CSS Industries Files Preliminary Proxy Materials and Sets Record Date for Annual Meeting of Stockholders

Board Unanimously Recommends Stockholders Vote “FOR” ALL Six CSS Director Nominees

Plymouth Meeting, Pa. -- May 31, 2016 - CSS Industries, Inc. (NYSE: CSS) (“CSS”) today announced that it has filed its preliminary proxy statement with the U.S. Securities and Exchange Commission (“SEC”) in connection with its 2016 Annual Meeting of Stockholders (the “2016 Annual Meeting”). The meeting will be held on Tuesday, August 2, 2016, at 9:30 a.m. EDT. Stockholders of record at the close of business on June 6, 2016 may vote at the 2016 Annual Meeting.

The CSS Board of Directors unanimously recommends that stockholders vote on the WHITE proxy card “FOR” the Board's six highly qualified and experienced director nominees - Scott A. Beaumont, Robert E. Chappell, Elam M. Hitchner, III, Rebecca C. Matthias, Christopher J. Munyan and William Rulon-Miller.

The CSS Board of Directors comprises six directors, five of whom are independent, and all of whom have the integrity, knowledge, breadth of relevant and diverse experience, and commitment necessary to navigate the Company through today's complex and dynamic business challenges and to deliver superior value to stockholders. The Board has nominated its six highly qualified, current directors who will work together constructively with a focus on operational excellence, financial strength and stockholder value.

Under the current Board's leadership, CSS continues to execute on its strategic plan and deliver strong cash flow to invest in high-value growth opportunities. The Company successfully integrated Hollywood Ribbon Industries following its acquisition in 2015, and is already seeing its February 2016 acquisition of Blumenthal Lansing Company further complement the Company's existing craft line of business. With the continued successful integration of recent acquisitions and the Company's completed strategic realignment across sales, marketing and product development, CSS is strongly positioned to deliver best-in-class products and focus on its mission of enhancing the important moments of consumers' lives through creative products, reliable service and a low-cost driven structure and culture.

The Company also today announced that it has received notice from Robert Longnecker, a hedge fund manager who owns 3,879 shares or approximately 0.04 percent of CSS' outstanding common stock, announcing his intent to nominate himself and Michael Lee, another investment professional who owns no shares of CSS, for election to the CSS Board at the Company's 2016 Annual Meeting in opposition to the highly-qualified and experienced director candidates the CSS Board has nominated.

The directors who serve on the Nominating and Governance Committee of the CSS Board have interviewed and carefully considered Mr. Longnecker and Mr. Lee. The Board has unanimously determined that electing the six directors nominated by CSS will best serve the interests of all stockholders and recommends that stockholders vote “FOR” its six director nominees on the WHITE proxy card at the upcoming 2016 Annual Meeting of Stockholders.

The 2016 Annual Meeting of Stockholders of CSS Industries will be held at the Sheraton Valley Forge Hotel, 480 North Gulph Road, King of Prussia, PA, on August 2, 2016.
