PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
APRIL 27, 2006

The enclosed proxy appointment is solicited by and on behalf of the Board of Directors of Astec Industries, Inc. for use at its Annual Meeting of Shareholders to be held on April 27, 2006, and at any adjournments thereof. The appointment of proxy is revocable at any time prior to its exercise at the Annual Meeting by (i) written notice to the Secretary of the Company, (ii) properly submitting to the Company a duly executed proxy appointment bearing a later date, or (iii) attending the Annual Meeting and voting in person.

This Proxy Statement is being mailed by the Company to its shareholders on or about March 23, 2006. The Company's Annual Report to Shareholders for the fiscal year ended December 31, 2005, including financial statements, is being sent to the shareholders with this Proxy Statement.

Only holders of record of the Company's Common Stock as of the close of business on February 17, 2006 (the "Record Date") will be entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, there were 21,329,393 shares of Common Stock outstanding and entitled to be voted at the Annual Meeting. A shareholder is entitled to one vote for each share of Common Stock held.

QUORUM AND VOTING REQUIREMENTS

A majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting, present or represented by proxy, constitutes a quorum. A quorum is necessary to conduct business at the Annual Meeting. You will be considered part of the quorum if you attend the Annual Meeting in person, vote via a toll-free telephone number, vote via the Internet or if you have voted by proxy. Abstentions, broker non-votes and votes withheld from director nominees count as "shares present" at the Annual Meeting for purposes of determining a quorum.

The affirmative vote of the holders of a plurality of the shares of Common Stock represented and entitled to vote at the Annual Meeting at which a quorum is present is required for the election of each of the nominees. Withholding authority to vote with respect to any one or more nominees will not constitute a vote either for or against such nominee(s). The affirmative vote of a majority of the total votes cast in person or represented by proxy will constitute approval of the Astec Industries, Inc. 2006 Incentive Plan.

Abstentions and broker non-votes do not count as votes cast, and therefore will not affect the voting results as to any matter, including the election of directors. A broker non-vote occurs when a broker or other nominee who holds shares for another does not vote on a particular item because the nominee does not have discretionary authority to vote on that item and has not received instructions from the owner of the shares.

ELECTION OF DIRECTORS

The Board of Directors of the Company is divided into three classes, with the term of office of each class ending in successive years. The terms of directors of Class II expire with this Annual Meeting. The directors of Class III and Class I will continue in office until the 2007 and 2008 annual meetings of shareholders, respectively. At the present time, there are three directors in Class I, three directors in Class II, and four directors in Class III. The shareholders are being asked to vote for the election of three directors to serve in Class II.

If the enclosed proxy appointment card is properly executed and returned, the persons appointed as proxies will vote the shares represented by the proxy appointment in favor of the election to the Board of Directors of each of the three Class II nominees whose names appear below, unless either authority to vote for any or all of the nominees is withheld or such appointment has previously been revoked. It is anticipated that management shareholders of the Company will grant authority to vote for the election of all the nominees. Each Class II director will be elected to hold office until the 2009 annual meeting of shareholders and thereafter until his successor has been elected and qualified. In the event that any nominee is unable to serve (which is not anticipated), the persons appointed as proxies will cast votes for the remaining nominees and for such other persons as they may select.

The board of directors recommends THAT SHAREHOLDERS CHECK "For" TO VOTE FOR THE ELECTION OF ALL OF THE NOMINEES.

Certain Information Concerning Nominees and Directors

The following table sets forth the names of the nominees and of the Company's current directors, their ages, the year in which they were first elected directors, their positions with the Company, their principal occupations and employers for at least the last five years, any other directorships held by them in companies that are subject to the reporting requirements of the Securities Exchange Act of 1934 or any company registered as an investment company under the Investment Company Act of 1940, the number of shares of the Company's Common Stock beneficially owned by them on February 17, 2006, and the percentage of the 21,329,393 total shares of Common Stock outstanding on such date that such beneficial ownership represents. Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee (formerly known as the Nominating Committee) interviews, evaluates, nominates and recommends individuals for membership on the Company's Board and committees thereof, and is responsible for establishing corporate governance policies and principles to be applicable to the Company and periodically re-evaluating such policies and guidelines for the purpose of suggesting amendments to them if appropriate. During 2005, the members of the Nominating and Corporate Governance Committee were Messrs. Frierson (Chairman), Sansom and Moffat. During 2005, the Nominating and Corporate Governance Committee held one meeting. The

current members of the Nominating and Corporate Governance Committee are Messrs. Frierson (Chairman), Sansom and Moffat. Mr. Moffat is not seeking reelection to the Board of Directors effective as of the date of the Annual Meeting and Mr. Green will take over his position on the Nominating and Corporate Governance Committee at such time. Additionally, Mr. Tellock will be appointed to this committee if he is elected to the Board of Directors at the Annual Meeting. All members of the Nominating and Corporate Governance Committee are independent (as independence is defined in the Nasdaq Rules).

The Nominating and Corporate Governance Committee was formerly known as the Nominating Committee. In March 2004, the Board of Directors expanded the Committee's duties to include certain functions related to the corporate governance of the Company and, as a result, the Nominating Committee was renamed the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee acts under a written charter adopted by the Board of Directors. A copy of the Nominating and Corporate Governance Committee's charter is available on the Company's website at www.astecindustries.com.

The Nominating and Corporate Governance Committee will consider written recommendations from shareholders for Company nominees to the Board. A shareholder who wishes to recommend a person to the Committee for nomination by the Company must submit a written notice by mail to the Nominating and Corporate Governance Committee c/o the Corporate Secretary, Astec Industries, Inc. at 1725 Shepherd Road, Chattanooga, Tennessee 37421. Such a written recommendation must be received no later than 90 days in advance of the annual meeting of shareholders and should include (i) the candidate's name, business address and other contact information, (ii) a complete description of the candidate's qualifications, experience and background, as would be required to be disclosed in the proxy statement pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended, (iii) a signed statement by the candidate in which he or she consents to being named in the proxy statement as a nominee and to serve as a director if elected, (iv) a signed statement authorizing the Company to perform a background search on the candidate and (v) the name and address of the shareholder(s) of record making such a recommendation.

The Nominating and Corporate Governance Committee recommends nominees for election to the Board based on a number of qualifications, including but not limited to, independence, character and integrity, financial literacy, level of education and business experience, sufficient time to devote to the Board, and a commitment to represent the long-term interests of the Company's shareholders. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates a candidate that is recommended for nomination for membership on the Company's Board by a shareholder. The Nominating and Corporate Governance Committee has not received any recommended nominations from any of the Company's shareholders in connection with the Annual Meeting.

The Nominating and Corporate Governance Committee identifies potential Company nominees for director through a variety of business contacts, including current executive officers, directors, community leaders and shareholders as a source for potential Board candidates. The Committee may, to the extent it deems appropriate, retain a professional search firm and other advisors to identify potential nominees for director.

The Nominating and Corporate Governance Committee evaluates candidates to the Board by reviewing their biographical information and qualifications. If the Nominating and Corporate Governance Committee determines that a candidate is qualified to serve on the Board, such candidate is interviewed by at least one member of the Nominating and Corporate Governance Committee and the Chief Executive Officer. Members of the Board also have an opportunity to interview qualified candidates. As described above, the Committee will also consider candidates recommended by shareholders. The Nominating and Corporate Governance Committee then determines, based on the background information and the information obtained in the interviews, whether to recommend to the Board that the Company nominate a candidate for approval by the shareholders to fill a directorship. With respect to an incumbent director whom the Nominating and Corporate Governance Committee is considering as a potential nominee for re-election, the Committee reviews and considers the incumbent director's service to the Company during his or her term, including the number of meetings attended, level of participation, and overall contribution to the Company in addition to such person's biographical information and qualifications.

In evaluating candidates to the Board, the Nominating and Corporate Governance Committee also takes into account the skill sets that are needed to balance and complement the skill sets of other candidates and members of the Board, and the skills and expertise of a candidate that facilitate the Company's compliance with the rules of the Securities and Exchange Commission and the National Association of Securities Dealers.

The Board is nominating three individuals for election as Directors. Of the three nominees, two are current Directors. Mr. Tellock is standing for election by the shareholders for the first time. The Nominating and Corporate Governance Committee recommended each of the three nominees to the Board.

Compensation of Directors.

Edgar Filing: ASTEC INDUSTRIES INC - Form DEF 14A

During 2005, the Company's non-employee directors received (i) an annual retainer of \$20,000, plus \$1,000 for each Board meeting attended, (ii) \$500 per committee meeting attended, or \$300 if the committee meeting occurred on the day of a Board meeting and (iii) the Chairman of the Audit Committee was paid \$1,000 per Audit Committee meeting attended, or \$600 if the Audit Committee meeting occurred on the day of a Board meeting. Effective as of February 24, 2006, the Company's non-employee directors will receive (i) an annual retainer of \$28,000, plus \$1,500 for each Board meeting attended, (ii) for members of the Audit Committee, an additional annual retainer of \$4,000, (iii) for members of the Nominating and Corporate Governance Committee and the Compensation Committee, an additional annual retainer of \$2,000, (iv) \$1,000 per committee meeting attended and (v) the Chairman of the Audit Committee will be paid an additional \$500 per Audit Committee meeting attended, for a total of \$1,500 per Audit Committee meeting attended. The Company also reimburses the directors for travel and other out-of-pocket expenses incurred in connection with their duties as directors. Directors who are full-time employees of the Company receive no additional compensation for services as directors.

In accordance with the Company's Non-Employee Directors Stock Incentive Plan, the Company's non-employee directors may elect to receive their annual retainer in the form of cash, shares of Common Stock, deferred stock or stock options. If the director elects to receive Common Stock, whether on a current or deferred basis, the number of shares to be received is determined by dividing the dollar value of the annual retainer by the fair market value of the Common Stock on the date the retainer is payable.

Non-employee directors may elect to defer the receipt of Common Stock received as payment of the annual retainer until the earlier of (i) his or her termination of service as a director, or (ii) another designated date at least three years after the date of such deferral election. If any dividends or other rights or distributions of any kind are distributed to stockholders prior to the non-employee director's receipt of his or her deferred shares, an amount equal to the cash value of such distribution will be credited to a deferred dividend account for the non-employee director. The deferred dividend account will provide the non-employee director with the right to receive additional shares of Common Stock having a fair market value as of the date of the dividend distribution equal to the cash value of the distributions.

Non-employee directors may also elect to receive stock options in payment of the annual retainer. If the director elects to receive stock options, the number of options to be received is determined by dividing the dollar value of the annual retainer by the Black-Scholes value of an option on the date the retainer is payable. The options will be fully exercisable on the date of grant.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Decisions and recommendations regarding the compensation of the Company's executive officers are made by the Compensation Committee of the Board of Directors, which during 2005 was comprised of Messrs. Casey, Gehl and Moffat. Set forth below is a report of the Compensation Committee concerning the Company's compensation policies for executive officers for 2005. The report is not subject to incorporation by reference in any filings made by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Overview and Philosophy

We, as a committee of the Board of Directors, are composed entirely of independent directors and are responsible for making recommendations to the Board with respect to the Company's executive compensation policies. In addition, pursuant to authority delegated by the Board, we recommend the compensation to be paid to the Company's executive officers, including the Chief Executive Officer.

Our objectives regarding the Company's executive compensation program are to:

- approve compensation policies and guidelines that will attract and retain qualified personnel that are critical to the Company's long-term success and the creation of shareholder value;
- create a strong link between executive officer compensation and the Company's annual and long-term financial performance; and
- encourage the achievement of Company performance by utilizing a performance-based bonus structure.

In our view, the Company's executive compensation program provides an overall level of compensation opportunity that is competitive within the construction equipment manufacturing industry, as well as with a broader group of companies of comparable size and complexity. Actual compensation levels may be greater or less than average competitive levels in similar companies based upon annual and long-term Company performance, as well as individual performance. We use our discretion when recommending executive compensation where in our judgment external, internal or an individual's circumstances so warrant.

Executive Officer Compensation Program

The Company's executive officer compensation program is comprised of base salary, annual cash incentive compensation, long-term incentive compensation in the form of stock options, contributions to the Company's Supplemental Executive Retirement Plan, and various other benefits, including medical and 401(k) plans generally available to all employees of the Company. The Company does not have a policy that requires or encourages the Board to limit executive compensation to that deductible under Section 162(m) of the Internal Revenue Code. The Board considers various alternatives for preserving the deductibility of compensation payments and benefits to the extent necessary and to the extent consistent with its other compensation objectives.

Base Salary

Base salaries for executive officers, including the Chief Executive Officer, are established by considering a number of factors, including the Company's and the executive officer's individual performance for the previous year, his or her future potential, scope of responsibilities and experience, and competitive salary practices. Base salaries are reviewed annually. Base salaries paid to the Named Executive Officers in 2005 are included in the "Salary" column in the Summary Compensation Table for 2005.

Annual Cash Incentive Compensation

The Performance Rating Management Bonus Plan (the "Management Bonus Plan") is the Company's annual incentive program for certain of its executive officers and key managers of the Company's subsidiaries, and all non-union employees. During 2005, all of the Company's executive officers except Messrs. Brock, Ferry, Stafford, Campbell, Smith, Guth and Hall participated in the Management Bonus Plan. The purpose of the Management Bonus Plan is to provide direct financial incentive in the form of an annual cash bonus based on achievement of certain Company and business unit performance goals. Budgeted goals for the Company and each business unit are set at the beginning of each fiscal year based on the following measures of performance: return on capital employed, cash flow on capital employed and safety. Each year the relative values of these measures may be adjusted based on the circumstances and goals defined. Individual performance may also be taken into account in determining bonuses, but no bonus is paid unless specified threshold performance targets relating to the above criteria have been achieved. Executive officers are eligible to receive an annual bonus of up to 50% of their annual base salary based on the level of achievement of the performance goals.

As mentioned above, Messrs. Brock, Ferry, Stafford, Campbell, Smith, Guth and Hall do not participate in the Management Bonus Plan. Instead, during 2005, they each received a discretionary cash bonus in an amount approved by the Compensation Committee, based on quantitative and qualitative assessments of the Company's and the executive officer's individual performance during 2005.

Annual bonuses paid to the Named Executive Officers in 2005 are included in the "Bonus" column in the Summary Compensation Table for 2005. Executive officers may elect to receive up to 100% of their annual bonus in Common Stock or stock options under the Executive Officer Annual Bonus Equity Election Plan.

Long-Term Incentive Compensation

The Company provides long-term incentives to its executive officers, including the Chief Executive Officer, through stock option programs designed to relate executive officer and shareholder long-term interests by creating a strong and direct link between executive officer pay and shareholder return, and to enable executive officers to develop and maintain a long-term stock position in the Company's Common Stock. The Company's stock option plans authorize us to award key personnel stock options and stock appreciation rights. Awards are granted at our discretion based on Company performance, individual performance and the employee's position with the Company.

Edgar Filing: ASTEC INDUSTRIES INC - Form DEF 14A

Details regarding stock options granted to the Named Executive Officers in 2005 is provided in the "Option Grants in Last Fiscal Year" table.

Chief Executive Officer Compensation

Dr. Brock has served as President of the Company since he founded it in 1972. Our basis for determining the compensation of Dr. Brock during the fiscal year ended December 31, 2005, was based on the compensation philosophy discussed above. As described above, Dr. Brock participated in the same executive compensation plans available to the other executive officers (other than the Management Bonus Plan). For the fiscal year ending December 31, 2005, Dr. Brock's base salary was \$475,000. The compensation level established for Dr. Brock was in response to our and the Board's assessments of the Company's performance and accomplishments in fiscal year 2005, as well as the position of Dr. Brock in the Company and the nature of his responsibilities and contributions. We considered the performance of Dr. Brock in terms of the Company's performance in meeting its targets, from both an operational and a financial standpoint, and in executing its strategic plan. We also considered the Company's performance relative to its peers and competitors in the industry in evaluating the compensation payable to Dr. Brock. In summary, we find Dr. Brock's total compensation in the aggregate to be reasonable and not excessive.

REPORT OF THE AUDIT COMMITTEE

Decisions and recommendations regarding the financial reporting procedures of the Company are made by the Audit Committee of the Board of Directors, which during 2005 was comprised of Messrs. Casey, Gehl, Green, and Sansom. The following report is not subject to incorporation by reference in any filings made by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

We, as a committee of the Board of Directors, oversee the Company's financial reporting process on behalf of the Board of Directors. We operate under a written charter adopted by the Board of Directors on March 13, 2000, and amended and restated on each of October 24, 2002 and March 11, 2004. This report reviews the actions we have taken with regard to the Company's financial reporting process during 2005 and the Company's audited consolidated financial statements as of December 31, 2005 included in the Company's Annual Report on Form 10-K.

In March 2004, the Board designated us to also serve as the Company's Qualified Legal Compliance Committee ("QLCC") in accordance with SEC rules and regulations. In our capacity as the QLCC, we are responsible for handling reports of a material violation of the securities laws or a breach of a fiduciary duty by the Company, its officers, directors, employees, or agents. In our capacity as the QLCC, we have the authority and responsibility to inform the Company's Chief Executive Officer of any violations. We can determine whether an investigation is necessary and can take appropriate action to address these reports. If an investigation is deemed necessary or appropriate, we have the authority to notify the Board, initiate an investigation and retain outside experts.

We are composed solely of independent directors, as that term is defined in Rule 4200(a)(15) by the Nasdaq Rules, and as independence for audit committee members is defined in the Nasdaq Rules. None of the committee members is or has been an officer or employee of the Company or any of its subsidiaries or has engaged in any business

transaction or has any business or family relationship with the Company or any of its subsidiaries or affiliates. Our Chairman, Mr. Sansom, has been designated by the Board as our financial expert. Mr. Sansom is independent of management, as such term is used in item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended.

The Company's management has the primary responsibility for the Company's financial statements and reporting process, including the systems of internal controls. The Company's outside auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. Our responsibility is to monitor and oversee these processes and to recommend annually to the Board of Directors the accountants to serve as the Company's outside auditors for the coming year.

We have implemented procedures to ensure that during the course of each fiscal year we devote the attention that we deem necessary or appropriate to fulfill our oversight responsibilities under our charter. To carry out our responsibilities, we met eight times during 2005.

In fulfilling our oversight responsibilities, we reviewed with management the audited financial statements to be included in the Company's Annual Report on Form 10-K for 2005, including a discussion of the quality (rather than just the acceptability) of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

We reviewed with the Company's outside auditors during 2005, Grant Thornton LLP, as to their judgments about the quality (rather than just the acceptability) of the Company's accounting principles and such other matters as are required to be discussed with us under Statement on Auditing Standards No. 61, Communication with Audit Committees. In addition, we discussed with Grant Thornton LLP their independence from management and the Company, including the matters in the written disclosures required of Grant Thornton LLP by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, with respect to the time such auditor was performing services for the Company. We also considered whether the provision of services during 2005 by Grant Thornton LLP that were unrelated to their audit of the financial statements referred to above and to their reviews of the Company's interim financial statements during 2005 was compatible with maintaining Grant Thornton LLP's independence with respect to the time such auditor was performing services for the Company.

Additionally, we discussed with the Company's internal and independent auditors the overall scope and plan for their respective audits. We met with the outside auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, we recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2005 for filing with the Securities and Exchange Commission.

2006 INCENTIVE PLAN

On March 8, 2006, our Board of Directors adopted, subject to shareholder approval at the Annual Meeting, the Astec Industries, Inc. 2006 Incentive Plan (the "2006 Plan"). The 2006 Plan will become effective as of the date it is approved by the shareholders.

We currently maintain the 1998 Long-Term Incentive Plan (the "1998 Plan"). As of February 17, 2006, there were approximately 9,000 shares of our Common Stock reserved and available for future awards under the 1998 Plan. If the shareholders approve the 2006 Plan, all future equity grants to our employees, officers, directors and consultants will be made from the 2006 Plan and we will not grant any additional awards under the 1998 Plan.

As of February 17, 2006, there were approximately 2,960 of our employees, officers, directors and consultants eligible to participate in the 2006 Plan.

A summary of the 2006 Plan is set forth below. This summary is qualified in its entirety by the full text of the 2006 Plan, which is attached to this Proxy Statement as Appendix A.

Summary of the 2006 Plan

Purpose. The purpose of the 2006 Plan is to promote our success by linking the personal interests of our employees, officers, directors and consultants to those of our shareholders, and by providing participants with an incentive for outstanding performance.

Permissible Awards. The 2006 Plan authorizes the granting of awards in any of the following forms:

- ◆ options to purchase shares of our Common Stock, which may be nonstatutory stock options or incentive stock options under the U.S. tax code (the "Code");
- ◆ stock appreciation rights, which give the holder the right to receive the difference (payable in cash or stock, as specified in the award certificate) between the fair market value per share our Common Stock on the date of exercise over the grant price;
- ◆ restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee;
- ◆ restricted or deferred stock units, which represent the right to receive shares of our Common Stock (or an equivalent value in cash or other property, as specified in the award certificate) in the future, based upon the attainment of stated vesting or performance criteria in the case of restricted stock units;
- ◆ performance awards, which are payable in cash or stock (as specified in the award certificate) upon the attainment of specified performance goals;
- ◆ dividend equivalents on full-value awards, which entitle the participant to payments (or an equivalent value payable in stock or other property) equal to any dividends paid on the shares of stock underlying such full-value award;

- ◆ performance-based cash awards; and
- ◆ other stock-based awards in the discretion of the Compensation Committee, including unrestricted stock grants.

Shares Available for Awards. Subject to adjustment as provided in the 2006 Plan, the aggregate number of shares of our Common Stock reserved and available for issuance pursuant to awards granted under the 2006 Plan is 700,000.

Limitation on Annual Burn Rate. The maximum aggregate number of shares of Common Stock with respect to awards that may be granted during any one calendar year under the 2006 Plan is 250,000, which is less than 1.5% of the shares of our Common Stock outstanding as of February 17, 2006.

Limitations on Individual Awards. The maximum number of shares of Common Stock that may be covered by options and stock appreciation rights granted under the 2006 Plan to any one person during any one calendar year is 150,000. The maximum number of shares of Common Stock that may be granted under the 2006 Plan in the form of full-value awards (such as restricted stock, restricted stock units, deferred stock units, performance shares or other stock-based awards other than options or stock appreciation rights) under the 2006 Plan to any one person during any one calendar year is 150,000. The aggregate dollar value of any cash-based award that may be paid to any one participant during any one calendar year under the 2006 Plan is \$1,000,000.

Minimum Vesting Requirements. Any full-value award granted under the 2006 Plan to an employee, officer or consultant will either (i) be subject to a minimum vesting period of three years (which may include graduated vesting within such three-year period), or one year if the vesting is based on performance criteria other than continued service, or (ii) be granted solely in exchange for foregone cash compensation.

Administration. The 2006 Plan will be administered by the Compensation Committee of the Board of Directors. The Compensation Committee will have the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2006 Plan; and make all other decisions and determinations that may be required under the 2006 Plan. The full Board of Directors may at any time administer the 2006 Plan. If it does so, it will have all the powers of the Compensation Committee under the 2006 Plan.

Performance Goals. All options and stock appreciation rights granted under the 2006 Plan will be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Compensation Committee may designate any other award granted under the 2006 Plan as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Compensation Committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria, which may be expressed in terms of company-wide objectives or in terms of objectives that relate to the performance of an affiliate or a division, region, department or function within the company or an affiliate:

- ◆ Revenue;
- ◆ Sales;
- ◆ Profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures);
- ◆ Earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures);

- ◆ Net income (before or after taxes, operating income or other income measures);
- ◆ Cash (cash flow, cash generation or other cash measures);
- ◆ Stock price or performance;
- ◆ Total shareholder return (stock price appreciation plus reinvested dividends divided by beginning share price);
- ◆ Return measures (including, but not limited to, return on assets, capital, equity, or sales, and cash flow return on assets, capital, equity, or sales);
- ◆ Market share;
- ◆ Improvements in capital structure;
- ◆ Expenses (expense management, expense ratio, expense efficiency ratios or other expense measures);
- ◆ Business expansion or consolidation (acquisitions and divestitures);
- ◆ Internal rate of return or increase in net present value;
- ◆ Working capital targets relating to inventory and/or accounts receivable;
- ◆ Safety standards; and
- ◆ Productivity measures.

The Compensation Committee must establish such goals at the beginning of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the Compensation Committee may for any reason reduce (but not increase) any award, notwithstanding the achievement of a specified goal.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution; *provided, however*, that the Compensation Committee may permit other transfers (other than transfers for value) where it concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Acceleration Upon Certain Events. Unless otherwise provided in an award certificate or any special plan document governing an award:

- if a participant's service terminates by reason of death, disability or retirement (a) all of that participant's outstanding service-based awards will become fully vested, and (b)

all of that participant's outstanding performance-based awards will become fully vested as of the end of the performance year in which such termination occurs (or as of the end of the prior year if the date of termination occurs in the first half of the performance year), with the level of such vested amount to be determined based on actual performance through such accelerated vesting date, and there will be a payout of such

awards to the participant or his or her estate as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code);

- upon a change in control,

and except with respect to any awards assumed by the surviving entity or otherwise equitably converted or substituted in connection with the change in control: (a) all outstanding service-based awards will become fully vested, and (b) all outstanding performance-based awards will become fully vested as of the end of the month immediately preceding the change in control, with the level of such vested amount to be determined based upon actual performance through such accelerated vesting date, and there will be a payout of such awards as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code); and

- with respect to any awards assumed by the surviving entity or otherwise equitably converted or substituted in connection with a change in control: if within two years after the effective date of the change in control, a participant's employment is terminated by us without cause (or if the participant resigns for "good reason" as provided in any employment, severance or similar agreement between that participant and us or one of our affiliates), then (a)

all of that participant's outstanding service-based awards will become fully vested, and (b) all of that participant's outstanding performance-based awards will become fully vested as of the end of the performance year in which such termination occurs (or as of the end of the prior year if the date of termination occurs in the first half of the performance year), with the level of such vested amount to be determined based upon actual performance through such accelerated vesting date, and there will be a payout of such awards to the participant as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code).

In addition, subject to limitations applicable to certain qualified performance-based awards, the Compensation Committee may, in its discretion accelerate awards upon the termination of service of a participant or the occurrence of a change in control. The Compensation Committee may discriminate among participants or among awards in exercising such discretion.

Adjustments. In the event of a stock-split, a declaration of a dividend payable in shares of Common Stock, or a combination or consolidation of our Common Stock is to a lesser number of shares, the share authorization and annual grant limits under the 2006 Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. If we are involved in another corporate transaction or event that affects our Common Stock, such as an extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization and annual grant limits under the 2006 Plan will be adjusted proportionately, and the Compensation Committee may adjust the 2006 Plan and outstanding awards to preserve the benefits or potential benefits of the awards.

Termination and Amendment.

Our Board of Directors or the Compensation Committee may, at any time and from time to time, terminate or amend the 2006 Plan, but if an amendment would materially increase the benefits accruing to participants, materially increase the number of shares of stock issuable under the 2006 Plan, expand the types of awards or materially expand the class of participants eligible to participate in the 2006 Plan, materially extend the term of the 2006 Plan or otherwise constitute a material amendment requiring shareholder approval under applicable listing requirements, laws, policies or regulations, then such amendment will be subject to shareholder approval. In addition, the Board of Directors or the Compensation Committee may condition any amendment on the approval of the shareholders for any other reason. No termination or amendment of the 2006 Plan may, without the written consent of the participant, reduce or diminish the value of an award determined as if the award had been exercised, vested, cashed in or otherwise settled on the date of such amendment or termination.

The Compensation Committee may amend or terminate outstanding awards. However, such amendments may require the consent of the participant and, unless approved by the shareholders, the exercise price of an outstanding option may not be reduced, directly or indirectly, and the original term of an option may not be extended.

Prohibition on Repricing.

As indicated above under "Termination and Amendment," outstanding stock options cannot be repriced, directly or indirectly, without the prior consent of our shareholders. The exchange of an "underwater" option (i.e., an option having an exercise price in excess of the current market value of the underlying stock) for another award would be considered an indirect repricing and would, therefore, require the prior consent of our shareholders.

Certain Federal Tax Effects

Nonstatutory Stock Options. There will be no federal income tax consequences to the optionee or to us upon the grant of a nonstatutory stock option under the 2006 Plan. When the optionee exercises a nonstatutory option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the Common Stock received upon exercise of the option at the time of exercise over the exercise price, and we will be allowed a corresponding federal income tax deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There will be no federal income tax consequences to the optionee or to us upon the grant of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted and one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and we will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and we will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

Stock Appreciation Rights.

A participant receiving a stock appreciation right under the 2006 Plan will not recognize income, and we will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the stock appreciation right, the amount of cash and the fair market value of any shares of Common Stock received will be ordinary income to the participant and we will be allowed as a corresponding federal income tax deduction at that time.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, a participant will not recognize income, and we will not be allowed a tax deduction, at the time a restricted stock award is granted, provided that the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the Common Stock as of that date (less any amount he or she paid for the stock), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Restricted or Deferred Stock Units. A participant will not recognize income, and we will not be allowed a tax deduction, at the time a stock unit award is granted. Upon receipt of shares of Common Stock (or the equivalent value in cash or other property) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the Common Stock or other property as of that date (less any amount he or she paid for the stock

or property), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Performance Awards. A participant generally will not recognize income, and we will not be allowed a tax deduction, at the time performance awards are granted. Upon receipt of shares of cash, stock or other property in settlement of a performance award, the cash amount or the fair market value of the stock or other property will be ordinary income to the participant, and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Code Section 409A. The 2006 Plan permits the grant of various types of incentive awards, which may or may not be exempt from Code Section 409A. If an award is subject to Section 409A, and if the requirements of Section 409A are not met, the taxable events as described above could apply earlier than described, and could result in the imposition of additional taxes and penalties. Restricted stock awards, and stock options and stock appreciation rights that comply with the terms of the 2006 Plan and do not have a deferral feature, are generally exempt from the application of Code Section 409A. Stock units and performance units generally are subject to Section 409A unless they are designed to satisfy the short-term deferral exemption from such law. If not exempt, such awards must be specially designed to meet the requirements of Section 409A in order to avoid early taxation and penalties.

Benefits to Named Executive Officers and Others

As of March 16, 2006, no awards had been granted under the 2006 Incentive Plan. Awards will be made at the discretion of the Compensation Committee or pursuant to delegated authority. Therefore, it is not presently possible to determine the benefits or amounts that will be received by such persons or groups pursuant to the 2006 Plan in the future.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE 2006 INCENTIVE PLAN.

Description of Plans Not Approved by Shareholders

Our 1998 Non-Employee Directors Stock Incentive Plan provides that annual retainers payable to our non-employee directors will be paid in the form of cash, unless the director elects to receive the annual retainer in the form of Common Stock, deferred stock or stock options. If the director elects to receive Common Stock, whether on a current or deferred basis, the number of shares to be received is determined by dividing the dollar value of the annual retainer by the fair market value of the Common Stock on the date the retainer is payable. If the director elects to receive stock options, the number of options to be received is determined by dividing the dollar value of the annual retainer by the Black-Scholes value of an option on the date the retainer is payable. Shares of Common Stock issued upon exercise of stock options granted under the 1998 Non-Employee Directors Stock Incentive Plan from and after August 1, 2004 will be issued under and pursuant to the 1998 Long-term Incentive Plan or any subsequent equity incentive plan approved by the Company's shareholders.

AUDIT MATTERS

Change in Independent Registered Public Accounting Firm

Ernst & Young LLP served as the Company's independent registered public accounting firm until September 10, 2004 on which date Ernst & Young LLP resigned as the independent registered public accounting firm for the Company effective as of such date. The resignation was the sole decision of Ernst & Young LLP and was not sought, recommended or approved by the Audit Committee, but the resignation was accepted by the Audit Committee. The reports of Ernst & Young LLP on the Company's consolidated financial statements for the fiscal year ended December 31, 2003 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal year ended December 31, 2003 and the subsequent interim period from January 1, 2004 through September 10, 2004, the Company had no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Ernst & Young LLP, would have caused Ernst & Young LLP to make reference to the subject matter of the disagreements in connection with its report on the consolidated financial statements for such periods.

On September 10, 2004, the Audit Committee engaged Grant Thornton LLP as the Company's new independent registered public accounting firm effective as of such date. Grant Thornton LLP served as the Company's independent registered public accounting firm from September 10, 2004 until December 31, 2004, for calendar year 2005 and Grant Thornton LLP is serving as the independent registered public accounting firm for the Company for the current calendar year. During the Company's fiscal years ended December 31, 2005 and 2004, the Company did not consult Grant Thornton LLP regarding the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's financial statements nor did the Company consult Grant Thornton LLP regarding any matter that was the subject of a disagreement (as defined in Regulation S-K Item 304(a)(1)(iv)) or a reportable event.

During the fiscal year ended December 31, 2003 and from January 1, 2004 through September 10, 2004, there were no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)).

Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

In accordance with applicable law, the Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant the required pre-approvals, provided that the decisions of any member(s) to whom such authority is delegated to pre-approve an activity shall be presented to the full Audit Committee at its next regularly scheduled meeting. Astec Industries, Inc.

2006 INCENTIVE PLAN

ARTICLE 1

PURPOSE

I.1. **GENERAL.** The purpose of the Astec Industries, Inc. 2006 Incentive Plan (the "Plan") is to promote the success, and enhance the value, of Astec Industries, Inc. (the "Company"), by linking the personal interests of employees, officers, directors and consultants of the Company or any Affiliate (as defined below) to those of Company shareholders and by providing such persons with an incentive for outstanding performance. The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of

employees, officers, directors and consultants upon whose judgment, interest, and special effort the successful conduct of the Company's operation is largely dependent. Accordingly, the Plan permits the grant of incentive awards from time to time to selected employees, officers, directors and consultants of the Company and its Affiliates.

ARTICLE 2

DEFINITIONS

J.1. DEFINITIONS. When a word or phrase appears in this Plan with the initial letter capitalized, and the word or phrase does not commence a sentence, the word or phrase shall generally be given the meaning ascribed to it in this Section or in Section 1.1 unless a clearly different meaning is required by the context. The following words and phrases shall have the following meanings:

- a. "Affiliate" means (i) any Subsidiary or Parent, or (ii) an entity that directly or through one or more intermediaries controls, is controlled by or is under common control with, the Company, as determined by the Committee.
- b. "Award" means any Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award, Deferred Stock Unit Award, Performance Award, Dividend Equivalent Award, Other Stock-Based Award, Performance-Based Cash Awards, or any other right or interest relating to Stock or cash, granted to a Participant under the Plan.
- c. "Award Certificate" means a written document, in such form as the Committee prescribes from time to time, setting forth the terms and conditions of an Award. Award Certificates may be in the form of individual award agreements or certificates or a program document describing the terms and provisions of an Awards or series of Awards under the Plan.
- d. "Board" means the Board of Directors of the Company.
- e. "Cause" as a reason for a Participant's termination of employment shall have the meaning assigned such term in the employment, severance or similar agreement, if any, between such Participant and the Company or an Affiliate, provided, however that if there is no such employment, severance or similar agreement in which such term is defined, and unless otherwise defined in the applicable Award Certificate, "Cause" shall mean any of the following acts by the Participant, as determined by the Board: gross neglect of duty, prolonged absence from duty without the consent of the Company, intentionally engaging in any activity that is in conflict with or adverse to the business or other interests of the Company, or willful misconduct, misfeasance or malfeasance of duty which is reasonably determined to be detrimental to the Company. With respect to a Participant's termination of directorship, "Cause" means an act or failure to act that constitutes cause for removal of a director under applicable Delaware law. The determination of the Committee as to the existence of "Cause" shall be conclusive on the Participant and the Company.
- f. "Change in Control" means and includes the occurrence of any one of the following events:
 - (1) The acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the 1934 Act) (a "Person") of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the 1934 Act) of 25% or more of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the "Outstanding Company Voting Securities"); provided, however, that for purposes of this subsection (1), the following acquisitions shall

not constitute a Change of Control: (i) any acquisition by a Person who is on the Effective Date the beneficial owner of 25% or more of the Outstanding Company Voting Securities, (ii) any acquisition directly from the Company, (iii) any acquisition by the Company, (iv) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any corporation controlled by the Company, or (v) any acquisition by any corporation pursuant to a transaction which complies with clauses (i), (ii) and (iii) of subsection (3) of this definition; or

However, the mere fact that a Committee member shall fail to qualify as an Independent Director or shall fail to abstain from such action shall not invalidate any Award made by the Committee which Award is otherwise validly made under the Plan. The members of the Committee shall be appointed by, and may be changed at any time and from time to time in the discretion of, the Board. The Board may reserve to itself any or all of the authority and responsibility of the Committee under the Plan or may act as administrator of the Plan for any and all purposes. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, Shares, or other property (including "cashless exercise" arrangements), and the methods by which Shares shall be delivered or deemed to be delivered to Participants.

ARTICLE 9

PERFORMANCE AWARDS

9.1. GRANT OF PERFORMANCE AWARDS. The Committee is authorized to grant Performance Shares, Performance Units or Performance-Based Cash Awards to Participants on such terms and conditions as may be selected by the Committee. The Committee shall have the complete discretion to determine the number of Performance Awards granted to each Participant, subject to Section 5.4, and to designate the provisions of such Performance Awards as provided in Section 4.3. All Performance Awards shall be evidenced by an Award Certificate or a written program established by the Committee, pursuant to which Performance Awards are awarded under the Plan under uniform terms, conditions and restrictions set forth in such written program.

9.2. PERFORMANCE GOALS. The Committee may establish performance goals for Performance Awards which may be based on any criteria selected by the Committee. Such performance goals may be described in terms of Company-wide objectives or in terms of objectives that relate to the performance of the Participant, an Affiliate or a division, region, department or function within the Company or an Affiliate. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or an Affiliate conducts its business, or other events or circumstances render performance goals to be unsuitable, the Committee may modify such performance goals in whole or in part, as the Committee deems

appropriate. If a Participant is promoted, demoted or transferred to a different business unit or function during a performance period, the Committee may determine that the performance goals or performance period are no longer appropriate and may (i) adjust, change or eliminate the performance goals or the applicable performance period as it deems appropriate to make such goals and period comparable to the initial goals and period, or (ii) make a cash payment to the participant in an amount determined by the Committee. The foregoing two sentences shall not apply with respect to a Performance Award that is intended to be a Qualified Performance-Based Award if the recipient of such award (a) was a Covered Employee on the date of the modification, adjustment, change or elimination of the performance goals or performance period, or (b) in the reasonable judgment of the Committee, may be a Covered Employee on the date the Performance Award is expected to be paid.

9.3. RIGHT TO PAYMENT. The grant of a Performance Share to a Participant will entitle the Participant to receive at a specified later time a specified number of Shares, or the equivalent cash value if the Committee so provides, if the performance goals established by the Committee are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance Unit to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash or other property (including Shares) as determined by the Committee, variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance-Based Cash Award to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The Committee shall set performance goals and other terms or conditions to payment of the Performance Awards in its discretion which, depending on the extent to which they are met, will determine the value of the Performance Awards that will be paid to the Participant.

9.4. OTHER TERMS. Performance Awards may be payable in cash, Stock, or other property in the discretion of the Committee, and have such other terms and conditions as determined by the Committee and reflected in the Award Certificate. For purposes of determining the number of Shares to be used in payment of a Performance Award denominated in cash but payable in whole or in part in Shares or Restricted Stock, the number of Shares to be so paid will be determined by dividing the cash value of the Award to be so paid by the Fair Market Value of a Share on the date of determination by the Committee of the amount of the payment under the Award, or, if the Committee so directs, the date immediately preceding the date the Award is paid.

These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Except as otherwise provided in an Award Certificate or any special Plan document governing an Award, the Participant shall have all of the rights of a shareholder with respect to the Restricted Stock, and the Participant shall have none of the rights of a shareholder with respect to Restricted Stock Units or Deferred

Stock Units until such time as Shares of Stock are paid in settlement of the Restricted Stock Units or Deferred Stock Units.

10.3. FORFEITURE. Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of Continuous Status as a Participant during the applicable restriction period or upon failure to satisfy a performance goal during the applicable restriction period, Restricted Stock or Restricted Stock Units that are at that time subject to restrictions shall be forfeited; provided, however, that the Committee may provide in any Award Certificate that restrictions or forfeiture conditions relating to Restricted Stock or Restricted Stock Units will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock or Restricted Stock Units. Awards of Deferred Stock Units shall be fully vested at the time of grant and shall not be subject to forfeiture.

When granting any other Award, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code based on one or more of the following Qualified Business Criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a division, region, department or function within the Company or an Affiliate:

- Productivity measures

Performance goals with respect to the foregoing Qualified Business Criteria may be specified in absolute terms, in percentages, or in terms of growth from period to period or growth rates over time, as well as measured relative to an established or specially-created performance index of Company competitors or peers. Any member of an index that disappears during a measurement period shall be disregarded for the entire measurement period. Performance Goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion).

11.3. **PERFORMANCE GOALS.** Each Qualified Performance-Based Award (other than a market-priced Option or SAR) shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the Qualified Business Criteria, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided, however, that the Committee may provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived, in whole or in part, upon (i) the termination of employment of a Participant by reason of death, Retirement or Disability, or (ii) the occurrence of a Change in Control. Performance periods established by the Committee for any such Qualified Performance-Based Award may be as short as three months and may be any longer period.

11.4. **INCLUSIONS AND EXCLUSIONS FROM PERFORMANCE CRITERIA.** The Committee may provide in any Qualified Performance-Based Award that any evaluation of performance may include or exclude any of the following events that occurs during a performance period: (a) asset write-downs or impairment charges; (b) litigation or claim judgments or settlements; (c) the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; (d) accruals for reorganization and restructuring programs; (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion

and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year; (f) acquisitions or divestitures; and (g) foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

11.5. CERTIFICATION OF PERFORMANCE GOALS. Any payment of a Qualified Performance-Based Award granted with performance goals pursuant to Section 11.3 above shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. Except as specifically provided in Section 11.3, no Qualified Performance-Based Award held by a Covered Employee or by an employee who in the reasonable judgment of the Committee may be a Covered Employee on the date of payment, may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, in any manner to waive the achievement of the applicable performance goal based on Qualified Business Criteria or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

11.6. AWARD LIMITS. Section 5.4 sets forth the maximum number of Shares or dollar value that may be granted in any one-year period to a Participant in designated forms of Qualified Performance-Based Awards.

ARTICLE 12

DIVIDEND EQUIVALENTS

12.1. GRANT OF DIVIDEND EQUIVALENTS. The Committee is authorized to grant Dividend Equivalents to Participants with respect to Full Value Awards granted hereunder, subject to such terms and conditions as may be selected by the Committee. Dividend Equivalents shall entitle the Participant to receive payments equal to dividends with respect to all or a portion of the number of Shares subject to a Full Value Award, as determined by the Committee. The Committee may provide that Dividend Equivalents be paid or distributed when accrued or be deemed to have been reinvested in additional Shares, or otherwise reinvested.

ARTICLE 13

STOCK OR OTHER STOCK-BASED AWARDS

13.1. GRANT OF STOCK OR OTHER STOCK-BASED AWARDS. The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares, as deemed by the Committee to be consistent with the purposes of the Plan, including without limitation Shares awarded purely as a "bonus" and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, and Awards valued by reference to book value of Shares or the value of securities of or the performance of specified Parents or Subsidiaries. The Committee shall determine the terms and conditions of such Awards.

ARTICLE 14

PROVISIONS APPLICABLE TO AWARDS

14.1. TERM OF AWARDS. The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Option or a Stock Appreciation Right exceed a period of ten years from its Grant Date.

14.2. FORM OF PAYMENT FOR AWARDS. Subject to the terms of the Plan and any applicable law or Award Certificate, payments or transfers to be made by the Company or an Affiliate on the grant or exercise of an Award may be made in such form as the Committee determines at or after the Grant Date, including without limitation, cash, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

14.3. LIMITS ON TRANSFER. No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution; provided, however, that the Committee may (but need not) permit other transfers (other than transfers for value, as described in the General Instructions to Form S-8 under the 1933 Act) where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

14.4. BENEFICIARIES. Notwithstanding Section 14.3, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death by filing a beneficiary designation form, in such form as determined by the Committee, with the Company. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Certificate applicable to the Participant, except to the extent the Plan and Award Certificate otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made in accordance with applicable law. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed.

14.5. STOCK CERTIFICATES. All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

14.6. ACCELERATION UPON DEATH, DISABILITY OR RETIREMENT. Except as otherwise provided in the Award Certificate or any special Plan document governing an Award, upon the termination of a person's Continuous Status as a Participant by reason of death, Disability or Retirement, (i) all of such Participant's outstanding Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) all time-based vesting restrictions on the Participant's outstanding Awards shall lapse, and (iii) all of such Participant's outstanding performance-based Awards shall become fully vested as of the end of the performance year in which such termination occurs (or as of the end of the prior year if the date of termination occurs in the first half of the performance year), with the level of such vested amount to be determined based upon actual performance through such accelerated vesting date, and there shall be a payout of such awards to the Participant or his or her estate as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code). Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

14.7. EFFECT OF A CHANGE IN CONTROL. The provisions of this Section 14.7 shall apply in the case of a Change in Control, unless otherwise provided in the Award Certificate or any special Plan document or separate

agreement with a Participant governing an Award.

(a) Awards not Assumed or Substituted by Surviving Entity. Upon the occurrence of a Change in Control, and except with respect to any Awards assumed by the Surviving Entity or otherwise equitably converted or substituted in connection with the Change in Control in a manner approved by the Committee or the Board: (i) outstanding Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) time-based vesting restrictions on outstanding Awards shall lapse, and (iii) all outstanding performance-based Awards shall become fully vested as of the end of the month immediately preceding the Change in Control, with the level of such vested amount to be determined based upon actual performance through such accelerated vesting date, and there shall be a payout of such awards as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code). Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

(b) Awards Assumed or Substituted by Surviving Entity. With respect to Awards assumed by the Surviving Entity or otherwise equitably converted or substituted in connection with a Change in Control: if within two years after the effective date of the Change in Control, a Participant's employment is terminated without Cause or (subject to the following sentence) the Participant resigns for Good Reason, then (i) all of that Participant's outstanding Options, SARs and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) all time-based vesting restrictions on the his or her outstanding Awards shall lapse, and (iii) all of that Participant's outstanding performance-based Awards shall become fully vested as of the end of the performance year in which such termination occurs (or as of the end of the prior year if the date of termination occurs in the first half of the performance year), with the level of such vested amount to be determined based upon actual performance through such accelerated vesting date, and there shall be a payout of such awards to the Participant as soon as practicable after the amount earned has been determined (or, if later, the first date that such payment may be made without causing a violation of Section 409A of the Code). With regard to each Award, a Participant shall not be considered to have resigned for Good Reason unless either (i) the Award Certificate includes such provision or (ii) the Participant is party to an employment, severance or similar agreement with the Company or an Affiliate that includes provisions in which the Participant is permitted to resign for Good Reason. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

14.8. ACCELERATION FOR ANY OTHER REASON. Regardless of whether an event has occurred as described in Section 14.6 or 14.7 above, and subject to Section 11.3 as to Qualified Performance-Based Awards, the Committee may in its sole discretion at any time determine that, upon the termination of service of a Participant, or the occurrence of a Change in Control, all or a portion of such Participant's Options, SARs and other Awards in the nature of rights that may be exercised shall become fully or partially exercisable, that all or a part of the restrictions on all or a portion of the Participant's outstanding Awards shall lapse, and/or that any performance-based criteria with respect to any Awards held by that Participant shall be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee may, in its sole discretion, declare. The Committee may discriminate among Participants and among Awards granted to a Participant in exercising its discretion pursuant to this Section 14.8.

14.9. EFFECT OF ACCELERATION. If an Award is accelerated under Section 14.6, 14.7 or 14.8, the Committee may, in its sole discretion, provide (i) that the Award will expire after a designated period of time after such acceleration to the extent not then exercised, (ii) that the Award will be settled in cash rather than Stock, (iii) that the Award will be assumed by another party to a transaction giving rise to the acceleration or otherwise be equitably converted or substituted in connection with such transaction, (iv) that the Award may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, or (v) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. To the extent that such acceleration causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonstatutory Stock Options.

14.10. TERMINATION OF EMPLOYMENT. Whether military, government or other service or other leave of absence shall constitute a termination of employment shall be determined in each case by the Committee at its discretion, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate (i) in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate, or (ii) in the discretion of the Committee as specified at or prior to such occurrence, in the case of a spin-off, sale or disposition of the Participant's employer from the Company or any Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three months from the date a Participant is deemed to be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Nonstatutory Stock Options.

14.11. SUBSTITUTE AWARDS. The Committee may grant Awards under the Plan in substitution for stock and stock-based awards held by employees of another entity who become employees of the Company or an Affiliate as a result of a merger or consolidation of the former employing entity with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the former employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances.

ARTICLE 15

CHANGES IN CAPITAL STRUCTURE

15.1. GENERAL. In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Section 5.1, 5.4 and 5.5 shall be adjusted proportionately, and the Committee may adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. In addition, upon the occurrence or in anticipation of such an event, the Committee may, in its sole discretion, provide (i) that Awards will be settled in cash rather than Stock, (ii) that Awards will become immediately vested and exercisable and will expire after a designated period of time to the extent not then exercised, (iii) that Awards will be assumed by another party to a transaction or otherwise be equitably converted or substituted in connection with such transaction, (iv) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, (v) that performance targets and performance periods for Performance Awards will be modified, consistent with Code Section 162(m) where applicable, or (vi) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. Without limiting the foregoing, in the event of a

subdivision of the outstanding Stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Stock into a lesser number of Shares, the authorization limits under Section 5.1, 5.4 and 5.5 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor. To the extent that any adjustments made pursuant to this Article 15 cause Incentive Stock Options to cease to qualify as Incentive Stock Options, such Options shall be deemed to be Nonstatutory Stock Options.

ARTICLE 16

AMENDMENT, MODIFICATION AND TERMINATION

16.1. AMENDMENT, MODIFICATION AND TERMINATION. The Board or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without shareholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board or the Committee, either (i) materially increase the benefits accruing to Participants, (ii) materially increase the number of Shares available under the Plan, (iii) expand the types of awards under the Plan, (iv) materially expand the class of participants eligible to participate in the Plan, (v) materially extend the term of the Plan, or (vi) otherwise constitute a material change requiring shareholder approval under applicable laws, policies or regulations or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to shareholder approval; and provided, further, that the Board or Committee may condition any other amendment or modification on the approval of shareholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable (i) to comply with the listing or other requirements of an Exchange, or (ii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

16.2. AWARDS PREVIOUSLY GRANTED. At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

- (a) Subject to the terms of the applicable Award Certificate, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment or termination (with the per-share value of an Option or SAR for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise or base price of such Award);
- (b) The original term of an Option or SAR may not be extended without the prior approval of the shareholders of the Company;
- (c) Except as otherwise provided in Article 15, the exercise price of an Option or SAR may not be reduced, directly or indirectly, without the prior approval of the shareholders of the Company; and
- (d) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be "adversely affected" by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment (with the per-share value of an Option or SAR for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the exercise or base price of such Award).

ARTICLE 17

GENERAL PROVISIONS

I7.1. NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS. No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

I7.2. NO SHAREHOLDER RIGHTS. No Award gives a Participant any of the rights of a shareholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

I7.3. WITHHOLDING. The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. If Shares are surrendered to the Company to satisfy tax obligations in excess of the minimum tax withholding obligation, such Shares must have been held by the Participant as fully vested shares for such period of time, if any, as necessary to avoid the recognition of an expense under generally accepted accounting principles. The Company shall have the authority to require a Participant to remit cash to the Company in lieu of the surrender of Shares for taxes if the surrender of Shares for such purpose would result in the Company's recognition of expense under generally accepted accounting principles. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes.

I7.4. Special Provisions related to Section 409A of the Code.

(a) Notwithstanding anything in the Plan or in any Award Certificate to the contrary, to the extent that any amount or benefit that would constitute "deferred compensation" for purposes of Section 409A of the Code would otherwise be payable or distributable under the Plan or any Award Certificate by reason the occurrence of a Change in Control or the Participant's Disability or separation from service, such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless (i) the circumstances giving rise to such Change in Control, Disability or separation from service meet the description or definition of "change in control event", "disability" or "separation from service", as the case may be, in Section 409A of the Code and applicable proposed or final regulations, or (ii) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A of the Code by reason of the short-term deferral exemption or otherwise. This provision does not prohibit the vesting of any Award or the vesting of any right to eventual payment or distribution of any amount or benefit under the Plan or any Award Certificate.

(b) Notwithstanding anything in the Plan or in any Award Certificate to the contrary, to the extent necessary to avoid the application of Section 409A of the Code, (i) the Committee may not amend an outstanding Option, SAR or similar Award to extend the time to exercise such Award beyond the later of the 15th day of the third month following the date at which, or December 31 of the calendar year in which, the Award would otherwise have expired if the Award had not been extended, based on the terms of the Award at the original Grant Date (the "Safe Harbor Extension Period"), and (ii) any purported extension of the exercise period of an outstanding Award beyond the Safe Harbor Extension Period shall be deemed to be an amendment to the last day of the Safe Harbor Extension Period and no later.

17.5. NO RIGHT TO CONTINUED SERVICE. Nothing in the Plan, any Award Certificate or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer, director or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, director or consultant of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

17.6. UNFUNDED STATUS OF AWARDS. The Plan is intended to be an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Certificate shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. This Plan is not intended to be subject to ERISA.

17.7. RELATIONSHIP TO OTHER BENEFITS. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless provided otherwise in such other plan.

17.8. EXPENSES. The expenses of administering the Plan shall be borne by the Company and its Affiliates.

17.9. TITLES AND HEADINGS. The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

17.10. GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

17.11. FRACTIONAL SHARES. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

17.12. GOVERNMENT AND OTHER REGULATIONS.

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any foreign, federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be

required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state or foreign law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

17.13. GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Certificates shall be construed in accordance with and governed by the laws of the State of Tennessee.

17.14. ADDITIONAL PROVISIONS. Each Award Certificate may contain such other terms and conditions as the Committee may determine; provided that such other terms and conditions are not inconsistent with the provisions of the Plan.

17.15. NO LIMITATIONS ON RIGHTS OF COMPANY. The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

17.16. INDEMNIFICATION. Each person who is or shall have been a member of the Committee, or of the Board, or an officer of the Company to whom authority was delegated in accordance with Article 4 shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf, unless such loss, cost, liability, or expense is a result of his or her own willful misconduct or except as expressly provided by statute. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's charter or bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.
