per share from 46 cents per share for the prior year's comparable quarter due to increased net income of 5% and an approximate 10% decrease in the weighted average number of outstanding shares.

Net income for the first nine months of 2003 increased 20 percent to \$31.5 million from \$26.4 million for the first nine months of 2002. Diluted earnings per share for the 2003 nine-month period increased 35 percent to \$1.78 per share from \$1.32 per share for the prior year's comparable period. Membership revenues for the first nine months of 2003 were up 7 percent to \$246.1 million from \$229.1 million for the prior year period.

Net cash provided from operating activities for the nine months ended September 30, 2003 increased 1 percent to \$39.6 million from \$39.0 million for the comparable period of 2002. Net cash provided from operating activities for the three months ended September 30, 2003, decreased 27 percent to \$11.3 million from \$15.5 million for the comparable period of 2002. At September 30, 2003, the Company had cash and investment balances exceeding \$34 million after spending \$34.1 million during the first nine months of 2003 to repurchase 1.6 million shares of its stock at an average share price of \$21.48, including \$1.9 million during the third quarter of 2003 to repurchase 86,100 shares at an average share cost of \$22.63. Since April 1999, the Company has purchased 7.1 million shares at a cost of \$159.3 million, or an average share cost of \$22.47. The stock buyback initiative has reduced the number of outstanding shares by approximately 30 percent to approximately 17.3 million shares outstanding. During the third quarter the Company repaid all previous advances outstanding pursuant to a stock purchase line of credit. At September 30, 2003, the Company had \$17.6 million outstanding on its \$20 million line of credit for its new office construction and had immediate availability of \$25 million for further treasury stock purchases pursuant to additional financing announced last month.

Third quarter 2003 membership fees increased slightly to \$82.7 million from \$81.9 million for the second quarter of 2003. Associate services revenues declined during the 2003 third quarter by approximately \$405,000 to \$5.9 million from \$6.3 million for the 2003 second quarter while associate services and direct marketing expenses increased by \$61,000 during the same period. Membership benefits totaled \$28.0 million in the third quarter of 2003 compared to \$27.6 million for the second quarter and represented 34% of membership fees for both periods. Total commissions to associates per new membership sold during the respective quarters were \$169 per membership for the three months ended September 30, 2003 compared to \$166 for the second quarter of 2003. Primarily due to increased legal fees associated with ongoing litigation and bad debt expense, general and administrative expenses during the 2003 third quarter increased to \$9.9 million compared to \$8.9 million for the second quarter of 2003 and represented 12% and 11% of membership fees, respectively, for each period.

The Company will conduct a conference call to present the third quarter results on Wednesday, October 29, 2003, at 8:30 a.m. Eastern Time. The conference call will be webcast on the investor relations' page of www.prepaidlegal.com or may be accessed by dialing (913) 981-5533.
