ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On July 28, 2006, the Company announced its earnings for the Fiscal Year 2006 Third Quarter ended June 30, 2006. A copy of the press release summarizing

these earnings is furnished with this Form 8-K as Exhibit 99.1 and should not be deemed to be filed under Section 18 of the Exchange Act.

Additional information with respect to the Company's consolidated statements of operations for the three months and nine months ended June 30, 2006 and 2005 and an analysis of revenues and contract drilling costs for the three months and nine months ended June 30, 2006 and 2005 are attached hereto as Exhibits 99.2 and 99.3, respectively, which are being furnished; however, should not be deemed to be filed under Section 18 of the Exchange Act.

ITEM 7.01 REGULATION FD DISCLOSURE

Additional information with respect to the Company's Fleet Status Report at July 28, 2006 is attached hereto as Exhibit 99.4. Such information is being furnished under Regulation FD and should not be deemed to be filed under Section 18 of the Exchange Act.

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors including; the Company's dependence on the oil and gas industry; the risks involved the construction of a rig; competition; operating risks; risks involved in foreign operations; risks associated with possible disruption in operations due to terrorism; risks associated with a possible disruption in operations due to a war with Iraq; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's annual report on Form 10-K for the year ended September 30, 2005, filed with the Securities and Exchange Commission.

EXHIBIT 99.1

Houston, Texas 28 July 2006

FOR IMMEDIATE RELEASE

ATWOOD OCEANICS, INC., Houston-based International Drilling Contractor, announced today that the Company earned net income of \$27,623,000 or \$.87 per diluted share, on revenues of \$71,565,000 for the quarter ended June 30, 2006, compared to net income of \$5,989,000 or \$.19 per diluted share, on revenues of \$43,589,000 for the quarter ended June 30, 2005. For the nine months ended June 30, 2006, the Company earned net income of \$57,775,000 or \$1.84 per diluted share, on revenues of \$194,508,000 compared to net income of \$19,350,000 or \$.62 per diluted share, on revenues of \$130,032,000 for the nine months ended June 30, 2005.

Net income for the quarter and nine months ended June 30, 2006 was enhanced by approximately \$1.9 million or \$.06 per diluted share from income tax benefits discrete to the June 2006 quarter and by approximately \$1.1 million or \$0.03 per diluted share from the gains on sales of excess equipment.
