STIFEL FINANCIAL CORP.

Stifel Financial Corp. is a financial services holding company headquartered in St. Louis. Our principal subsidiary is Stifel, Nicolaus & Company, Incorporated ("Stifel Nicolaus"), a full service retail and institutional brokerage and investment banking firm. Our other subsidiaries include Century Securities Associates, Inc. ("Century Securities"), an independent contractor broker-dealer firm; and Stifel Bank & Trust, a commercial bank. With our century-old operating history, we have built a diversified business focused primarily on serving private clients, institutional investors and investment banking clients located across the country. We have grown both organically as well as through acquisitions, including our recent acquisitions of (1) the Capital Markets business of Legg Mason; (2) Ryan Beck, a full-service brokerage and investment banking firm; and (3) First Service Financial Company, a St. Louis-based bank holding company.

Stifel Nicolaus' principal activities are: (1) private client services, including securities transactions and financial planning services; (2) institutional equity and fixed income sales and trading; and (3) investment banking, including public offerings, private placements, and mergers and acquisitions. Our proprietary, highly-regarded securities research product is important to all of these businesses.

Our private client business consists of an extensive network of financial advisors located in branch offices nationally, with a concentration in the Midwest and Mid-Atlantic regions, and with a growing presence in the Northeast, Southeast and Western United States. Our private client professionals provide retail brokerage and financial advisory services to individuals. Our institutional equity and fixed income sales and trading business provides services to institutional investors and money managers as well as municipalities and corporations in the United States. In addition, our international subsidiary, Stifel Nicolaus Limited, provides equity sales and trading services to institutional investors in Europe through our offices located in London, Geneva and Madrid. Our investment banking business focuses on middle market companies as well as on larger companies in targeted industries where we have particular expertise.

Our Century Securities subsidiary is a broker-dealer serving independent securities brokers nationwide. Through Stifel Bank & Trust we offer retail and commercial banking services to meet the needs of our clients, including personal loan programs, commercial lending programs and other banking products.

USE OF PROCEEDS

Unless otherwise set forth in a prospectus supplement, we intend to use the net proceeds of any offering of common stock sold by us for general corporate purposes, which may include acquisitions, repayment of debt, capital expenditures and working capital. The net proceeds may be invested temporarily in short-term marketable securities or applied to repay short-term debt until they are used for their stated purpose.

Unless otherwise set forth in a prospectus supplement, we will not receive any proceeds in the event that the securities are sold by a selling securityholder.

DESCRIPTION OF COMMON STOCK

As of September 30, 2007, we are authorized to issue up to 30,000,000 shares of common stock. Computershare Limited is the transfer agent and registrar for our common stock. Our common stock is listed on the NYSE and the CSE under the symbol "SF."

The following is a summary of the material terms and rights associated with our common stock and certain provisions of our amended and restated certificate of incorporation and amended and restated bylaws. Since the terms of our certificate of incorporation and bylaws, and Delaware corporate law, are more detailed than the general information provided below, you should only rely on the actual provisions of those documents and Delaware law for a complete statement of the terms and rights of our common stock. If you would like to read those documents, they are on file with the SEC, as described under the heading "Where You Can Find Additional Information" on page 1.

As of October 31, 2007, there were 15,145,063 shares of common stock outstanding that were held of record by approximately 4,500 stockholders. The holders of common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. Our stockholders do not have cumulative voting rights in the election of directors. Accordingly, holders of a majority of the shares voting are able to elect all of the directors. Subject to preferences that may be granted to any then outstanding preferred stock, holders of common stock are entitled to receive ratably only those dividends as may be declared by the board of directors out of funds legally available for dividends, as well as any distributions to the stockholders. In the event of our liquidation, dissolution or winding up, holders of common stock are entitled to share ratably in all of our assets remaining after we pay our liabilities and distribute the liquidation preference of any then outstanding preferred stock. Holders of common stock have no preemptive or other subscription or conversion rights. There are no redemption or sinking fund provisions applicable to the common stock.

LEGAL MATTERS

In connection with particular offerings of shares of common stock in the future, and unless otherwise indicated in the applicable prospectus supplement, the validity of those shares of common stock will be passed upon for Stifel Financial Corp. by Bryan Cave LLP, St. Louis, Missouri.

Miscellaneous	<u>10,000</u>	
Total	<u>\$285,000</u>

Item 15. Indemnification of Directors and Officers.

We are incorporated under the laws of the State of Delaware. The following is a summary of Section 145 of the General Corporation Law of the State of Delaware (the "DGCL").

Subject to restrictions contained in the DGCL, a corporation may indemnify any person, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection therewith if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, in connection with any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was unlawful. A present or former director or officer who is successful on the merits or otherwise in any suit or matter covered by the indemnification statute shall be indemnified and indemnification is otherwise authorized upon a determination that the person to be indemnified has met the applicable standard of conduct required. Such determination shall be made by a majority vote of the board of directors who were not parties to such action, suit or proceeding, even though less than a quorum, a committee of such directors designated by majority vote of such directors, even though less than a quorum, or if there are no such directors, or if such directors so direct, by special independent counsel in a written opinion, or by the stockholders. Expenses incurred in defense may be paid in advance upon receipt by the corporation of a written undertaking by or on behalf of the recipient to repay such amount if it is ultimately determined that the recipient is not entitled to indemnification under the statute. The indemnification provided by statute is not exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise, and shall inure to the benefit of the heirs, executors and administrators of such person. Insurance may be purchased on behalf of any person entitled to indemnification by the corporation against any liability asserted against him or her and incurred in an official capacity regardless of whether the person could be indemnified under the statute. References to the corporation include all constituent corporations absorbed in a consolidation or merger as well as the resulting corporation, and anyone seeking indemnification by virtue of acting in some capacity with a constituent corporation would stand in the same position as if such person had served the resulting or surviving corporation in the same capacity.

II- 1

The Company's Certificate of Incorporation provides generally that a director shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

Section 6.4 of the Registrant's Amended and Restated By-Laws provides for indemnification by the Registrant of each person who is or was a director, officer or employee of the Registrant (or is or was serving as a director, officer or employee of any other enterprise at the request of the Registrant) to the full extent authorized by law. Certain of the directors also have indemnification agreements with the Registrant which provide for indemnification to the full extent permitted by the Delaware General Corporation Law or by any amendment thereof or any other statutory provisions authorizing or permitting indemnification.

In addition, the DGCL and the Company's bylaws authorize us to purchase insurance for our directors and officers insuring them against certain risks as to which we may be unable lawfully to indemnify them. We have purchased insurance coverage for our directors and officers as well as insurance coverage to reimburse us for potential costs of corporate indemnification of our directors and officers.

Item 16. Exhibits.

The exhibits to this registration statement are listed in the exhibit index, which appears elsewhere herein and is incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that:

Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date;

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
