Item 2.02 Results of Operations and Financial Condition.\*

On August 14, 2018, InnerWorkings, Inc. (the “Company”) issued a press release announcing its financial results for its fiscal quarter ended June 30, 2018. A copy of the press release is attached hereto as Exhibit 99.1.

Item 2.05. Costs Associated with Exit or Disposal Activities

The information set forth in Item 8.01 is incorporated by reference into this Item 2.05.

Item 8.01. Other Material Events

On August 10, 2018, the Company approved a plan to reduce the Company's cost structure while driving returns for its clients and shareholders. The plan was adopted as a result of the Company's determination that its selling, general and administrative costs were disproportionately high in relation to its revenues and gross profit. The plan is expected to be completed by the end of 2019.

The Company expects to record total pre-tax cash restructuring charges of \$8.0 to \$10.0 million, the majority of which will be recorded during 2018. These cash charges are expected to include approximately \$6.0 to \$8.0 million for employee-related costs (including employee severance and related costs) and approximately \$2.0 million for lease and contract termination and other associated costs. Where required by law, the Company will consult with each of the affected countries' local Works Councils prior to implementing the plan. The Company currently does not expect to record non-cash charges in connection with the plan.

Additional information regarding the plan is disclosed in the Company's press release issued on August 14, 2018, a copy of which is attached hereto as Exhibit 99.1.
