third quarter 2004 sales and earnings. This earnings release references net sales excluding precious metal content. Due to the fluctuations of precious metal prices and because the precious metal content of the Company's sales is largely a pass-through to customers and has minimal effect on earnings, the Company reports sales both with and without precious metal content to show the Company's performance independent of precious metal price volatility and to enhance comparability of performance between periods. A copy of the Company's press release is attached hereto as Exhibit (99.1) and is hereby incorporated by reference.
