Gentlemen:

This Agreement is entered into by and between Dominion Transmission, Inc. ("Providing Company"), a Delaware corporation and Dominion South Pipeline Company, LP ("Receiving Company"), a Delaware limited partnership. Receiving Company has requested that Providing Company provide it with certain services which it may from time to time require in the conduct of its business. Providing Company has agreed to provide such services to Receiving Company, upon the terms and conditions hereinafter provided.

Accordingly, in consideration of the mutual promises herein contained, Providing Company and Receiving Company agree as follows:

1. Upon oral or written request by Receiving Company, Providing Company will provide legal, regulatory, environmental, accounting, engineering, pipeline integrity transmission and general administrative services, including collection of costs, and such related services as are deemed necessary or desirable. In so doing, Providing Company may arrange for and provide the services of its own qualified personnel, or it may, after consultation with Receiving Company, arrange for and provide the services of such qualified, non-affiliated personnel as Providing Company, in its own opinion, deems necessary or appropriate.
2. All services rendered under and in accordance with this Agreement shall be provided at cost.

The cost of rendering such services shall include: (1) a portion of the salaries and wages of employees of Providing Company determined according to the time devoted by such employees to the performance of services hereunder for Receiving Company; (2) the costs of such employees' benefits, payroll taxes and compensated absences attributable to salaries and wages directly billed, as determined in accordance with Providing Company policies and procedures in place from time to time, (3) all other out-of-pocket operating costs, including expenses for transportation, tolls and other expenses incurred by Providing Company or its employees in connection with the performance of services under this Agreement, (4) the actual costs of materials and supplies furnished by Providing Company in connection with the performance of services under this Agreement, and (5) administrative and general costs attributable to services performed under this Agreement (including reasonable amounts for general office maintenance and depreciation, amortization, return and related taxes on Providing Company's general plant investment), determined in accordance with Providing Company's policies and procedures.

3. Providing Company shall render monthly statements to Receiving Company for services supplied or to be supplied in the manner set forth above. Such statements shall include the costs of all services supplied hereunder during the preceding month and may include estimated amounts attributable to services which Providing Company anticipates it will supply during the next succeeding calendar month. All statements so rendered will be due and payable ten (10) days after receipt thereof.
4. This Agreement shall become effective as of June 1, 2004 and shall continue in force and effect until terminated by either party upon thirty (30) days' written notice of termination; provided, however, that this Agreement shall be subject to termination or modification at any time to the extent that its performance may conflict with the provisions of the Public Utility Holding Company Act of 1935, as amended, or any rule, regulation or order of the Securities and Exchange Commission adopted or promulgated prior or subsequent to the making of this Agreement; and provided, further, that this Agreement shall be subject to the approval of any state or federal regulatory body or agency, the approval of which is, by the laws of said state or of the United States, a legal prerequisite to the execution, acceptance or performance of this Agreement.
5. Either party may, without relieving itself of its obligations under this Agreement, assign any of its rights hereunder to a person with which it is affiliated, but otherwise no assignment of this Agreement or any of the rights or obligations hereunder shall be made unless there first shall have been obtained the consent thereto in writing of the other party.

If you approve of this proposal, please indicate your acceptance by executing both copies hereof in the space provided and return one (1) fully executed copy to Providing Company.

Respectfully submitted,
