NOTE REGARDING FORWARD-LOOKING STATEMENTS

Some information in this report may contain forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933 and Section 21E of the U.S. Securities Exchange Act of 1934. We have based these forward-looking statements on our current beliefs, expectations and intentions as to facts, actions and events that will or may occur in the future. Such statements generally are identified by forward-looking words such as believe, plan, anticipate, continue, estimate, expect, may, will or other similar words.

A forward-looking statement may include a statement of the assumptions or bases underlying the forward-looking statement. We have chosen these assumptions or bases in good faith. These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risk factors set forth in Item 3. Key Information Risk Factors in our annual report on Form 20-F for the fiscal year ended December 31, 2005. You should also keep in mind that any forward-looking statement made by us in this report or elsewhere speaks only as at the date on which we made it. New risks and uncertainties come up from time to time, and it is impossible for us to predict these events or how they may affect us. We have no duty to, and do not intend to, update or revise the statements in this report after the date hereof. In light of these risks and uncertainties, you should keep in mind that actual results may differ materially from any forward-looking statement made in this report or elsewhere.

Fitch Upgrades PLDT's Foreign Currency IDR To 'BB+'

Fitch Ratings-Hong Kong/Singapore-18 August 2006: Fitch Ratings has today upgraded Philippine Long Distance Telephone Company's ("PLDT") Long-term foreign currency Issuer Default Rating ("IDR") to 'BB+' from 'BB'. The Outlook is Stable. At the same time, Fitch has upgraded PLDT's global bonds and senior notes to 'BB+' from 'BB' while it also affirmed PLDT's Long-term local currency IDR of 'BBB-' (BBB minus) with a Positive Outlook and National Long-term rating of 'AAA(phl)' with a Stable Outlook.

Today's ratings action follows the announcement by Fitch that it has upgraded the Country Ceiling on the Republic of the Philippines to 'BB+' from 'BB'. PLDT's foreign currency IDR and senior debt instrument ratings remain constrained by the sovereign Country Ceiling. On the other hand, PLDT's Long-term local currency IDR is not constrained with the IDR already exceeding the Republic of the Philippines' local currency IDR of 'BB+' with a Stable Outlook.
