PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD APRIL 11, 2002

This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by and on behalf of the Board of Directors of First Merchants Corporation (the "Corporation") for use at the annual meeting of shareholders of the Corporation to be held April 11, 2002. The distribution of these proxy materials is expected to commence on February 26, 2002.

Please sign, date and return your proxy card or submit your proxy via the Internet as soon as possible so that your shares can be voted at the meeting in accordance with your instructions. Internet voting is quick, convenient and your vote is immediately submitted. Our Internet voting site is available 24 hours a day, 7 days a week. To submit your proxy via the Internet, log on to the website www.proxytrust.com, click on the "Investors" tab, and follow the simple instructions on the screen. You will be required to enter your unique 10-digit control number found in the box near the right margin of your First Merchants Corporation proxy card in order to vote on the electronic equivalent of the proxy card. Similar instructions are included on the enclosed proxy card. Your Internet vote authorizes the named proxies to vote your shares to the same extent as if you marked, signed and returned your proxy card.

Any shareholder giving a proxy has the right to revoke it any time before it is exercised by giving written notice of revocation to the Secretary received prior to the meeting, by voting again in writing or via the Internet, or by voting in person at the meeting. The shares represented by proxies will be voted in accordance with the instructions on the proxies. In the absence of specific instructions to the contrary, proxies will be voted in favor of election to the Board of Directors of all nominees listed in Item 1 of the proxy. If any director nominee named in this proxy statement shall become unable or declines to serve (an event which the Board does not anticipate), the persons named as proxies will have discretionary authority to vote for a substitute nominee named by the Board, if the Board determines to fill such nominee's position.

VOTING SECURITIES

Only shareholders of record at the close of business on February 14, 2002 will be entitled to notice of and to vote at the annual meeting. 12,776,415 shares of common stock were outstanding and entitled to vote as of February 14, 2002.

Each share of the Corporation's common stock is entitled to one vote. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. Shareholders do not have a right to cumulate their votes for directors. The affirmative vote of a majority of the shares present and voting at the meeting in person or by proxy is required for approval of all items submitted to the shareholders for their

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

consideration other than the election of directors. The Secretary will count the votes and announce the results of the voting at the meeting. Abstentions will be counted for the purpose of determining whether a quorum is present but for no other purpose. Broker non-votes will not be counted.

The Corporation's subsidiaries held 1,188,502 shares of the Corporation's common stock as of February 14, 2002 in various fiduciary capacities, in regular, nominee or street name accounts, consisting of 9.30% of the Corporation's outstanding shares. Beneficial ownership of shares so held is disclaimed by the Corporation. It is the practice of the respective subsidiaries when holding shares as sole trustee or sole executor to vote the shares but, where shares are held as co-executor or co-trustee, approval is obtained from the co-fiduciary prior to voting.

Taking into account the 5% common stock dividend that was distributed on September 24, 2001 to shareholders of record at the close of business on September 3, 2001, each option is for 1,050 shares at an option price of \$21.7524 per share, the market price on the date of the grants.

The Corporation maintains an unfunded deferred compensation plan which gives each director an annual election to defer the receipt of director's fees. Any amounts reflected in a director's account under the plan are credited with interest at a rate equal to First Merchants' 18-month variable rate IRA account rate. Payments commence when the participant is no longer a director of the Corporation or First Merchants. During 2001, one of the Corporation's directors participated in the plan, deferring fees totaling \$8,000.

Long-term Incentive Plan Awards Table

Under the restructured Senior Management Incentive Compensation Program, which became effective in 2000, the annual bonuses earned by participating employees are payable 2/3 in cash following the end of the fiscal year and 1/3 in "deferred stock units" two years after the bonus is earned. When payable, the units are valued at an amount equal to the fair market value of the Corporation's common stock on the date of payment, plus accumulated dividends. Payments for the units are made in cash, not stock. If the participant's employment is terminated for cause or is voluntarily terminated by the participant (except on account of retirement, death or disability) prior to the date of payment, the units are forfeited. The following table contains information concerning deferred stock unit awards for 2001 under the Senior Management Incentive Compensation Program to each of the executive officers named in the Summary Compensation Table above. The section of this Proxy Statement entitled "Compensation and Human Resources Committee Report on Executive Compensation -- Incentive Compensation" contains additional information about the Senior Management Incentive Compensation Program.

Pension Plans

The Corporation has a qualified defined benefit pension plan, the First Merchants Corporation Retirement Pension Plan, covering, in general, all full-time employees of the Corporation and its subsidiaries. The Corporation also has a nonqualified plan, the First Merchants Corporation Supplemental Executive Retirement Plan, which provides benefits to designated executives that would otherwise be payable under the qualified plan if incentive compensation were included in compensation and Internal Revenue Code Section 401(a)(17) did not limit the amount of compensation that can be considered for purposes of calculating pension benefits accruing under the qualified plan. For plan years beginning on or after January 1, 2000, \$170,000 is the maximum amount of compensation that can be considered for purposes of calculating pension benefits accruing under the qualified plan. This maximum amount increases to \$200,000 for plan years beginning on or after January 1, 2002.

The following table shows the estimated annual benefits payable upon retirement at age 65 to persons born in 1947 (the average of the birth years of the executive officers named in the Summary Compensation Table above) in specified compensation and years of service classifications under the plans. The benefit amounts shown in the table include amounts payable under both the qualified and the nonqualified plans, for those executives who participate in both.

Participants in the qualified plan who had at least 15 credited years of service and whose combined age and years of service totaled at least 65 as of January 1, 1991, including Mr. Helms, are entitled to a pension benefit calculated under the formula that was in effect prior to 1990 if that will produce a greater benefit. The following table shows the estimated annual benefits payable upon retirement at age 65 under the formula that was in effect prior to 1990 in specified compensation and years of service classifications under the plans. The benefit amounts shown in the table include amounts payable under both the qualified and the nonqualified plans, for those executives who participate in

both.

Benefits under the plans are determined primarily by average final compensation and years of service (to a maximum of 25 years) and are computed on the basis of straight-life annuity amounts. They are not subject to any deduction for Social Security or other offset amounts.

Compensation for purposes of the qualified plan consists of the base salary and service award components of the salary amounts reported in the Summary Compensation Table above. Compensation for purposes of the nonqualified plan also includes the bonus amounts reported in the Summary Compensation Table above. All of the executive officers named in the Summary Compensation Table above are participants in the qualified plan, except for Mr. Eon, who isn't eligible yet. Mr. Cox and Mr. Arwood are also participants in the nonqualified plan. The 2001 compensation used for purposes of calculating pension benefits under the plans, and the credited years of service as of January 1, 2002, of the executive officers named in the Summary Compensation Table who are participants in either or both of the plans are: Mr. Cox, \$345,210 (7.7 years), Mr. Arwood, \$237,801 (1.8 years), Mr. Helms, \$112,470 (30.3 years), and Mr. Thrash, \$106,200 (24.0 years).

Termination of Employment and Change of Control Arrangements

The Corporation and First Merchants have change of control agreements with Messrs. Cox, Arwood, Eon, Helms and Thrash which provide severance benefits in the event of both a change of control of the Corporation or First Merchants and a termination or constructive termination of the employment of the executive within 24 months after the change of

- 9 -

control, unless such termination was for cause, because of the executive's death or disability, or by the executive other than on account of constructive termination. In general, a "change of control" means an acquisition by any person of 25% or more of the Corporation's or First Merchants' voting shares, a change in the makeup of a majority of the Corporation's or First Merchants' Board of Directors over a 24-month period, a merger of the Corporation or First Merchants in which the shareholders before the merger own 50% or less of the

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

Corporation's or First Merchants' voting shares after the merger, or approval by the Corporation's shareholders of a plan of complete liquidation of the Corporation or First Merchants or an agreement to sell or dispose of substantially all of the Corporation's or First Merchants' assets. A "constructive termination" means, generally, a significant reduction in duties, compensation or benefits or a relocation of the executive's office outside of Muncie, Indiana unless agreed to by the executive. The severance benefits payable to Messrs. Cox and Arwood, in addition to base salary and incentive compensation accrued through the date of termination would be: a lump sum payment equal to 299% of the sum of (1) their annual base salary and (2) their largest bonus under the Corporation's Senior Management Incentive Compensation Program during the 2 years preceding termination. The benefits payable to Messrs. Eon, Helms and Thrash would be determined in a similar manner, except that the percentage would be 200% for Messrs. Eon and Helms, and 150% for Mr. Thrash, instead of 299%. The executives would also be paid an amount equal to any excise tax imposed under Section 4999 of the Internal Revenue Code on any "excess parachute payment," and they would be entitled to 2 years of life, disability, accident and health insurance benefits, the bargain element value of then outstanding stock options, outplacement services, and reasonable legal fees and expenses incurred as a result of the termination. The agreements were not entered into in response to any effort to acquire control of the Corporation or First Merchants, and the Board of Directors is not aware of any such effort.

COMPENSATION AND HUMAN RESOURCES COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The following non-employee directors comprise the Compensation and Human Resources Committee of the Corporation: Robert M. Smitson (Chairman), Stefan S. Anderson, Frank A. Bracken, Thomas B. Clark, and Norman M. Johnson. John W. Hartmeyer, who is a director of First Merchants, serves as a non-voting member of the Compensation and Human Resources Committee. Mr. Anderson was the Chief Executive Officer of the Corporation and First Merchants until his retirement on April 16, 1999.

COMPENSATION AND HUMAN RESOURCES COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation and Human Resources Committee is responsible for administering the Corporation's executive compensation program, which includes its incentive compensation and equity-based plans. The manner in which the Committee establishes the compensation of the Corporation's chief executive officer, Mr. Cox, as well as the compensation of the other executive officers of the Corporation, is described below. The compensation of the other executive officers is determined after consideration of the chief executive officer's recommendations.

General Policy on Executive Compensation. The executive compensation program is intended to provide incentives to executive officers to achieve both current and long-term strategic management goals of the Corporation, with the ultimate objective of obtaining a superior return on the shareholders' investment. To this end, the compensation program for executive officers is comprised of cash and equity-based components which recognize performance as measured against the Corporation's annual and long-term goals, as well as performance evaluated in comparison to industry peers.

The Corporation's executive compensation program is designed to assist the Corporation in achieving its business objectives by: maintaining a competitive compensation program to attract and retain qualified executives; providing performance-based incentive compensation that is directly related to the Corporation's financial performance and individual contributions to that performance; and linking compensation to factors which affect short-term and long-term stock performance. The Compensation and Human Resources Committee believes that the executive compensation program is a significant contributor to the Corporation's excellent performance compared to industry peers. The

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

Corporation's earnings have increased every year since it was formed in 1982.

In general, the Committee tries to set the total compensation of the executive officers of the Corporation - comprised of salary, incentive compensation, and equity-based compensation - at or near the median of the compensation paid to

- 10 -

executive officers with similar responsibilities at Indiana and Midwestern banks and bank holding companies of similar size.

Salaries. The salaries paid to the Corporation's executive officers, including the chief executive officer, for 2001 were subjectively determined after consideration of the executive officer's individual responsibilities, performance, and experience, the evaluation by the chief executive officer of the executive officers other than the chief executive officer, a review of several measurements of the Corporation's short-term and long-term financial results compared with industry peers, various industry salary surveys, and other factors such as budgetary considerations and inflation rates.

Incentive Compensation. The Committee believes that performance-based pay should be a significant component of the executive officers' total compensation package. Therefore, under the Corporation's Senior Management Incentive Compensation Program, each of the executive officers is covered by an incentive plan whose purpose is to provide incentive compensation which will reward the executive based on performance, link compensation to achievement of organizational and individual goals, motivate and retain key personnel, and attract qualified talent to the Corporation.

Under the Program, each executive officer, including the chief executive officer, is assigned a target bonus for the following calendar year which is a percentage of salary. If actual performance for the year is higher than the target performance level, then the actual incentive compensation for such year will be higher than the target. The executive officers, other than the chief executive officer, will earn a bonus by meeting or exceeding pre-established performance levels for the year with respect to the Corporation's and/or relevant subsidiary bank's operating earnings and, except for the chief executive officers of the Corporation and First Merchants, by achieving pre-established individual benchmarks. The bonus of the Corporation's chief executive officer is based on whether he meets or exceeds pre-established performance levels for the year with respect to the Corporation's operating earnings per share, diluted GAAP earnings per share and return on equity. To further the purpose of executive retention, 2/3 of the bonus is payable in cash following the end of the calendar year, and the other 1/3 is payable in "deferred stock units" two years after the bonus is earned (unless the portion payable in deferred stock units is less than \$1,000, in which case the entire bonus is payable in cash). When payable, the deferred stock units are valued at an amount equal to the fair market value of the Corporation's common stock on the date of payment, plus accumulated dividends. Payment is made to the executive in cash rather than stock. The deferred stock units are forfeited if the executive's employment is terminated for cause or is voluntarily terminated by the executive (except on account of retirement, death or disability) prior to the date of payment. The executive may elect to defer payment of all or part of the cash portion of the bonus by filing an election to do so in the manner described in the Program. Deferred amounts will be credited with interest quarterly based on the current 5-year U.S. Treasury Bond rate. In order to avoid wide swings in payouts and to better focus the Program participants on long-term results, the Program provides that 60% of any bonus paid to the executive officers will be based on current year performance and 40% will be based on performance for the prior year.

Edgar Filing: FIRST MERCHANTS CORP - Form DEF 14A

The cash portion of the bonuses for 2001 for the executive officers named in the Summary Compensation Table is set forth in the "Bonus" column of that Table, and the deferred stock unit portion of the bonuses is set forth in the Long-Term Incentive Plan Awards Table. Mr. Cox's target bonus for 2001 under the Program was 45% of annual base salary. His actual bonus, based 60% on 2001 performance and 40% on 2000 performance, was 38.07% of annual base salary. The target bonuses of Messrs. Arwood, Eon, Helms and Thrash were 40%, 25%, 30% and 25%, respectively, of annual base salary. Their actual bonuses, based 60% on 2001 performance and 40% on 2000 performance (100% on 2001 performance for Mr. Eon, since he wasn't an employee in 2000), were 28.54%, 23.05%, 22.29% and 17.68%, respectively, of annual based salary.

Equity-based Compensation. Equity-based compensation, including compensation under the Corporation's Long-term Equity Incentive Plan and Employee Stock Purchase Plan, is intended to encourage ownership and retention of the Corporation's common stock by key employees, thereby giving them a meaningful stake in the Corporation's continued success and aligning their interests with those of other shareholders.

The Long-term Equity Incentive Plan is briefly described in the paragraph above the Option Grants Table. During 2001 the Compensation and Human Resources Committee awarded options under the plan for the following number of shares to the executive officers named in the Summary Compensation Table (as adjusted to give retroactive effect to the 5%

- 11 -

common stock dividend that was distributed on September 24, 2001 to shareholders of record at the close of business on September 3, 2001): 10,500 shares to Mr. Cox, 8,400 shares to Mr. Arwood, 4,200 shares to Mr. Eon, and for 4,830 shares each to Messrs. Helms and Thrash.

The Employee Stock Purchase Plan generally provides that full-time employees of the Corporation or a participating subsidiary with more than 6 months of service may elect, prior to the offering period (July 1 to June 30), to purchase common shares of the Corporation at a price equal to 85% of the lesser of the market price of the stock at the beginning of the period and the market price at the end of the period. For the offering period ending June 30, 2001, Mr. Eon was not eligible to participate in the Employee Stock Purchase Plan; and Messrs. Cox, Arwood, Helms and Thrash, the other executive officers named in the Summary Compensation Table, purchased 827, 0, 150 and 451 shares, respectively, under the 1999 Employee Stock Purchase Plan. The 1999 Employee Stock Purchase Plan covers 5 offering periods expiring on June 30, 2004.

Other Compensation. The executive officers are also covered by medical and retirement plans which are generally applicable to full-time employees of the Corporation and its subsidiaries. The retirement plans covering each of the executive officers are the First Merchants Corporation Retirement Pension Plan, a defined benefit pension plan (described in the "Pension Plans" section), and the First Merchants Corporation Retirement Savings Plan, an Internal Revenue Code Section 401(k) plan (referred to in note (1) to the Summary Compensation Table). Mr. Cox and Mr. Arwood are also covered by the First Merchants Corporation Supplemental Executive Retirement Plan, a nonqualified SERP plan (described in the section of this Proxy Statement entitled "Compensation of Executive Officers -- Pension Plans").
