PROXY STATEMENT

The enclosed proxy is solicited on behalf of the Board of Directors of Air T, Inc. (referred to as the "Company") in connection with the annual meeting of stockholders of the Company to be held on Thursday, September 25, 2008 at 10:00 a.m. at 101 Independence Center, 101 North Tryon Street, Suite 1900, Charlotte, North Carolina. The proxy is for use at the meeting if you do not attend or if you wish to vote your shares by proxy even if you do attend. You may revoke your proxy at any time before it is exercised by

- giving a written notice of revocation to the Secretary of the Company,
- submitting a proxy having a later date, or
- appearing at the meeting and requesting to vote in person.

All shares represented by valid proxies and not revoked before they are exercised will be voted as specified. If no specification is made, proxies will be voted "FOR" electing all nominees for director listed on the proxy in Item 1, "FOR" the proposed amendment to the Company's certificate of incorporation set forth in Annex C to this proxy statement and "FOR" ratifying Dixon Hughes PLLC as the Company's independent registered public accountants for the 2009 fiscal year. The Board of Directors knows of no matters, other than those stated above, to be presented for consideration at the annual meeting. If, however, other matters properly come before the annual meeting or any adjournment thereof, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their best judgment on any such matters. The persons named in the accompanying proxy may also, if it is deemed advisable, vote such proxy to adjourn the annual meeting from time to time, including if there is not a quorum on the date set for the annual meeting.

This proxy statement, the enclosed proxy card and the Company's 2008 Annual Report to Stockholders are being first mailed to our stockholders on or about August 14, 2008. The Annual Report does not constitute "soliciting material" and is not to be deemed "filed" with the Securities and Exchange Commission.

The Company will pay the costs of preparing this proxy statement and of soliciting proxies in the enclosed form. Our employees may solicit proxies, either personally, by letter or by telephone. Our employees will not be specifically compensated for these services. In addition, the Company has retained Morrow & Co., LLC. to assist in soliciting proxies from stockholders, including brokers, custodians, nominees and fiduciaries, and will pay that firm fees estimated at \$3,500 for its services, plus the firm's expenses and disbursements.

VOTING SECURITIES

Only stockholders of record at the close of business on August 1, 2008 will be entitled to vote at the annual meeting or any adjournment or adjournments thereof. The number of outstanding shares entitled to vote at the stockholders meeting is 2,423,506. The presence of a majority of the outstanding shares of the Company's Common Stock, par value \$.25 per share (the "Common Stock"), represented in person or by proxy at the meeting will constitute a quorum necessary to conduct business at the meeting. Directors will be elected by a plurality of the votes cast. Cumulative voting is not allowed. Accordingly, abstentions and broker non-votes will not affect the outcome of the election of directors. The affirmative vote of a majority of the shares entitled to vote at the meeting is required to approve the proposed amendment to the certificate of incorporation. Accordingly, abstentions and broker non-votes, if any, will have the effect of votes cast against the proposed amendment. The ratification of independent auditors and any other business coming before the meeting, requires the affirmative vote of a majority of the shares present or represented at the meeting and entitled to vote. On such matters, an abstention will have the same effect as a negative vote but, because shares held by brokers will not be considered entitled to vote on matters as to which the brokers withhold authority, a broker non-vote will have no effect on votes on these matters.

Director Compensation

During the fiscal year ended March 31, 2008, each director received a director's fee of \$1,000 per month and an attendance fee of \$500 paid to outside directors for each meeting of the board of directors or a committee thereof. Commencing April 1, 2006, members of the Audit Committee received, in lieu of the \$500 meeting fee, a monthly fee of \$500, while the Chairman of the Audit Committee received a monthly fee of \$700. Pursuant to the Company's 2005 Equity Incentive Plan (the "Plan"), upon stockholder approval of the Plan, each director who was not an employee of the Company received an option to purchase 2,500 shares of Common Stock at an exercise price of \$10.15 per share (the closing bid price per share on the date of stockholder approval of the Plan.) The Plan provides for a similar option award to any director first elected to the board after the date the stockholders approved the Plan. Such options vest one year after the date they were granted and expire ten years after the date they were granted. All outstanding options under the Plan vested in 2006.

The following table sets forth the compensation paid to each of the Company's non-employee directors in the fiscal year ended March 31, 2008.

Committees

The Board of Directors has four standing committees: the Audit Committee, the Compensation Committee, the Nominating Committee and the Executive Committee. The Audit Committee consists of Messrs. Abernethy, Chesnutt and Prill, with Mr. Abernethy serving as chairman. The Audit Committee met four times during the fiscal year. On May 18, 2000, the Board of Directors adopted a charter for the Audit Committee. The Charter was most recently approved by the Board of Directors on July 29, 2005. A copy of the current Charter is included with this Proxy Statement as Annex A and additional copies will be provided to stockholders upon written request to the Secretary of the Company. The principal functions of the Audit Committee, included in the charter, are to select and retain the firm of independent auditors to serve the Company each fiscal year, to review and approve the scope, fees and results of the audit performed by the independent auditors, to review the adequacy of the Company's system of internal accounting controls and the scope and results of internal auditing procedures, to review and periodically discuss with the independent auditor all significant relationships that may affect the auditor's independence, to meet at least quarterly to review the Company's financial results with management and the independent auditors prior to the release of quarterly financial information, to prepare and issue to the Board of Directors annually a summary report suitable for submission to the stockholders and to establish procedures for the receipt, retention and treatment of complaints regarding accounting internal controls and auditing matters, including confidential, anonymous submissions by employees. A copy of the Audit Committee's report for the fiscal year ended March 31, 2008 is included in this Proxy Statement. The Company has certified to NASDAQ the Company's compliance with NASDAQ's audit committee charter requirements and compliance with the audit committee structure and composition requirements.

The Compensation Committee consists of Messrs. Abernethy, Chesnutt and Prill, with Mr. Chesnutt serving as chairman. The functions of the Compensation Committee include establishing policies for the compensation of the Company's executive officers and determining the types and amounts of remuneration to be paid to the Company's executive officers. The Compensation Committee met once during the fiscal year.

The Nominating Committee consists of Messrs. Abernethy, Chesnutt and Wicker, with Mr. Wicker serving as chairman. The Nominating Committee is responsible for evaluating potential nominees for election as directors and recommending nominees to the Board of Directors, as well as recommending the functions and the membership of the committees of the Board of Directors. A copy of the charter of the Nominating Committee is attached as Annex B to this Proxy Statement and additional copies will be provided to stockholders upon written request to the Secretary of the Company. The charter of the Nominating Committee is not available on the Company's website. The Nominating Committee met once during the fiscal year.

The Executive Committee consists of Messrs. Walter Clark, Abernethy, Chesnutt and Prill, with Mr. Clark serving as chairman. The Executive Committee is authorized to exercise the powers of the Board of Directors between meetings of the Board of Directors to the extent permitted by Delaware law and not otherwise specifically delegated to another committee. The Executive Committee did not meet during the fiscal year.

Director Independence

The Board of Directors has determined that none of the nominees for election to the Board of Directors other than Messrs. Walter Clark, Parry and Simpson (all members of management) and Mr. Allison Clark (who is Mr. Walter Clark's brother) has any relationship that, in the Board's opinion, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each of these individuals is "independent" within the meaning of rules of the Nasdaq Capital Market. All of the members of the Company's Audit Committee, Compensation Committee and Nominating Committee are independent directors under these standards. In addition, the Board of Directors has determined that the members of the Audit Committee meet the heightened standards of independence applicable to members of an audit committee.

Attendance of Meetings

During the fiscal year ended March 31, 2008, the Board of Directors met six times. Each of the directors attended at least 75% of all of the meetings of the Board of Directors and committees thereof on which such director served during such period, except for Mr. Chesnutt. The Company does not have a policy with respect to attendance of members of the Board of Directors at the annual meeting of stockholders. Historically, few, if any, stockholders have attended the Company's annual meeting of stockholders other than stockholders who are also officers of the Company. At the annual meeting of stockholders held in 2007, two members of the Board of Directors, who are also officers of the Company, attended the annual meeting of stockholders.

Director Qualifications and Nominations

The Nominating Committee has adopted a policy that candidates nominated for election or re-election to the Board of Directors generally should meet the following qualifications:

- candidates should possess broad training and experience at the policy-making level in business, government, education, technology or philanthropy;
- candidates should possess expertise that is useful to the Company and complementary to the background and experience of other members of the Board of Directors, so that an optimum balance in Board membership can be achieved and maintained;
- candidates should be of the highest integrity, possess strength of character and the mature judgment essential to effective decision making;

- candidates should be willing to devote the required amount of time to the work of the Board of Directors and one or more of its committees;
 - candidates should be willing to serve on the Board of Directors over a period of several years to allow for the development of sound knowledge of the Company and its principal operations; and
- candidates should be without any significant conflict of interest or legal impediment with regard to service on the Board of Directors.

When a vacancy exists on the Board of Directors, the Nominating Committee seeks out appropriate candidates, principally by canvassing current directors for suggestions. The Nominating Committee evaluates candidates on the basis of the above qualifications and other criteria that may vary from time to time. The Nominating Committee does not have a formal policy on the consideration of director candidates recommended by stockholders. The Board of Directors believes that such a formal policy is unnecessary and that the issue is more appropriately dealt with on a case-by-case basis.

Executive Officer Employment Agreements

Chief Executive Officer. On July 8, 2005, the Company entered into an employment agreement with Walter Clark to provide for his continued employment as the Company's Chief Executive Officer. The agreement has an initial term of two years and renews for successive additional one-year periods on each anniversary of the date of the agreement unless either the Company or Mr. Clark gives notice of non-renewal within 90 days prior to that anniversary date. The agreement provides for an annual base salary of \$200,000, subject to increases as subsequently determined by the Company's Board of Directors or its Compensation Committee. In addition, the agreement provides for annual bonus compensation equal to 2% of the Company's consolidated earnings before income taxes and extraordinary items as reported by the Company in its Annual Report on Form 10-K. Under the agreement, Mr. Clark is entitled to

participate in the Company's general employee benefit plans, to receive four weeks of vacation per year and to use corporate passenger aircraft for personal use, with the requirement that he reimburse the Company for its costs in connection with his personal use of the aircraft to the extent those costs exceed \$50,000 in any fiscal year.

Other Executive Officers. Effective January 1, 1996, the Company entered into an employment agreement with William H. Simpson, an Executive Vice President of the Company. In the absence of any notice from one party to the other to terminate automatic extensions of the term of the agreement, the agreement is automatically extended each December 1 so that upon each automatic extension the remaining term of the agreement is three years and four months. The agreement provided for an initial annual base salary of \$165,537, which was subsequently increased and is subject to further increases as determined by the Compensation Committee. In addition, the agreement provides for annual bonus compensation equal to 2% of the Company's consolidated earnings before income taxes and extraordinary items as reported by the Company in its Annual Report on Form 10-K. Under the agreement, Mr. Simpson is entitled to participate in the Company's general employee benefit plans, to receive four weeks of vacation per year and to receive an annual automobile allowance of \$4,800.

The agreement provides that upon the Mr. Simpson's retirement he will be entitled to receive an annual benefit equal to \$75,000, reduced by three percent for each full year that his retirement precedes the date he reaches age 65. The retirement benefits under this agreement are to be paid, at Mr. Simpson's election in the form of a single life annuity or a joint and survivor annuity or a life annuity with a ten-year period certain. In the alternative, Mr. Simpson may elect to receive the entire retirement benefit in a lump sum payment equal to the then present value of the benefit based on standard insurance annuity mortality tables and an interest rate equal to the 90-day average of the yield on ten-year U.S. Treasury Notes.

Retirement benefits are to be paid commencing on his 65th birthday, provided that Mr. Simpson may elect to receive benefits earlier on the later of his 62nd birthday or the date on which his employment terminates, in which case benefits will be reduced as described above, provided that notice of his termination of employment is given at least one year prior to the termination of employment. Any retirement benefits due under the employment agreement are to be offset by any other retirement benefits that Mr. Simpson receives under any other plan maintained by the Company. In the event Mr. Simpson becomes totally disabled prior to retirement, he will be entitled to receive retirement benefits calculated as described above.

In the event of Mr. Simpson's death before retirement, the agreement provides that the Company will be required to pay an annual death benefit to his estate equal to the single life annuity benefit such he would have received if he had terminated employment on the later of his 65th birthday or the date of his death, payable over ten years; with the amount reduced by five percent for each year his death occurs prior to age 65.

Effective October 6, 2006, the Company entered into an employment agreement with John Parry, Chief Financial Officer of the Company, which has a three-year term. The agreement provides for an annual base salary of \$125,000, subject to periodic review and increases as subsequently determined by the Company. In addition, the agreement provides for annual bonus compensation equal to 1.5% of the Company's consolidated earnings before income taxes as reported by the Company in its Annual Report on Form 10-K. Under the agreement, Mr. Parry is entitled to participate in the Company's general employee benefit plans, to receive four weeks of vacation per year and to receive a monthly automobile allowance of \$400 plus reimbursement for fuel, repair expense and insurance for his primary automobile upon presentation of documentation in accordance with the Company's expense reimbursement policies.

Severance and Change-in-control Provisions. Mr. Clark's employment agreement provides that the Company may terminate Mr. Clark's employment at any time and for any reason. However, if the Company terminates Mr. Clark's employment other than for "disability" or "cause," both as defined in the agreement, the Company is obligated to continue to pay Mr. Clark his then-current base salary for a period of two and one-half years, or at its election the Company can pay this amount in one lump-sum payment at the net present value of those payments, calculated by assuming an 8% discount rate. In addition, during that two and one-half year period the Company must continue to provide to Mr. Clark all health and welfare benefits as existed on the date of termination of Mr. Clark's employment or, in the event that continuation of health benefits are not permitted under the Company's health insurance policies, to pay for COBRA health insurance coverage. Mr. Clark is entitled to terminate his employment under the agreement at any time and for any reason. However, following a "change in control" of the Company, as defined in the agreement, if Mr. Clark terminates his employment for "good reason," which is defined in the agreement and includes a substantial reduction in responsibilities, relocation, increased travel requirements and adverse changes in annual or long-term incentive compensation plans, he is entitled to receive the same base salary payments and continued health and welfare benefits as described above. The agreement provides that these base salary payments and continued health and welfare benefits are Mr. Clark's sole remedy in connection with a termination of his employment.

Mr. Simpson's employment agreement provides that if the Company terminates his employment other than for "cause" (as defined in the agreement), he will be entitled to receive a lump sum cash payment equal to the amount of base salary payable for the remaining term of the agreement (at the then current rate) plus one-half of the maximum incentive bonus compensation that would be payable if he continued his employment through the date of the expiration of the agreement (assuming for such purposes that the amount of incentive bonus compensation would be the same in the remaining period under the agreement as was paid for the most recent year prior to termination of employment). The agreement further provides that if any payment on termination of employment would not be deductible by the Company under Section 280G(b)(2) of the Internal Revenue Code, the amount of such payment would be reduced to the largest amount that would be fully deductible by the Company. Mr. Simpson's employment agreement automatically renews for a one-year term each March 31 unless he or the Company's Board of Directors gives notice of termination by December 1 of the prior year.

Mr. Parry's employment agreement provides that if the Company terminates Mr. Parry's employment other than for "cause" (as defined in the agreement), Mr. Parry is entitled to receive his base salary for a period of twelve months and a pro-rated incentive bonus for that fiscal year.

401(k) Plan. The Company sponsors the Air T, Inc. 401(k) Plan (the "Plan"), a tax-qualified Internal Revenue Code Section 401(k) retirement savings plan, for the benefit of substantially all of its employees, including its executive officers. The Plan encourages saving for retirement by enabling participants to make contributions on a pre-tax basis and to defer taxation on earnings on funds contributed to the Plan. The Company makes matching contributions to the Plan.

CERTAIN TRANSACTIONS

The Company leases its corporate and operating facilities at the Little Mountain, North Carolina airport from Little Mountain Airport Associates, Inc. ("Airport Associates"), a corporation whose stock is owned by William H. Simpson, the estate of David Clark three unaffiliated third parties and two former executive officers. On June 16, 2006, the Company and Airport Associates entered into an agreement to continue the lease of these facilities until May 31, 2008 at a monthly rental payment of \$12,737. The Company paid aggregate rental payments of \$152,844 to Airport Associates pursuant to such lease during the fiscal year ended March 31, 2008. The lease agreement includes an option permitting the Company to renew the lease for an additional two-year period, with the monthly rental payment to be adjusted to reflect the Consumer Price Index (CPI) change from June 1, 2006 to April 1, 2008. The Company exercised the two-year option on April 16, 2008, with the new monthly rental amount of \$13,437. The lease agreement provides that the Company shall be responsible for maintenance of the leased facilities and for utilities, ad valorem taxes and insurance. The Company believes that the terms of such leases are no less favorable to the

Company than would be available from an independent third party.

PROPOSAL 2 – PROPOSED AMENDMENT TO CERTIFICATE OF INCORPORATION

Section 102(b)(7) of the Delaware General Corporation Law permits a Delaware corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director to a corporation or its stockholders for monetary damages resulting from certain breaches of the director's fiduciary duties to the corporation. The Board of Directors has adopted a resolution to amend the Company's certificate of incorporation to provide for the elimination of personal liability of a director to the Company and its stockholders for monetary damages to the fullest extent permitted by law. To be effective, this amendment to the certificate of incorporation must be approved by the stockholders in the manner described in this proxy statement. The Board of Directors is requesting stockholder approval of this amendment. The amendment would add Article 9 to the Company's certificate of incorporation, which Article 9 is set forth in Annex C to this proxy statement.

Background and Reasons for the Proposed Amendment

In order for a corporation to function properly, the directors of the corporation must be able to exercise independent business judgment without the fear of being second-guessed by courts and held liable for mistakes of judgment. Directors' decisions are protected from being second-guessed by the so-called "business judgment rule." The business judgment rule is a presumption that directors acted in what they determined in good faith, after appropriate consideration, to be in the best interests of the corporation and its stockholders. Under the business judgment rule, a court will not hold directors liable for mistakes of judgment unless the presumption is rebutted, as long as the directors did not engage in self-dealing or otherwise have conflicts of interest. Thus, the business judgment rule protects directors from personal liability to the corporation and its stockholders when their business decisions are subsequently challenged in court.

However, the business judgment rule alone is often not sufficient due to the too frequent occurrence of unwarranted litigation against corporate directors, the expense of defending or settling lawsuits, and the inevitable uncertainties in applying the business judgment rule to particular facts and circumstances. As a result, corporations such as the Company, extend indemnity to, and provide insurance for, directors to protect them from litigation expenses and unforeseen liabilities.

As additional protection against such litigation expenses and unforeseen liabilities, the Delaware General Corporation Law allows Delaware corporations to eliminate or limit directors' personal monetary liability for certain breaches of fiduciary duty by including such a provision in the corporation's certificate of incorporation. Under Delaware law, such a provision could provide that a corporation's directors are not personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for:

- any breach of the directors' duty of loyalty to the corporation or its stockholders;
- acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- any transaction from which the directors derive an improper personal benefit; or
- unlawful dividends or unlawful stock repurchases or redemptions under Section 174 of the Delaware General Corporation Law.

The risk of investigations, claims, actions, suits or proceedings (including derivative actions) seeking to impose liability on directors of corporations is not uncommon. In this environment, an individual may conclude that the potential exposure to the costs and risks of proceedings in which the individual may become involved as a director exceed any benefit to the individual from serving as a director. The Board of Directors believes that, for this reason, provisions similar to the proposed amendment are routinely included in the certificate of incorporation of publicly traded Delaware corporations. The Board of Directors believes that the adoption of the proposed amendment would reduce the costs and risks related to serving as a director and increase the Company's ability to continue to attract and retain qualified individuals to serve as directors.

Effect of Proposed Amendment

The proposed amendment would protect the Company's directors against personal liability to the Company and its stockholders for monetary damages for certain breaches of fiduciary duty. However, as indicated above, directors would remain liable for breaches of their duty of loyalty to the Company and its stockholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, and for transactions from which a director derives an improper personal benefit. Also, the proposed amendment would not absolve directors of liability under Section 174 of the Delaware General Corporation Law, which imposes liability on directors for unlawful dividends or unlawful stock repurchases or redemptions. Finally, the proposed amendment would not eliminate or limit the liability of directors arising in causes of action brought under federal laws, including federal securities laws.

While the proposed amendment would protect directors from awards of monetary damages for certain breaches of fiduciary duty, it would not eliminate a director's fiduciary duty. In other words, a director is still required to exercise appropriate diligence, act in good faith and otherwise comply with the standards of Delaware corporation law in carrying out the director's duties. Accordingly, the proposed amendment would have no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of fiduciary duty. Also, under Section 102(b)(7) of the Delaware General Corporation Law, adoption of the proposed amendment would not eliminate or limit the liability of a director for any act or omission occurring prior to the amendment becoming effective, so directors would remain potentially liable for monetary damages in connection with any acts or omissions occurring prior to the effectiveness of the amendment.

The proposed amendment would provide that any repeal or modification of the provisions added to the certificate of incorporation by the amendment would be prospective only and would not adversely affect any limitation on the personal liability of a director of the Company existing at the time of any such repeal or modification.

If approved, the amendment will become effective upon the filing of a certificate of amendment to the Company's certificate of incorporation with the Secretary of State of Delaware. The approval and effectiveness of the amendment would not entitle stockholders to rights of dissent and appraisal under the Delaware General Corporation Law.

Vote Required to Approve the Amendment

Approval of the amendment requires the affirmative vote of a majority of the shares entitled to vote at the meeting. Abstentions and broker non-votes will have the same effect as votes against this proposal.

Recommendation

The directors acknowledge that they and future directors would personally benefit from approval of the amendment. However, for the reasons given in the section titled "Background and Reasons for Proposed Amendment," the Board of Directors recommends a vote "FOR" the proposal to amend the Company's certificate of incorporation to add Article 9 thereto as set forth in Annex C to this proxy statement (Item 2 on the enclosed proxy card).

Because approval of the proposed amendment requires the affirmative vote of a majority of the shares entitled to vote at the meeting, and abstentions and broker non-votes will have the same effect as votes against this proposal, your vote is important.

PROPOSAL 3 -- RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Board of Directors recommends that the stockholders ratify the appointment of Dixon Hughes PLLC to serve as the independent registered public accountants for the Company and its subsidiary corporations for the fiscal year ending March 31, 2009. If the stockholders do not ratify this appointment, the Audit Committee will consider other independent registered public accountants.

Dixon Hughes PLLC has served as the independent registered public accountants for the Company since November 17, 2005. Representatives of Dixon Hughes PLLC are expected to be present at the annual meeting and will have an opportunity to make a statement and will be available to respond to appropriate questions.

The Board of Directors recommends a vote "FOR" the proposal to ratify the selection of Dixon Hughes PLLC as independent auditors for the fiscal year ending March 31, 2009 (Item 3 on the enclosed proxy card).

Audit Committee Pre-approval of Auditor Engagements

It is the policy of the Audit Committee that all audit and permitted non-audit services provided to the Company by its independent registered public accountants are approved by the Audit Committee in advance. In addition, it is the Company's practice that any invoices not covered by the annual engagement letter that are subsequently submitted by its independent registered public accountants are provided to the Chairman of the Audit Committee for approval prior to payment. The independent auditor, management and the Audit Committee must meet on at least an annual basis to review the plans and scope of the audit and the proposed fees of the independent auditor.

Audit Fees

Fees billed to the Company by its independent registered public accountant, Dixon Hughes PLLC, for each of the past two fiscal years were as follows:

	2008	2007
A u d i t F e e s (1)	\$ 150,000	\$ 136,050
A u d i t R e l a t e d F e e s (2)	15,000	43,000
T a x F e e s (3)	45,000	73,620
A l l O t h e r Fees	-	-

- (1) Audit fees consist of fees incurred for professional services rendered for the audit of our annual financial statements and review of the quarterly financial statements that are provided by Dixon Hughes PLLC in connection with regulatory filings or engagements.
- (2) Audit-related fees relate to professional services rendered that are related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees." Audit-related fees also include fees associated with the audit of the Company's employee benefit plan.
- (3) Tax fees consist of professional services for tax compliance, tax advice and tax planning.

Report of the Audit Committee

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent registered public accountants are responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent registered public accountants the audited financial statements as of and for the year ended March 31, 2008. The Audit Committee has discussed with the independent registered public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent registered public accountants the written disclosures and letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee also has considered whether the

independent registered public accountants provision of non-audit services to the Company is compatible with their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2008 for filing with the Securities and Exchange Commission.

- (3) the corporation's systems of internal control over financial reporting;
- (4) the corporation's compliance with legal and regulatory requirements;
- (5) the performance of the corporation's internal audit function;

and such other duties as directed by the board.
