This Amendment No. 3 to Schedule 13D (this "**Amendment No. 3**") amends and supplements items 4, 5 and 6 contained in the Schedule 13D initially filed with the Securities and Exchange Commission on or about May 1, 2008 (the "**Initial 13D**"). Capitalized terms used herein but not defined shall have the meanings ascribed to them in the Initial 13D. The Initial 13D is amended and supplemented as follows.

#### **Item 4. Purpose of Transaction**

This Amendment No. 3 is being filed due to the grant of restricted stock awards on July 15, 2009. The Reporting Person was awarded 123,459 shares of Common Stock under a restricted stock award agreement pursuant to the Company's performance-based long-term incentive plan for calendar year 2008 (the "**Awards**"), although the shares of Common Stock have not yet been issued to the Reporting Person. Of these shares of Common Stock, 25% will vest on each of February 26, 2010, 2011, 2012 and 2013 should the Reporting Person remain an employee of the Company on the pertinent vesting date. The Awards were reported on a Form 4 of the Reporting Person filed on July 17, 2009, as well as in other Company filings.

Under the terms of the Awards, in the event of a change of control or termination by the Company without cause, the Reporting Person's unvested shares of Common Stock will become fully vested. In the event of death or disability, the Reporting Person's service date will be deemed extended through to the next anniversary date (unless otherwise provided for in an employment agreement with the Reporting Person).

The description contained in this Item 4 of the Awards is qualified in its entirety by reference to the full text of the foregoing, which is incorporated herein by reference and filed as an exhibit hereto.

On December 8, 2009, the Company amended the terms of its Series G Convertible Preferred Stock, par value \$0.01 per share (the "**Series G Preferred Stock**"), as set forth in the Company's Certificate of Designation, Preferences and Rights of the Series G Preferred Stock filed with the Secretary of State of the State of Delaware on June 27, 2005 (the "**Certificate of Designation**"), by filing a Certificate of Amendment to the Certificate of Designation with the Delaware Secretary of State. The Certificate of Amendment was recommended for approval by an independent committee of the Company's board of directors and approved by a majority of the holders of the Series G Preferred Stock, which did not include the Reporting Person. The Certificate of Amendment amends the Certificate of Designation by providing for the automatic conversion of all the shares of the Series G Preferred Stock in connection with the consummation of a registered underwritten offering of the Company's Common Stock on or before April 30, 2010, at the lower of the conversion price then in effect or at the price the shares of Common Stock are sold to the public in the registered underwritten offering.

On December 22, 2009, the Company consummated a registered underwritten offering of its Common Stock at a price to the public of \$5.00 per share (or \$4.00 below the current \$9.00 conversion price of the Series G Preferred Stock). The 600 shares of Series G Preferred Stock held by the Reporting Person and accrued dividends were automatically converted into 87,956 shares of Common Stock.

This Amendment No. 3 is also being filed because the Reporting Person is no longer the beneficial owner, pursuant to Rule 13d-3 under the Securities Exchange Act of 1934, of more than five percent (5%) of the outstanding shares of Common Stock of the Company.

#### **Item 5. Interest in Securities of Issuer**

(a) and (b) The Reporting Person may be deemed to beneficially own 1,201,842 shares of Common Stock, which includes 438,886 shares of Common Stock held directly received pursuant to restricted stock awards, including the Awards, 87,956 shares of Common Stock underlying the Series G Preferred Stock that automatically converted upon the Common Stock offering described in Item 4 and options to acquire 675,000 shares of Common Stock that have vested.

The Reporting Person's current beneficial ownership represents approximately 3.07% of the shares of the Common Stock, based upon 38,516,658 shares of Common Stock issued and outstanding as of December 22, 2009 (including approximately 0.6 million shares of restricted Common Stock to be issued to employees, including to the Reporting Person, pursuant to the Company's performance-based long-term incentive plan and approximately 12.1 million shares of Common Stock underlying preferred stock that automatically converted to Common Stock on December 22, 2009), plus 675,000 shares of Common Stock which may be received upon exercise of options beneficially owned by the Reporting Person. The Reporting Person has sole voting and dispositive power over the shares of Common Stock reported as beneficially owned by him.

(c) The Reporting Person has not effected any transactions in shares of the Common Stock during the past 60 days from the filing date of this Amendment No. 3.

(e) On December 22, 2009, the Reporting Person ceased to be the beneficial owner of over 5% of the Company's securities.

#### **Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer**

See Item 4 for a description of the Awards. On or about December 16, 2009, the Reporting Person delivered a lockup agreement whereby he agreed not to (1) dispose of any shares of Common Stock or securities convertible into or exercisable or exchangeable for Common Stock, (2) enter into any derivatives transaction that transfers to another any of the economic consequences of ownership of the Common Stock, (3) exercise any registration rights with respect to the registration of any shares of Common Stock or securities convertible, exercisable or exchangeable into any of the Company's capital stock, or (4) publicly disclose the intention to do any of the foregoing for a period of 180 days from the date of the prospectus filed in connection with the Company's registration statement on Form S-1 (Reg. No. 333-163277), subject to certain exceptions and extensions.
