On May 13, 2016, the Board of Directors (the “Board”) of Axovant Sciences Ltd. (the “Company”) appointed Gary Pisano as a director of the Company. Dr. Pisano will serve as a Class III director whose term will expire at the 2018 General Meeting of Shareholders. There is no arrangement or understanding between Dr. Pisano and any other person pursuant to which he was selected as a director, and there is no family relationship between Dr. Pisano and any of the Company’s other directors or executive officers. Dr. Pisano has been appointed as a member of the Audit Committee of the Board, replacing Dr. Lawrence Olanoff.

Additional information regarding Dr. Pisano is set forth below:

Gary Pisano, age 54, is the Harry E. Figgie, Jr. Professor of Business Administration at the Harvard Business School. He has been on the Harvard faculty since 1988. Dr. Pisano’s research and teaching focuses on technology and operations strategy, the management of innovation and intellectual property, and competitive strategy. For more than two decades, he has consulted extensively on these issues with companies in the pharmaceutical, biotechnology, medical device, specialty chemical and health care industries. He is a co-founder and director of XiMo AG, a Swiss-based company commercializing novel catalytic technologies. Dr. Pisano holds a B.A. degree in economics from Yale University and a Ph.D. degree in Business Administration from the University of California, Berkeley.

Dr. Pisano will receive an annual cash retainer of \$40,000 for his service as a director and an additional annual cash retainer of \$7,500 for his service as a member of the Audit Committee. In addition, Dr. Pisano will receive a stock option grant under the Company’s 2015 Equity Incentive Plan (the “2015 Plan”) to purchase 94,000 shares of common stock. In accordance with the Company’s option grant policy, the grant will be made on June 15, 2016 and will have an exercise price equal to the closing price of the Company’s common stock on the New York Stock Exchange on that date. The option will vest over a period of three years, with one-third of the shares underlying the option vesting on each of the first, second and third anniversaries of the grant date.

#### Resignation of Christine Mikail Cvijic as Chief Administrative Officer and General Counsel

Following the Separation Date, Ms. Mikail intends to provide consulting services to the Company through March 19, 2017. Ms. Mikail’s consulting services will constitute Continuous Service under the 2015 Plan, as a result of which a portion of her outstanding stock option grant will continue to vest as those services are provided during the term of her arrangement.
