**CORDIA CORPORATION AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

March 31, 2003

Note 1: Basis of Presentation

Our unaudited condensed financial statements have been prepared in accordance with the instructions to Form 10-QSB and do not include all of the information and disclosures required by generally accepted accounting principles. Therefore, these financial statements should be read in conjunction with the financial statements and related footnotes included in our Annual Report on Form 10-KSB for the most recent year-end. These financial statements reflect all adjustments that are, in the opinion of management, necessary to fairly state the results for the interim periods reported. The results of operations for the three-month period ended March 31, 2003 are not necessarily indicative of the results to be expected for the full year.

The consolidated financial statements include our accounts and the accounts of Cordia Communications Corp. for the years ended December 31, 2002 and for the three months ended March 31, 2003 and 2002. The consolidated financial statements also include the accounts of its discontinued business ISG Group, Inc. ("ISG") and its subsidiaries (Universal Recoveries, Inc. and U.L.A.E., Inc., both wholly-owned) as of December 31, 2002, and for the three months ended March 31, 2002 and the period January 1, 2003 through March 3, 2003 (date of disposal). The consolidated financial statements also include the accounts of our discontinued business segment, RiderPoint, Inc. ("RiderPoint") and subsidiary, for the three months ended March 31, 2002. All material intercompany balances and transactions have been eliminated.

Note 2: Investments

At March 31, 2003 and December 31, 2002, investments included common shares of eLEC Communications Corp. ("eLEC"). All investments are classified as trading securities and accordingly, stated at fair value, which is based on market quotes. Adjustments to fair value of the equity securities are recorded as an increase or decrease in investment income in the accompanying statements of operations.

During June 2002, we sold all of our common shares of RiderPoint and its subsidiary, RP Insurance Agency Inc. ("RP Insurance Agency"), and our entire membership interest in Webquill Internet Services, LLC ("Webquill") for \$1,000. We recognized a gain of \$322,796 in connection with such sale. The results of operations of RiderPoint, RP Insurance Agency and Webquill are presented as losses from operations of discontinued segments in the accompanying condensed consolidated statements of operations.

On March 3, 2003, we sold our equity interests in ISG to West Lane Group Inc. ("West Lane Group"), a company owned by the then-current management of ISG. The \$750,000 selling price of ISG is evidenced by a promissory note bearing interest at the rate of 6% per annum. The principal obligation of \$750,000 under the note is payable on or before March 3, 2005, and is secured by 700,000 shares of our common stock owned by West Lane Group.

NOTE 3: Sale of Business Segments

Sale of RiderPoint, Inc. and its subsidiary:

On June 27, 2002, we sold for \$1,000 in cash, (a) our common stock equity interests in RiderPoint, and its subsidiary, RP Insurance Agency, and (b) our entire membership interest in Webquill. RiderPoint had focused on the development of technological systems, solutions and processes that would allow it to become a nationwide distributor of insurance products through the internet and traditional insurance agents. RP Insurance Agency, Inc. acted as an insurance broker for individuals purchasing property and liability insurance for power sports vehicles. Webquill

provided internet hosting services to businesses and individuals. We recognized a gain of \$337,793 on the sale of these interests. As a result of the sale of these business segments, our net operating loss for Federal income tax reporting purposes decreased by approximately \$1,940,000.

## Sale of ISG:

The following is a summary of the sale transaction of ISG (unaudited):

Assets sold	\$ (778,529)

Write-off of inter-company receivables and payables	(76,082)
	-----
Gain on sale, before income taxes	\$1,554,306
	=====

Our net operating losses are expected to offset the gain on the sale of ISG.

As a result of the sale of ISG, (a) employee stock options to purchase 83,000 of our common shares at \$7.50 per share expired, and (b) our net operating loss carry-forward for Federal income tax reporting purposes, on a pro-forma basis giving retroactive effect to the sale of ISG as of December 31, 2002, would have been approximately \$2,220,000.

Note 4: Stockholders' Equity

During June 2002, we approved a 5-for-1 reverse split of our common stock with no change in its par value of \$.001. All references in the consolidated financial statements and in the notes to consolidated financial statements with respect to the number of common shares and per share amounts have been restated to reflect the stock split.

During September 2000, we issued warrants to purchase 22,400 shares of our common stock. The warrants had an exercise price of \$12.50 per share and expired during the period from July through September 2002. No warrants were exercised prior to expiration.

Effective January 5, 2001, we established our 2001 Equity Incentive Plan (the "Plan"). The total number of shares of our common stock issuable under the Plan is 1,000,000, subject to adjustment for events such as stock dividends and stock splits. The Plan is administered by a committee of the Board of Directors having full and final authority and discretion to determine when and to whom awards should be granted. The committee will also determine the terms, conditions and restrictions applicable to each award.

Transactions under the Plan are summarized as follows giving retroactive effect to the reverse stock split:

	Stock Options -----	Exercise Price -----
Balance, December 31, 2002	146,000	\$ 7.50 to 11.25
Granted:	615,000	\$ .60

Note 5: Commitments

We have no commitments for annual rentals under noncancelable operating leases.
