INFORMATION TO BE INCLUDED IN REPORT

Section 1 - Registrant's Business and Operations

Item 1.01. Entry Into a Material Definitive Agreement.

On March 7, 2005, PerfectData Corporation (the "Company") executed an Agreement and Plan of Merger dated as of March 7, 2005 (the "Merger Agreement") by and among the Company, its recently incorporated (in Delaware) wholly-owned subsidiary PerfectData Acquisition Corporation ("Merger Sub") and Sona Mobile, Inc. ("Sona"). A copy of the Merger Agreement (without exhibits and schedules)

Edgar Filing: PERFECTDATA CORP - Form 8-K

is filed as Exhibit 10.1 to this Report and is incorporated herein by this reference. The Company is not aware of any material relationship between the Company and its affiliates and Sona or any of its affiliates other than the Merger Agreement.

As previously reported, Sona, which was incorporated in 2003 and which is headquartered in Toronto, Canada, develops and markets data applications for mobile devices in the wireless data market place that enable its customers to: (1) receive streamed data real-time on a continuous basis; (2) execute secure transactions in real-time; (3) exchange data with corporate systems in real-time; and (4) integrate customers' in-house information with publicly available information of news services such as Telerate.

As previously reported, effective June 1, 2004, Spray Products Corporation ("Spray") had assumed full responsibility for managing the customers of the Company, so that all revenues therefrom were going to Spray and, after obtaining shareholder consent, on November 29, 2004, the related assets of the Company's operating business were sold to Spray. Also, as previously reported, the Board of Directors of the Company had announced its intention not to liquidate the Company, but to continue its search for a merger partner so as to add business operations to the Company.

As previously reported, the Merger Agreement contemplates that, at the Effective Time (as defined) Sona would be merged into Merger Sub (the "Merger") and the holders of the Sona Common Stock, no par value, and the Sona Series A Preferred Stock, no par value, would exchange such shares for shares of a to-be-designated Series A Convertible Preferred Stock, \$.01 par value (the "PerfectData Series A Preferred Stock"), of the Company which, when converted into shares of the Company's Common Stock, \$.01 par value (the "Common Stock"), the former securityholders of Sona would own, or have the right to acquire (including by exercise of option, warrant or other right), such number of shares of the Common Stock as would constitute approximately 80% of the shares of the Common Stock on a fully diluted basis as of the Closing Date (as defined). Such percentages of the Common Stock post-Merger could increase (and the corresponding percentage ownership of the pre-Merger stockholders of PerfectData decrease) if the Tangible Net Worth (as defined) of PerfectData is reduced below \$1,100,000. A copy of the proposed Certificate of Designations, Preferences and Rights of the Series A Preferred Stock (the "Certificate of Designations") is filed as Exhibit 3(i)(2) to this Report and is incorporated herein by this reference. The Company's Certificate of Incorporation authorizes the Company to issue up to 2,000,000 shares of the Company's Preferred Stock, \$.01 par value (the "Preferred Stock"), and the Board of Directors has the authority, without further action by the holders of the outstanding shares of the Common Stock, to issue shares of the Preferred Stock from time

to time in one or more classes or series, to fix the number of shares constituting any class or series and the stated value thereof, if different from the par value, and to fix the terms of any such series or class, including dividend rights, dividend rates, conversion or exchange rights, voting rights, rights and terms of redemption (including sinking fund provisions), the redemption price and the liquidation preference of such class or series. A copy of the Company's Certificate of Incorporation is filed (by incorporation by reference) as Exhibit 3(i)(1) to this Report and is incorporated herein by this reference.

If the Merger is consummated, the Merger Agreement contemplates that the former shareholders of Sona can earn additional shares of the Common Stock equal to 5% of the shares of the Common Stock on a fully diluted basis as of the Closing Date (the "Additional Shares") if PerfectData and Merger Sub on a

Edgar Filing: PERFECTDATA CORP - Form 8-K

consolidated basis have (1) revenues of at least \$3,000,000 and a gross profit margin of at least 50% for the fiscal year ending December 31, 2005 ("fiscal 2005") or (2) Aggregate Revenues (as defined) of at least \$12,000,000 and Aggregate Gross Profit Margin (as defined) of at least 50% for fiscal 2005 and the fiscal year ending December 31, 2006.

As set forth in the Certificate of Incorporation, the holders of the Series A Preferred Stock would have, among others, the following rights in addition to conversion rights:

1. Dividends - quarterly non-cumulative dividends at the rate of 6% per annum when and if declared by the Company's Board of Directors out of funds legally available therefore;

2. Liquidation preference per share - equal to the dividend of (a) \$3,250,000 less the product of (i) the stated value of any shares of the Series A Preferred Stock previously converted and the number of shares of the Series A Preferred Stock so converted divided by (b) the number of shares of the Series A Preferred Stock then outstanding;

3. Rank - senior to the Common Stock and any other class or series of the capital stock of the Company unless the holders of 50% or more of the then outstanding shares of the Series A Preferred Stock consent otherwise;

4. Voting rights - (a) the holders vote, as a single class with the holders of the Common Stock, on all matters submitted to a vote of, or the consent of, the holders of the Common Stock, each holder of the Series A Preferred Stock to have that number of votes equal to the largest number of whole shares of the Common Stock as to which such shares of the Series A Preferred Stock are then convertible, and (b) the holders vote as a separate class on any matter which could have an adverse effect on their shares or as to which their consent is necessary; and

5. Mandatorily convertible - mandatorily convertible into shares of the Common Stock upon the earlier to occur of (a) the authorization of the Company's stockholders to an amendment to the Company's Certificate of Incorporation increasing the authorized shares of the Common Stock to such number as, at a minimum, would permit (i) the conversion of all the shares of the Series A Preferred Stock and (ii) the issuance of the Additional Shares or (b) the fifth anniversary of the Closing Date.

The Merger Agreement also provides that, if the Merger is consummated, all but one of the five current directors of the Company and both of its executive officers will resign and

Sona will designate their replacements. The Company will file a information statement (the "Information Statement") pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 14(f) promulgated thereunder with respect to the Sona designees and mail a copy of the Information Statement to its stockholders at least ten days prior to the anticipated Closing Date.

If either PerfectData or Sona terminates the Merger Agreement because of (1) the material breach by the other party of any of its representations, warranties, covenants, agreements or obligations, (2) the other party not fulfilling its conditions precedent to closing or (3) the other party accepting a Superior Proposal (as defined) from an unsolicited third party, the terminating party may collect from the other party \$250,000 as liquidated damages and not as a penalty and be reimbursed for its out-of-pocket expenses.

Edgar Filing: PERFECTDATA CORP - Form 8-K

In addition, Sona has delivered to PerfectData a draft of its financial statements for its fiscal years ended December 31, 2003 ("fiscal 2003") and 2004 ("fiscal 2004"). One of the conditions precedent in the Merger Agreement to PerfectData closing is the delivery by Sona of audited financial statements for fiscal 2003 and fiscal 2004. If such audited financial statements materially differ from the draft financial statements, then PerfectData may terminate the Merger Agreement and be paid the liquidated damages and be reimbursed for its out-of-pocket expenses as aforesaid. The Merger Agreement also provides that, if the Tangible Net Worth of PerfectData is less than \$750,000 on the Closing Date, either Sona or PerfectData may terminate the Merger Agreement, provided that PerfectData pays Sona the liquidated damages and reimburses Sona for its out-of-pocket expenses as aforesaid. PerfectData has the option, prior to the Closing Date, to sell shares of the Common Stock in order to increase its Tangible Net Worth.

The parties currently anticipate that the Closing Date will be scheduled right after the delivery of the Sona audited financial statements mentioned in the preceding paragraph and compliance is made with Section 14(f) of the Exchange Act as described in the second preceding paragraph, assuming that compliance is made with the other conditions precedent set forth in Articles V and VI of the Merger Agreement (including, without limitation, obtaining the approval by the Sona shareholders of the Merger Agreement and the Merger), or such compliance is waived (except as to such Sona shareholder approval).

On March 10, 2005, the Company and Sona issued a press release with respect to the execution of the Merger Agreement. A copy of the press release is filed as Exhibit 10.2 to this Report and is incorporated herein by this reference.

This change will be reflected either in the Company's Current Report on Form 8-K in which the audited financial statements of Sona are filed or in the Company's Quarterly Report on Form 10-QSB for the quarter ending March 31, 2005 if the Effective Time is on or before March 31, 2005. The Corporation shall not declare or pay any dividend for any quarterly period unless the Corporation has sufficient funds legally available for such purchase.

B. Record Date. When and if the Board of Directors declares a quarterly dividend, the dividend shall be payable to the holders of record of the Series A Preferred Stock on the 15th day of the month (if a Business Day; if not, on the next Business Day) immediately preceding the respective Dividend Date or on such other record date as shall be fixed by the Board of Directors, provided that such record date shall not be more than 60 or less than ten days prior to the dividend payment date.

IV. CONVERSION

A. Optional Conversions. Each holder of shares of the Series A Preferred Stock may, at any time and from time to time, convert (an "Optional Conversion") each

Edgar Filing: PERFECTDATA CORP - Form 8-K

of his, her or its shares of the Series A Preferred Stock into a number of fully paid and nonassessable shares of the Common Stock determined in accordance with the following formula:

$$\frac{\text{Stated Value}}{\text{Conversion Price}}$$

In addition, the holder shall receive with his, her or its shares of the Common Stock accrued, but unpaid, dividends, if any, on the holder's shares of the Series A Preferred Stock through the Conversion Date.

B. Mechanics of Conversion. In order to effect an Optional Conversion, a holder shall: (x) fax (or otherwise deliver) a copy of the fully executed Notice of Conversion to the Corporation (Attention: its Secretary) and (y) surrender or cause to be surrendered the original certificates representing the shares of the Series A Preferred Stock being converted (the "Preferred Stock Certificates"), duly endorsed, along with a copy of the Notice of Conversion as soon as practicable thereafter to the Corporation or its agency for such purpose, including the Transfer Agent for the Common Stock, as the Corporation may designate to the holders of the Series A Preferred Stock. Upon receipt by the Corporation or its agency of a facsimile copy of a Notice of Conversion from a holder, the Corporation shall promptly send, via facsimile, a confirmation to such holder stating that the Notice of Conversion has been received, the date upon which the Corporation expects to deliver the shares of the Common Stock issuable upon such conversion and the name and telephone number of a contact person at the Corporation regarding the conversion. The Corporation shall not be obligated to issue shares of the Common Stock upon a

conversion unless either the Preferred Stock Certificates are delivered to the Corporation as provided above, or the holder notifies the Corporation that such Preferred Stock Certificates have been lost, stolen or destroyed and delivers the documentation to the Corporation required by Article XI.B hereof.

(i) Delivery of Common Stock Upon Conversion. Upon the surrender of the Preferred Stock Certificates accompanied by a Notice of Conversion, the Corporation (itself, or through its Transfer Agent for the Common Stock) shall, no later than the later of (a) the third (3rd) Business Day following the Conversion Date and (b) the Business Day following the date of such surrender (or, in the case of lost, stolen or destroyed certificates, after provision of indemnity pursuant to Article XI.B) (the "Delivery Period"), issue and deliver (i.e., deposit with a nationally recognized overnight courier service postage prepaid) to the holder or its nominee (x) that number of shares of the Common Stock issuable upon conversion of such shares of the Series A Preferred Stock being converted and (y) a certificate representing the number of shares of the Series A Preferred Stock not being converted, if any. Notwithstanding the foregoing, in no event shall the Company be required to effect a conversion of shares of the Series A Preferred Stock into less than 1,000 shares of the Common Stock, unless such conversion would result in the conversion of all shares of the Series A Preferred Stock then held by such holder.

(ii) Taxes. The Corporation shall pay any and all taxes that may be imposed upon it with respect to the issuance and delivery of the shares of the Common Stock upon the conversion of shares of the Series A Preferred Stock, provided however, that the Corporation shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any shares of the Common Stock in a name other than the holder of the Series A Preferred Stock.

(iii) No Fractional Shares. No fractional share of the Common Stock shall

Edgar Filing: PERFECTDATA CORP - Form 8-K

be issued upon conversion of shares of the Series A Preferred Stock. If, as a result of a holder converting all of the holder's shares of the Series A Preferred Stock, a fractional share would otherwise result, such fractional share shall instead be rounded up or down to the nearest whole share. If, as a result of a holder converting only part of the holder's shares of the Series A Preferred Stock, a fractional share would otherwise result, such fractional share shall be disregarded and the holder shall receive the lower number of full shares; provided, however, that such fractional share shall be taken into consideration when the holder converts the holder's remaining shares of the Series A Preferred Stock.

(iv) Conversion Disputes. In the case of any dispute with respect to a conversion, the Corporation shall promptly issue such number of shares of the Common Stock as are not disputed in accordance with subsection (i) above. If such dispute involves the calculation of the Conversion Price, and such dispute is not promptly resolved by discussion between the relevant holder and the Corporation, the Corporation shall submit the disputed calculations to an independent accounting firm (which firm may be the independent registered public accounting firm for the Corporation) via facsimile within three (3) Business Days of receipt of the Notice of Conversion. The accounting firm shall promptly audit the calculations and notify the Corporation and the holder of the results no later than three (3) Business Days from the date it receives the disputed calculations. The accounting firm's calculation shall be deemed

conclusive, absent manifest error. The Corporation shall then issue the appropriate number of shares of the Common Stock in accordance with subsection (i) above. The fees of the accounting firm shall be borne (i) by the Corporation if the holder's calculation of the Conversion Price is closer to the accounting firm's calculation of the Conversion Price and (ii) by the holder if the reverse is true.

C. Mandatory Conversion. A Mandatory Conversion Event shall occur either (i) on the date on which the stockholders of the Corporation, in accordance with Section 5.11 of the Merger Agreement, authorize an increase in the number of authorized shares of the Common Stock in an amount sufficient at least to permit (a) the conversion of all shares of the Series A Preferred Stock and (b) the issuance of the Additional Shares (as such term is defined in Section 2.6 of the Merger Agreement) or (ii) on the fifth (5th) anniversary of the Issuance Date.

(i) Notice to Holders. In the event that the Mandatory Conversion Event has occurred, the Corporation shall, not later than five (5) Business Days after the occurrence thereof, mail a notice to each of the then holders of the Series A Preferred Stock describing the Mandatory Conversion Event and requesting that the holder surrender the certificate or certificates evidencing the shares at its then principal office or at its agency designated for such purpose (which may be the Transfer Agent for the Common Stock).

(ii) Delivery of Common Stock. As promptly after surrender of the certificate or certificates evidencing shares of the Series A Preferred Stock, the Corporation shall issue and deliver to a holder or, on his, her or its written order, a permitted transferee a certificate or certificates for the number of full shares of the Common Stock issuable upon an Optional Conversion and an adjustment, as provided in Article IV, Section B(iii) hereof in respect of any fractional interest otherwise issuable upon such conversion.

(iii) Dividends. Notwithstanding anything to the contrary in this Article IV, Section C, the Corporation shall pay in cash accrued but unpaid dividends, if any, said payment to be made simultaneously with the delivery of shares of the Common Stock as provided in subsection (ii) of this Article IV, Section C.

Edgar Filing: PERFECTDATA CORP - Form 8-K

(iv) Effect of Mandatory Conversion Event. Effective upon the occurrence of a Mandatory Conversion Event, all rights of a holder of the Series A Preferred Stock as a holder of the Series A Preferred Stock shall cease and terminate except the right to receive shares of the Common Stock as provided in subsection (ii) of this Article IV, Section C and to receive accrued, but unpaid, dividends, as provided in subsection (iii) of this Article IV, Section C and thereafter the holder shall be deemed to be a holder of the Common Stock for the number of shares as to which the holder's shares of the Series A Preferred Stock are convertible pursuant to this Article IV.

V. RESERVATION OF SHARES OF COMMON STOCK

As promptly as practicable following the Issuance Date the Corporation shall use its best efforts to obtain stockholder approval of an increase in its authorized but unissued shares of Common Stock in accordance with Section 5.11 of the Merger Agreement and, upon such approval, shall

reserve 110% of the number of shares of its authorized but unissued shares of Common Stock for issuance upon conversion of the Series A Preferred Stock. Thereafter, the number of authorized but unissued shares of Common Stock so reserved (the "Reserved Amount") shall at all times be sufficient to provide for the conversion of all of the Series A Preferred Stock outstanding at the then current Conversion Price thereof.

VI. RANK

All shares of the Series A Preferred Stock shall rank (i) prior to (a) the Common Stock and (b) any class or series of capital stock of the Corporation hereafter created (unless, with the consent of the Majority Holders, such class or series of capital stock specifically, by its terms, ranks senior to, or pari passu with, the Series A Preferred Stock) (collectively with the Common Stock, "Junior Securities"); (ii) pari passu with any other class or series of capital stock of the Corporation hereafter created (with the written consent of the Majority Holders) specifically ranking, by its terms, on parity with the Series A Preferred Stock (the "Pari Passu Securities"); and (iii) junior to any class or series of capital stock of the Corporation hereafter created (with the written consent of the Majority Holders obtained in accordance with Article X hereof) specifically ranking, by its terms, senior to the Series A Preferred Stock (collectively, the "Senior Securities"), in each case as to distribution of assets upon liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary.

VII. LIQUIDATION PREFERENCE

A. If the Corporation shall commence a voluntary case under the U.S. Federal bankruptcy laws or any other applicable bankruptcy, insolvency or similar law, or consent to the entry of an order for relief in an involuntary case under any law or to the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or make an assignment for the benefit of its creditors, or admit in writing its inability to pay its debts generally as they become due, or if a decree or order for relief in respect of the Corporation shall be entered by a court having jurisdiction in the premises in an involuntary case under the U.S. Federal bankruptcy laws or any other applicable bankruptcy, insolvency or similar law resulting in the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order shall be unstayed and in effect for a period of 90 consecutive days and, on account of any such event, the Corporation shall liquidate, dissolve or wind

Edgar Filing: PERFECTDATA CORP - Form 8-K

up, or if the Corporation shall otherwise liquidate, dissolve or wind up (a "Liquidation Event"), no distribution shall be made to the holders of any shares of capital stock of the Corporation (other than the preferences and privileges thereof, if any) upon liquidation, dissolution or winding up unless prior thereto the holders of shares of the Series A Preferred Stock shall have received the Liquidation Preference with respect to each share. If, upon the occurrence of a Liquidation Event, the assets and funds available for distribution among the holders of the Series A Preferred Stock and holders of the Pari Passu Securities, if any, shall be insufficient to permit the payment to such holders of the preferential amounts payable thereon, then the entire assets and funds of the Corporation legally available for distribution to the Series A Preferred Stock and the Pari Passu Securities, if any, shall be distributed ratably among such shares in proportion to the ratio

that the Liquidation Preference payable on each such share bears to the aggregate Liquidation Preference payable on all such shares. A Corporate Change shall not be deemed a Liquidation Event provided that compliance is made with Article VIII, Section B hereof. The proposed transaction between the Corporation and Sona Mobile, Inc., a Washington corporation, shall not be deemed a Liquidation Event or a Corporate Change.

B. The "Liquidation Preference" with respect to a share of the Series A Preferred Stock means an amount equal to the dividend of (i) \$3,250,000 less the product of (a) the Stated Value of any shares of the Series A Preferred Stock previously converted and (b) the number of shares of the Series A Preferred Stock so converted divided by (ii) the number of shares of the Series A Preferred Stock then outstanding.

VIII. ADJUSTMENTS TO THE CONVERSION PRICE

The Conversion Price shall be subject to adjustment from time to time as follows:

A. Stock Splits, Stock Dividends, Etc. If, at any time on or after the Issuance Date, the number of outstanding shares of the Common Stock is increased by a stock split, stock dividend, combination, reclassification or other similar event, the Conversion Price shall be proportionately reduced and the number of shares of the Common Stock issuable upon conversion shall be proportionately increased, or if the number of outstanding shares of the Common Stock is decreased by a reverse stock split, combination or reclassification of shares, or other similar event, the Conversion Price shall be proportionately increased and the number of shares of the Common Stock issuable upon conversion shall be proportionately decreased. In such event, the Corporation shall notify the Corporation's Transfer Agent of such change on or before the effective date thereof.

B. Adjustment Due to Merger, Consolidation, Etc. If, at any time after the Issuance Date, there shall be (i) any reclassification or change of the outstanding shares of the Common Stock (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination), (ii) any consolidation or merger of the Corporation with any other entity (other than a merger in which the Corporation is the surviving or continuing entity and its capital stock is unchanged), (iii) any sale or transfer of all or substantially all of the assets of the Corporation or (iv) any share exchange pursuant to which all of the outstanding shares of Common Stock are converted into other securities or property (each of (i) - (iv) above being a "Corporate Change"), then the holders of the Series A Preferred Stock shall thereafter have the right to receive upon conversion, in lieu of the shares of the Common Stock otherwise issuable, such shares of stock, securities and/or other property as would have been issued or payable in such

Edgar Filing: PERFECTDATA CORP - Form 8-K

Corporate Change with respect to, or in exchange for the number of shares of the Common Stock which would have been issuable upon conversion had such Corporate Change not taken place, and, in any such case, appropriate provisions (in form and substance reasonably satisfactory to the Majority Holders) shall be made with respect to the rights and interests of the holders of the Series A Preferred Stock to the end that the economic value of the shares of the Series A Preferred Stock is in no way diminished by such Corporate Change and that the provisions hereof, including, without limitation, in the case of any such consolidation, merger or sale in which the successor entity or purchasing entity is not the Corporation, an immediate adjustment shall be made to the Conversion Price so that

the Conversion Price immediately after the Corporate Change reflects the same relative value as compared to the value of the surviving entity's common stock that existed between the Conversion Price and the value of the Corporation's Common Stock immediately prior to such Corporate Change. The Corporation shall not effect any Corporate Change unless the resulting successor or acquiring entity (if not the Corporation) assumes by written instrument (in form and substance reasonable satisfactory to the Majority Holders) the obligations of this Certificate of Designations. The above provisions shall apply regardless of whether or not there would have been a sufficient number of shares of the Common Stock authorized and available for issuance upon conversion of the shares of the Series A Preferred Stock outstanding as of the date of such transaction, and shall similarly apply to successive reclassifications, consolidations, mergers, sales, transfers or share exchanges.

C. Adjustment Due to Distribution. If, at any time after the Issuance Date, the Corporation shall declare or make any distribution of its assets (or rights to acquire its assets) to holders of the Common Stock as a partial liquidating dividend, by way of return of capital or otherwise (including any dividend or distribution to the Corporation's stockholders in cash or shares (or rights to acquire shares) of capital stock of a subsidiary (i.e., a spin-off)) (a "Distribution"), then the holders of the Series A Preferred Stock shall be entitled, upon any conversion of shares of the Series A Preferred Stock after the date of record for determining stockholders entitled to such Distribution, to receive the amount of such assets which would have been payable to the holder with respect to the shares of the Common Stock issuable upon such conversion had such holder been the holder of such shares of the Common Stock on the record date for the determination of stockholders entitled to such Distribution. If the Distribution involves rights, warrants, options or any other form of convertible securities and the right to exercise or convert such securities would expire in accordance with its terms prior to the conversion of the Series A Preferred Stock, then the terms of such securities shall provide that such exercise or convertibility right shall remain in effect until 30 days after the date the holder of the Series A Preferred Stock receives such securities pursuant to the conversion hereof.

D. Other Action Affecting Conversion Price. If the Corporation takes any action affecting the Common Stock after the date hereof that would be covered by Article VIII, Sections A through C, but for the manner in which such action is taken or structured, which would in any way diminish the value of the Series A Preferred Stock, then the Conversion Price shall be adjusted in such manner as the Board of Directors of the Corporation shall in good faith determine to be equitable under the circumstances.

IX. VOTING RIGHTS

A. General. Except as otherwise expressly provided elsewhere in this Certificate

Edgar Filing: PERFECTDATA CORP - Form 8-K

of Designations or as otherwise required by the Delaware General Corporation Law (the "DGCL"), (i) each holder of the Series A Preferred Stock shall be entitled to vote on all matters submitted to a vote of the stockholders of the Corporation and shall be entitled to that number of votes equal to the largest number of whole shares of the Common Stock into which such holder's shares of Series A Preferred Stock could be converted pursuant to the provisions of Article IV hereof at the record date for the determination of stockholders entitled to vote on such matters or, if no such record date is established, at the date such vote is taken or any written consent of

stockholders is solicited, and (ii) except as otherwise provided herein, the holders of shares of the Series A Preferred Stock and the Common Stock shall vote together (or tender written consents in lieu of a vote) as a single class on all matters submitted for a vote or consent to the stockholders of the Corporation.

B. Notification. The Corporation shall provide each holder of Series A Preferred Stock with prior notification of any meeting of the stockholders (and copies of proxy materials and other information sent to holders of the Common Stock) and a brief statement regarding the business to be transacted at the meeting to the extent known at such time, at least 20 days prior to the date of the meeting or other formal action of shareholders (or 20 days prior to the consummation of the transaction or event if a transaction or fundamental corporate event is to be voted upon, whichever is earlier, but in no event earlier than public announcement of such proposed transaction). Mailing of the proxy or consent solicitation material to the holders of the Series A Preferred Stock simultaneously with the mailing of such material to the holders of the Common Stock shall be deemed in complete satisfaction of the Corporation's notification obligation hereunder.

C. Class Voting. To the extent that under the DGCL the vote of the holders of the Series A Preferred Stock, voting separately as a class or series, as applicable, is required to authorize a given action of the Corporation, the affirmative vote or consent of the Majority Holders (except as otherwise may be required under the DGCL) shall constitute the approval of such action by the class.

X. PROTECTION PROVISIONS

So long as any shares of the Series A Preferred Stock are outstanding, the Corporation shall not without first obtaining the approval (by vote or written consent, as provided by the DGCL) of the Majority Holders:

(i) alter or change the rights, preferences or privileges of the Series A Preferred Stock, whether through merger, sale, consolidation or otherwise;

(ii) alter or change the rights, preferences or privileges of any capital stock of the Corporation so as to affect adversely the Series A Preferred Stock, whether through merger, sale, consolidation or otherwise;

(iii) create any Senior Securities;

(iv) create any Pari Passu Securities;

(v) increase or decrease the authorized number of shares of the Series A Preferred Stock;

(vi) issue any shares of Senior Securities or Pari Passu Securities;

(vii) redeem or repurchase, or declare or pay any cash dividend,

Edgar Filing: PERFECTDATA CORP - Form 8-K

distribution or interest on, any Junior Securities or other outstanding securities of the Company, except pursuant

to this Certificate of Designations or for repurchases pursuant to an equity incentive plan approved by the Corporation's Board of Directors in good faith;

(viii) permit any subsidiary now or hereinafter existing to issue any securities, other than to the Corporation; or

(ix) amend the Corporation's Certificate of Incorporation or Bylaws.

Furthermore, notwithstanding the foregoing, no change pursuant to this Article X shall be effective to the extent that, by its terms, it applies to less than all of the holders of shares of Series A Preferred Stock then outstanding.

XI. MISCELLANEOUS

A. Cancellation of the Series A Preferred Stock. If any shares of the Series A Preferred Stock are converted pursuant to Article IV hereof, the shares so converted shall be canceled, shall return to the status of authorized, but unissued shares of the Preferred Stock of no designated series, and shall not be issuable by the Corporation as shares of the Series A Preferred Stock.

B. Lost or Stolen Certificates. Upon receipt by the Corporation of (i) evidence of the loss, theft, destruction or mutilation of any Preferred Stock Certificate(s) and (ii) (y) in the case of loss, theft or destruction, of indemnity (without any bond or other security) reasonably satisfactory to the Corporation, or (z) in the case of mutilation, upon surrender and cancellation of the Preferred Stock Certificate(s), the Corporation shall execute and deliver new Preferred Stock Certificate(s) of like tenor and date. However, the Corporation shall not be obligated to reissue such lost or stolen Preferred Stock Certificate(s) if the holder contemporaneously requests the Corporation to convert such Series A Preferred Stock or in the event of a Mandatory Conversion Event.

C. Status as Stockholder. Upon submission of a Notice of Conversion by a holder of the Series A Preferred Stock, (i) the shares covered thereby (other than the shares, if any, which cannot be issued because their issuance would exceed such holder's allocated portion of the Reserved Amount) shall be deemed converted into shares of the Common Stock and (ii) the holder's rights as a holder of such converted shares of the Series A Preferred Stock shall cease and terminate, excepting only the right to receive certificates for such shares of the Common Stock and to any remedies provided herein or otherwise available at law or in equity to such holder because of a failure by the Corporation to comply with the terms of this Certificate of Designations. Notwithstanding the foregoing, if a holder has not received certificates for all shares of the Common Stock prior to the sixth (6th) Business Day after the expiration of the Delivery Period with respect to a conversion of the Series A Preferred Stock for any reason, then (unless the holder otherwise elects to retain its status as a holder of the Common Stock by so notifying the Corporation within five (5) Business Days after the expiration of such six (6)-Business-Day period after expiration of the Delivery Period) the holder shall regain the rights of a holder of the Series A Preferred Stock with respect to such unconverted shares

of the Series A Preferred Stock and the Corporation shall, as soon as practicable, return such unconverted shares to the holder. In all cases, the holder shall retain all of its rights and remedies for the Corporation's failure to convert shares of the Series A Preferred Stock.

Edgar Filing: PERFECTDATA CORP - Form 8-K

D. Transfer. Subject to applicable law and the legend, if any, on the certificate(s) to be transferred, the Series A Preferred Stock may be transferred at any time and from time to time by the holder thereof.

E. Remedies Cumulative. The remedies provided in this Certificate of Designations shall be cumulative and in addition to all other remedies available under this Certificate of Designations, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit a holder's right to pursue actual damages for any failure by the Corporation to comply with the terms of this Certificate of Designations. The Corporation acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the holders of the Series A Preferred Stock and that the remedy at law for any such breach may be inadequate. The Corporation therefore agrees, in the event of any such breach or threatened breach, that the holders of the Series A Preferred Stock shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

IN WITNESS WHEREOF, this Certificate of Designations is executed on behalf of the Corporation this ____ day of _____, 2005.

Edgar Filing: PERFECTDATA CORP - Form 8-K

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained herein, and intending to be legally bound hereby, the parties to this Agreement agree as follows:

ARTICLE I THE MERGER

Section 1.1. The Merger. Upon the terms and subject to the conditions of this Agreement, at the Effective Time (as defined in Section 1.2(b) hereof) and in accordance with the applicable terms of state law, (a) Sona will be merged with and into Merger Sub, whereupon the separate existence of Sona shall cease and Merger Sub shall be the surviving corporation in the Merger (the "Surviving Corporation").

Section 1.2. The Closing; Effective Time.

(a) The closing of the Merger and the other transactions contemplated by this Agreement (the "Closing") shall take place at the offices of PerfectData's counsel, Wachtel & Masyr, LLP, in New York, New York, on such date as may be mutually agreed upon in writing by PerfectData and Sona. The date on which the Closing actually occurs shall be the "Closing Date."

(b) At the Closing, the parties shall cause appropriate certificates of merger with respect to the Merger to be executed and filed with the Secretary of State of the State of Delaware and the Secretary of State of the State of Washington, each in accordance with applicable state law. In connection therewith, the Surviving Corporation shall change its name to "Sona Mobile, Inc." and, after PerfectData stockholder approval therefor, PerfectData shall change its name to "Sona Mobile Holdings, Inc." or such other name as may be recommended by the Board of Directors of PerfectData. The Merger shall become effective immediately following the time when the certificate of merger for the Merger has been duly filed with, and accepted by, the Secretary of State of Delaware, or such later time as may be specified in such certificate of merger (the "Effective Time").

(c) At the Closing, four of the five directors and each of the executive officers of PerfectData and each of the directors and officers of Merger Sub shall resign (except for such officers as Sona may reasonably request to continue in service to facilitate the Closing and the transition of new management) and the directors and executive officers of the Surviving Corporation shall be those persons identified on Exhibit A hereto and the directors and executive officers of PerfectData shall be those persons designated by Sona (except for the PerfectData director remaining in office) and identified in Exhibit A.

Edgar Filing: PERFECTDATA CORP - Form 8-K

(d) At the Effective Time, the Certificate of Incorporation of the Surviving Corporation (the "Surviving Corporation Charter") shall be in the form attached hereto as Exhibit B, and shall continue in force and effect until amended in accordance with its terms and applicable law.

(e) At the Effective Time, the Bylaws of the Surviving Corporation (the "Surviving Corporation Bylaws") shall be in the form attached hereto as Exhibit C, and shall continue in force and effect until amended in accordance with its terms, the terms of the Surviving Corporation Charter and applicable law.

(i) At the Effective Time, the fiscal year of each of PerfectData and Merger Sub shall change from March 31 to December 31.

ARTICLE II CONVERSION OF SHARES

Section 2.1. Conversion of Shares. At the Effective Time, by virtue of the Merger and without any action on the part of the holders of any outstanding shares of capital stock or other securities of Merger Sub, PerfectData or Sona:

(a) Each share of the common stock, \$.001 par value, of Merger Sub (the "Merger Sub Common Stock") issued and outstanding at the Effective Time shall continue to be outstanding, with the same rights and privileges, and such shares shall constitute the only outstanding shares of capital stock of the Surviving Corporation.

(b) Each share of the Sona Common Stock, and each share of the Sona Series A Preferred Stock, issued and outstanding at the Effective Time shall cease to be outstanding and shall be converted into that number of fully paid and nonassessable shares of the PerfectData Series A Preferred Stock so as to give effect to the intent of the parties expressed in Sections 2.1(f) and 2.1(g) hereof. As of the Effective Time, each holder of a certificate or certificates which immediately prior to the Effective Time represented outstanding shares of the Sona Common Stock or the Sona Series A Preferred Stock shall cease to have any rights with respect thereto, except the right to receive a certificate or certificates representing the number of whole shares of the PerfectData Series A Preferred Stock into which such shares have been converted. Each authorized share of the Sona Preferred Stock, no par value (the "Sona Preferred Stock"), that has not been designated as a share of the Sona Series A Preferred Stock shall cease to be authorized.

Edgar Filing: PERFECTDATA CORP - Form 8-K

(c) Each previously granted or issued option, warrant or other right to acquire shares of the Sona Common Stock, if any, other than the Sona Series A Preferred Stock, shall cease to be outstanding and shall be converted into an option (a "PerfectData Option") to acquire that number of fully paid and nonassessable shares of the PerfectData Common Stock so as to give effect to the intent of the parties expressed in Sections 2.1(f) and (g) hereof. As of the Effective Time, each holder claiming an option, warrant or other right to acquire shares of Sona Common Stock, other than the Sona Series A Preferred Stock, shall cease to have any rights with respect thereto, except the right to receive a PerfectData Option representing the number of whole shares of the PerfectData Common Stock which such option represents in accordance with the preceding sentence.

(d) Each share of the common stock, \$.01 par value, of PerfectData (the "PerfectData Common Stock") issued and outstanding at the Effective Time shall continue to be outstanding, with the same rights and privileges.

(e) Each option or warrant to purchase shares of the PerfectData Common Stock issued and outstanding at the Effective Time shall continue to be outstanding, with the same rights and privileges, and shall continue to be exercisable in accordance with its terms until its expiration date.

(f) Following the issuance of the shares of the PerfectData Preferred Stock to the holders of the Sona Common Stock and the Sona Series A Preferred Stock, it is the intent of the parties that:

(i) The shares of PerfectData to be held by the pre-Merger holders of the PerfectData Common Stock shall be equal to approximately 20% of the shares of the PerfectData Common Stock (subject to the adjustment provisions of Section 2.1(g) hereof), which 20% shall take into account (A) all shares of the PerfectData Common Stock issued and outstanding on the Closing Date and any shares of the PerfectData Common Stock to be issued pursuant to commitments outstanding on the Closing Date, (B) all warrants to purchase shares of the PerfectData Common Stock outstanding on the Closing Date, (C) all options to purchase shares of the PerfectData Common Stock outstanding on the Closing Date and all commitments, if any, to grant options existing on the Closing Date, but excluding (1) those shares reserved under the PerfectData Option Plan as to which no options have been granted and no commitment for a grant given and (2) the remaining 76,000 shares of the PerfectData Common Stock currently reserved under the April 1, 1999 authorization of the PerfectData Board of Directors to sell, at \$.05 per share, options or warrants exercisable at \$1.56 per share (the "PerfectData 1999 Authorization") and for which no options or warrants have been granted and no commitment for a grant given and (D) any other right, if any, to acquire shares of the PerfectData Common Stock existing on the Closing Date, including, without limitation, securities convertible into shares of the Perfect Data Common Stock.

(ii) The shares of the PerfectData Series A Preferred Stock to be issued to the holders of the Sona Common Stock and the Sona Series A Preferred Stock, when converted into shares of the PerfectData Common Stock, shall be equal to approximately 80% of the shares of the PerfectData Common Stock (subject to the adjustment provisions of Section 2.1(g)), which 80% shall take

Edgar Filing: PERFECTDATA CORP - Form 8-K

into account (A) all shares of the Sona Common Stock issued and outstanding on the Closing Date, including, without limitation, any restricted

shares even if subject to forfeiture, and any shares of the Sona Common Stock to be issued pursuant to commitments outstanding on the Closing Date, (B) all shares of the Sona Series A Preferred Stock issued and outstanding on the Closing Date, (C) all warrants, if any, to purchase shares of the Sona Common Stock outstanding on the Closing Date, (D) all options, if any, to purchase shares of the Sona Common Stock and all commitments, if any, to grant options existing on the Closing Date and (E) any other right to acquire shares of the Sona Common Stock existing on the Closing Date, including, without limitation, securities convertible into shares of the Sona Common Stock and securities to be issued at the Closing to Colebrooke Capital, Inc. ("Colebrooke") in payment of its finder's fee pursuant to Section 4.27 hereof.

(g) At the Closing, PerfectData shall have a minimum of \$1,100,000 in "Tangible Net Worth" (as defined in subsection (ii) below). In the event that PerfectData's Tangible Net Worth is less than \$1,100,000, the aggregate number of shares of the PerfectData Series A Preferred Stock issuable pursuant to Section 2.1(b) shall be adjusted as follows:

(i) If the Tangible Net Worth is less than \$1,100,000, the number of shares issuable to the Sona shareholders shall be adjusted so that the percentage of shares of the PerfectData Common Stock to be held by the pre-Merger holders of the PerfectData Common Stock shall be reduced by an amount equal to (A) the product of (1) the amount of the reduction in Tangible Net Worth below \$1,100,000 and (2) 20 divided by (B) \$2,000,000. The amount computed pursuant to the preceding sentence shall be rounded up or down to the nearest tenth of a percent. Notwithstanding anything in this Section 2.1(g) to the contrary, if the Tangible Net Worth is less than \$750,000, either PerfectData or Sona may terminate this Agreement by notice to the other in the manner set forth in Section 9.1 hereof, provided that PerfectData pays Sona the termination reimbursement fee set forth in Section 8.3 hereof.

(ii) For purposes of this Section 2.1, "Tangible Net Worth" shall mean, as of the Closing Date, PerfectData's cash and cash equivalents and other tangible assets minus total liabilities. Total liabilities shall include not only those liabilities reflected in a balance sheet, but also any commitments and contingencies that are not reflected in a balance sheet in accordance with United States generally accepted accounting principles ("GAAP"). Notwithstanding anything in the Agreement to the contrary, PerfectData may, at any time prior to the Closing Date, raise additional equity capital through the sale of shares of the PerfectData Common Stock to increase the Tangible Net Worth; provided, however, that, without the prior written consent of Sona, which consent may not be unreasonably withheld, PerfectData may not sell shares to any single person or group of persons in a single transaction if such person or group of persons would, as a result, own 5% or more of the issued and outstanding shares of the PerfectData Common Stock on a fully diluted basis (including giving effect to conversion of the shares of the PerfectData Series A Preferred Stock) after the Merger unless such person or group of persons owned 5% or more of the issued and outstanding PerfectData Common Stock before the Merger. In connection with any such sale, PerfectData may grant "piggyback" registration rights under the Securities Act of 1933, as amended (the "Securities Act"), with respect to up to 150,000 shares of the PerfectData Common Stock.

(h) No fraction of a share of the PerfectData Series A Preferred Stock shall be issued in connection with the Merger. Similarly, PerfectData Options shall be adjusted so they are not exercisable for fractional shares of the PerfectData Common Stock.

Until surrendered as contemplated by this Section 2.2, each Certificate shall be deemed at any time after the Effective Time to evidence only the right to receive upon such surrender the Merger Consideration.

(c) Distributions With Respect To Unexchanged Shares. No dividends or other distributions declared or made after the Effective Time with respect to the PerfectData Series A Preferred Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of the PerfectData Series A Preferred Stock evidenced thereby, and no other part of the Merger Consideration shall be paid to any such holder, until the holder of such Certificate shall surrender such Certificate. Section 5.9. No Solicitation.

(a) Unless and until this Agreement shall have been terminated pursuant to and in compliance with Section 8.1 hereof, neither PerfectData nor Sona shall (whether directly or indirectly through its respective advisors, agents or other intermediaries), nor shall PerfectData or Sona authorize or permit any of its respective officers, directors, agents, employees, representatives or advisors to (i) solicit, initiate, encourage (including by way of furnishing information) or take any action to facilitate the submission of any inquiries, proposals or offers (whether or not in writing) from any person (other than PerfectData or Sona, as the case may be, and its respective affiliates) relating to (A) any acquisition or purchase of any of the assets of PerfectData or Sona, as the case may be, other than in the ordinary course of business or of any class of equity securities of PerfectData or Sona, as the case may be, (B) any tender offer (including a self tender offer) or exchange offer, (C) any merger, consolidation, business combination, sale of substantially all of its assets, recapitalization, liquidation, dissolution or similar transaction involving PerfectData or Sona, as the case may be, or (D) any other transaction the consummation of which would, or would reasonably be expected to, impede, interfere with, prevent or materially delay the Merger or which would or would reasonably be expected to materially dilute the benefits to the other party hereto of the transactions contemplated by this Agreement (collectively, "Acquisition Proposals"), or agree to, recommend or endorse any Acquisition Proposal, (ii) enter into or execute any agreement with respect to any of the foregoing or (iii) enter into or participate in any discussions or negotiations regarding any of the foregoing, or furnish to any other person any information with respect to its business,

properties or assets in connection with the foregoing, or otherwise cooperate in any way with, or participate in or assist, facilitate, or encourage, any effort or attempt by any other person (other than PerfectData or Sona, as the case may be, and its respective affiliates) to do or seek any of the foregoing. Notwithstanding anything in this Section 5.9 to the contrary, PerfectData may sell shares to increase its Tangible Net Worth as provided in Section 2.1(g)(ii) hereof and Sona may sell shares of the Sona Common Stock or securities convertible into shares of the Sona Common Stock in a bridge financing, provided any such securities are reflected in the determination of shares to be issued pursuant to Section 2.1(f) hereof.

(b) Nothing contained in this Agreement shall prohibit PerfectData or Sona (i) from complying with Rule 14e-2 and Rule 14d-9 under the Exchange Act with respect to a bona fide tender offer or exchange offer, (ii) from making any disclosure of an Acquisition Proposal to its respective stockholders or otherwise if its respective Board of Directors concludes in good faith, within five Business Days after consultation with its outside legal counsel, that such disclosure is necessary under applicable law or the failure to make such disclosure would be inconsistent with its fiduciary duties to its respective stockholders under applicable law or (iii) from participating in negotiations or discussions with or furnishing information to any person in connection with an Acquisition Proposal not solicited after the date hereof in breach of Section 5.9(a) above and which is submitted in writing by such person to the Board of Directors of PerfectData or Sona, as the case may be, after the date of this Agreement; provided, however, that, prior to participating in any such discussions or negotiations or furnishing any information, within five Business Days after its receipt of the Acquisition Proposal, the Board of Directors of PerfectData or Sona, as the case may be, shall have concluded in good faith, after consultation with its outside legal counsel and financial advisors, that such Acquisition Proposal is reasonably likely to lead to a Superior Proposal (as hereinafter defined in subsection (d) of this Section 5.9) and, after consultation with its outside legal counsel, that failure to participate in such negotiations or discussions or furnishing such information would be inconsistent with its fiduciary duties to the stockholders of PerfectData or Sona, as the case may be, under applicable law. PerfectData or Sona, as the case may be, shall promptly notify the other party hereto (but in no event later than three Business Days thereafter) if any Acquisition Proposal or inquiries regarding a potential Acquisition Proposal are received by, any information with respect to an Acquisition Proposal or a potential Acquisition Proposal is requested from, or any discussions or negotiations with respect to an Acquisition Proposal or a potential Acquisition Proposal are sought to be initiated or continued with, it or any of its representatives indicating, in connection with such notice, the name of the person or entity involved and a copy of any such Acquisition Proposal, with the intent of enabling such other party to make a matching offer so that the transactions contemplated hereby may be effected. PerfectData or Sona, as the case may be, shall thereafter keep the other party hereto informed, on a current basis, of the status and terms of any such inquiries or Acquisition Proposals and the status of any such negotiations or discussions. PerfectData or Sona, as the case may be, shall promptly furnish the other party hereto with copies of any written information (and advise it orally of any non-written information) provided to or by any person relating to an Acquisition Proposal to the extent such information has not previously been provided to such other party hereto.

(c) Prior to the Effective Time, in the event the Board of Directors of PerfectData or Sona, as the case may be, by majority vote of all its members, determines in good faith that it has received a Superior Proposal and determines in good faith that not taking the

Edgar Filing: PERFECTDATA CORP - Form 8-K

following actions would be inconsistent with its fiduciary duties to PerfectData or Sona, as the case may be, under applicable law, PerfectData or Sona, as the case may be, and its respective Board of Directors may (i) withdraw, modify or change the Board of Directors' approval or recommendation of this Agreement or the Merger, (ii) approve or recommend such Superior Proposal to its stockholders, (iii) terminate this Agreement and pay the Termination Reimbursement Fee (as provided in Section 8.3 or Section 8.4 hereof) and (iv) publicly announce the Board of Directors' intention to do any or all of the foregoing.

(d) "Superior Proposal" means a proposal with respect to any of the transactions described in clause (A), (B), (C) or (D) of the definition of Acquisition Proposal which the Board of Directors shall have concluded in good faith (i) is reasonably likely to be completed, taking into account all legal, financial, regulatory and other aspects of the Acquisition Proposal and the person making the proposal, (ii) if consummated, would result in a transaction more favorable to the stockholders of PerfectData or Sona, as the case may be, from a financial point of view than the transactions contemplated by this Agreement (taking into account any and all modifications proposed by PerfectData or Sona, as the case may be) and (iii) is fully financed (or, based on a good faith determination of the Board of Directors, is readily financiable); provided that the Board of Directors has received an opinion from its outside legal counsel that, based on the foregoing conclusions, failure to accept the Acquisition Proposal would be inconsistent with the directors' fiduciary duties to the stockholders of PerfectData or Sona, as the case may be.

critical, time-sensitive information.

A key differentiator that distinguishes Sona Mobile from its competitors is the Sona Wireless Platform (SWP). Created exclusively for wireless application development, the SWP is a wireless development platform that makes it easier and less costly to develop applications that deliver new or existing mission-critical data to a broad spectrum of mobile devices.

Beginning with its flagship product, MobileMarkets™, which is marketed around the world as Telerate Mobile, Win MobileMarkets™ and EFO Mobile are used by some of the world's largest financial institutions.

Under the terms of the Merger Agreement, the shareholders of Sona Mobile, Inc. initially will own 80% of the merged entity and could own an additional 5% pursuant to a formula which is set forth in the Merger Agreement. Closing is subject to certain conditions precedent, so there can be no assurance as to when and if the contemplated transaction will be consummated. However, management of both companies are seeking to close the transaction in late March or early April.

"After a long search for a merger candidate which would increase stockholder value for the PerfectData stockholders, we are very pleased to execute this Merger Agreement with Sona Mobile and look forward to a fruitful relationship," Harris A. Shapiro, PerfectData's Chairman and Chief Executive Officer, stated.

"We look forward to completing our merger with PerfectData," said John Bush, President and CEO of Sona Mobile, Inc. "We are excited at being a public company, which we believe will allow us to execute on our growth strategy."
