Lakeland Financial Corporation 2017 Equity Incentive Plan

At the 2017 Annual Meeting of Shareholders (the "Annual Meeting") of Lakeland Financial Corporation (the "Company") held on April 11, 2017, the Company's shareholders approved the 2017 Equity Incentive Plan (the "2017 EIP"). The 2017 EIP was adopted by the Company's Board of Directors on January 10, 2017, subject to shareholder approval at the Annual Meeting, to promote the Company's long term financial success, to attract, retain and reward persons who can contribute to the Company's success, and to further align the participants' interest with those of the Company's shareholders. The 2017 EIP will be administered by the Compensation Committee of the Board of Directors, which will select award recipients from the eligible participants, determine the types of awards to be granted, and determine the applicable terms, conditions, performance criteria, restrictions and other provisions of such awards, including any vesting or accelerated vesting requirements or conditions applicable to an award or awards. The 2017 EIP incorporates a broad variety of cash-based and equity-based incentive compensation elements to provide the Compensation Committee with significant flexibility to appropriately address the requirements and limitations of recently applicable legal, regulatory and financial accounting standards in a manner mutually consistent with the purposes of the 2017 EIP and shareholder interests.

Subject to permitted adjustments for certain corporate transactions, the maximum number of shares that may be delivered to participants, or their beneficiaries, under the 2017 EIP is 1,000,000 shares of the Company's common stock.

The foregoing description of the 2017 EIP is qualified in its entirety by the text of the 2017 EIP, which is filed as Exhibit 4.4 to the Company's Registration Statement on Form S-8, filed with the SEC on April 12, 2017, and which is incorporated herein by reference.
