether or not the Tronox Limited Equity Plan, as amended, is approved at the Annual Meeting).

Federal Income Tax Consequences

The following discussion covers the material federal income tax consequences, based on the current provisions of the Code, and applicable regulations issued thereunder, with respect to awards that may be granted under the Tronox Limited Equity Plan. It is a brief summary only. The discussion is limited to federal income tax consequences for individuals who are U.S. citizens or residents for U.S. federal income tax purposes and does not describe state, local or foreign tax consequences of an individual's participation in the Tronox Limited Equity Plan. Changes to these laws could alter the federal income tax consequences described below.

Share Options. The grant of a share option will have no tax consequences to the grantee or to us at the time of the grant. Upon the exercise of a non-qualified share option, the grantee will generally recognize ordinary income equal to the excess of the acquired shares' fair market value on the exercise date over the exercise price, and we will generally be entitled to a tax deduction in the same amount. If a grantee exercises an incentive stock option during employment or within three months after his or her employment ends, other than as a result of death (12 months in the case of disability), the grantee will not recognize taxable income at the time of exercise for regular U.S. federal income tax purposes and we will not be entitled to a tax deduction (although the grantee generally will have taxable income for alternative minimum tax purposes at that time as if the option were a nonqualified share option). With respect to both non-qualified share options and incentive stock options, special rules apply if a grantee uses shares already held by the grantee to pay the exercise price or if the shares received upon exercise of the option are subject to a substantial risk of forfeiture by the grantee.

Share Appreciation Rights. The grant of a SAR will have no tax consequences to the grantee or to us at the time of grant. Upon the exercise of a SAR, the grantee will recognize ordinary income equal to the received shares' fair market value on the exercise date, and we will generally be entitled to a tax deduction in the same amount.

Restricted Share, Restricted Share Units and Other Equity Awards. In general, the grant of restricted shares, restricted share units, or other equity awards that are subject to restrictions will have no tax consequences to the grantee or to us. When the award is settled (or, in the case of restricted shares, when the restrictions applicable to such award lapse), the grantee will recognize ordinary income equal to the excess of the applicable shares' fair market value on the date the award is settled or the restrictions lapse, as applicable, over the amount, if any, paid for the shares by the grantee. We will generally be entitled to a tax deduction in the same amount. If the award is settled in cash or other property, the grantee will recognize ordinary income equal to the net amount or value received, and we will generally be entitled to a tax deduction in the same amount, subject to the application of Section 162(m). A grantee will recognize income upon the receipt of restricted shares if he or she elects under Section 83(b) of the Code, within 30 days of receipt, to recognize

TABLE OF CONTENTS

PROPOSAL 4—APPROVAL OF THE TRONOX LIMITED MANAGEMENT EQUITY INCENTIVE PLAN, AS AMENDED

ordinary income equal to the fair market value of the restricted shares at the time of receipt, less any amount paid for the shares. We will generally be entitled to a tax deduction in the same amount. If such election is made, the grantee will not be allowed a deduction for amounts subsequently required to be returned to us.

Sale of Shares. When a grantee sells shares received under any award other than an incentive stock option, the grantee will recognize capital gain or loss equal to the difference between the sale proceeds and the grantee's basis in the shares. In general, the basis in the shares is the amount of ordinary income recognized upon receipt of the shares (or upon the lapsing of restrictions, in the case of restricted shares) plus any amount paid for the shares. When a grantee disposes of shares acquired upon the exercise of an incentive stock option, the difference between the amount realized by the grantee and the exercise price will generally constitute a capital gain or loss, as the case may be. However, if the grantee does not hold these shares for more than one year after exercising the incentive stock option and for more than two years after the grant of the incentive stock option, then: (1) the excess of the fair market value of the shares acquired upon exercise on the exercise date over the exercise price will generally be treated as ordinary income for the grantee; (2) the difference between the sale proceeds and the shares' fair market value on the exercise date will be treated as a capital gain or loss for the grantee; and (3) we will generally be entitled to a tax deduction equal to the amount of ordinary income recognized by the grantee.

Deduction Limits. In general, a corporation is denied a tax deduction for any compensation paid to Covered Employees to the extent that the compensation paid to the officer exceeds \$1,000,000 in any year. Performance-based compensation that satisfies the requirements of Section 162(m) is not subject to this deduction limit. The Tronox Limited Equity Plan permits the grant of awards that are intended to qualify as performance-based compensation (such as restricted shares and restricted share units that are conditioned on achievement of one or more performance goals, and share options and SARs) and of awards that do not so qualify (such as restricted shares and restricted share units that are not conditioned on achievement of performance goals). If the Tronox Limited Equity Plan, as amended is approved by the shareholders and awards that are intended to qualify as performance-based compensation are granted in accordance with the requirements of Section 162(m), it is anticipated that they will be fully deductible by us.

New Plan Benefits

No grants have been made with respect to the additional Class A Shares subject to the Tronox Limited Equity Plan, as amended. The aggregate number of Class A Shares that may be granted to eligible officers, employees, directors and consultants is indeterminable at this time.

Vote Required for Approval of the TRONOX LIMITED EQUITY PLAN, as amended

The affirmative vote of the holders of a majority of the votes cast will be required for approval of the Tronox Limited Equity Plan, as amended, meaning the votes cast for must exceed the votes cast against. In addition, because we are a NYSE listed company, the total votes cast on this proposal must represent greater than 50% of the outstanding votes. Votes for and against and abstentions count as votes cast, while broker non-votes do not count as votes cast, but count as outstanding votes. Thus the total sum of the vote for plus votes against, plus abstentions, hereinafter referred to as the NYSE votes cast must be greater than 50% of the total outstanding votes. Further, the number of votes for the proposal must be greater than 50% of the NYSE votes cast. Thus, abstentions have the same effect as a vote against the proposal. Under the NYSE rules, brokers do not have discretionary authority to vote shares with respect to this proposal without direction from the beneficial owner. Thus, broker non-votes could impair our ability to satisfy the requirement that the NYSE votes cast represent over 50% of the outstanding votes.

Our Board of Directors recommends a vote FOR the above amendment to the Tronox Limited Equity Plan.

As required under the Constitution, to be timely for the 2017 Annual Meeting, a shareholder's notice of a director nomination must be delivered to our Secretary at the address provided below not earlier than the 120th day, no later than the 90th day before the anniversary of the date of the 2016 Annual Meeting. As a result, any nomination given by a shareholder pursuant these provisions of our Constitution (and not pursuant to SEC Rule 14a-8) must be received no earlier than the close of business (5:00 p.m. U.S. Eastern Standard Time) on January 25, 2017, and no later than the close of business (5:00 p.m., U.S. Eastern Standard Time) on February 24, 2017, unless our 2017 Annual Meeting date occurs more than 30 days before or 70 days after May 25, 2017. The Constitution is also available on our website at www.tronox.com.

Under Australian law, the Board of Directors can refuse to place a resolution on the agenda at a meeting in certain circumstances, for example if the matter is not a matter for proper shareholder action because it concerns a matter exclusively vested in the Board of Directors.

Notice of intention to submit a nomination or other proposal at the 2017 Annual Meeting and any request for a copy of the Constitution must be addressed to the Company Secretary at Tronox Limited, 263 Tresser Boulevard, Suite 1100,

ADDITIONAL INFORMATION

OTHER MATTERS

If any other matters properly come before the shareholders at the Annual Meeting, it is the intention of the persons named on the enclosed proxy card to vote the shares represented thereby on such matters in accordance with their best judgment.

Under the Australian Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on a resolution connected directly or indirectly with the remuneration of a member of the key management personnel for the company if, (i) the person is either a member of the key management personnel or a closely related party of a member of the key management personnel; and (ii) the appointment does not specify the way to vote on the resolution. For this purpose, key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly and indirectly, including any director (whether executive or otherwise) of the company. A closely related party of a member of the key management personnel is: a spouse or child of the member; a child of the member's spouse; a dependent of the member of the member's spouse; anyone else who is in the member's family who may be expected to influence the member or be influenced by the member in the member's dealings with the company; and a company the member controls.

This voting exclusion applies to Proposals 3 and 4. As such, members of the key management personnel (and their closely related parties) will not be able to vote your proxy on Proposals 3 and 4, unless you direct them how to vote. If you intend to appoint a member of the key management personnel as your proxy, please ensure that you direct them how to vote on Proposals 3 and 4, by marking the voting boxes on the proxy card for those proposals. This prohibition does not apply to the chairman of the meeting, where the proxy appointment expressly authorizes the chairman of the meeting to exercise an undirected proxy.

HOUSEHOLDING AND COMBINING ACCOUNTS

Each registered shareholder (those that own shares in their own name on the books of our transfer agent) will receive one copy each of this proxy statement per account, even if at the same address.

The SEC permits companies and intermediaries (such as brokers and banks) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report to those shareholders. This process, which is commonly referred to as householding, is intended to reduce the volume of duplicate information shareholders receive and also reduce expenses for companies. While we do not utilize householding, some intermediaries may be householding our proxy materials and annual report. Once you have received notice from your broker or another intermediary that it will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If you hold your shares through an intermediary that sent a single proxy statement and annual report to multiple shareholders in your household, we will promptly deliver a separate copy of each of these documents to you if you send a written request to: 263 Tresser Boulevard, Suite 1100, Stamford, Connecticut 06901, USA or P.O. Box 305, Kwinana, Western Australia, Australia, 6966 or fax a request to +1 (203) 705-3703 (USA), or +61 (0) 8 9 365-1390 (Australia). You may also submit a request by telephone (from U.S. and Canada only) using the toll-free number listed on the proxy card. If you hold your shares through an intermediary that is utilizing householding and you want to receive separate copies of our annual report and proxy statement in the future, or if you are receiving multiple copies of our proxy materials and annual report and wish to receive only one, you should contact your bank, broker or other nominee record holder.

Termination of Consultancy means: (a) that the Independent Contractor is no longer acting as a consultant to the Company or an Affiliate; or (b) when an entity which is retaining a Participant as an Independent Contractor ceases to be an Affiliate unless the Participant otherwise is, or thereupon becomes, an Independent Contractor to the Company or another Affiliate at the time the entity ceases to be an Affiliate. In the event that an Independent Contractor becomes an Eligible Employee or a Non-Employee Director upon the termination of his or her consultancy, unless otherwise determined by the Committee, in its sole discretion, no Termination of Consultancy shall be deemed to occur until such time as such Independent Contractor is no longer an Independent Contractor, an Eligible Employee or a Non-Employee Director.

Termination of Directorship means that the Non-Employee Director has ceased to be a director of the Company; except that if a Non-Employee Director becomes an Eligible Employee or a Consultant upon the termination of his or her directorship, his or her ceasing to be a director of the Company shall not be treated as a Termination of Directorship unless and until the Participant has a Termination of Employment or Termination of Consultancy, as the case may be.

Termination of Employment means: (a) a termination of employment (for reasons other than a military or personal leave of absence granted by the Company) of a Participant from the Company and its Affiliates; or (b) when an entity which is employing a Participant ceases to be an Affiliate, unless the Participant otherwise is, or thereupon becomes, employed by the Company or another Affiliate at the time the entity ceases to be an Affiliate. In the event that an Eligible Employee becomes an independent director upon the termination of his or her employment, unless otherwise determined by the Committee, in its sole discretion, no Termination of Employment shall be deemed to occur until such time as such Eligible Employee is no longer an Eligible Employee or an independent director. Notwithstanding the foregoing, the Committee may otherwise define Termination of Employment in the Award Agreement, provided that any such change to the definition of the term Termination of Employment does not subject the applicable Award to adverse consequences under Section 409A of the Code.

3.3 Delegation by the Committee.

3.3.1 The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or any part of its authority and powers under the Plan to one or more Members of the Board of the Company and/or officers of the Company; provided, however, that the Committee may not delegate its authority or power if prohibited by applicable law.

3.3.2 The Committee may, in its sole discretion, employ such legal counsel, consultants and agents as it may deem desirable for the administration of this Plan and, subject to applicable law, may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or the Board in the engagement of any such counsel, consultant or agent shall be paid by the Company.

3.4 Indemnification. Each person who is or shall have been a member of the Committee, or of the Board and any person designated pursuant to Section 3.3.1, shall to the maximum extent permitted by applicable law and the Constitution of the Company be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any good faith action taken or good faith failure to act under the Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be available to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon the person otherwise to be indemnified under this Section 3.4 determines that the acts or omissions or determinations of

such person giving rise to the indemnification claim resulted from such person's bad faith, fraud or willful criminal act or omission. This section 3.4 does not create any right of indemnification or exclude any liability to the extent such indemnification or exclusion is prohibited by law or by the Company's Constitution. The foregoing right of

A-6

indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Constitution (or other organizational document) of the Company or a Subsidiary or Affiliate, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

3.5 Decisions Binding. All determinations, decisions and interpretations of the Committee, the Board, and any delegate of the Committee pursuant to the provisions of the Plan or any Award Agreement shall be final, conclusive, and binding on all persons, and shall be given the maximum deference permitted by law.

ARTICLE IV SHARES SUBJECT TO THE PLAN

4.1 Number of Shares. Subject to adjustment as provided in Section 4.2, the maximum number of Shares which may be the subject of Awards (inclusive of unissued Shares to which outstanding Incentive Stock Options relate) granted under the Plan shall be 2,556,245 Shares in total (the Share Reserve). Shares required to be delivered under the Plan may be newly issued Shares or previously issued Shares which the Company has caused to be acquired by or for the benefit of Participants (as the Committee decides from time to time). To the extent permitted by applicable law or exchange rules, Shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any Subsidiary or Affiliate shall not reduce the Shares available to be issued or transferred for grants of Awards under this Section 4.1. The maximum number of Shares to which Incentive Stock Options relate shall be equal to the Share Reserve.

4.2 Lapsed Awards. To the extent that Shares subject to an outstanding Option (except to the extent Shares are delivered to a Participant by the Company in connection with the exercise of a tandem SAR) or other Award have ceased to be deliverable to a Participant by reason of (i) the expiration, cancellation, forfeiture or other termination of such Award, (ii) the withholding of such Shares in satisfaction of applicable federal, state or local taxes or as consideration for the exercise or purchase price of an Award or (iii) the settlement of all or a portion of such Award in cash, then such Shares which have ceased to be deliverable by the Company shall not be counted toward the Share Reserve and shall again be available under this Plan. With respect to Stock Appreciation Rights settled in Shares, upon settlement, only the number of Shares delivered to a Participant (based on the difference between the Fair Market Value of the Shares subject to such SAR on the date such SAR is exercised and the Base Price) shall be counted towards the Share Reserve.

4.3 Changes in Capital Structure. Unless otherwise provided in the Award Agreement, in the event that any special dividend or other special distribution (whether in the form of cash, Shares, other securities, or other property), Share bonus issue, recapitalization, subdivision, consolidation, reorganization, merger, split-up, spin-off, combination, repurchase, change of control or exchange of Shares or other securities of the Company, or other corporate transaction or event (each a Corporate Event) affects the Shares (including, without limitation, a transaction under which a person (either alone or together with associates) acquires control of the Company), subject to applicable law the Board or the Committee shall make any adjustments in such manner as it, in good faith, deems equitable or appropriate, in (i) the number of Shares or other securities of the Company (or number and kind of other securities or property) which may be delivered in respect of Awards or with respect to which Awards may be granted under the Plan (including, without limitation, adjusting any or all of the limitations under this Article IV), (ii) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards or to which outstanding Awards relate, and (iii) the Exercise Price or Base Price with respect to any Award, or make provision for an immediate cash payment to the holder of an outstanding Award in consideration for the cancellation of such Award (based on the spread).

4.3.1 If the Company enters into or is involved in any Corporate Event, subject to applicable law, the Board or the Committee shall, prior to such Corporate Event and upon such Corporate Event, take such action as it, in good faith, deems to be equitable or appropriate, which may (but need not) include replacing Awards with substitute awards in respect of the Shares, cash, other securities or other property of the surviving corporation, acquirer, ultimate parent company of the Company or any affiliate of the foregoing on such terms and conditions, as to the number of Shares, pricing and otherwise, to substantially preserve the value, rights and benefits of any affected Awards granted hereunder as of the date of the consummation of the Corporate Event. Notwithstanding anything to the contrary in the Plan, if a Change in Control occurs, the Company shall have the right, but not the obligation, to cancel each Participant's Awards immediately prior to such Change in Control and to pay to each affected Participant in connection with the cancellation of such Participant's Awards, an amount that the

A-7

TABLE OF CONTENTS

Committee, in its sole discretion, determines to be the equivalent value of such Award (e.g., in the case of an Option or SAR, the amount of the spread), it being understood that the equivalent value of an Option or SAR with an exercise price greater than or equal to the Fair Market Value of the underlying Shares shall be zero.

4.3.2 Upon receipt by any affected Participant of any such substitute awards (or payment) as a result of any such Corporate Event, such Participant's affected Awards for which such substitute awards (or payment) were received shall be thereupon cancelled without the need for obtaining the consent of any such affected Participant. Any actions or determinations of the Committee under this Section 4.3 need not be uniform as to all outstanding Awards, nor treat all Participants identically.

4.3.3 Nothing in this Section 4.3 requires the Board or the Committee to do or procure anything which is not within its power or control to do or procure or which would involve the Board or Committee (or any member thereof) breaching a duty owed to the Company.

4.4 Minimum Purchase Price. Notwithstanding any provision of this Plan to the contrary, any Shares which are delivered under this Plan, must not be delivered for consideration that is less than as permitted under applicable law.

ARTICLE V

GENERAL REQUIREMENTS FOR AWARDS

5.1 Awards Under the Plan. Awards under the Plan may be in the form of Incentive Stock Options, Non-Qualified Share Options, Share Appreciation Rights, Restricted Share, Restricted Share Units, Performance Awards and Other Share-Based Awards, cash payments and such other forms as the Committee in its discretion deems appropriate, including any combination of the above. No fractional Shares shall be issued under the Plan nor shall any right be exercised under the Plan with respect to a fractional Share. If (but for this Section) a Participant would become entitled to be delivered a number of Shares that is not a whole number, the number of Shares to which the Participant is entitled to be delivered shall not include the fraction.

5.2 General Eligibility. All Eligible Individuals are eligible to be granted Awards, subject to the terms and conditions of this Plan. Eligibility for the grant of Awards and actual participation in this Plan shall be determined by the Committee in its sole discretion.

5.3 Incentive Stock Options. Notwithstanding anything herein to the contrary, only Employees of the Company, its Subsidiaries and its parent (if any) are eligible to be granted Incentive Stock Options under this Plan. Eligibility for the grant of an Incentive Stock Option and actual participation in this Plan shall be determined by the Committee in its sole discretion.

5.4 Participation. No person shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award. The Committee's determination under the Plan (including, without limitation, determination of the eligible Employees who shall be granted Awards, the form, amount and timing of such Awards, the terms and provisions of Awards and the Award Agreements and the establishment of Performance Goals) need not be uniform and may be made by it selectively among eligible Employees who receive or are eligible to receive Awards under the Plan, whether or not such eligible Employees are similarly situated.

5.5 Conditions and Restrictions on Shares. Each Participant to whom an Award is made under the Plan shall (i) enter into an Award Agreement with the Company that shall contain such provisions consistent with the provisions of the Plan, as may be approved by the Committee and (ii) to the extent the Award is made at a time prior to the date Shares are listed for trading on an established securities exchange, enter into a Stockholder's Agreement that is substantially

similar in all material respect to any stockholder's agreement entered into by any other employee of the Company or its Subsidiaries in connection with the Award of any equity-based compensation. Each Award made hereunder shall be subject to the requirement that if at any time the Company determines that the listing, registration or qualification of the Shares subject to such Award upon any securities exchange or under any law, or the consent or approval of any governmental body, or the taking of any other action is necessary or desirable as a condition of, or in connection with, the exercise or settlement of such Award or the delivery of Shares thereunder, such Award shall not be exercised or settled and such Shares shall not be delivered unless such listing, registration, qualification, consent, approval or other action shall have been effected or obtained, free of any conditions not acceptable to the Company. The Company may require that certificates

A-8

TABLE OF CONTENTS

evidencing Shares delivered pursuant to any Award made hereunder bear a legend indicating that the sale, transfer or other disposition thereof by the holder is prohibited except in compliance with the Securities Act or the Corporations Act. Finally, no Shares shall be delivered under the Plan, unless the delivery of those Shares shall comply with all relevant regulations and any registration, approval or action thereunder and the person to whom they are to be delivered has agreed to become a member of the Company and be bound by its Constitution.

5.6 Clawback/Forfeiture. Notwithstanding anything to the contrary contained herein, an Award Agreement may provide that the Committee may in its sole discretion cancel such Award, in whole or in part, if the Participant, without the consent of the Company, while employed by or providing services to the Company or any Affiliate or after termination of such employment or service, violates a non-competition, non-solicitation or non-disclosure covenant or agreement or otherwise engages in activity that is in conflict with or adverse to the interest of the Company or any Affiliate, including fraud or conduct contributing to any financial restatements or irregularities, as determined by the Committee in its sole discretion. The Committee may also provide in an Award Agreement that if the Participant engages in any activity referred to in the preceding sentence, the Participant will forfeit any gain realized on the vesting or exercise of such Award, and must repay the gain to the Company. In the case of an Award of Restricted Shares that is cancelled pursuant to this Section 5.6, the Committee may determine that the Restricted Shares are forfeited, in which case the provisions of Section 7.4 shall apply in respect of such forfeited Shares.

5.7 Restrictions on Transfer. It shall be a condition of every Award that no Participant shall offer (or permit or cause to be offered) any Shares that are delivered to him or her pursuant to the Award for sale within 12 months of their issue, unless the Award Agreement provides otherwise or the offer does not need a disclosure document under the Corporations Act or the offer is not received in Australia.

ARTICLE VI SHARE OPTIONS

6.1 Grant of Options. Subject to the provisions of the Plan, Options may be granted to Participants at such times, and subject to such terms and conditions, as determined by the Committee in its sole discretion. An Award of Options may include Incentive Stock Options, Non-Qualified Share Options, or a combination thereof; provided, however, that an Incentive Stock Option may only be granted to an Employee of the Company or a Subsidiary and no Incentive Stock Option shall be granted more than ten years after the earlier of (i) the Effective Date or (ii) the date this Plan is approved by the Company's shareholders.

6.2 Award Agreement. Each Option shall be evidenced by an Award Agreement that shall specify the Exercise Price, the expiration date of the Option, the number of Shares to which the Option pertains, any conditions to the exercise of all or a portion of the Option, and such other terms and conditions as the Committee, in its discretion, shall determine. The Award Agreement pertaining to an Option shall designate such Option as an Incentive Stock Option or a Non-Qualified Share Option. Notwithstanding any such designation, to the extent that the aggregate Fair Market Value (determined as of the Grant Date) of Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by a Participant during any calendar year (under this Plan or any other plan of the Company, or any parent or subsidiary as defined in Section 424 of the Code) exceeds \$100,000, such Options shall constitute Non-Qualified Share Options. For purposes of the preceding sentence, Incentive Stock Options shall be taken into account in the order in which they are granted.

6.3 Exercise Price. Subject to the other provisions of this Section, the Exercise Price with respect to Shares subject to an Option shall be determined by the Committee at the time of grant, provided; however; that the Exercise Price of an Option shall not be less than 100% (or, in the case of an Incentive Stock Option granted to a Ten Percent Holder, 110%) of the Fair Market Value of a Share on the Grant Date.

6.4 Expiration Dates. Each Option shall terminate not later than the expiration date specified in the Award Agreement pertaining to such Option; provided, however, that the expiration date with respect to an Option shall not be later than the tenth (10th) anniversary of its Grant Date and the expiration date with respect to an Incentive Stock Option granted to a Ten Percent Holder shall not be later than the fifth (5th) anniversary of its Grant Date.

6.5 Exercisability of Options. Subject to Section 6.4, Options granted under the Plan shall be exercisable at such times, and shall be subject to such restrictions and conditions, as the Committee shall determine in its sole

A-9

TABLE OF CONTENTS

discretion. The exercise of an Option is contingent upon payment by the optionee of the amount sufficient to pay all taxes required to be withheld by any governmental agency. Such payment may be in any form approved by the Committee.

6.6 Method of Exercise. Options shall be exercised in whole or in part by the Participant's delivery of a written notice of exercise to the General Counsel or Secretary of the Company (or his or her designee) setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Exercise Price with respect to each such Share and an amount sufficient to pay all taxes required to be withheld by any governmental agency. The Exercise Price shall be payable to the Company in full in cash or its equivalent and no Shares resulting from the exercise of an Option shall be issued until full payment therefore has been made. The Committee, in its sole discretion, also may permit exercise by any other means which the Committee, in its sole discretion, determines to both provide legal consideration for the Shares, and to be consistent with the purposes of the Plan (including, without limitation, a cashless exercise whereby the Company does not deliver that number of Shares with a Fair Market Value equal to the aggregate exercise price of the Options being exercised). As soon as practicable after receipt of a written notification of exercise and full payment for the Shares with respect to which the Option is exercised, the Company shall deliver to the Participant Share certificates (or the equivalent if such Shares are held in book entry form) for such Shares with respect to which the Option is exercised.

6.7 Restrictions on Share Transferability. Incentive Stock Options are not transferable, except by will or the laws of descent. The Committee may impose such additional restrictions on any Shares acquired pursuant to the exercise of an Option as it may deem advisable, including, but not limited to, restrictions related to applicable federal securities laws or the Corporations Act, the requirements of any national securities exchange or system upon which Shares are then listed or traded, or any blue sky or state securities laws.

6.8 Cashing Out of Option. Unless otherwise provided in the Award Agreement, on receipt of written notice of exercise, the Committee may elect to cash out all or part of the portion of the Shares for which an Option is being exercised by paying the optionee an amount, in cash equal to the excess of the Fair Market Value of the Shares over the Exercise Price times the number of Shares for which the Option is being exercised on the effective date of such cash-out. Notwithstanding the foregoing, an outstanding Option may not be modified to reduce the Exercise Price thereof nor may a new Option at a lower price be substituted for a surrendered Option (other than adjustments or substitutions in accordance with Section 4.3), unless such action is approved by the stockholders of the Company.

6.9 Certain Powers. Notwithstanding anything herein to the contrary, unless otherwise provided in the Award Agreement and to the extent permitted by applicable law, the Committee may, at its sole and absolute discretion, (i) lower the Exercise Price of an Option after it is granted, or take any other action with the effect of lowering the Exercise Price of an Option after it is granted or (ii) permit Participants to cancel an Option in exchange for another Award.

6.10 Incentive Stock Options. Should any Option granted under this Plan be designated an Incentive Stock Option, but fail, for any reason, to meet the requirements of the Code for such a designation, then such Option shall be deemed to be a Non-Qualified Share Option and shall be valid as such according to its terms.

ARTICLE VII SHARE AWARDS

7.1 Grant of Share Awards. Subject to the provisions of the Plan, Share Awards may be granted to such Participants at such times, and subject to such terms and conditions, as determined by the Committee in its sole discretion. Share Awards may be issued either alone or in addition to other Awards granted under the Plan.

7.2 Share Award Agreement. Each Share Award shall be evidenced by an Award Agreement that shall specify the number of Shares granted, the price, if any, to be paid for the Shares and the Period of Restriction applicable to a Restricted Share Award or RSU Award and such other terms and conditions as the Committee, in its sole discretion, shall determine including, without limitation, that an RSU Award may be settled in cash or a combination of cash and Shares.

7.3 Acceptance. Awards of Restricted Shares must be accepted within a period of thirty (30) days (or such other period as the Committee may specify) after the grant date, by executing a Restricted Share Award Agreement and by paying whatever price (if any) the Committee has designated thereunder.

A-10

TABLE OF CONTENTS

7.4 Transferability/Share Certificates/Forfeiture.

7.4.1 Restricted Shares may not be sold, Transferred, pledged, assigned, or otherwise alienated or hypothecated during the Period of Restriction. During the Period of Restriction, a Restricted Share Award may bear a legend as described in Section 7.5.2. Unless the Committee determines otherwise, Restricted Shares shall be delivered to and held by the relevant Participant for the applicable Period of Restriction and such Participant shall be and remain the beneficial owner of each such Restricted Share.

7.4.2 The Committee may impose such requirements and implement such arrangements as it considers necessary or desirable for the purpose of securing compliance by the Participant with the terms of an Award of Restricted Shares and the Plan (including this Section 7.4). Such requirements and arrangements may include, without limitation, a requirement that the Participant deliver to the Company (or its nominee) any Share certificate relating to the Restricted Shares and a blank transfer of the Restricted Shares duly executed by the Participant (as transferor).

7.4.3 In the event that an Award of Restricted Shares is forfeited in whole or part, the Company shall be entitled, at its election at any time thereafter, to do any of the following:

(a) to require the Participant to transfer the forfeited Shares to any person nominated by the Company including, without limitation:

(i) an Eligible Individual for or in connection with an Award made to such Eligible Individual; or

(ii) a broker instructed to sell the Shares on a securities exchange at the then prevailing market price for Shares (or any other price acceptable to the Committee);

(b) to require the Participant to sell the forfeited Shares (or cause them to be sold):

(i) to any person nominated by the Company at such price and on such terms and subject to such conditions as the Committee decides; or

(ii) on any securities exchange at the then prevailing market price for Shares (or any other price acceptable to the Committee);

(c) (subject to applicable law) to buy-back the forfeited Shares from the Participant for a total purchase price of \$1.00 (that is, \$1.00 for all the forfeited Shares of the Participant irrespective of the number of Shares that are bought back from the Participant).

7.4.4 The Participant must do any act that Company may reasonably require to give effect to an election made by the Company under Section 7.4.3. Without limiting the generality of the foregoing, the acts may include sign or give any direction, instruction, share transfer or other document to any person.

7.4.5 Where the Company requires the Participant to transfer the Shares or to sell the Shares (or cause them to be sold) under paragraph (a) or paragraph (b) of Section 7.4.3, the Participant shall be obliged to pay to the Company an amount equal to the consideration (if any) received upon such transfer or sale (or, in the case of non-cash consideration, the value of such consideration as reasonably determined by the Company) immediately upon receipt of the consideration. Without limiting Section 7.4.4, the Company may require the Participant to direct that the transferee or purchaser pay or deliver any consideration to which the Participant is entitled under the transfer or sale to the Company (or as the Company directs). If any consideration is received by the Company (in any capacity) upon a transfer or sale of forfeited Shares of a Participant, the Company shall be entitled to retain that consideration for its

own benefit and shall not be required to account to the Participant for it.

7.4.6 The Company is authorized under the Plan by each Participant to do, and to appoint any person who is a director, secretary, general counsel or employee of the Company to do, for and on behalf of and in the name of any Participant to whom an Award of Restricted Shares is made, any act which the Committee considers that the Participant is required to do under the Plan (including, without limitation, under Section 7.4.3 or Section 7.4.4) or the terms of an Award of Restricted Shares. Without limiting the generality of the foregoing, the acts may include sign or give any direction, instruction, share transfer or other document to any person for and on behalf of and in the name of the Participant. A Participant may not revoke this authority.

TABLE OF CONTENTS

7.5 Other Restrictions. The Committee, in its sole discretion, may impose such other restrictions on Shares subject to an Award of Restricted Shares as it may deem advisable or appropriate.

7.5.1 General Restrictions. The Committee may set restrictions based upon applicable federal or state securities laws, the Corporations Act, or any other basis determined by the Committee in its discretion.

7.5.2 Legend on Certificates. The Committee, in its sole discretion, may legend the certificates representing Restricted Shares during the Period of Restriction to give appropriate notice of such restrictions. For example, the Committee may determine that some or all certificates representing Restricted Shares shall bear the following legend: The sale or other transfer of the shares of Shares represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Tronox Limited Management Equity Incentive Plan (the Plan), and in a Restricted Share Award Agreement (as defined by the Plan). A copy of the Plan and such Restricted Share Award Agreement may be obtained from the General Counsel or Secretary of Tronox Limited.

7.5.3 Removal of Restrictions. Upon the termination or expiry of the Period of Restriction applicable to Restricted Shares, subject to the Company's right to require payment of any taxes, the Shares shall cease to be liable to be forfeited by the Participant and the restrictions in Section 7.4 shall cease to apply (Released Shares). Upon delivery to the Company of any Share certificate relating to Released Shares bearing a legend as referred to in Section 7.5.2, the Company shall cancel such certificate and deliver to the Participant a new certificate for the Released Shares that does not bear such a legend (unless no such certificate is required to be delivered under applicable law).

7.5.4 Voting Rights. During the Period of Restriction, Participants holding Restricted Shares may exercise full voting rights attaching to the Shares, unless otherwise provided in the Award Agreement. However, if an award of Restricted Shares is forfeited, the Participant must not cast a vote attaching to any of the forfeited Shares (or appoint a proxy or attorney to do so).

7.5.5 Dividends and Other Distributions. Unless otherwise provided in the Award Agreement:

(a) a Participant shall be entitled to receive all dividends and other distributions paid on Restricted Shares held by him or her provided, that (unless the Committee determines otherwise) any such dividends or other distributions will be subject to the same vesting requirements as the underlying Share Awards and shall be paid at the time the Share Award becomes vested. If Restricted Shares are forfeited, the Participant must immediately pay to the Company an amount equal to the sum of all dividends and other distributions received by the Participant, or which the Participant is entitled to receive, on the Restricted Shares (unless the Committee decides otherwise). In the case of a distribution paid other than in cash, the relevant amount shall be the value of the property distributed as at the date of the distribution, as determined by the Committee;

(b) in the case of an Share Award of RSUs, if and when the RSUs vest and cease to be liable to be forfeited, the Company shall make a Dividend Equivalent Payment to the Participant. For this purpose, a Dividend Equivalent Payment is an amount equal to the amount of cash dividends and other distributions that would have been paid to the Participant during the period commencing on the date of grant of the Share Award and ending on the date that is one business day before the date on which Participant is delivered the Shares pursuant to the RSU Award or the RSU Award is settled in cash (as the case may be) as if, for each RSU that has vested, a Share had been delivered to the Participant on the date of grant instead of an RSU.

7.5.6 Consolidations/Subdivisions/Bonus Issues. For the avoidance of doubt, subject to the Committee determining otherwise pursuant to Section 4.3 and to the terms of any Award Agreement, if there is a consolidation of Shares or a subdivision of Shares, or a pro rata bonus issue of Shares or other securities by the Company, the Restricted Shares of each Participant shall as from the effective date of such consolidation, subdivision or bonus issue be:

(a) in the case of a consolidation or subdivision, the smaller or greater number of Shares (as the case may be) resulting from the consolidation or subdivision of the Restricted Shares of the Participant held immediately before the effective date of the consolidation or subdivision; and

(b) in the case of a pro rata bonus issue, the Shares comprising the Restricted Shares of the Participant and the bonus Shares or other securities issued to the Participant in relation to the Restricted Shares of the Participant held immediately before the record date for the pro rata bonus issue.

**ARTICLE VIII
SHARE APPRECIATION RIGHTS**

8.1 Grant of SARs. Subject to the provisions of the Plan, SARs may be granted to such Participants at such times, and subject to such terms and conditions, as shall be determined by the Committee in its sole discretion.

8.2 Base Price and Other Terms. The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan. Without limiting the foregoing, the Base Price with respect to Shares subject to a tandem SAR shall be the same as the Exercise Price with respect to the Shares subject to the related Option. The Base Price with respect to Shares subject to a non-tandem SAR shall be determined by the Committee at the time of grant, provided that the Base Price of a non-tandem SAR shall not be less than 100% of the Fair Market Value of a Share on the Grant Date.

8.3 SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the Base Price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

8.4 Expiration Dates. Each SAR shall terminate no later than the tenth (10th) anniversary of its Grant Date; provided, however, that the expiration date with respect to a tandem SAR shall not be later than the expiration date of the related Option.

8.5 Exercisability.

8.5.1 Method of Exercise. Unless otherwise specified in the Award Agreement pertaining to a SAR, a SAR may be exercised (a) by the Participant's delivery of a written notice of exercise to the General Counsel or Secretary of the Company (or his or her designee) setting forth the number of whole SARs which are being exercised, (b) in the case of a tandem SAR, by surrendering to the Company any Options which are cancelled by reason of the exercise of such SAR, and (c) by executing such documents as the Company may reasonably request.

8.5.2 Tandem SARs. Tandem SARs (i.e., SARs issued in tandem with Options) shall be exercisable only at such time or times and to the extent that the Options to which they relate shall be exercisable in accordance with the provisions of Article VI. The related Options which have been surrendered by the exercise of a tandem SAR, in whole or in part, shall no longer be exercisable to the extent the related tandem SARs have been exercised.

8.5.3 Discretionary Limitations. If the Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such right may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion. Notwithstanding the foregoing, an outstanding SAR may not be modified to reduce the Base Price thereof nor may a new SAR at a lower price be substituted for a surrendered SAR (other than adjustments or substitutions in accordance with Section 4.3), unless such action is approved by the stockholders of the Company.

8.6 Payment. Except as otherwise provided in the relevant Award Agreement, upon exercise of a SAR, the Participant shall be entitled to receive payment from the Company in an amount determined by multiplying: (i) the amount by which the Fair Market Value of a Share on the date of exercise exceeds the Base Price specified in the Award Agreement pertaining to such SAR by (ii) the number of Shares with respect to which the SAR is exercised.

8.7 Payment Upon Exercise of SAR. Payment to a Participant upon the exercise of the SAR shall be made, as determined by the Committee in its sole discretion, either (a) in cash, (b) in newly issued Shares with a Fair Market Value equal to the amount of the payment or (c) in a combination thereof, as set forth in the applicable Award Agreement.

ARTICLE IX
PERFORMANCE AWARDS

9.1 General. The Committee may grant a Performance Award to a Participant, payable in any form described in Section 5.1, upon the attainment of specific Performance Goals. If the Performance Award is payable in

A-13

TABLE OF CONTENTS

Restricted Shares, with the provisions of Article VII shall apply in respect of the Restricted Shares. If the Performance Award is payable in cash, it may be paid upon attainment of the relevant Performance Goals either in cash or in Restricted Shares (based on the then current Fair Market Value of such Shares) to be held in accordance with Article VII, as determined by the Committee, in its sole and absolute discretion. If it is a condition of the Performance Award payable in Restricted Shares that the Restricted Shares shall be forfeited if a Performance Goal is not attained, the provisions of Section 7.4 shall apply in respect of such forfeited Shares and Section 7.5.5 shall apply in respect of forfeited dividends and other distributions. Each Performance Award shall be evidenced by an Award Agreement in such form that is not inconsistent with the Plan and that the Committee may from time to time approve. Performance Awards granted under the Plan shall be subject to the following terms and conditions and such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable, which additional terms and conditions shall be reflected in the applicable Award Agreement.

9.2 Performance Goals. Subject to applicable law, the Committee shall have the authority to grant Awards under this Plan that are contingent upon the achievement of Performance Goals.
