On September 28, 2000, EOG Resources, Inc., a Delaware corporation (the "Company"), filed a registration statement on Form S-3, Reg. No. 333-46858 (the "Existing Registration Statement"), with the Securities and Exchange Commission (the "Commission"), which was subsequently declared effective. The Existing Registration Statement registered the sale by the Company or certain selling shareholders of debt securities, preferred stock and common stock of the Company with an aggregate initial offering price not to exceed \$688,237,500, which amount includes \$88,237,500 previously registered on Registration Statement No. 333-44785 included in such registration statement in accordance with Rule 429 of the Securities Act of 1933, as amended (the "Registered Securities").

Pursuant to Rule 457(p) under the Securities Act of 1933, as amended, and Question 7 to the "Securities Offering Reform Transition Questions and Answers" released by the staff of the Securities and Exchange Commission's Division of Corporation Finance, the \$158,400 and \$51,725 registration fees previously paid with the Existing Registration Statement will be carried forward and applied to the registration fee on the New Registration Statement.
