Exhibit 99.1 Earnings Press Release - Third Quarter Ended
July 31, 2003.

Item 12. Results of Operations and Financial Condition

This Current Report on Form 8-K/A of Hovnanian Enterprises, Inc. amends Hovnanian Enterprises, Inc.'s Current Report on Form 8-K filed on September 3, 2003. This Amendment is being filed solely to remedy formatting problems of tables within Exhibit 99.1 contained in the initial 8-K filing. There are no changes other than these formatting changes to the initial 8-K filing and all content and information contained in this Amendment remains the same as that which was contained in the initial 8-K filing. This Amendment supersedes in its entirety the initial 8-K filing. On September 3, 2003, Hovnanian Enterprises, Inc. issued a press release announcing its preliminary financial results for the third quarter ended July 31, 2003. A copy of the Earnings Press Release is attached as Exhibit 99.1.

The information in this Current Report on Form 8-K/A and the Exhibit attached hereto is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing. The Earnings Press Release contains information about EBITDA, a non-GAAP financial measure. The most directly comparable GAAP financial

measure to EBITDA is net income. A reconciliation of EBITDA to net income is contained in the Earnings Press Release.

Management believes EBITDA to be relevant and useful information as EBITDA is a standard measure commonly reported and widely used by analysts, investors and others to measure our financial performance and our ability to service our debt obligation. EBITDA is also one of several metrics used by our management to measure the cash generated from our operations. EBITDA does not take into account substantial costs of doing business, such as income taxes and interest expense. While many in the financial community consider EBITDA to be an important measure of comparative operating performance, it should be considered in addition to, but not as a substitute for, income before income taxes, net income, cash flow provided by operating activities and other measures of financial performance prepared in accordance with accounting principles generally accepted in the United States that are presented on the financial statements included in the Company's reports filed with the SEC. Additionally, our calculation of EBITDA may be different than the calculation used by other companies and, therefore, comparability may be affected.
