Compensatory Arrangements of Certain Officers

Non-Equity Incentive Plan Compensation. At its meeting on June 10, 2008, the Personnel & Compensation Committee of the Kaman Corporation Board of Directors approved payment of long-term incentive program ("LTIP") awards to the company's named executive officers for the completed three-year performance period January 1, 2005 – December 31, 2007 (the "completed performance period"). LTIP awards are made under the terms of the company's 2003 Stock Incentive Plan and in accordance with the plan, the Committee reviewed the company's actual financial performance compared to the average of the companies comprising the Russell 2000 index for the same performance period utilizing the following factors: three-year average return on investment (weighted 40%), average annual growth in earnings per share weighted 40%), and total three-year return to shareholders (weighted 20%). Financial performance in the 1st quartile results in no award payment; performance at the median results in an award payment at 100% of target; and performance at the top of, or above, the 3rd quartile results in a maximum payment of 200% of target. Interpolation is used to determine payments for financial performance between the quartiles

Based upon the results of that review, the Committee determined that the award percentage for the completed performance period was 181.4% of target and approved the following payments (which were made in cash because each individual meets his/her stock ownership guideline requirements) which are shown together with a new total compensation figure to update the Summary Compensation Table for Fiscal Year 2007 to include the LTIP payment:

Name	Principal Position	LTIP Payment (Non-Equity Incentive Plan Compensation) (\$)	Total (\$)
Paul R. Kuhn	Retired	1,695,720	6,184,738
Robert M. Garneau	Executive Vice President and Chief Financial Officer	761,714	3,936,752
T. Jack Cahill	President, Kaman Industrial Technologies Corporation	383,124	1,909,871
Candace A. Clark	Senior Vice President and Chief Legal Officer	353,653	1,771,503
Ronald M. Galla	Senior Vice President and Chief Information Officer	282,922	1,475,344

These award amounts represent 98.5% of the estimated amounts disclosed by the company in its 2008 proxy statement. The amounts were estimated at that time because the actual amounts were not then determinable. As reported in the Company's 2008 proxy statement, Mr. Kuhn retired from the company in February 2008 and pursuant to the terms of his Executive Employment Agreement (also discussed in the proxy statement), he is entitled to receive this LTIP payment for the completed three year period as he was an employee for the entire period.

Appointment of an Executive Officer

At its meeting on June 10, the Board of Directors also ratified the appointment of Mr. Greg Steiner as President of Kaman Aerospace Group, Inc. ("Kaman Aerospace Group"), with overall responsibility for the Company's Aerospace

Generally, restrictions will lapse with respect to the restricted stock, and vesting will occur with respect to the stock options, at the rate of twenty percent per year, beginning one year after the grant date. In addition, the stock options are issued at 100% of the fair market value of the Common Stock at the grant date. At its June 10 meeting, the Board also approved Mr. Steiner as a participant in the Company's Supplemental Employees' Retirement Plan, an unqualified excess benefits plan which generally makes each participant "whole" for the benefits that cannot be provided under the Company's tax-qualified defined benefit pension plan due to limits under federal tax law.

Long-Term Incentive Program

The Company has also agreed that Mr. Steiner will be recommended to the Personnel & Compensation of the Board for participation in the long-term incentive program feature of the Company's 2003 Stock Incentive Plan effective for the performance period beginning January 1, 2009.

Following termination of employment for any reason, he will assist and cooperate with the Company and its subsidiaries regarding any matter or project in which he was involved during his employment. The Company shall compensate him for any lost wages or expenses associated with such cooperation and assistance.

Change in Control Agreement

The Change in Control Agreement provides Mr. Steiner with enhanced severance protection after a "change of control" of the Company (as defined in the Change in Control Agreement and consistent with the agreements of other Company executives). The term of the Change in Control Agreement is five (5) years, subject to annual renewal thereafter.

The terms of the Change in Control Agreement include the following:

- a) If Mr. Steiner's employment is terminated for any reason following a change in control (as defined), he will be entitled to all Accrued Benefits (as defined above) as of the time of employment termination.
- b) If Mr. Steiner's employment is terminated due to death, “disability” or “good reason” (as defined in the Change in Control Agreement) then he shall receive a pro-rata portion of his annual bonus for the performance year in which the termination occurs at the time that annual bonuses are paid to other senior executives.

c) If Mr. Steiner's employment is terminated without cause or by him for good reason within 90 days prior to the execution of a purchase and sale agreement resulting in a change in control or anytime thereafter until the second anniversary of a change in control, he will be entitled to receive the following "Severance Benefits":

- ix) title to his Company automobile, with the automobile's fair market value being taxable to him.

Mr. Steiner shall be entitled to Severance Benefits under the Change in Control Agreement only if (1) he signs a release agreement, and (2) he agrees not to compete with the Company and its subsidiaries or to solicit their employees during the 2-year period following termination of employment. Following termination of employment, he will assist and cooperate with the Company regarding any matter or project in which he was involved during his employment and the Company shall compensate him for any lost wages or expenses associated with such assistance and cooperation.

Coordination Between Employment Agreement and Change in Control Agreement

Mr. Steiner would not be entitled to receive full severance benefits under both the Employment Agreement and the Change in Control Agreement. A tax gross-up for excise taxes under Section 4999 of the Internal Revenue Code (and income taxes on the gross-up) that become payable by him would be paid only if payments (including vesting of outstanding equity compensation awards) contingent on a change in ownership or control of the Company exceed the maximum amount (as determined under applicable tax rules) that he could receive without having any such payments become subject to such tax by at least \$100,000.
