ONE LIBERTY PROPERTIES ANNOUNCES RESULTS OF OPERATIONS FOR THE FIRST QUARTER OF ITS FISCAL YEAR

Great Neck, New York - May 10, 2004 - One Liberty Properties, Inc. (NYSE: OLP) today announced that for the three months ended March 31, 2004 it had revenues of \$5,650,000 and net income applicable to common stockholders of \$2,245,000, or \$.23 per share on a diluted basis. Net income gives effect to the Company's equity in earnings of unconsolidated joint ventures of \$675,000. For the quarter ended March 31, 2003, One Liberty reported revenues of \$4,644,000 and net income applicable to common stockholders of \$1,939,000, or \$.34 per share on a diluted basis. Net income for the quarter ended March 31, 2003 gives effect to the Company's equity in earnings of unconsolidated joint ventures of \$654,000. The weighted average number of common shares outstanding on a diluted basis was 9,669,000 and 5,667,000 for the three months ended March 31, 2004 and March 31, 2003, respectively.

One Liberty also reported that funds from operations applicable to common stockholders for the three months ended March 31, 2004 was \$3,533,000, or \$.37 per share on a diluted basis, as compared to \$2,890,000, or \$.51 per share on a diluted basis, for the three months ended March 31, 2003. Commenting on the results of operations and the funds from operations, Jeffrey Fishman, President and Chief Executive Officer of One Liberty, noted that revenues, substantially all of which represents rental income, increased by \$1,006,000, or 22%, due to rental revenues earned on seven properties acquired by the Company between February 2003 and March 2004. On the expense side, total expenses increased by \$981,000, or 32%, quarter over quarter, as a result of an increase in depreciation and amortization due to the ownership of additional properties and an increase in interest on mortgages payable as a result of the origination of two mortgages, the assumption of mortgages in connection with the purchase of four properties and the refinancing of one property. Commenting further, Mr. Fishman noted that general and administrative expenses increased by \$315,000, or by 58%, quarter over quarter, of which \$101,000 was due to a "non-recurring" fee for the initial listing by the Company of its common stock on the New York Stock Exchange in January 2004. Other general and administrative expenses increased due to an increase in the level of the Company's business activities, including activities related to property acquisitions, the negotiation of an increase in the revolving credit facility, mortgage refinancings, compliance with the Sarbanes-Oxley Act and with new accounting pronouncements and an increase in professional fees, state taxes and travel.

In reviewing the quarterly results, Mr. Fishman commented that the Company purchased two properties for a total consideration of approximately \$23,100,000 in March, 2004, and that since these two property acquisitions were completed on March 1st and March 31, 2004, respectively, operation of these properties will have a greater impact on the Company's net income and funds from operations in the June 30, 2004 quarter and in following periods. He further commented that the Company has contracted to purchase in a single transaction two retail properties, containing an aggregate of 41,280 square feet located in Athens, Georgia, for a total consideration of \$5,735,000. One property containing 20,000 square feet is leased to Office Depot under a lease which expires in 2014 and the other property containing 21,280 square feet is leased to Michaels Arts and Crafts under a lease which expires in 2014. The closing of the transaction is expected to take place prior to the end of May. Mr. Fishman noted that at March 31, 2004, the Company had cash and cash equivalents of approximately \$29,000,000, substantially all of which will be used for property acquisitions.
