PROXY STATEMENT

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

Annual Meeting of Shareholders
to be held October 26, 2006

INTRODUCTION

Your Proxy is solicited by the Board of Directors of Techne Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held on October 26, 2006 and at any adjournment thereof, for the purposes set forth in the attached Notice of Annual Meeting.

The cost of soliciting Proxies, including preparing, assembling and mailing the Proxies and soliciting material, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular compensation, solicit Proxies personally or by telephone.

Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Nominating and Governance Committee of the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instruction by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the Company's principal executive office is 614 McKinley Place N.E., Minneapolis, MN 55413. The Company expects that this Proxy Statement and the related Proxy and Notice of Annual Meeting will first be mailed to shareholders on or about September 26, 2006.

General Information

The Bylaws of the Company provide that the number of directors shall be determined by the shareholders at each annual meeting. The Nominations and Governance Committee of the Board of Directors of the Company recommends that the number of directors to be set at seven and that the individuals named in the table below be elected. Under applicable Minnesota law and the Company's bylaws, approval of the proposal to set the number of directors at seven requires the affirmative vote of the holders of the greater of (1) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (2) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting. In the election of directors, each Proxy will be voted for each of the nominees listed below unless the Proxy withholds a vote for one or more of the nominees. Each person elected as a director shall serve for a term of one year or until his successor is duly elected and qualified. All of the nominees are members of the present Board of Directors. If any of the nominees should be unable to serve as a director by reason of death, incapacity or other unexpected occurrence, the Proxies solicited by the Board of Directors shall be voted by the proxy representatives for such substitute nominee as is selected by the Nominations and Governance Committee, or, in the absence of such selection, for such fewer number of directors as results from such death, incapacity or other unexpected occurrence.

Committees and Meetings of the Board of Directors

The Company's Board of Directors has three standing Committees, the Audit Committee, the Executive Compensation Committee and the Nominations and Governance Committee. All members of all Committees are "independent" as such term is defined in applicable law and regulations of the Securities and Exchange Commission and Nasdaq.

The Audit Committee (whose members are Messrs. Baumgartner, Herbert and O'Connell and Dr. Steer) operates under a written charter established by the Company's Board of Directors. The Audit Committee is responsible for the appointment and supervision of the Company's independent registered public accounting firm and for reviewing the Company's internal audit procedures, the quarterly and annual financial statements of the Company and the results of the annual audit. The Audit Committee also establishes and oversees the implementation of the Company's cash investment policy and monitors the Company's financial fraud hotline. The Board of Directors has determined

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

that for fiscal 2006 all Audit Committee members are "audit committee financial experts" as such term is defined in Section 407 of the Sarbanes-Oxley Act. The Audit Committee met six times during fiscal 2006. The Committee's report is included in this Proxy Statement.

The Executive Compensation Committee (whose members and Messrs. Herbert, O'Connell and Baumgartner and Dr. Steer) determines compensation for executive officers of the Company. The Committee met twice during fiscal 2006. The Committee's report is included in this Proxy Statement.

The Nominations and Governance Committee is composed of all "independent" directors, currently all directors except Mr. Oland. The committee operates under a written charter. The functions of the Committee are to recruit well-qualified candidates for the Board, select persons to be proposed in the Company's proxy statement for election as directors at annual meetings of shareholders, and establish governance standards and procedures to support and enhance the performance and accountability of management and the Board. The Committee did not formally meet in fiscal 2006. The Committee has determined to propose to shareholders at their 2006 annual meeting the re-election of the incumbent directors of the Company. The Committee will consider all nominees for director recommended by shareholders of the Company. Recommendations may be sent to the Committee at the Company's address: 614 McKinley Place N.E., Minneapolis, MN 55413. Candidates for the Board are considered and selected on the basis of outstanding achievement in their professional careers, experience, wisdom, personal and professional integrity, their ability to make independent, analytical inquiries, and their understanding of the business environment. Candidates must have the experience and skills necessary to understand the principal operational and functional objectives and plans of the Company, the results of operations and financial condition of the Company, and the position of the Company in its industry. Candidates must have a perspective that will enhance the Board's strategic discussions and be capable of and committed to devoting adequate time to Board duties.

5

During fiscal 2006, the Board held six meetings. Each director attended 75% or more of the total number of meetings of the Board and of Committees of which he was a member. Executive sessions of independent directors, meetings of outside directors without any member of management present, are held in conjunction with regularly scheduled meetings of the Board. It is the policy of the Company that all directors should attend the Company's annual meetings of shareholders. All members did attend the annual meeting in 2005.

Shareholder Communications with Directors

Shareholders may communicate directly with the Board of Directors. All communications should be directed to the Company at 614 McKinley Place N.E., Minneapolis, MN 55413, and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors, for non-management directors, or for a particular director. Unless other distribution is specified, the communication will be forwarded to the entire Board. The communication will not be opened before being forwarded to the intended recipient, but it will go through normal security procedures.

Code of Ethics and Business Conduct and Financial Fraud Hotline

The Company has adopted a Code of Ethics and Business Conduct, which is applicable to all directors, officers and employees of the Company. A copy

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

is available for review at the Company's website, www.techne-corp.com. The Company sponsors a financial fraud hotline that is available to all employees, is operated on a confidential basis by a third party, and is supervised with full powers of investigation by the Audit Committee of the Board of Directors.

Directors' Fees

Directors who are not employees of the Company are compensated at the rate of \$25,000 per year for service on the Board and Committees of the Board. Directors are paid an additional \$1,000 for each meeting of the Board other than its regularly scheduled quarterly meetings and for each meeting of a committee on which the director serves other than committee meetings held in conjunction with a meeting of the full Board. Under the Company's 1998 Nonqualified Stock Option Plan, outside directors automatically receive an option to purchase shares of the Company's Common Stock on election and upon each re-election. In connection with the 2006 Annual Meeting of Shareholders, the number of shares subject to the option granted to outside directors re-elected to the Board will be 5,000 per director.

AUDIT MATTERS

Audit Committee Report

The Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent registered public accounting firm the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board's Standard No.1, and discussed with the independent registered public accounting firm any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2006 as filed with the Securities and Exchange Commission.

Pre-Approval Policies and Procedures

Pursuant to its written charter, the Audit Committee of the Company's Board of Directors is required to pre-approve the audit and non-audit services performed by the Company's independent registered public accounting firm in order to assure that the provision of such services does not impair the firm's independence. In 2005, the Audit Committee approved a resolution authorizing Company officers to engage KPMG in permitted non-audit services that involve less than \$25,000 in fees in the aggregate. Such services are reported to the Audit Committee and approved prior to completion of the

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

audit. All of the services rendered by KPMG were pre-approved by the Audit Committee. The Audit Committee has considered whether provision of the above non-audit services is compatible with maintaining KPMG's independence and has determined that such services have not adversely affected KPMG's independence.

EXECUTIVE COMPENSATION

Executive Compensation Committee Report

Committee Interlocks and Insider Participation. The Executive Compensation Committee of the Board of Directors of the Company is composed of directors G. Arthur Herbert, Howard V. O'Connell, Randolph C. Steer, M.D., Ph.D., and Robert V. Baumgartner. None of the members of the Committee is or ever has been an employee or officer of the Company and none is affiliated with any entity other than the Company with which an executive officer of the Company is affiliated.

Overview and Philosophy. The Company's executive compensation program is comprised of base salaries, annual performance bonuses comprised of a cash and option component, long-term incentive compensation in the form of stock options, and various benefits, including the Company's profit sharing and savings plan and stock bonus plan in which all qualified employees of the Company participate. In addition, the Compensation Committee from time to time may award special cash bonuses or stock options related to non-recurring, extraordinary performance.

The Compensation Committee has followed a policy of paying annual base salaries which are on the moderate side of being competitive in its industry and of awarding bonuses based on achievement of specific revenue, profit and non-monetary goals. If the goals are achieved, the officer receives an option to purchase a number of shares with a fair market value on the date of grant equal to 20% of the officer's base salary and receives, at the election of the officer, either a cash bonus equal to 20% of the officer's base salary or an additional option to purchase a number of shares with a fair market value on date of grant equal to 170% of the cash bonus alternative. Bonuses are awarded on a prorated basis if between 85% and 100% of the specific revenue and profit goals are achieved. The goals are established annually as recommended by the Chief Executive Officer of the Company and approved by the Compensation Committee.

The Company has formal employment agreements effective through June 30, 2007 with its full-time executive officers who served during fiscal 2006, other than its Chief Financial Officer whose employment agreement is effective through June 30, 2008 and Mr. Oland, its President, who serves pursuant to an oral understanding. See "Employment Contracts and Change in Control Arrangements" below. The agreements provide for base salaries subject to annual review, bonuses as described above, benefits as provided to all employees and severance compensation in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company. With the exception of the Chief Financial Officer, severance compensation is dependent upon years of employment with or service to the Company. The Chief Financial Officer's severance compensation is equal to the base salary and benefits which would otherwise have been paid under the terms of the employment agreement or the base salary and benefits for twelve months from date of termination, whichever period is longer.

Compensation in 2006. During fiscal 2006, the Company maintained its principal compensation policies and made adjustments in base salaries to reflect competitive industry and individual performance factors. The Committee, at the beginning of fiscal 2006, established performance criteria for officers based 70% on growth in consolidated revenues and earnings and, working through the Company's Chief Executive Officer, 30% on individual goals which, if met, would permit each officer to earn a cash bonus and additional stock options. The Company achieved record revenues and earnings in fiscal 2006. On the basis of performance against the criteria established, the Committee, at the close of fiscal 2006 awarded to Dr. Tsang, Mr. Veronneau and Mr. Melsen the bonuses set fourth in the table below under "Summary Compensation Table" and, subsequent to fiscal year end, the options indicated in footnote (2) to the table below under "Options/SAR Grants During 2006 Fiscal Year". In further recognition of the officers' achievements, the Committee established base salaries for fiscal 2007 as disclosed below under "Employment Contracts and Change in Control Arrangements."

General. The Company provided medical and insurance benefits to its executive officers, which are the same as those generally available to all Company employees. The Company has a profit sharing and savings plan in which all qualified employees, including executive officers, participate subject to statutory limitations on contributions for highly compensated individuals. In fiscal 2006, 2005 and 2004, the Company contributed to the plan an amount equal to approximately 8.7%, 10% and 8% of gross wages, respectively. One half of the contributions to the plan is in the form of Company Common Stock. The amount of perquisites allowed to executive officers, as determined in accordance with rules of the Securities and Exchange Commission, did not exceed 10% of salary in fiscal 2006.

Chief Executive Officer Compensation. Thomas E. Oland served as the Company's Chief Executive Officer in fiscal 2006. His compensation was determined in accordance with the policies described above as applicable to all executive officers. His base salary of \$242,000 in fiscal 2005 was increased to \$254,100 in fiscal 2006. For fiscal 2006 performance he earned, but waived, his annual bonus. In February 1996, the Compensation Committee, in connection with the Board's long-term strategic planning for the Company, adopted a substantial long-term incentive for Mr. Oland in the form of options to purchase an aggregate of 400,000 shares of the Common Stock of the Company at \$4.53 per share, the fair market value on the date of grant. The options were exercised in fiscal 2006 as disclosed in the table below under "Options/SAR Exercises During 2006 Fiscal Year and Fiscal Year End Options/SAR Values."

Summary. Aggregate executive compensation increased moderately in fiscal 2006. The Company awarded stock options to officers because the Company achieved record revenues and individual officers achieved certain performance goals. The Compensation Committee intends to continue its policy of paying relatively moderate base salaries, basing bonuses on specific revenue, profit and performance goals and granting options to provide long-term incentive.

Employment Contracts and Change in Control Arrangements

The Company has formal employment agreements with each of its full-time executive officers with the exception of its President and Chief Executive Officer, with whom the Company has an oral understanding. The agreements provide for base salaries subject to annual review, bonuses as described in the Compensation Committee Report contained in this Proxy Statement, benefits as provided to all employees and severance compensation in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company. With the exception of the Chief Financial Officer, severance compensation is dependent upon years of employment with or service to the Company. The Chief Financial Officers severance compensation is equal to the base salary and benefits which would otherwise have been paid under the terms of the employment agreement or the base salary and benefits for twelve months from date of termination, whichever period is longer. Base salaries for fiscal 2007 for the executive officers named in the Summary Compensation Table below are as follows: Dr. Tsang - \$263,000; Mr. Veronneau - \$155,000; Mr. Melsen - \$245,000. The Compensation Committee recommended a base salary of \$265,000 for Mr. Oland, but he waived the increase, leaving his base salary at \$254,100 for fiscal 2007.
