-

## SECTION 1 – REGISTRANT’S BUSINESS AND OPERATIONS

### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On May 6, 2011, Atwood Oceanics, Inc. (the “Registrant”), as guarantor, and Atwood Offshore Worldwide Limited (“AOWL”), as borrower, entered into a new credit agreement with the lenders named therein with Nordea Bank Finland plc, New York Branch, as Administrative Agent for the lenders, Lead Arranger and Book Runner (the “Credit Agreement”). The Credit Agreement provides for a secured 5-year \$750,000,000 reducing revolving loan facility with maturity in May 2016, subject to acceleration upon certain specified events of defaults, including breaches of representations or covenants. At closing, the collateral for the Credit Agreement consists primarily of preferred mortgages on six of the Atwood fleet’s active drilling units (the Atwood Falcon, the Atwood Aurora, the Atwood Beacon, the Atwood Eagle, the Atwood Hunter and the Atwood Osprey). The Credit Agreement contains various financial covenants that, among other things, require the maintenance of certain leverage and interest expense coverage ratios. The commitment under the Credit Agreement may be increased by up to \$350,000,000 for a total commitment of \$1,100,000,000 upon the occurrence of certain events, including the mortgage of the Atwood Condor after delivery which is expected the third quarter of fiscal year 2012. Loans under this new facility will bear interest at 2.50% plus LIBOR per annum.

This Credit Agreement replaces both the October 26, 2007 credit agreement, as amended, between the Registrant, Atwood Oceanics Pacific Limited (“AOPL”) and Nordea Bank Finland plc, New York Branch, as Administrative Agent for the Lenders, and the November 28, 2008 credit agreement, as amended, between the Registrant, AOPL and Nordea Bank Finland plc, New York Branch.

The Credit Agreement will provide funding for the drilling units currently under construction, for future growth opportunities and for general corporate needs. Currently \$429,000,000 has been borrowed under the Credit Agreement. A copy of the Credit Agreement is filed herewith as Exhibit 10.1.

## SECTION 2 – FINANCIAL INFORMATION

### ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER A OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT

On May 6, 2011, the Registrant and AOWL entered into the Credit Agreement, as more specifically described in Item 1.01 in this Current Report on Form 8-K, which description is incorporated by reference in this item 2.03.

---

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS

(d) EXHIBITS

10.1 Credit Agreement dated May 6, 2011

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors including the Company's dependence on the oil and gas industry; the risks involved in the construction of a rig and commencement of operations of the rig following delivery; competition; operating risks; risks involved in foreign operations; risks associated with possible disruption in operations due to terrorism, acts of piracy, embargoes, war or other military operations; and governmental and industry regulations and environmental matters. A list of additional risk factors can be found in the Company's annual report on Form 10-K for the year ended September 30, 2010, and quarterly report on Form 10-Q for the quarter ended March 31, 2011, filed with the Securities and Exchange Commission.
