PROXY STATEMENT

Annual Meeting of Shareholders to be held May 3, 2018

GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of RLI Corp., an Illinois corporation (“Company”), in connection with the solicitation, by the Board of Directors of the Company (“Board” or “Board of Directors”), of proxies to be used at the Annual Meeting of Shareholders (“Annual Meeting”) to be held at 2 p.m. Central Daylight Time on Thursday, May 3, 2018, at the Mt. Hawley Country Club, 7724 North Knoxville Avenue, Peoria, Illinois, 61614, and at any adjournments of the Annual Meeting.

This year, we are pleased to again be taking advantage of a Securities and Exchange Commission (“SEC”) rule that allows companies to furnish their proxy materials over the Internet. As a result, we are mailing to our shareholders a Notice of Internet Availability of Proxy Materials (“E-Proxy Notice”) instead of a paper copy of the proxy materials. The E-Proxy Notice contains instructions that will enable shareholders receiving the E-Proxy Notice to access these materials over the Internet and, if so desired, to request a paper copy of these proxy materials by mail. Shareholders who do not receive the E-Proxy Notice will receive a paper copy of the proxy materials by mail. The Company intends to mail the E-Proxy Notice to shareholders on or about March 22, 2018.

VOTING

Because many shareholders cannot attend the Annual Meeting in person, it is necessary that a large number of our voting shares be represented at the Annual Meeting by proxy to achieve a quorum. Pursuant to the Company’s Bylaws, at least a majority of the outstanding voting shares must be present (in person or by proxy) at the Annual Meeting to conduct the meeting, which is known as a “quorum” of shares. Even if you expect to attend, it is important that you vote your shares by submitting your proxy in advance.

Whether you hold your shares directly as the shareholder of record or through a broker, trustee, or other nominee (“in street name”), you may vote by proxy without attending the Annual Meeting in three different ways:

- Internet: Shareholders may submit their proxy over the Internet by following the instructions provided on the proxy card or on the E-Proxy Notice. Shareholders will need to have the control number appearing on their proxy card or E-Proxy Notice available in order to submit their proxy over the Internet.

- Telephone: Shareholders may submit their proxy by telephone, toll-free, by following the instructions provided on the proxy card or on the E-Proxy Notice. Shareholders will need to have the control number appearing on their proxy card or E-Proxy Notice available in order to submit their proxy by telephone.
- Mail: Shareholders who receive a paper copy of a proxy card by mail may submit their proxy by signing, dating and returning the proxy card as promptly as possible in the envelope enclosed for that purpose.

Shareholders can save the Company expense by submitting their proxy by telephone or over the Internet. If you submit your proxy by telephone or over the Internet, you do not need to also submit a proxy card, although you may do so as one method of changing your vote as described below. The method of voting will not limit a shareholder's right to attend the Annual Meeting.

Each proxy will be voted in accordance with the shareholder's specifications. If you return a signed proxy card without providing voting instructions or do not designate a voting preference when using the other methods, your shares will be voted as recommended by the Board of Directors. All proxies delivered pursuant to this solicitation are revocable at any time

Table of Contents

prior to the meeting at the option of the shareholder either by giving written notice to the Corporate Secretary at 9025 North Lindbergh Drive, Peoria, Illinois, 61615, or by timely delivery of a properly completed proxy, whether by proxy card or by Internet or telephone vote, bearing a later date, or by voting in person at the Annual Meeting. All shares represented by valid, unrevoked proxies will be voted at the Annual Meeting.

Assuming the presence, in person or by proxy, of a quorum, the election of directors (Proposal One) requires the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote. With respect to the election of directors, shareholders may vote in favor of all nominees, or withhold their votes as to all nominees, or withhold their votes as to specific nominees. Votes withheld are deemed present at the meeting and thus will be counted for quorum purposes and have the effect of a vote against the director.

The proposal to approve the Company's reincorporation from the State of Illinois to the State of Delaware (Proposal Two) requires the affirmative vote of a majority of the Company's issued and outstanding voting shares.

Assuming the presence, in person or by proxy, of a quorum, the proposal to ratify the selection of KPMG as the Company's independent accounting firm (Proposal Four) requires the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote.

The "Say-on-Pay" vote (Proposal Three) is advisory (not binding) in nature so there is no specified voting requirement for approval. However, the Board of Directors will consider that the shareholders have approved executive compensation on an advisory basis if this agenda item receives the affirmative vote of a majority of the votes cast (in person or by proxy).

With respect to Proposals Two and Four shareholders may vote "For," "Against" or "Abstain" on each proposal. Abstentions are deemed present at the meeting, and thus will be counted for quorum purposes, but will have the same effect as a vote against the matters respectively set forth in Proposals Two and Four.

Brokers who hold shares for the accounts of their clients "in street name" may vote such shares either as directed by their clients or at their own discretion if permitted by the New York Stock Exchange ("NYSE") and other organizations of which they are members. If an executed proxy is returned by a broker on behalf of its client that indicates the broker does not have discretionary authority as to certain shares to vote on one or more matters (a "broker non-vote"), such shares will be considered present at the Annual Meeting for purposes of determining a quorum, but are not considered entitled to vote on that matter. Therefore, broker non-votes will not have any effect on any of the proposals being voted upon at the meeting. If your broker holds your shares "in street name" and you do not instruct your broker how to vote, your broker will have discretion to vote your shares on routine matters, such as Proposal Four, the ratification of the selection of the Company's independent public accounting firm.

Your broker will not, however, have discretion to vote on non-routine matters absent direction from you. Among other matters, brokers are not entitled to use their discretion to vote uninstructed proxies in director elections or executive compensation matters. As a result, your broker will not be able to vote your shares on Proposals One through Three without your direction. Therefore, it is important that you provide your broker with voting instructions on all proposals. If your shares are held by your broker “in street name,” you will receive a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. Please complete the form and return it as instructed by the broker or agent.

SHAREHOLDERS ENTITLED TO VOTE

Shareholders of record at the close of business on March 5, 2018, the record date, shall be entitled to vote at the 2018 Annual Meeting. As of the record date, the Company had 44,239,351 shares of Common Stock outstanding and entitled to vote. Common share ownership entitles the holder to one vote per share upon each matter to be voted at the 2018 Annual Meeting.

PROXY SOLICITATION

The Company will bear the cost of proxy solicitation. In addition to the use of the mail, proxies may be solicited in person or by telephone, facsimile or other electronic means, by directors, officers or employees of the Company. No additional compensation will be paid to such persons for their services. In accordance with the regulations of the SEC and the NYSE, the Company will reimburse banks, brokerage firms, investment advisors and other custodians, nominees, fiduciaries and service bureaus for their reasonable out-of-pocket expenses for forwarding soliciting material to beneficial owners of the Company's Common Stock and obtaining their proxies or voting instructions.

At this year's Annual Meeting, all ten (10) directors are to be elected, each to hold office for a one-year term expiring at the 2019 Annual Meeting unless that director dies, resigns or is removed prior to that time. Unless otherwise instructed, the shares represented by a signed proxy card will be voted for the election of each of the 10 nominees named below. The affirmative vote of a majority of the shares of common stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote is required for the election of directors. Votes will be tabulated by an Inspector of Election appointed at the Annual Meeting. Shares may be voted for, or withheld from, each nominee. Cumulative voting for the directors is not permitted under the Company's Restated Articles of Incorporation.

PROPOSAL TWO: APPROVAL OF THE REINCORPORATION OF THE COMPANY FROM THE STATE OF ILLINOIS TO THE STATE OF DELAWARE

In this section of the Proxy Statement, we sometimes refer to the Company prior to the reincorporation as “RLI (Illinois)” and, we sometimes refer to the Company following the reincorporation as “RLI (Delaware).” Holders of stock in Illinois corporations are referred to in Illinois law as “shareholders,” and holders of stock in Delaware corporations are referred to in Delaware law as “stockholders.” In this section of the Proxy Statement, for convenience, we use the term “shareholders” throughout when referring to the holders of equity in RLI (Illinois) and RLI (Delaware).

The Board has unanimously approved and recommends to our shareholders this proposal to change the Company’s jurisdiction of incorporation from Illinois to Delaware (the “Reincorporation”). If our shareholders approve this proposal, we will effect the Reincorporation by merging the Company with and into a wholly-owned subsidiary of the Company, which is a Delaware corporation, and which will be the surviving corporation of the merger (the “Reincorporation Merger”).

SUMMARY

Assuming shareholder approval of this proposal is obtained and the Reincorporation Merger is consummated:

- the internal affairs of the Company will cease to be governed by the Illinois Business Corporation Act of 1983, as amended (the “ILBCA”), and will become subject to Delaware General Corporation Law, as amended (the “DGCL”), and the Company’s existing Amended and Restated Articles of Incorporation (the “Illinois Articles of Incorporation”) and existing Bylaws (the “Illinois Bylaws”) will be replaced by a new certificate of incorporation and new bylaws, as more fully described below;
- the separate corporate existence of RLI (Illinois) will cease and (i) RLI (Delaware) will continue in existence as the surviving corporation of the Reincorporation Merger and will succeed to and possess all rights, privileges, powers and franchises of RLI (Illinois), (ii) all of the assets and property of whatever kind and character of RLI (Illinois) will vest in RLI (Delaware) and (iii) RLI (Delaware) will be liable for all of the liabilities and obligations of RLI (Illinois), and any claim or judgment against RLI (Illinois) may be enforced against RLI (Delaware), as the surviving corporation of the Reincorporation Merger, in accordance with the ILBCA and the DGCL;
- each share of RLI (Illinois) common stock, par value \$1.00 per share, that is outstanding immediately prior to the consummation of the Reincorporation Merger will be converted into one outstanding share of RLI (Delaware) common stock, par value \$0.01 per share, and each option, restricted stock unit or other right to acquire shares of RLI (Illinois) common stock that is outstanding immediately prior to the consummation of the Reincorporation Merger will be converted into an outstanding option, restricted stock unit or other right to acquire shares of RLI

(Delaware) common stock; YOU WILL NOT NEED TO EXCHANGE YOUR EXISTING STOCK CERTIFICATES FOR STOCK CERTIFICATES OF RLI (DELAWARE);

- each director or officer of RLI (Illinois) immediately prior to the consummation of the Reincorporation Merger will hold the same respective office with RLI (Delaware) at and after the consummation of the Reincorporation Merger; and
- those shareholders who do not vote in favor of the Reincorporation may dissent and obtain payment for the “estimated fair value” of their shares of RLI (Illinois) common stock under the ILBCA, subject to compliance with the procedures explained under “Dissenters’ or Appraisal Rights Relating to the Reincorporation” below.

GENERAL INFORMATION

The Board has approved an agreement and plan of merger substantially in the form attached as Annex A to this Proxy Statement (the “Reincorporation Merger Agreement”) to accomplish the Reincorporation. This proposal will require the approval of the affirmative vote of holders of at least a majority of the outstanding shares of the Company entitled to vote on the proposal. Those holders of shares of common stock outstanding at the close of business on the record date will be

Table of Contents

entitled to vote on this proposal. Assuming that shareholder approval of this proposal is obtained, the Company intends to file with the Illinois Secretary of State articles of merger (the “Illinois Articles of Merger”) and intends to file with the Delaware Secretary of State a certificate of merger (the “Delaware Certificate of Merger”). From and after the consummation of the Reincorporation Merger, the Company will be subject to the DGCL and the provisions of the Amended and Restated Certificate of Incorporation of RLI (Delaware), in the form attached as Annex B to this Proxy Statement (the “Delaware Certificate of Incorporation”) and the Bylaws of RLI (Delaware) in the form attached as Annex C to this Proxy Statement (the “Delaware Bylaws”).

There will be no interruption in your ability to trade your shares as a result of the Reincorporation. From and after the consummation of the Reincorporation Merger, the common stock of RLI (Delaware) will trade on the New York Stock Exchange under the same symbol, “RLI” that the common stock of RLI (Illinois) traded prior to the consummation of the Reincorporation Merger. RLI (Delaware) will file periodic reports and other documents as and to the extent required by the rules and regulations of the SEC. Shareholders who own shares of RLI (Illinois) common stock that are freely tradable prior to the Reincorporation will have freely tradable shares in RLI (Delaware) after the Reincorporation. Shareholders holding restricted shares of RLI (Illinois) common stock prior to the Reincorporation will hold shares in RLI (Delaware) after the Reincorporation subject to the same restrictions on transfer. In summary, the Reincorporation will not change the respective positions of the Company or its shareholders under federal securities laws or stock exchange rules.

REASONS FOR THE REINCORPORATION

For many years, Delaware has followed a policy of encouraging incorporation in that state and, in furtherance of that policy, has been a leader in adopting, construing and implementing comprehensive, flexible corporate laws responsive to the legal and business needs of corporations organized under its laws. Many corporations have initially chosen Delaware, or chosen to reincorporate in Delaware, in a manner similar to that being proposed by the Company. We believe the principal reasons for considering the Reincorporation are:

- the development in Delaware over the last century of a well-established body of case law construing the DGCL, which provides businesses with a greater measure of predictability than exists in any other jurisdiction;
- the certainty afforded by the well-established principles of corporate governance under Delaware law are of benefit to RLI (Illinois) and its shareholders and should assist RLI (Illinois) in its ability to continue to attract and retain outstanding directors and officers;
- the DGCL itself, which is updated annually to reflect business needs and developments, is generally acknowledged to be the most advanced and flexible corporate statute in the United States;

the Delaware Court of Chancery, which has exclusive jurisdiction over matters relating to the DGCL and in which cases are heard by judges, without juries, brings to its handling of complex corporate issues a level of experience, a speed of decision and a degree of sophistication and understanding unmatched by any other court in the United States, and the Delaware Supreme Court, the only Delaware appeals court, which is highly regarded and has demonstrated its willingness to schedule and rule on business matters on an expedited schedule where prompt resolution is important to the business needs of the parties involved;

- the Delaware General Assembly, to meet changing business needs, considers and adopts annually statutory amendments to the DGCL that have been proposed by the Corporation Law Section of the Delaware bar; and
- the Delaware Division of Corporations, which is open from 8 am to 12 am Monday through Friday to accept corporate filings, has a procedure for “preclearance” of corporate filings and offers same day, two (2) hour, one (1) hour and half-hour processing of corporate filings, thus allowing prompt and efficient evidence of filings and certifications to be obtained to facilitate business and transactional needs, and also has a procedure to accommodate closings occurring in international time zones outside of normal business hours or on weekends or holidays.

Table of Contents

CHANGES AS A RESULT OF REINCORPORATION

If this proposal is approved, the Reincorporation will effect a change in the state of incorporation of the Company and other changes of a legal nature, the most significant of which are described below in the section entitled “Rights of our Shareholders Prior to and After the Reincorporation.” The Reincorporation is not expected to affect any of the Company’s material contracts with any third parties, and the Company’s rights and obligations under such material contracts will continue as rights and obligations of RLI (Delaware). The Reincorporation itself will not result in any change in the Company’s business, jobs, management, number of employees, assets, liabilities or net worth (other than transaction costs incident to the Reincorporation). Further, the directors and officers of RLI (Illinois) immediately prior to the Reincorporation will be the directors and officers of RLI (Delaware) immediately after the Reincorporation, and the subsidiaries of RLI (Illinois) immediately prior to the Reincorporation will be the subsidiaries of RLI (Delaware) immediately after the Reincorporation. The Company will not change its physical headquarters from Peoria, Illinois or the domicile of its insurance company subsidiaries, all of which are in Illinois, in connection with the Reincorporation.

THE REINCORPORATION MERGER AGREEMENT

The Reincorporation will be effected pursuant to the Reincorporation Merger Agreement. The Reincorporation Merger Agreement provides that RLI (Illinois) will merge with and into its wholly-owned subsidiary, RLI (Delaware), on the terms and conditions set forth in the Reincorporation Merger Agreement. By virtue of the Reincorporation Merger, RLI (Delaware) will continue in existence as the surviving corporation and, without further transfer or action, succeed to and possess all rights, privileges, powers and franchises of RLI (Illinois), and all of the assets and property of whatever kind and character of RLI (Illinois) shall vest in RLI (Delaware), as the surviving corporation of the Reincorporation Merger. RLI (Delaware), as the surviving corporation of the Reincorporation Merger, will be liable for all of the liabilities and obligations of RLI (Illinois); and any claim or judgment against RLI (Illinois) may be enforced against RLI (Delaware), as the surviving corporation of the Reincorporation Merger. Each director and officer of RLI (Illinois) immediately prior to the consummation of the Reincorporation Merger will hold the same respective office with RLI (Delaware) at and after the consummation of the Reincorporation Merger.

If this proposal is approved by our shareholders, the Reincorporation would become effective upon the filing (and acceptance thereof by the Illinois Secretary of State and the Delaware Secretary of State, as applicable) and effectiveness of the Illinois Articles of Merger and the Delaware Certificate of Merger. If this proposal is approved by our shareholders, it is anticipated that the Board will cause the Reincorporation to be effected as soon as practicable thereafter. However, the Reincorporation Merger Agreement may be terminated and the merger abandoned by the action of the Board of either RLI (Illinois) or RLI (Delaware) at any time prior to the effective time of the Reincorporation Merger, whether before or after approval by our shareholders, for any reason whatsoever.

If this proposal is approved, shareholders will not be required to exchange their RLI (Illinois) stock certificates for new RLI (Delaware) stock certificates. Rather, at and following the consummation of the Reincorporation Merger, the

stock certificates that previously represented shares of common stock of RLI (Illinois) will represent the same number of shares of common stock of RLI (Delaware) until submitted to the Company for transfer, whether pursuant to a sale or otherwise, and thereupon will be exchanged for RLI (Delaware) stock certificates. Shareholders should not destroy any stock certificate(s) and should not submit any certificate(s) to the Company unless and until requested to do so.

EFFECT OF VOTE FOR THE REINCORPORATION

A vote in favor of the Reincorporation is a vote in favor of the adoption of the Reincorporation Merger Agreement, the Delaware Certificate of Incorporation and the Delaware Bylaws.

Table of Contents

EFFECT OF NOT OBTAINING THE REQUIRED VOTE FOR APPROVAL

If we fail to obtain the requisite vote of shareholders for approval of this proposal, the Reincorporation Merger will not be consummated and the Company will continue to be incorporated in Illinois and governed by the ILBCA, the Illinois Articles of Incorporation and the Illinois Bylaws.

DESCRIPTION OF THE COMPANY'S CAPITAL STOCK UPON THE EFFECTIVENESS OF THE REINCORPORATION

Assuming that our shareholders approve this proposal and the Reincorporation becomes effective, the Company will merge with and into RLI (Delaware), which is a wholly-owned subsidiary of the Company incorporated in the State of Delaware and formed solely for purposes of effecting the Reincorporation, and which will be the surviving corporation of the Reincorporation Merger. The rights of the shareholders of RLI (Delaware) will be governed by Delaware law, the Delaware Certificate of Incorporation and the Delaware Bylaws. The following is a description of the capital stock of RLI (Delaware) upon the effectiveness of the Reincorporation. This description is not intended to be complete and is qualified in its entirety by reference to Delaware law, including the DGCL, and the full texts of the Delaware Certificate of Incorporation, a copy of which is attached as Annex B to this Proxy Statement, and the Delaware Bylaws, a copy of which is attached as Annex C to this Proxy Statement.

General

The authorized capital stock of RLI (Illinois) consists of 100,000,000 shares of common stock, par value \$1.00 per share, and 5,000,000 shares of preferred stock, par value \$0.01 per share. Upon the consummation of the Reincorporation Merger, the number of shares of authorized capital stock of RLI (Delaware) will be 100,000,000 shares of common stock and 5,000,000 shares of preferred stock. However, the common stock of RLI (Delaware) will have a par value of \$0.01 per share, rather than \$1.00 per share, as is the case with respect to the common stock of RLI (Illinois). This change merely reduces the minimum consideration payable upon the issuances of stock of RLI (Delaware), reduces the filing fees for documents affecting the stock of RLI (Delaware) filed with the Delaware Secretary of State and increases the funds available under Delaware law for dividends and stock repurchases and will have no material impact upon the financial statements of RLI (Delaware).

Common Stock

Dividends; Liquidation. Subject to the preferences of any outstanding shares of preferred stock, holders of common stock of RLI (Delaware) will have equal ratable rights to dividends (payable in cash, stock or property) out of funds

legally available for that purpose, when, as and if dividends are declared by the Board of RLI (Delaware). Holders of common stock are entitled to share ratably, as a single class, in all of the assets of RLI (Delaware) available for distribution to holders of shares of common stock upon the liquidation or dissolution of RLI (Delaware) or the winding up of the affairs of RLI (Delaware), after payment of the liabilities of RLI (Delaware) and any amounts to holders of outstanding shares of preferred stock.

Voting Rights. Generally, holders of the common stock of RLI (Delaware) will vote together as a single class on every matter acted upon by the shareholders. Holders of RLI (Delaware) common stock will be entitled to one vote per share on all matters submitted to a vote of shareholders. Shareholders will not be entitled to cumulate votes in voting for directors. The holders of a majority in voting power of the outstanding shares of stock entitled to vote on a matter, represented in person or by proxy, will constitute a quorum at any meeting of shareholders. If a quorum is present, the affirmative vote of the majority of the votes cast on a matter will be the act of the shareholders, unless the vote of a minimum or other number or amount is provided for such matter by the DGCL, the Delaware Certificate of Incorporation or the Delaware Bylaws or the rules and regulations of any stock exchange or other regulatory body, in which case such minimum or other vote will be the required vote of shareholders on such matter. Except as otherwise provided by law, or the Delaware Certificate Incorporation by the resolution or resolutions adopted by the Board designating the rights, powers and preferences of any series and/or class of preferred stock, the holders of RLI (Delaware) common stock have the exclusive right to vote for the election of directors and for all matters presented to the shareholders.

Table of Contents

Other. The holders of RLI (Delaware) common stock have no preferences or rights of conversion, exchange, pre-emption or other subscription rights. There are no redemption or sinking fund provisions applicable to the RLI (Delaware) common stock. The rights of the holders of RLI (Delaware) common stock are subject to the rights and preferences of any series of preferred stock that RLI (Delaware) may issue.

Preferred Stock

By resolution of the Board, RLI (Delaware) may, without any further vote by its shareholders, authorize and issue an aggregate of 5,000,000 shares of preferred stock. Shares of preferred stock may be issued from time to time in one or more series and/or classes. The Board may by resolution fix the voting rights, if any, designations, powers, preferences and the relative, participation, optional or other rights, if any, and the qualification, limitations or restrictions thereof, of any unissued series and/or class of preferred stock, and may fix the number of shares constituting such series and/or class, and may increase or decrease the number of shares of any such series and/or class (but not below the number of shares thereof then outstanding). The authority of the Board to issue preferred shares without the additional approval of the shareholders could have a possible anti-takeover effect, which we describe in more detail below in the section entitled “Possible Anti-Takeover Effect of Provisions – Authorized Preferred Shares.”

THE CHARTERS AND BYLAWS OF RLI (DELAWARE) AND RLI (ILLINOIS)

The provisions of the Delaware Certificate of Incorporation and the Delaware Bylaws are substantially similar in substance to those of the Illinois Articles of Incorporation and Illinois Bylaws. The differences in the provisions of the Delaware governing documents as compared to the provisions of the Illinois governing documents include, but are not limited to, the following: (i) the elimination of the presumption of assent to any action the Board takes, by directors who are present at a meeting unless the director’s dissent is entered in the minutes of the meeting or the director files a written dissent to such action; and (ii) the expansion of the powers which the Board may in its discretion grant to each Board committee.

In addition, the proposed Reincorporation includes the implementation of certain other provisions in the Delaware Certificate of Incorporation and the Delaware Bylaws that are different from the Illinois Articles of Incorporation and Illinois Bylaws. For a discussion of such changes, see “Rights of our Shareholders Prior to and After the Reincorporation from Illinois to Delaware.” The discussion of the Delaware Certificate of Incorporation and the Delaware Bylaws is qualified by reference to the provisions of the DGCL, and the Delaware Certificate of Incorporation, a copy of which is attached as Annex B to this Proxy Statement, and the Delaware Bylaws, a copy of which is attached as Annex C to this Proxy Statement. In addition, RLI (Delaware) could implement certain other changes in the future by amending the Delaware Certificate of Incorporation or the Delaware Bylaws in accordance with Delaware law.

LIMITATION OF DIRECTOR LIABILITY AND INDEMNIFICATION AND ADVANCEMENT OF EXPENSES

Illinois and Delaware have similar laws relating to indemnification by a corporation of its officers, directors, employees and other agents. The laws of Illinois and Delaware permit corporations to adopt a provision in their articles of incorporation or certificates of incorporation, as applicable, eliminating the liability of a director to the corporation or its shareholders for monetary damages for breach of the director's fiduciary duties except where such liability is based on:

- any breach of the director's duty of loyalty to the corporation or its shareholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
 - liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions; or
- any transaction from which the director derived an improper personal benefit.

In addition, Illinois and Delaware have similar laws relating to indemnification and advancement of expenses by a corporation of its officers, directors, employees and other agents. The Illinois Articles of Incorporation provide for mandatory indemnification and, if approved by the Board, the advancement of expenses to its current and former directors and officers,

Table of Contents

where the person seeking indemnification acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct was unlawful, to the extent permitted by the ILBCA. The Illinois Articles of Incorporation also provide that the Company may indemnify and advance expenses to any person who is or was an employee or agent of the Company, or is or was an employee or agent of the Company serving at the request of the Company as a director, officer or employee of another corporation, partnership, joint venture, trust or other enterprise, to the extent and under the circumstances provided above with respect to a person who is or was a director or officer of the Company.

The indemnification provisions of the Delaware Bylaws are substantially identical to those contained in the Illinois Bylaws. However, the Delaware Bylaws mandate the advancement of expenses to an indemnified party and omit the requirement that the Company shall report any indemnification or advancement of expenses in writing to the shareholders with or before the notice of the next shareholders' meeting.

EMPLOYEE BENEFIT PLANS

All employee benefit plans of RLI (Illinois), including deferred compensation, stock option, restricted stock unit and other equity-based plans, will be assumed by RLI (Delaware), and each stock option, restricted stock unit and other equity-based award issued and outstanding pursuant to such plans would automatically be converted into a stock option, restricted stock unit or other equity-based award with respect to the same number of shares of RLI (Delaware), upon the same terms and subject to the same conditions as set forth in the applicable plan under which the award was granted and in the agreement reflecting the award. Approval of the Reincorporation would constitute approval of the assumption of these plans by RLI (Delaware). RLI (Delaware) will also assume other employee benefit arrangements of RLI (Illinois) upon the terms and subject to the conditions currently in effect, as may be amended from time to time.

DISSENTERS' OR APPRAISAL RIGHTS RELATING TO THE REINCORPORATION

Under Illinois law, Company shareholders who do not vote in favor of the Reincorporation and who follow the procedures required by Section 11.70 of the ILBCA, which is attached as Annex D to this Proxy Statement, will have the right to dissent from the Reincorporation Merger which effects the Reincorporation and obtain payment for their shares in the form of cash in the event of the completion of the Reincorporation. If you are considering exercising your dissenters' rights, you should carefully review Annex D to this Proxy Statement. Because of the complexity of the procedure established for exercising dissenters' rights under Section 11.70 of the ILBCA, the Company encourages you to consult an attorney before electing or attempting to exercise these rights.

Under the ILBCA, all shareholders entitled to dissenters' rights must be notified of that fact and the procedure to dissent in the meeting notice relating to the transaction with respect to which they are entitled to assert dissenters' rights. This Proxy Statement constitutes that notice. Because the Company has furnished to shareholders in this Proxy Statement material information with respect to the Reincorporation, including the merger of RLI (Illinois) with and into RLI (Delaware), that will objectively enable a shareholder to evaluate the Reincorporation, to vote on the proposal and to determine whether or not to exercise dissenters' rights, a shareholder may assert these rights only if (i) prior to the vote on the Reincorporation, including the Reincorporation Merger, at the Annual Meeting, the shareholder delivers to the Company a written demand, as described in Section 11.70 of the ILBCA, for payment for his or her shares in the event the Reincorporation Merger is completed and (ii) the shareholder does not vote in favor of the Reincorporation, including the Reincorporation Merger Agreement.

If a shareholder votes in favor of the Reincorporation, the shareholder will not be entitled to dissent and obtain payment for his or her shares, and a vote against the Reincorporation will not satisfy the above requirement that a written demand for payment be delivered to the Company before the vote on Reincorporation. Failure to vote against the approval of the Reincorporation will not waive a shareholder's dissenters' rights; provided that the shareholder has not voted in favor of the Reincorporation and, provided, further, that the shareholder has complied in all other respects with the ILBCA in preserving the shareholder's dissenters' rights. See Annex D of this Proxy Statement for the full text of Section 11.70 of the ILBCA.

DELAWARE BUSINESS COMBINATION STATUTE

Like Illinois, Delaware has a “business combination” statute that is applicable to publicly traded corporations incorporated in Delaware that do not opt out of its provisions in its certificate of incorporation or bylaws. The Delaware business combination statute is similar to the Illinois business combination statute currently applicable to the Company. Delaware’s business combination statute provides that an “interested shareholder” (defined as a person who owns fifteen percent (15%) or more of the outstanding voting stock of a corporation or who is an associate or affiliate of the corporation and, within the preceding three-year period, owned fifteen percent (15%) or more of the outstanding voting stock of the corporation), and the affiliates and associates of such person may not engage in specified business combinations with the corporation for a period of three years after the date on which the person became an interested shareholder unless (i) prior to such time the board of directors of the corporation approved either the business combination or the transaction which resulted in the shareholder becoming an interested shareholder, (ii) upon consummation of the transaction which resulted in the shareholder becoming an interested shareholder, the interested shareholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced excluding certain shares, and (iii) at or subsequent to the time the business combination is approved by the board of directors and authorized at an annual or special meeting of shareholders (and not by written consent) by the affirmative vote of at least sixty-six and two-thirds percent (66 2/3%) of the outstanding voting stock of the corporation not owned by the interested shareholder. Delaware law defines the term “business combination” to encompass a wide variety of transactions with or caused by an interested shareholder, including mergers, asset sales and transactions in which the interested shareholder receives or could receive a benefit on other than a pro rata basis with all other shareholders of the corporation. RLI (Delaware) may amend the Delaware Certificate of Incorporation in the future in accordance with Delaware law to no longer be governed by the Delaware business combination statute. Because RLI (Delaware) has not elected to opt-out of this provision in the Delaware Certificate of Incorporation, the provision might discourage takeover attempts that might result in a premium over the market price for shares of common stock of RLI (Delaware) at a given time.

Material U.S. Federal Income Tax Consequences of the Reincorporation Merger

The following is a discussion of the material U.S. federal income tax consequences of the Reincorporation Merger, but does not purport to be a complete analysis of all potential tax considerations. The effects of other U.S. federal tax laws, such as estate and gift tax laws, and any applicable state, local or foreign tax laws are not discussed. This discussion is based on the U.S. Internal Revenue Code of 1986, as amended (the “Code”), U.S. Treasury Regulations promulgated thereunder, judicial decisions, and published rulings and administrative pronouncements of the U.S. Internal Revenue Service (the “IRS”), in each case in effect as of the date hereof. These authorities may change or be subject to differing interpretations. Any such change or differing interpretation may be applied retroactively in a manner that could affect the tax consequences described herein. We have not sought and will not seek any rulings from the IRS regarding the matters discussed below. There can be no assurance the IRS or a court will not take a contrary position to that discussed below regarding the tax consequences of the Reincorporation Merger.

If an entity treated as a partnership for U.S. federal income tax purposes holds our stock, the tax treatment of the entity’s owners relating to the Reincorporation Merger may impart upon the status of the owners, the activities of the entity and certain determinations made at the owner level. Any such entity should consult its own tax advisor regarding the U.S. federal income tax considerations applicable to it and its owners relating to the Reincorporation Merger.

THIS DISCUSSION IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT TAX ADVICE. THIS DISCUSSION DOES NOT ADDRESS INCOME TAX CONSEQUENCES TO HOLDERS OF OUR COMMON STOCK WHO EXERCISE DISSENTERS’ RIGHTS. ALL HOLDERS OF OUR COMMON STOCK SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO THEIR PARTICULAR SITUATIONS AS WELL AS ANY TAX CONSEQUENCES OF THE REINCORPORATION MERGER ARISING UNDER THE U.S. FEDERAL ESTATE OR GIFT TAX LAWS OR UNDER THE LAWS OF ANY STATE, LOCAL OR NON-U.S. TAXING JURISDICTION OR UNDER ANY APPLICABLE INCOME TAX TREATY.

The Reincorporation Merger is intended to qualify as “reorganization” pursuant to Section 368(a)(1)(F) of the Code. Assuming that the Reincorporation Merger so qualifies:

Table of Contents

- no gain or loss will be recognized by RLI (Illinois) or RLI (Delaware) as a result of the Reincorporation Merger;
 - holders of shares RLI (Illinois) common stock will not recognize gain or loss upon the conversion of their shares of RLI (Illinois) common stock to RLI (Delaware) common stock;

- " the holding period of the shares of RLI (Delaware) common stock received pursuant to the conversion of RLI (Illinois) common stock in the Reincorporation Merger will include the holding period of the converted shares of RLI (Illinois) common stock.

ACCOUNTING TREATMENT

We expect that the Reincorporation will have no material effect from an accounting perspective. As such, the financial statements of RLI (Illinois) previously filed with the SEC will remain the financial statements of RLI (Delaware) following the Reincorporation.

RIGHTS OF OUR SHAREHOLDERS PRIOR TO AND AFTER THE REINCORPORATION FROM ILLINOIS TO DELAWARE

The rights of RLI (Illinois) shareholders are currently governed by the ILBCA and Illinois common law, the Illinois Articles of Incorporation and the Illinois Bylaws. The rights of shareholders of RLI (Delaware) after the completion of the Reincorporation will be governed by Delaware law, principally the DGCL and Delaware common law, the Delaware Certificate of Incorporation and the Delaware Bylaws. As a result of the differences between the ILBCA and the DGCL and between the governing documents of RLI (Illinois) and RLI (Delaware), certain of your rights as a shareholder of RLI (Delaware) will vary in some respects from your current rights as a shareholder of RLI (Illinois).

It is not practical to summarize in this Proxy Statement all of the differences between the DGCL and the ILBCA or between the Delaware Certificate of Incorporation and the Delaware Bylaws, on the one hand, and the Illinois Articles of Incorporation and Illinois Bylaws, on the other. Instead, this section summarizes some of the material differences and describes how those differences may affect the rights and interests of shareholders of RLI (Illinois) if and when they become shareholders of RLI (Delaware).

For a description of the capital stock of RLI (Delaware) see “Description of the Company’s Capital Stock upon the Effectiveness of the Reincorporation.” You should also refer to the ILBCA and the DGCL, as well as the Illinois Articles of Incorporation and Illinois Bylaws and the Delaware Certificate of Incorporation and the Delaware Bylaws to be in effect immediately upon the effectiveness of the Reincorporation. The Delaware Certificate of Incorporation is attached as Annex B to this Proxy Statement, and the Delaware Bylaws are attached as Annex C to this Proxy Statement. The Illinois Articles of Incorporation and the Illinois Bylaws have been filed as exhibits to the current report of RLI (Illinois) on Form 8-K filed with the SEC on May 5, 2017 and are incorporated herein by reference. See “Where You Can Find More Information.”

As of March 5, 2018, RLI (Illinois) had outstanding 44,239,351 shares of common stock and no shares of preferred stock.

Table of Contents

RLI (Delaware)

The authorized capital stock of RLI (Delaware) will consist of 100,000,000 shares of common stock, par value \$0.01 per share, and 5,000,000 shares of preferred stock, \$0.01 par value per share. Upon the consummation of the Reincorporation Merger, the total number of outstanding shares of RLI (Delaware) common stock is estimated to be approximately 44,239,351 (based on the number of shares of RLI (Illinois) common stock outstanding as of March 5, 2018), and no shares of preferred stock will be outstanding.

Number of Directors; Term of Office

RLI (Illinois)

Under the ILBCA, the number of directors is fixed by the bylaws, or absent such provision, by the articles of incorporation or by resolution of the incorporator in the organizational minutes, and may provide for a range by prescribing a minimum and maximum (which may not exceed the minimum by more than five). The Illinois Bylaws provide that the number of directors shall be determined from time to time by the Board, but the number of directors shall be not less than nine (9) nor more than thirteen (13). The term of office of each director is one (1) year with each director to be elected each year at the Company's annual meeting.

RLI (Delaware)

The DGCL provides that a corporation's board of directors must consist of one or more members, with the number fixed by, or in the manner provided in, the bylaws, unless the certificate of incorporation fixes the number, in which case a change in the number of directors shall be made only by amendment of the certificate. Similar to the Illinois Bylaws, the Delaware Bylaws provide that the number of directors shall be determined from time to time by the Board, but the number of directors shall be not less than nine (9) nor more than thirteen (13). Each director shall hold office until the next annual meeting of shareholders and until such director's successor is duly elected and qualified or until such director's earlier death, resignation or removal.

Dividends/Distributions

RLI (Illinois)

Under Illinois law, a corporation may not make any distribution to its shareholders if, after giving effect to the distribution, (i) the corporation would be insolvent; or (ii) the net assets of the corporation would be less than zero or less than the maximum amount payable at the time of distribution to shareholders having preferential rights in liquidation if the corporation were then to be liquidated.

RLI (Delaware)

Delaware law permits a corporation to declare and pay dividends upon its shares out of (i) surplus or, (ii) if there is no surplus, out of net profits for the fiscal year in which the dividend is declared and/or for the preceding fiscal year as long as the amount of capital of the corporation following the declaration and payment of the dividend is not less than the aggregate amount of the capital represented by the issued and outstanding stock of all classes having a preference upon the distribution of assets.

Action by Written Consent of Shareholders

RLI (Illinois)

The ILBCA allows shareholders to take action by unanimous written consent of all shareholders entitled to vote on the matter or by signed written consent of the holders of shares having not less than the minimum number of votes necessary to take action at a meeting in which all shares entitled to vote on the matter were present and voting, unless such right is

denied by the articles of incorporation. The Illinois Articles of Incorporation do not deny such right. The ILBCA provides for at least five (5) days' advance notice of the action contemplated (unless consent will be unanimous) and prompt notice afterwards to non-consenting shareholders of the action taken without a meeting. The Illinois Bylaws also provide for advance notice and other procedural requirements in connection with shareholder action by written consent.

RLI (Delaware)

The DGCL also provides that shareholders may take action by the written consent of the holders of shares having not less than the minimum number of votes necessary to take action at a meeting in which all shares entitled to vote on the matter were present and voting, unless such right is limited or restricted by the certificate of incorporation. The Delaware Certificate of Incorporation does not limit or restrict such right. If action is taken by less than unanimous written consent, the DGCL requires prompt notice afterwards to non-consenting holders of the action taken; however, the DGCL does not require advance notice to shareholders of the contemplated action as is required by the ILBCA. The Delaware Bylaws also provide for advance notice and other procedural requirements in connection with shareholder action by written consent.

Revocability of Proxies

RLI (Illinois)

Under the ILBCA, a duly executed proxy is revocable unless it conspicuously states that it is irrevocable and the appointment is coupled with an interest. Under the ILBCA, unless otherwise provided in the proxy, no proxy shall be valid more than eleven (11) months from the date of the proxy.

RLI (Delaware)

Under the DGCL, a duly executed proxy is irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. Under the DGCL, unless otherwise provided in the proxy, no proxy shall be valid more than three (3) years from the date of the proxy.

Quorum/Voting

RLI (Illinois)

The Illinois Bylaws provide that a majority of the outstanding shares entitled to vote on a matter, represented in person or by proxy, constitutes a quorum for consideration of such matter at a meeting of shareholders. If a quorum is present at a duly called or convened meeting, the affirmative vote of the majority of the shares represented at the meeting and entitled to vote on a matter is the act of the shareholders, unless the vote of a greater number or voting by classes is required by law or the governing documents of RLI (Illinois).

RLI (Delaware)

Similarly, the Delaware Bylaws provide that the holders of a majority in voting power of the outstanding shares of stock, represented in person or by proxy, constitutes a quorum at a meeting of shareholders. If a quorum is present at a duly called or convened meeting, except as otherwise provided by the Delaware Certificate of Incorporation, the Delaware Bylaws, the rules or regulations of any stock exchange applicable to the Company's securities or applicable law or pursuant to any regulation applicable to the Company, the affirmative vote of the holders of a majority of the votes cast on the matter (excluding abstentions and broker non-votes) is the act of the shareholders.

Table of Contents

Election, Removal and Vacancies of Directors

RLI (Illinois)

Under the ILBCA, shareholders are entitled to cumulative voting rights in the election of directors unless otherwise provided in the corporation's articles of incorporation. The Illinois Articles of Incorporation provide that no holder of any shares of any class of stock shall be entitled to cumulative voting rights in the election of the directors. Illinois provides for a "majority voting" system for the election of directors. Accordingly, the affirmative vote of a majority of the shares of common stock of RLI (Illinois) represented in person or by proxy and entitled to vote is required to elect a director of RLI (Illinois).

Under the ILBCA and the Illinois Bylaws, a director of RLI (Illinois) may be removed, with or without cause, by the approval of a majority of the outstanding shares of the class that elected such director. Removal may only occur at a meeting of shareholders pursuant to a notice that states that the purpose of the meeting is to vote upon the removal of one or more directors named in the notice and only the named directors may be removed at the meeting. The ILBCA provides that any vacancy occurring in the board of directors may be filled by shareholder election at an annual meeting or a special meeting called for the specific purpose of filling such vacancy; provided, however, that the bylaws may provide for a procedure for filling vacancies on the board that occur between meetings of shareholders. The Illinois Bylaws provide that any vacancy occurring in the Board, including a vacancy occurring as a result of the death, resignation or disqualification of a director, and any directorship to be filled by reason of an increase in the number of directors, may be filled by a majority of the remaining directors, even if less than a quorum, with each such appointed director serving until such director's successor shall have been elected and shall qualify or until such director shall resign or shall have been removed.

RLI (Delaware)

Under the DGCL, cumulative voting in the election of directors is only permitted if expressly authorized in a corporation's certificate of incorporation. The Delaware Certificate of Incorporation does not provide for cumulative voting in the election of directors. The Delaware Bylaws provide that the affirmative vote of a majority of the votes cast is required to elect a director of RLI (Delaware).

Under the DGCL, any director or the entire Board may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors. If a director is elected by a class or series of shares pursuant to the certificate of incorporation, he or she may be removed without cause by the holders of a majority of the shares of that class or series. Under the DGCL, vacancies and newly created directorships may be filled by a majority of the directors then in office unless otherwise provided in the certificate of incorporation or bylaws. Whenever the holders of any class or series of stock are entitled to elect one or more directors by the

certificate of incorporation, vacancies and new created directorships may be filled by a majority of the directors elected by such class or series then in office or by the sole remaining director so elected. The Delaware Certificate of Incorporation and the Delaware Bylaws do not alter the DGCL provision that a director may be removed, with or without cause, by the approval of a majority of the outstanding shares of the class that elected such director. The Delaware Bylaws provide that a majority of directors then in office shall have the power to fill any vacancy occurring in the Board as a result of a director resignation. The Delaware Bylaws provide that any vacancy resulting from any increase in the authorized number of directors shall be filled only by a majority of directors then in office. Directors appointed by the board to fill any vacancy shall hold office until the Company's next annual meeting and until such director's successor shall have been elected and qualified.

Director Duties

The fiduciary duties of directors under Delaware law are generally similar to the duties prescribed under Illinois law. Unlike the ILBCA, however, the DGCL does not include a provision specifically permitting directors, in discharging their duties, to consider the effects of any action (including, without limitation, actions that may involve or relate to a change or potential change in control of the corporation) upon employees, suppliers and customers of the corporation or its subsidiaries, and upon communities in which offices or other establishments of the corporation or its subsidiaries are located. To the contrary, Delaware case law permits directors to consider the interests of constituencies other than shareholders only where the interests of those constituencies are coextensive with the interests of shareholders.

Indemnification and Limitation of Monetary Liability For Breach of Fiduciary Duty

Illinois and Delaware have similar laws relating to indemnification by a corporation of its officers, directors, employees and other agents. The laws of Illinois and Delaware permit corporations to adopt a provision in their articles of incorporation or certificates of incorporation, as applicable, eliminating the liability of a director to the corporation or its shareholders for monetary damages for breach of the director's fiduciary duties except where such liability is based on:

- any breach of the director's duty of loyalty to the corporation or its shareholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions; or
- any transaction from which the director derived an improper personal benefit.

RLI (Illinois)

In addition, Illinois and Delaware have similar laws relating to indemnification and advancement of expenses by a corporation of its officers, directors, employees and other agents. The Illinois Articles of Incorporation provide for mandatory indemnification and, if approved by the Board, the advancement of expenses to its current and former directors and officers, where the person seeking indemnification acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct was unlawful, to the extent permitted by the ILBCA. The Illinois Articles of Incorporation also provide that the Company may indemnify and advance expenses to any person who is or was an employee or agent of the Company, or is or was an employee or agent of the Company serving at the request of the Company as a director, officer or employee of another corporation, partnership, joint venture, trust or other enterprise, to the extent and under the circumstances provided above with respect to a person who is or was a director or officer of the Company.

RLI (Delaware)

The indemnification provisions of the Delaware Bylaws are substantially identical to those contained in the Illinois Bylaws. However, the Delaware Bylaws mandate the advancement of expenses to an indemnified party and omit the

requirement that the Company shall report any indemnification or advancement of expenses in writing to the shareholders with or before the notice of the next shareholders' meeting.

Stock Repurchases or Redemptions

RLI (Illinois)

Under the ILBCA, a corporation may repurchase or redeem its shares, unless after giving effect to the repurchase or redemption the corporation would be insolvent or the net assets of the corporation would be less than zero or less than the maximum amount then payable to shareholders having preferential rights in liquidation if the corporation were then liquidated.

RLI (Delaware)

The DGCL generally provides that a corporation may redeem or repurchase its shares only if the redemption or repurchase would not impair the capital of the corporation (with certain exceptions). In addition, under the DGCL, a corporation may redeem some or all of its shares only if their redemption is authorized in its certificate of incorporation. However, a corporation may repurchase some or all of its shares in accordance with the requirements of applicable law regardless of whether the repurchase is authorized in the certificate of incorporation.

Annual Meetings of Shareholders

RLI (Illinois)

The Illinois Bylaws provide that the annual meeting of shareholders shall be held at the date and time as determined by the Board for the purpose of electing directors and for the transaction of such other business as may properly come before the meeting.

RLI (Delaware)

The provision of the Delaware Bylaws regarding the annual meeting of shareholders is substantially identical to the annual meeting provision of the Illinois Bylaws.

Special Meetings

RLI (Illinois)

Under ILBCA, special meetings of shareholders may be called by the president, a majority of the board of directors or the holders of not less than one-fifth (1/5) of all outstanding shares entitled to vote on the matter for which the meeting is called or by other persons as provided in the articles of incorporation or bylaws. The Illinois Bylaws provide that special shareholder meetings may be called by the chairman of the Board, a majority of the members of the Board or the secretary, following the receipt of one or more written demands by the holders of record, as of the record date fixed in accordance with the Illinois Bylaws, in the aggregate, of at least twenty percent (20%) of the outstanding shares of the Company entitled to vote on the matter and who comply with the other notice and procedural requirements set forth in the Illinois Bylaws. Additionally, the Illinois Bylaws also permit the chairman of the Board to call a special shareholders' meeting.

RLI (Delaware)

Under the DGCL, a special meeting of shareholders may be called by the board of directors or any other person authorized to do so in the corporation's certificate of incorporation or bylaws. The Delaware Bylaws provide that special shareholders' meetings may be called by the chairman of the Board, a majority of the members of the Board, or by the secretary, upon receipt of one or more written demands to call a special meeting from shareholders of record as of the record date fixed in accordance with the Delaware Bylaws who hold, in the aggregate, at least twenty percent (20%) of the voting power of the outstanding shares and who comply with the other notice and procedural requirements set forth in the Delaware Bylaws.

Directors' Meetings

RLI (Illinois)

The Illinois Bylaws provide that an annual meeting of the Board shall be held immediately after, and at the same place as, the annual meeting of the shareholders unless otherwise determined by the Board. Additional regular meetings of the Board shall be held at such other times at such other locations as the Board may determine. Special meetings of the Board may be called by the president or at the request of a majority of the Board. A majority of the directors then in office will constitute a quorum, and if a quorum is present the act of a majority of the directors present at the meeting will be the act of the Board, unless the act of a greater number is required by the ILBCA, the Illinois Articles of Incorporation or the Illinois Bylaws.

RLI (Delaware)

The Delaware Bylaws provide that regular meetings of the Board may be held at such time and such place as shall from time to time be determined by the Board. Special meetings of the Board may be called by the chairman of the Board, the

Table of Contents

chief executive officer, the president or the secretary at the request of a majority of total number of directors constituting the Board. A majority of the total number of directors shall constitute a quorum for transaction of business at any meeting of the Board and, if a quorum is present, the act of a majority of the directors present at the meeting will be the act of the Board, except as may be specifically required by the DGCL, the Delaware Certificate of Incorporation or the Delaware Bylaws.

Inspection of Corporate Records

RLI (Illinois)

The ILBCA provides that any shareholder, in person or by agent, has the right, upon written demand, to examine the corporation's books and records of account, minutes, voting trust agreement filed with the corporation and record of shareholders for a proper purpose, and to make extracts therefrom, but only for a proper purpose. A complete list of the shareholders entitled to vote at a shareholder meeting must be available for shareholder inspection by the earlier of twenty (20) days after the record date for the meeting or ten (10) days before the meeting. Such list must be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any shareholder during the whole time of the meeting. The Illinois Bylaws provide that, at least ten (10) days before every shareholder meeting, a complete list of the shareholders entitled to vote at such meeting be open to examination at the office of the Company in Peoria, Illinois, by any shareholder during ordinary business hours, for any purpose germane to the meeting during the ten (10) day period ending on the date of the meeting.

RLI (Delaware)

The DGCL provides that any shareholder, in person or by attorney or other agent, shall, upon written demand under oath stating the purpose thereof, have the right, during the usual hours for business, to inspect the corporation's stock ledger, shareholders' lists and other books and records for a purpose reasonably related to the person's interest as a shareholder. The Delaware Bylaws provide that a complete list of the shareholders entitled to vote at a shareholder meeting must be available for shareholder inspection either (i) on a reasonably accessible electronic network or (ii) during ordinary business hours at the Company's principal place of business at least ten (10) days before the meeting and must be available for inspection during any meeting of shareholders.

Shareholder Proposals

RLI (Illinois)

Shareholders may submit proposals to RLI (Illinois) to be considered at an annual meeting. Any such proposals must comply in all respects with the notice and procedural requirements in the Illinois Bylaws and all applicable rules and regulations of the Securities and Exchange Commission relating to shareholder proposals. The ILBCA does not address shareholder proposals.

RLI (Delaware)

Shareholders may submit proposals to RLI (Delaware) to be considered at an annual meeting. As is the case with RLI Illinois, any such proposals must comply in all respects with the notice and procedural requirements in the Delaware Bylaws and all applicable rules and regulations of the Securities and Exchange Commission relating to shareholder proposals. The DGCL does not address shareholder proposals.

Charter Amendments

RLI (Illinois)

Under the ILBCA, except for enumerated matters which can be amended by majority director vote alone (removing the names and addresses of initial directors and the registered agent, altering par value, splitting shares, minor corporate name

28 | RLI Corp. 2018 Proxy Statement

changes, reducing authorized shares and restating articles as amended), amendments to the articles of incorporation require a resolution of the Board submitting the amendment to a vote of shareholders and the approval of shareholders holding two-thirds (2/3) of the voting power of the corporation, except in cases specified in the ILBCA where class voting is required, in which case, approval of two-thirds (2/3) of the voting power of each such class is required. The articles of incorporation may provide for a lower vote (but not less than a majority of the outstanding shares entitled to vote on the matter) or a higher vote. The Illinois Articles of Incorporation lower the voting requirement such that the affirmative vote of the holders of a majority of the outstanding shares entitled to vote on such matter shall be required for the shareholders of RLI (Illinois) to approve an amendment to the Illinois Articles of Incorporation.

RLI (Delaware)

To amend the certificate of incorporation, the DGCL generally requires the Board to adopt a resolution setting forth the amendment proposed, declare the amendment advisable and submit the amendment to the shareholders for approval. The amendment must be approved by the affirmative vote of the holders of a majority in voting power of the outstanding shares of stock entitled to vote. If the charter amendment would increase the number of authorized shares of a class of stock, change the par value of such class, or adversely affect the rights, powers or preferences of such class, a separate affirmative vote by the class affected by the amendment. The certificate of incorporation may provide, however, that the number of authorized shares of any such class of stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of majority of the stock of the corporation entitled to vote irrespective the right to vote as described in the preceding sentence. The Delaware Certificate of Incorporation includes such a provision.

Amendments to Bylaws

RLI (Illinois)

The ILBCA provides that, unless the power to amend or alter the bylaws is reserved to the shareholders by the articles of incorporation, the bylaws of a corporation may be altered or amended by shareholders or the board of directors, except that no bylaw adopted by the shareholders may be altered or amended by the board of directors if the bylaws so provide. The Illinois Bylaws provide that they may be altered, amended, or repealed by either shareholders or the Board. The Illinois Bylaws also provide that any bylaw made, altered amended or repealed by shareholders may be altered, amended or repealed by the Board or by the shareholders.

RLI (Delaware)

Under Delaware law, bylaws may be adopted, amended or repealed by the shareholders. A corporation may, in its certificate of incorporation, confer upon the directors the power to amend, alter or repeal the bylaws, but it may not eliminate the power of the shareholders to amend the bylaws. As provided in the Delaware Certificate of Incorporation, the Delaware Bylaws may be amended, altered or repealed by either shareholders or the Board.

Merger, Consolidations, Share Exchanges and Sales of All or Substantially All Assets

RLI (Illinois)

The ILBCA generally requires two-thirds (2/3) of the outstanding voting shares to approve most mergers, consolidations and share exchanges or sales of all or substantially all assets, unless the approval is reduced to as low as a simple majority or increased as provided in the articles of incorporation. The Illinois Articles of Incorporation modify the two-thirds (2/3) voting standard set forth in the ILBCA with respect to approval of mergers, consolidations and share exchanges opting for the affirmative vote of the holders of at least a majority of the outstanding shares entitled to vote on the transaction.

Table of Contents

RLI (Delaware)

The DGCL generally requires the holders of a majority in voting power of the outstanding shares of stock entitled to vote on the transaction to approve statutory mergers, consolidations and sales of all or substantially all assets, which is consistent with the voting standard enumerated in the Illinois Articles of Incorporation. The Delaware Certificate of Incorporation and the Delaware Bylaws do not modify the DGCL's voting standard.

General

Under both the DGCL and ILBCA, a shareholder vote of a constituent corporation surviving a merger is not required to authorize a merger (unless the corporation's certificate of incorporation provides otherwise) if:

- the merger agreement does not amend the certificate of incorporation of such corporation;
- each share of stock of such corporation outstanding immediately before the effective date of the merger is to be an identical share outstanding of the surviving corporation after the effective date of the merger; and
- the number of shares of common stock to be issued by the corporation in the merger does not exceed twenty percent (20%) of the number of shares outstanding immediately before the merger.

Under both the DGCL and the ILBCA the vote of the shareholders of a corporation (the "subsidiary") is not required where ninety percent (90%) of each class of the voting stock of the subsidiary is owned by another corporation (the "parent") in a merger where the parent merges the subsidiary into itself. In the case of the parent merging itself into the subsidiary, a shareholder vote of the parent's shareholders is required.

Under Section 251(h) of the DGCL, unless expressly required by the certificate of incorporation, no vote of the shareholders of a target corporation that has a class or series of stock that is listed on a national securities exchange or held of record by more than 2,000 holders immediately prior to the execution of the merger agreement by such corporation is required in order to authorize a merger if (i) the merger agreement expressly permits or requires such merger to be effected under Section 251(h) and provides that the merger will be effected as soon as practicable following the consummation of the offer, (ii) the purchasing corporation commences a tender or exchange offer for all outstanding shares of the target corporation that would otherwise be entitled to vote on the adoption of the merger agreement; (iii) immediately following consummation of the tender or exchange offer, the stock of the target corporation irrevocably accepted for purchase or exchange by the purchasing corporation, combined with the stock of the target corporation otherwise owned by the purchasing corporation or its affiliates and any rollover stock, equals at least the percentage of stock of the target corporation that would be required to adopt the merger agreement; and (iv)

the purchasing corporation as promptly as practicable effects a merger with the target corporation in which the shares that were subject to the tender or exchange offer, and not accepted for purchase in the tender or exchange offer, are converted into the same consideration as was paid for shares in the tender or exchange offer.

In addition, under the DGCL, unless expressly required by the certificate of incorporation, no vote of shareholders of a constituent corporation is required to authorize a holding company reorganization merger if: (i) the constituent corporation merges into a direct or indirect wholly-owned subsidiary of the constituent corporation; (ii) in the merger the shareholders of the constituent corporation receive an identical number and kind of shares of stock in the holding company as they had in the corporation; (iii) the holding company and the constituent corporation are Delaware corporations and the direct or indirect wholly-owned subsidiary that is the other constituent entity to the merger is a Delaware corporation or limited liability company, (iv) the certificate of incorporation and bylaw provisions of the holding company immediately following the effective time of the merger are identical to those of the constituent corporation immediately prior to the effective time of the merger (other than certain specified provisions), (v) as a result of the merger, the constituent corporation or its successor becomes or remains a direct or indirect wholly-owned subsidiary of the holding company, (vi) the directors of the constituent corporation become or remain the directors of the holding company upon the effective time of the merger and (vii) the organizational documents of the surviving entity in the merger immediately following the effective time of the merger must

Table of Contents

contain provisions identical to those of the constituent corporation immediately prior to the effective time of the merger (other than certain specified provisions).

Interested Director Transactions

Under both Delaware and Illinois law, certain contracts or transactions in which one or more of a corporation's directors has an interest are not void or voidable solely because of such interest; provided that certain conditions, such as obtaining the required approval and fulfilling the requirements of good faith and full disclosure, are met.

RLI (Illinois)

Under Illinois law, if a transaction is "fair" when authorized, approved or ratified, then the fact that a director has an interest in the transaction is not grounds for invalidating the transaction or the interested director's vote regarding such transaction. In any proceeding relating to such a transaction, the person asserting its validity will have the burden of proof unless, after full disclosure of such director's interest:

- a majority of the disinterested directors approved the transaction; or
- such transaction was approved by the shareholders without counting the votes of any shareholder who is an interested director.

RLI (Delaware)

Under Delaware law, no contract or transaction between a corporation and one or more of its directors or officers or between a corporation and any other entity in which one or more of its directors or officers, are directors or officers, or have a financial interest, shall be void or voidable solely for this reason or because the director or officer is present at or participates in the meeting of the board or committee that authorized the contract or transaction or because such director's or officer's votes counted for such purpose, if:

- the shareholders or the disinterested members of the board of directors approved such contract or transaction after full disclosure of the material facts; or

- the contract or transaction is “fair” as to the corporation at the time it was authorized, approved or ratified by the board, a committee or the shareholders.

Dissenters’ Rights; Appraisal Rights

RLI (Illinois)

Under the ILBCA, shareholders of an Illinois corporation have dissenters’ rights entitling a shareholder to dissent from certain mergers, sales of assets or other specified corporate acts, described below, in order to obtain the corporation’s assessment of the “fair value” of such shareholder’s shares and to proceed with an action seeking the difference between the shareholder’s estimate of fair value and interest due and the amount of the “fair value” payment by the corporation. Under Illinois law, dissenters’ rights are available only in the event of any of the following corporate transactions:

- completion of a plan of merger or consolidation or a plan of share exchange to which the corporation is a party if shareholder authorization is required for such merger, consolidation or share exchange or the corporation is a ninety percent (90%) or more owned subsidiary that is merged with its parent or another subsidiary or as regards to the parent, when it is merged into a ninety percent (90%) or more owned subsidiary, when the latter is the survivor thereof;
- completion of a sale, lease or exchange of all, or substantially all, of the property and assets of the corporation other than in the usual and regular course of business;
- an amendment of the articles of incorporation that materially and adversely affects rights in respect of a dissenter’s shares; or
- any other corporate action taken pursuant to a shareholder vote if the articles of incorporation, bylaws or a

Table of Contents

resolution of the board of directors of the corporation provide that shareholders are entitled to dissent and obtain payment for their shares in accordance with the procedures of the ILBCA.

The Illinois Articles of Incorporation and the Illinois Bylaws do not grant any additional dissenters' rights. To exercise dissenters' rights, among other procedural requirements, a shareholder must submit a written demand to the corporation prior to the taking of the vote on the matter giving rise to dissenters' rights and must not vote in favor of the action from which the shareholder dissents. With respect to the Reincorporation, holders of RLI (Illinois) shares will be entitled to dissenters' rights. See "Dissenters' or Appraisal Rights Relating to the Reincorporation." See Annex D to this Proxy Statement for additional information on dissenters' rights under ILBCA.

RLI (Delaware)

Under the DGCL, a shareholder of a corporation participating in certain mergers and consolidations may be entitled to appraisal rights pursuant to which such shareholder may receive payment of the "fair value" of the shareholder's shares as determined by the Delaware Court of Chancery instead of the consideration the shareholder would otherwise receive in the proposed transaction. Under the DGCL, appraisal rights are only available in connection with certain mergers and consolidations and are not available for stock (or depository receipts in respect thereof) that at the record date either was listed on a national securities exchange or are held of record by more than 2,000 holders unless the holders of such stock are required by the terms of the merger or consolidation agreement to accept anything except:

- shares of stock of the corporation surviving or resulting from such merger or consolidation (or depository receipts in respect thereof);
- shares of stock of any other corporation (or depository receipts in respect thereof) that will be either listed on a national securities exchange or held of record by more than 2,000 holders on the effective date;
 - cash in lieu of fractional shares or fractional depository receipts; or
- any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts, as described above.

In addition, shareholders of a corporation are not entitled to appraisal rights in a merger if the merger did not require for its approval the vote of the shareholders of the corporation as provided in Section 251(f) or (g) of the DGCL. The certificate of incorporation of a Delaware corporation may provide for appraisal rights in any merger or consolidation in which appraisal rights are not otherwise provided by statute, or in connection with any amendment to the certificate of incorporation or any sale of all or substantially all assets. The Delaware Certificate of Incorporation does not contain a provision providing appraisal rights in circumstances where they are not required by the DGCL.

Business Combination Provisions

Section 203 of the DGCL and Section 11.75 of the ILBCA prohibit corporations from engaging in a “business combination” with an “interested shareholder” for three years following the date that such person becomes an interested shareholder. With certain exceptions, under Section 203 of the DGCL and Section 11.75 of the ILBCA, an interested shareholder is a person or group who or which owns fifteen percent (15%) or more of the corporation’s outstanding voting stock (including any rights to acquire stock pursuant to an option, warrant, agreement, arrangement or understanding, or upon the exercise of conversion or exchange rights and stock with respect to which the person has voting rights only), or is an affiliate or associate of the corporation and was the owner of fifteen percent (15%) or more of such voting stock at any time within the previous three years.

For purposes of Section 203 of the DGCL and Section 11.75 of the ILBCA, the term “business combination” is defined broadly to include, among other things, mergers with or, in some cases, caused by the interested shareholder, sales or other dispositions to the interested shareholder (except proportionately with the corporation’s other shareholders) of assets of the corporation or a subsidiary equal to ten percent (10%) or more of the aggregate market value of the corporation’s

Table of Contents

consolidated assets or its outstanding stock, the issuance or transfer by the corporation or a subsidiary of stock of the corporation or such subsidiary to the interested shareholder (with certain exceptions) or receipt by the interested shareholder (except proportionately as a shareholder), directly or indirectly, of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation or a subsidiary.

The three-year prohibition imposed on business combinations by Section 203 of the DGCL or Section 11.75 of the ILBCA does not apply if:

- before the date on which such shareholder becomes an interested shareholder, the board of directors approves either the business combination or the transaction that resulted in the person becoming an interested shareholder;
- the interested shareholder owns eighty-five percent (85%) of the corporation's voting stock (excluding certain shares) upon completion of the transaction that made him or her an interested shareholder; or
- on or after the date such person becomes an interested shareholder, the board approves the business combination and it is also approved at a shareholder meeting by sixty-six and two-thirds percent (66-2/3%) of the voting stock not owned by the interested shareholder.

Section 7.85 of the ILBCA provides extra protection to corporations subject to the reporting requirements of the Securities Exchange Act of 1934 (including RLI (Illinois)), for "business combinations" with an "interested shareholder" (defined similarly to the definition in Section 11.75 of the ILBCA) transactions. Section 7.85 of the ILBCA requires the approval of holders of at least eighty percent (80%) of the combined voting power of the then outstanding shares of all classes of the corporation's capital stock entitled to vote in the election of directors and the approval of a majority of the voting shares held by disinterested shareholders. The higher voting requirements are not required if certain procedural and price requirements are met or if the business combination is approved by at least two-thirds (2/3) of the "disinterested directors." Disinterested directors are directors who are not associated with the interested shareholder, were members of the Board prior to the time the interested shareholder became an interested shareholder or were recommended by a majority of the disinterested directors to succeed a disinterested director, and were not nominated by an interested shareholder or its affiliates.

RLI (Illinois)

An Illinois corporation may elect not to be governed by Sections 7.85 and 11.75 of the ILBCA. The Illinois Articles of Incorporation or the Illinois Bylaws have not modified or superseded the vote required by those sections.

RLI (Delaware)

Delaware corporations may, in their certificates of incorporation elect not to be governed by Section 203. The Delaware Certificate of Incorporation does not make such an election.

Dissolution

RLI (Illinois)

Under the ILBCA, upon adoption of a board resolution submitting a dissolution proposal to shareholders, or in the event that the board fails to submit a dissolution proposal to shareholders for more than one (1) year after being requested to do so by the holders of more than one-fifth (1/5) of the shares entitled to vote on dissolution, shareholders holding at least two-thirds (2/3) of the total voting power (or such lesser percentage not less than a simple majority or such greater number as may be provided in the articles of incorporation) may authorize a corporation's dissolution. The ILBCA also authorizes the dissolution of a corporation by unanimous written consent of all outstanding shares entitled to vote on dissolution, without the vote or action of the directors of a corporation. The Illinois Articles of Incorporation do not modify these statutory provisions.

Table of Contents

RLI (Delaware)

Under the DGCL, a corporation may be dissolved upon the adoption of a resolution to dissolve by a majority of the whole board of directors and the approval of such resolution by the holders of a majority in voting power of the then outstanding shares of stock entitled to vote on such matter. Like the ILBCA, the DGCL also permits a dissolution to be authorized by unanimous written consent of all outstanding shares entitled to vote on dissolution without the directors adopting a resolution to dissolve.

Shareholder Derivative Suits

RLI (Illinois)

Illinois law provides that a shareholder bringing a derivative action on behalf of a corporation must have been a shareholder at the time of the transaction in question; provided that a shareholder not meeting that requirement may be permitted in the discretion of the court to bring the action if such shareholder can prove that he or she acquired the shares prior to disclosure of the wrongdoing complained of by the shareholder.

RLI (Delaware)

Under Delaware law, a shareholder may only bring a derivative action on behalf of the corporation if the shareholder was a shareholder of the corporation at the time of the transaction in question or the shareholder was granted such stock thereafter by operation of law.

Waiver of Corporate Opportunity Doctrine

RLI (Illinois)

The ILBCA does not expressly prohibit a corporation from renouncing in its articles of incorporation any interest, expectancy or opportunity to participate in specified business opportunities that are presented to the corporation or its officers, directors or shareholders, although the ILBCA does prohibit provisions eliminating or limiting a director's liability for breach of his or her duty of loyalty to the corporation and its shareholders. The Illinois Articles of

Incorporation do not waive such corporate opportunities.

RLI (Delaware)

The DGCL expressly permits a corporation to renounce, in its certificate of incorporation or by action of its board of directors, any interest, expectancy or opportunity to participate in specified business opportunities or specified classes or categories of business opportunities that are presented to the corporation or its officers, directors or shareholders. The Delaware Certificate of Incorporation does not waive such corporate opportunities.

Exclusive Forum

RLI (Illinois)

The ILBCA neither authorizes the inclusion of nor prohibits a corporation's governing documents from including restrictions with respect to the venue in which a shareholder may bring an action. The Illinois Articles of Incorporation and the Illinois Bylaws do not contain any restrictions with respect to the venue in which a shareholder may bring an action.

RLI (Delaware)

The DGCL expressly authorizes the inclusion of exclusive forum provisions in the governing documents of a Delaware corporation. The Delaware Bylaws contain a provision establishing, to the fullest extent permitted by law, the Delaware

Table of Contents

Court of Chancery (or, in the event the Delaware Court of Chancery does not have jurisdiction, the federal district court for the District of Delaware or other state courts of the State of Delaware) as the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of RLI (Delaware), (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or shareholder of RLI (Delaware) to RLI (Delaware) or its shareholders, (iii) any action arising pursuant to any provision of the DGCL, the Delaware Certificate of Incorporation or the Delaware Bylaws (as amended from time to time) or (iv) any action asserting a claim against RLI (Delaware) governed by the internal affairs doctrine.

SIGNIFICANT PROVISIONS TO BE CARRIED OVER

Authorized Shares

As previously noted, upon the consummation of the Reincorporation Merger, RLI (Delaware) will be authorized to issue 100,000,000 shares of common stock and 5,000,000 shares of preferred stock. Upon the consummation of the Reincorporation Merger, it is anticipated that there will be 44,239,351 shares of RLI (Delaware) common stock outstanding and no shares of RLI (Delaware) preferred stock outstanding. The only change is that the authorized common stock of RLI (Illinois) has a par value of \$1.00 per share and authorized preferred stock of RLI (Illinois) has a par value of \$0.01 per share, whereas the authorized common and preferred stock of RLI (Delaware) will have a par value of \$0.01 per share. For more information, see “Description of the Company’s Capital Stock upon the Effectiveness of the Reincorporation.”

Size of Board

The Illinois Bylaws and the Delaware Bylaws authorize the directors to fix or change the number of directors, provided, that the Board must consist of no less than nine (9), and no more than thirteen (13), directors.

Term and Election of Directors

Both the Illinois Bylaws and the Delaware Bylaws provide that the term of office of each director shall be one (1) year, and each director shall be elected each year at the Company’s annual meeting. The Illinois Bylaws provide that a majority of the outstanding voting power is required to elect a director. The Delaware Bylaws provide that the majority of the votes cast is required to elect a director.

Special Meeting of Shareholders

The Illinois Bylaws and the Delaware Bylaws provide that special meetings of the shareholders may be called by the chairman of the Board, a majority of the Board, or by the secretary, upon receipt of one or more written demands to call a special meeting from shareholders of record on the record date holding, in the aggregate, not less than twenty percent (20%) of all the outstanding shares of the Company who otherwise comply with the advanced notice and procedural requirements of the Illinois Bylaws or the Delaware Bylaws, as applicable.

No Cumulative Voting

The shareholders of RLI (Illinois) do not, and the shareholders of RLI (Delaware) will not, have the right of cumulative voting in the election of directors.

No Preemptive Rights

The shareholders of RLI (Illinois) do not, and the shareholders of RLI (Delaware) will not, have preemptive rights to acquire newly issued capital stock.

Indemnification

The indemnification provisions of the Delaware Bylaws are substantially identical to those contained in the Illinois Articles of Incorporation. However, the Delaware Bylaws mandate the advancement of expenses to an indemnified party and

Table of Contents

omit the requirement in the Illinois Bylaws that the corporation shall report any indemnification or advance to the shareholders, in writing, with or before the notice of the next shareholders' meeting.

Vote on Mergers, Consolidations and Sales of All or Substantially All Assets

The DGCL requires the same vote as is required by the Illinois Articles of Incorporation, the holders of a majority in voting power of the outstanding voting shares entitled to vote to approve any mergers, consolidations and sales of all or substantially all assets for which approval of the shareholders is required under the DGCL or the Delaware Certificate of Incorporation.

POSSIBLE ANTI-TAKEOVER EFFECT OF PROVISIONS

Both the Illinois Articles of Incorporation and Illinois Bylaws, as well as Illinois law, and the Delaware Certificate of Incorporation and Delaware Bylaws, as well as Delaware law, contain some provisions that may be viewed as having a possible anti-takeover effect.

Authorized Preferred Shares

Under both the Illinois Articles of Incorporation and the Delaware Certificate of Incorporation, the Board is authorized to issue 5,000,000 preferred shares. In each case, the Board may issue these preferred shares in one or more series and may establish the designations, preferences and rights, including voting rights, of each series. These preferred shares of RLI (Illinois) are, and the shares of preferred stock of RLI (Delaware) will be (upon the filing of a certificate of designations with the Delaware Secretary of State pursuant to a Board resolution), available for issuance from time to time to any person for such consideration as the Board may determine without the requirement of further action by our shareholders, except as required by the New York Stock Exchange or other exchange on which Company shares are then listed. The Board may decide to issue such preferred stock for a variety of reasons including but not limited to the issuance in a public or private sale for cash as a means of obtaining additional capital for use in the Company's business and operations, issuance as part or all of the consideration required to be paid for acquisitions of other business properties and issuance as a share dividend to equity holders. Depending on its terms, the issuance of preferred stock may or may not have a dilutive effect on the equity interest or voting power of the then current shareholders of the Company.

Although our Board has no present intention to do so, authorized but unissued and undesignated preferred shares may also be issued as a defense to an attempted takeover. For example, the Board could, to the extent consistent with the directors' fiduciary duties, sell a block of preferred stock to a "white knight" thereby diluting the share ownership of

persons seeking to obtain control. The Board could utilize the authorized but unissued and undesignated preferred stock in connection with a new rights plan or “poison pill.”

Special Meetings of Shareholders

Limits on the rights of shareholders to call special meetings of shareholders could have an anti-takeover effect as a potential acquirer may wish to call a special meeting of shareholders for the purpose of considering the removal of directors or an acquisition offer. The Illinois Bylaws and the Delaware Bylaws each provide that shareholders of RLI (Illinois) or shareholders of RLI (Delaware), respectively, holding at least twenty percent (20%) of the outstanding shares entitled to vote thereat may make written demand of the Company’s secretary to call special meetings of shareholders, provided such shareholders comply with the other requirements set forth in the Illinois Bylaws or the Delaware Bylaws, as applicable.

VOTE REQUIRED AND BOARD RECOMMENDATION

The affirmative vote of the holders of at least a majority of the outstanding shares of RLI (Illinois) is necessary to approve this proposal. Abstentions and broker non-votes will have the same effect as votes against this proposal.

The Board of Directors recommends that the shareholders vote "FOR" the proposal to approve the reincorporation of the Company from the State of Illinois to the State of Delaware.

PROPOSAL THREE: NON-BINDING, ADVISORY VOTE REGARDING THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act and related SEC regulations require that we seek an advisory (non-binding) vote from our shareholders to approve the compensation of our named executive officers as disclosed in the Compensation Discussion & Analysis ("CD&A"), compensation tables and related disclosures in this Proxy Statement.

As discussed in our CD&A starting on page 50, our executive compensation programs have been designed to provide a competitive total executive compensation program linked to Company performance that will attract, retain and motivate talented executives critical to the Company's long-term success.

The Executive Resources Committee of our Board ("ERC") developed an overall compensation philosophy that is built on a foundation of the following principles:

- The focus is on the linkage between long-term shareholder value creation and executive pay;
- Incentives for executives directly involved in underwriting are based on underwriting profit measured over a period of years consistent with the income and risk to the Company;

- Compensation should reflect both the Company's and individual's performance;
- A meaningful element of equity-based compensation and significant executive equity holdings are important to ensure alignment of management and shareholder interests;
- The Company's overall executive pay levels must be competitive in the marketplace for executive talent to enable the Company to attract, motivate and retain the best talent; and
- Appropriate safeguards must be in place to ensure annual incentives are aligned with long-term risk and value creation to protect against unnecessary and excessive risk to the Company.

We are asking you to indicate your support for our executive compensation programs as described in this Proxy Statement. This proposal, commonly known as a "Say-on-Pay" proposal, gives you the opportunity to express your views on our 2017 executive compensation policies and procedures for named executive officers. This non-binding vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and procedures described in this Proxy Statement. Accordingly, we ask the shareholders to vote "FOR" the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the CD&A, compensation tables and any related material disclosed in the Company's Proxy Statement is hereby APPROVED.

Your vote is advisory, and therefore not binding on the ERC or the Board. However, we value your opinions and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement,

Table of Contents

we will consider our shareholders' concerns. The ERC will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that the shareholders vote "FOR" the proposal to approve the compensation of the Company's named executive officers as described in this Proxy Statement.

PROPOSAL FOUR: RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected KPMG LLP ("KPMG"), the Company's independent registered public accounting firm since 1983, as the Company's independent registered public accounting firm for 2018, and the Board is asking shareholders to ratify that selection. Although current law, rules and regulations, as well as the Charter of the Audit Committee, require our independent auditor to be appointed, retained and supervised by the Audit Committee, the Board considers the selection of an independent auditor to be an important matter of shareholder concern and considers a proposal for shareholders to ratify such selection to be an important opportunity for shareholders to provide direct feedback to the Board on an important issue of corporate governance. If the appointment of KPMG is not ratified by shareholders, the Audit Committee will take such action, if any, with respect to the appointment of the independent auditor as the Audit Committee deems appropriate, which may include continued retention of such audit firm. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

Representatives of KPMG are expected to be present at the Annual Meeting with the opportunity to make a statement, if they desire, and will be available to respond to appropriate questions from the shareholders.

The affirmative vote of the holders of at least a majority of the shares of Common Stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote is required for adoption of this proposal.

The Board of Directors recommends that the shareholders vote "FOR" the proposal to ratify the selection of KPMG LLP as independent registered public accounting firm of the Company for the current fiscal year.

FEES PAID TO THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Fees for services rendered by KPMG, the Company's Independent Registered Public Accounting Firm, for the past two fiscal years for each of the following categories of services, are set forth below:

CORPORATE GOVERNANCE PRINCIPLES

The Company is committed to having sound corporate governance principles that are designed to ensure that the Board exercises reasonable business judgment in discharging its obligations to the Company and its shareholders. Corporate governance practices also help to ensure that full and transparent disclosures are made to the Company's shareholders and the SEC.

The Company's published Corporate Governance Guidelines, which are publicly available on the Company's website under the Investors section at www.rlicorp.com, outline the directors' responsibilities, which include attendance at shareholder, Board and committee meetings. All 12 members of the Board attended the 2017 Annual Meeting of Shareholders and were available to respond to appropriate questions from the shareholders.

The Company has developed an orientation process for new directors and also encourages new directors to attend a director seminar in their first year as a director. Each incumbent director is expected to attend an accredited director education seminar at least once a year, and each Audit Committee member is expected to attend an audit committee forum/conference at least once a year.

DIRECTOR INDEPENDENCE

The Board is required to affirmatively determine the independence of each director and to disclose such determination in the proxy statement for each Annual Meeting of Shareholders of the Company. The Board has established guidelines, which are set forth below, to assist it in making this determination, which incorporate all of the NYSE independence standards. Only independent directors serve on the Company's Audit Committee, Executive Resources Committee and Nominating/Corporate Governance Committee.

It is the policy of the Board of Directors of the Company that a majority of its members be independent, which is also a requirement for listing on the NYSE. To be considered independent under the NYSE Listing Standards, the Board must affirmatively determine that a director or director nominee (collectively referred to as "director") has no material relationship with the Company (directly or as a partner, shareholder or officer of an organization that has a relationship with the Company), and also meets other specific independence tests. The Board examines the independence of each of its members once per year, and again if a member's outside affiliations change substantially during the year. With the exception of the Messrs. Michael and Stone, the Board has affirmatively determined that each director is independent within the meaning of the NYSE Listing Standards and the Company's Director

Independence Standards.

The Board has established the following categorical standards, incorporating the NYSE's independence standards to assist it in determining director independence:

(a) A Director will not be independent if:

- (i) the Director is, or has been within the last three years, an employee of RLI, or an immediate family member of the Director is, or has been within the last three years, an executive officer of RLI;
- (ii) the Director has received, or has an immediate family member who has received, during any 12-month period within the last three years, more than \$120,000 in direct compensation from RLI, other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (iii) (A) the Director is a current partner or employee of a firm that is RLI's internal or external auditor; (B) the Director has an immediate family member who is a current partner of such firm; (C) the Director has an immediate family member who is a current employee of such firm and personally works on RLI's audit; or (D) the Director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on RLI's audit within that time;

Table of Contents

- (iv) the Director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of RLI's present executive officers at the same time serves or served on that company's compensation committee; or
 - (v) the Director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, RLI for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2 percent of such other company's consolidated gross revenues.
- (b) The following commercial and charitable relationships will not be considered to be material relationships that would impair a Director's independence:
- (i) if a Director, or an immediate family member of the Director, is an executive officer, director, employee or holder of an equity interest of a company that has made payments to, or received payments from, RLI for property or services in an amount which, in the last fiscal year, does not exceed the greater of \$1 million, or 2 percent of such other company's consolidated gross revenues;
 - (ii) if a Director, or an immediate family member of the Director, is an executive officer, director, employee or holder of an equity interest of a company that is indebted to RLI, or to which RLI is indebted, and the total amount of either company's indebtedness to the other does not exceed the greater of \$1 million, or 2 percent of such other company's total consolidated assets;
 - (iii) if a Director, or an immediate family member of the Director, is an executive officer, director or employee of a company in which RLI owns an equity interest, and the amount of RLI's equity interest in such other company does not exceed the greater of \$1 million, or 2 percent of such other company's total shareholders' equity;
 - (iv) if a Director, or an immediate family member of the Director, is a holder of an equity interest of a company of which a class of equity security is registered under the Securities Exchange Act of 1934, as amended, and in which RLI owns an equity interest;
 - (v) if a Director, or an immediate family member of the Director, is an executive officer, director, employee or holder of an equity interest of a company that owns an equity interest in RLI; and
 - (vi) if a Director, or an immediate family member of the Director, serves as an officer, director or trustee of a tax exempt organization, and the contributions from RLI to such tax exempt organization in the last fiscal year do not exceed the greater of \$1 million, or 2 percent of such tax exempt organization's consolidated gross revenues. (RLI's automatic matching of employee charitable contributions will not be included in the amount of RLI's contributions for this purpose.)
- (c)

For relationships not covered by the standards in subsection (b) above, the determination of whether the relationship is material or not, and therefore whether the Director would be independent or not, shall be made by the Directors who satisfy the independence standards set forth in subsections (a) and (b) above. RLI is required to explain in its proxy statement the basis for any Board determination that a relationship was immaterial, despite the fact that it did not meet the categorical standards of immateriality set forth in subsection (b) above.

From time to time, the Company's principal insurance subsidiaries enter into reinsurance arrangements with Endurance and its affiliates.

DIRECTOR EVALUATION PROCESS

To ensure that thorough attention is given to individual and collective Directors’ performance and optimizing the composition of our Board, the Board and Committees utilize an annual evaluation process. Each Director self-evaluates the performance of the Committees on which he/she serves as well as the Board as a whole. Detailed composites are completed to obtain perspective on each Committee’s performance in relationship to its respective Charter, effectiveness, functionality, areas of improvement and overall performance. The Annual Board Evaluation focuses on board processes, policies, effectiveness, committee composition and strategy as well as performance whereby establishing activities to maximize shareholder value. This process is handled by the Nominating/Corporate Governance Committee.

Further, each Director participates in a robust evaluation process, wherein annually all Directors provide a peer evaluation on a variety of director characteristics. Those evaluations are assessed by the Nominating/Corporate Governance Committee, and each reviewed Board member meets with the Chairman of the Board and/or Lead Director to discuss the consolidated comments.

Table of Contents

Based on the cumulative results of each Director's overall performance, the Nominating/Corporate Governance Committee reviews and evaluates the Board candidates and their respective qualifications in detail to determine if it is in the best interest of the Company and its shareholders to nominate each Director to stand for election.

DIRECTOR NOMINATION POLICY

The Nominating/Corporate Governance Committee of our Board considers director candidates based upon a number of qualifications. As minimum qualifications, a nominee should have:

- A reputation for the highest professional and personal ethics and values, fairness, honesty and good judgment;
- A significant breadth of experience, knowledge and abilities to assist the Board in fulfilling its responsibilities;
- Been in a generally recognized position of leadership in his or her field of endeavor; and
- A commitment to enhancing shareholder value.

A nominee should not have a conflict of interest that would impair the nominee's ability to represent the interests of the Company's shareholders and fulfill the responsibilities of a director.

The Nominating/Corporate Governance Committee conducts an annual assessment of the composition of the Board and its committees. In its annual assessment and when conducting a director search, the Nominating/Corporate Governance Committee reviews the appropriate skills and characteristics required of Board members with a goal of establishing diversity among directors reflecting, but not limited to, profession, background, experience, geography, skills, ethnicity, and gender. The Nominating/Corporate Governance Committee is committed to actively seek highly qualified women and minority candidates for each director search it undertakes. Annually, the Nominating/Corporate Governance Committee will review this Policy and assess its effectiveness in bringing forth both diverse and non-diverse Board candidates that meet the qualifications and have the capabilities to provide strategic direction, governance and oversight to the Company.

The Nominating/Corporate Governance Committee relies upon recommendations from a wide variety of its business contacts, including current executive officers, directors, community leaders, and shareholders as sources for potential director candidates, and may also utilize third party search firms. The Nominating/Corporate Governance Committee will consider qualified director candidates recommended by shareholders as further set forth under SHAREHOLDER PROPOSALS on page 74, but the Nominating/Corporate Governance Committee has no obligation to recommend

such candidates. Assuming the appropriate biographical and background material (including qualifications) is provided for candidates recommended by shareholders, the Nominating/Corporate Governance Committee will evaluate those candidates by following substantially the same process and applying substantially the same criteria as for candidates recommended by other sources.

CODE OF CONDUCT

The Company has adopted a Code of Conduct, which is designed to help directors, officers and employees maintain ethical behavior and resolve ethical issues in an increasingly complex global business environment. The Code of Conduct applies to all directors, officers and employees, including the Chief Executive Officer, the Chief Financial Officer, the Controller, the Chief Legal Officer and any other employee with any responsibility for the preparation and filing of documents with the SEC. The Code of Conduct covers topics including, but not limited to, ethical behavior, conflicts of interest, corporate opportunities, confidentiality of information and compliance with laws and regulations. A copy of our Code of Conduct is available at the Company's website under the Investors section at www.rlicorp.com. Any amendments to the Code of Conduct will be posted on the website, and any waiver that applies to a director or executive officer will be disclosed in accordance with the rules of the SEC and NYSE.

COMPANY POLICY ON RELATED PARTY TRANSACTIONS

The Company recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and therefore has adopted a written Related Party Transaction Policy which shall be followed in connection with all related party transactions involving the Company. The Related Party Transaction Policy generally requires annual approval by the Nominating/Corporate Governance Committee for all transactions above \$10,000 to be entered into between the Company and its directors, officers, shareholders owning in excess of 5 percent of the Common Stock of the Company, and their family members and affiliates. There were no transactions to be entered into falling within the purview of the Related Party Transaction Policy that were presented and approved by the Nominating/Corporate Governance Committee in 2017.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In 2017, the transactions or series of similar transactions to which the Company was a party in which the amount involved exceeded \$120,000 and in which any director, executive officer or holder of more than 5 percent of the Common Stock of the Company (or any of their immediate family members) had a direct or indirect material interest, was the Company's transaction with SS&C Technologies Holdings, Inc. ("SS&C").

In 2013, the Company entered into a business arrangement with SS&C to provide investment portfolio accounting and data processing services. The Company's President & CEO (Mr. Michael) is a member of the Board of Directors of SS&C. The Chairman and CEO of SS&C is also the brother of Mr. Stone, a Director and former Officer of the Company's principal insurance subsidiaries. The Company paid SS&C \$278,316 in 2017. This transaction falls within the purview of the Related Party Transaction Policy described in the previous paragraphs and is subject to review and approval by the Nominating/Corporate Governance Committee pursuant to that Policy.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has five standing committees: Audit, Executive Resources, Finance and Investment, Nominating/Corporate Governance and Strategy. The Audit, Executive Resources and Nominating/Corporate Governance Committees are composed solely of independent directors in compliance with the Company's requirements and the NYSE Listing Standards. The Nominating/Corporate Governance Committee annually evaluates both Committee members and Committee Chairs, and rotates as necessary. In his discretion, the Chairman of the Board may attend any or all Committee meetings. All committees meet at least quarterly and also hold informal discussions from time to time. Charters for each committee are available on the Company's website under the Investors section at www.rlicorp.com.

AUDIT COMMITTEE

The Company's Audit Committee, composed exclusively of independent directors, met nine times in 2017 to consider various audit and financial reporting matters, including the Company's outside audit firm relationship and to discuss the planning of the Company's annual outside audit and its results. Prior to November 2016, the Audit Committee provided oversight for overall enterprise risk management, risk profile and risk assessment. The Audit Committee also:

- monitored the Company's management of its exposures to risk of financial loss;

Table of Contents

- reviewed the adequacy of the Company’s internal controls, including the Company’s successful adoption of the Committee of Sponsoring Organizations of the Treadway Commission Internal Control - Integrated Framework (COSO) 2013 update;
- reviewed the extent and scope of audit coverage;

- assessed the auditors’ performance; and
- selected the Company’s independent registered public accounting firm.

In addition to the nine meetings described above, the Audit Committee also held one joint meeting with the Strategy Committee of the Board of Directors. The purpose of the joint meeting with the Strategy Committee was to discuss safeguards against unnecessary or excessive risk that could arise from the Company’s underwriting, catastrophe management, reserving, reinsurance, regulatory environment and business continuity. The Audit Committee also meets in executive session, with no members of management present, after its regular meetings as well as private executive sessions with KPMG and various members of management.

The Audit Committee is responsible for approving every engagement of KPMG to perform audit or non-audit services on behalf of the Company or any of its subsidiaries before KPMG is engaged to provide those services, with the Chair of the Audit Committee being authorized to pre-approve non-audit services and then reporting those services to the full Audit Committee, as described in the Audit Committee Report. The Audit Committee evaluates the effects that the provision of non-audit services may have on the Company’s independent registered public accounting firm’s independence with respect to the audit of our financial statements.

The Board of Directors annually determines the “financial literacy” of the members of the Audit Committee pursuant to the NYSE required standards. The Board has determined that based on those standards, each member of the Audit Committee is independent and financially literate, and that each member possesses accounting or related financial management expertise. The Board of Directors has further determined that each of the Audit Committee members qualifies as an “audit committee financial expert” as defined by the SEC.

From October 1, 2016 through May 4, 2017, the members of the Audit Committee were Messrs. Scanlan (Chair), Ahlmann, Angelina, Butler and Viets. After May 4, 2017, the members of the Audit Committee were Messrs. Scanlan (Chair), Ahlmann, Angelina and Butler.

The ERC also reviews and evaluates the CEO's goals and objectives, management development and succession planning and the Company's deferred compensation, stock option, retirement and medical programs. In addition to the five meetings described above, the ERC also held one joint meeting with the Strategy Committee of the Board of Directors to discuss safeguards against unnecessary or excessive risk that could arise from the Company's executive compensation policies and practices.

From July 1, 2016 through May 4, 2017, the members of the ERC were Messrs. McPheeters (Chair) and Messrs. Graham, Restrepo and Scanlan. After May 4, 2017, the members of the ERC were Messrs. McPheeters (Chair), Duclos, Graham, Restrepo and Scanlan.

Pursuant to the Charter for the Lead Director position, the Chairman of the Board's Nominating/Corporate Governance Committee also serves as Lead Director of the Board. Among other responsibilities, the Lead Director presides at the Board's executive sessions.

NONEMPLOYEE DIRECTOR DEFERRED COMPENSATION PLAN (DIRECTOR DEFERRED PLAN)

Prior to the beginning of each year, a nonemployee director may elect to defer the compensation otherwise payable or awarded to the director during the succeeding year pursuant to the Director Deferred Plan. Under the Director Deferred Plan, the Company transfers to a bank trustee, under an irrevocable trust established by the Company, such number of shares of the Company as are equal to the compensation deferred by the director during the relevant year. The deferred compensation is used to purchase an equivalent amount of Company Common Stock. Dividends on these shares are reinvested quarterly under the Company's Dividend Reinvestment Plan. In general, Director Deferred Plan benefits are distributable, in the form of Company Common Stock, beginning when the director's status terminates.

DIRECTOR SHARE OWNERSHIP

For 2017, Nonemployee Directors were encouraged to, within five years of their initial appointment as a Company director, own shares of the Common Stock of the Company having a value of not less than 500 percent of such director's Annual Board Retainer, which Retainer was \$105,000 in 2017. Shares held directly and in Company benefit plans were counted to satisfy the guideline. Effective January 1, 2018 the ownership requirement was changed to a flat dollar value of \$500,000 to be met within five (5) years of initial appointment to the Board.

The Nominating/Corporate Governance Committee monitors directors' share ownership and may make allowances to accommodate periodic adjustments to the Annual Board Retainer, and other factors affecting a director's share ownership level.

BOARD LEADERSHIP STRUCTURE

Immediately following the 2017 Annual Shareholders Meeting, Mr. Michael was re-appointed Chairman of the Board in addition to his current officer positions of President and CEO of the Company.

The Company does not have a formal policy regarding separation of the offices of Chairman of the Board and chief executive officer. The Board believes that the decision whether to combine or separate such positions will vary from company to company and depends upon a company's particular circumstances at a given point in time.

The Board believes that a joint Board Chairman and chief executive officer position is advisable and in the best interests of the Company and its shareholders given our current Board and Lead Director configuration. This structure promotes unified leadership, continuity and direction for the Company. This combined position also provides a clear focus for management to execute the Company's strategy and business plan, while fostering clear accountability and decision-making in such roles. The Board believes the designation of an empowered "Lead Director" provides a counterbalancing governance structure and enables an appropriate balance between strategic execution and independent oversight of management.

The Lead Director (an independent director) is the Chairperson of the Board's Nominating/Corporate Governance Committee and is elected/confirmed by the Board's independent directors. The Lead Director (a) presides over executive sessions of the independent directors, (b) serves as a liaison between the Chairman and the independent directors, (c)

Table of Contents

assists in setting Board meeting agendas and schedules, (d) assists in determining information sent to directors for meetings, (e) may call meetings of the independent directors, (f) may consult with major shareholders if requested by the Chairman of the Board, (g) consults with the Chairman/CEO regarding results of annual performance reviews of the Board Committees and Board members, all as set forth in the charter for the Lead Director position.

Several factors promote a strong and independent Board at our Company. Currently, all directors except for Messrs. Michael and Stone are independent as defined in the applicable NYSE listing standards (as adopted by the Company). The Audit, Executive Resources and Nominating/Corporate Governance Committees of our Board are comprised entirely of independent directors. Also, our independent directors meet quarterly in executive session without management present. Consequently, with our Lead Director position, we believe our Board continues to be strong and independent and provides appropriate counterbalance to a combined Chairman/CEO position.

AUDIT COMMITTEE REPORT

The following report by the Company's Audit Committee is required by the rules of the SEC to be included in this Proxy Statement and shall not be considered incorporated by reference in other filings by the Company with the SEC.

The Audit Committee is composed of four independent directors and operates under a written charter adopted by the Board of Directors.

The primary role of the Audit Committee is to assist the Board of Directors in its oversight of (a) the Company's corporate accounting and reporting practices, (b) the quality and integrity of the Company's financial statements, (c) the performance of the Company's system of internal control over financial reporting, (d) the Company's compliance with related legal and regulatory requirements over financial reporting, (e) the qualifications, independence and performance of the Company's independent registered public accounting firm (the "Auditor"), including the selection of and performance of the lead engagement partner and other partners involved in the audit of the Company's financial statements, and (f) the performance of the Company's internal audit function. In addition to those primary roles, the Audit Committee also performs other roles and functions as outlined in its charter, including preliminary review of earnings releases and other activities. The Audit Committee also acts as the audit committee for each of the Company's insurance company subsidiaries. A more detailed description of the Audit Committee's roles, functions and activities is set forth in the description of Board committees elsewhere in this Proxy Statement and in the Committee's charter, which is available on the Company's website under the Investors section at www.rlicorp.com.

The Board of Directors has determined that each of the members of the Audit Committee qualifies as "independent" within the meaning of the NYSE Listing Standards and the rules of the SEC. The Board of Directors has further determined that each of Messrs. Ahlmann, Angelina, Butler and Scanlan is an "audit committee financial expert" within the meaning of the SEC rules.

The Audit Committee reviews the internal audit function of the Company, including the independence and authority of its reporting obligations, the proposed audit plans for the coming year and the coordination of such plans with the Auditor. The Company's Internal Audit Services department provides the internal audit function, which provides objective assurance and consulting services designed to add value and improve the organization's operations. The Audit Committee oversees the Internal Audit Services department and the overall internal audit function at the Company. The Company's internal audit function operates under the terms of the RLI Internal Audit Services Charter, which is reviewed by the Audit Committee and approved by the Audit Committee's chair and the Company's CEO. To assist with this oversight, the Internal Audit Services department provides an annual risk-based audit plan to the Audit Committee and periodic reports are additionally made to the Audit Committee summarizing results of internal audit activities.

The Audit Committee appoints and annually evaluates the performance of the Auditor and provides assistance to the members of the Board of Directors in fulfilling their oversight functions of the financial reporting practices, including satisfying obligations imposed by Section 404 of the Sarbanes Oxley Act of 2002, and financial statements of the Company. It is not the duty of the Audit Committee, however, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with U.S. generally accepted accounting principles ("GAAP"). The Auditor is responsible for planning and conducting audits of the financial statements and internal controls over financial reporting; and

the Company's management is responsible for preparing the financial statements, designing and assessing the effectiveness of internal control over financial reporting and determining that the Company's financial statements, including disclosures, are complete and accurate and in accordance with GAAP and applicable laws and regulations.

The Company's current Auditor is KPMG LLP ("KPMG"). KPMG has been the Company's Auditor continuously since 1983 and the Audit Committee has selected KPMG to be the Company's Auditor for fiscal 2018. Pursuant to the Sarbanes Oxley Act of 2002 and the rules of the Public Company Accounting Oversight Board (the "PCAOB"), the Auditor's lead engagement partner is required to rotate every five years. The current KPMG lead engagement partner is in the 3rd year of the five-year rotation requirement for the 2017 audit. The Audit Committee interviews and evaluates the experience of the audit partner to help ensure he or she possesses the requisite experience and knowledge to conduct and lead the audit team's integrated audit of the Company's financial statements and internal control over financial reporting.

The Audit Committee contracts with and sets the fees paid to the Auditor. The fees for KPMG's audit services the past two fiscal years are set forth on page 38.

Audit fees relate to professional services rendered for the audit of consolidated financial statements of the Company, audits of the statutory financial statements of certain subsidiaries, review of quarterly consolidated financial statements and assistance with review of documents filed with the SEC, including attestation as required under Section 404 of the Sarbanes Oxley Act of 2002.

There were no non-audit services provided by KPMG in 2017. Any non-audit services must be reviewed and pre-approved by the Chair of the Audit Committee. The Chair will report such hiring to the Audit Committee no later than the next scheduled Committee meeting.

The Audit Committee annually conducts evaluations of the Auditor to determine if it will recommend the retention of the Auditor for the next year. As part of the evaluation of the Auditor, the Audit Committee conducts periodic reviews and surveys to determine if the Auditor is meeting Committee expectations and providing appropriate audit services. A survey conducted in 2017 was created by a group of professional accounting and auditing organizations, including the National Association of Corporate Directors and the Center for Audit Quality and was completed by select RLI management and the Chair of the Audit Committee. The Auditor evaluation includes topics such as: (a) quality of services and sufficiency of resources provided by the auditor; (b) communication and interaction with the auditor; and (c) Auditor independence, objectivity and professional skepticism. The results of the Audit Committee's evaluation, including any resulting action items, are considered in the Audit Committee's decision regarding reappointment of the Auditor. Also, the results of the evaluation are discussed with the Auditor by the Audit Committee. In addition, the Audit Committee obtains and reviews, at least annually, a report by the Auditor describing; the firm's internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal

with any such issues; and (to assess the Auditor's independence) all relationships between the Auditor and the Company. The Audit Committee also reviews the PCAOB annual inspection report of the Auditor. Additionally, the Audit Committee assesses the performance of the lead engagement partner and other supporting partners, to ascertain whether any audit quality matters were identified during the most recent quality assurance cycle conducted by regulators, peer reviews or internal quality reviews. Based upon the results of such evaluations, the Audit Committee makes its recommendation regarding retention of the Auditor.

The Audit Committee reviewed and discussed the audit of the Company's financial statements and internal control over financial reporting with management and the Auditor. The Audit Committee also discussed with the Auditor the matters required to be discussed by PCAOB Standard No. 16, Communication with Audit Committees. The Audit Committee received from the Auditor the written disclosures and letter required by the applicable PCAOB requirements regarding the Auditor's communications with the Audit Committee concerning independence. The Audit Committee discussed the Auditor's independence with the Auditor. Additionally, the Audit Committee promotes the Auditor's independence by ensuring that the lines of communication are always open and constant between the Auditor and the Audit Committee. The Chair of the Audit Committee is in contact with the Auditor numerous times throughout the year. This includes normal in-person meetings, executive sessions, telephonic meetings and periodically in between normally scheduled meetings. The purpose of this is to allow open and unobstructed access to the Audit Committee should the Auditor need to bring anything to the Audit Committee's attention.

Table of Contents

Based on the review and discussions referred to above, as well as the Audit Committee's reliance on the representation of management that the Company's consolidated financial statements were prepared in accordance with GAAP, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as filed with the SEC.

The foregoing report has been approved by all members of the Audit Committee.

EXECUTIVE SUMMARY

With the exception of gross written premium, the following financial metrics are used as targets in our incentive plans and actual results are used to calculate annual incentives for our senior executive officers. These financial measures (other than gross written premium) are non-GAAP and should not be considered substitutes for GAAP measures. We consider them key performance indicators and employ them as well as other factors in determining senior management incentive compensation. The calculation of these non-GAAP metrics can be found in the discussions below with respect to the incentive plans in which those metrics are used.

Our Results in 2017:	2017	2016
Gross Written Premium	\$ 885.3 million	\$ 874.9 million
Operating Earnings (Net Earnings minus Realized Investment Gains Net of Tax)	\$ 102.2 million	\$ 92.4 million
Combined Ratio (Net Loss and Operating Expense/Net Premiums Earned)	96.4	89.5
Operating Return on Equity (Operating Earnings/Shareholder's Equity)	12.5%	11.3%
Market Value Potential (MVP) (After Tax Returns Above Cost of Capital)	\$ 86.5 million	\$ 82.1 million
Five-Year Growth in Book Value: Rank Among Peer Companies	2/15	2/13

In 2017, we continued to post industry leading underwriting and operating performance. The pricing environment remains competitive but our underwriters continued to find opportunities for profitable growth. During 2017, our gross premiums grew by \$10.4 million (1%), inclusive of some product exits and repositioning of our diversified portfolio of products. Our commitment to underwriting discipline translates into our willingness to address underperforming products quickly and severely, without regard to the impact on written premium. We delivered a 96.4 combined ratio, which includes 4 percentage points of hurricane losses. (Combined ratio is a common industry measure of profitability defined as expenses and losses as a percentage of Net Earned Premium. Thus, a combined ratio below 100 signifies an underwriting profit.) We expect the Property-Casualty insurance industry to post a combined ratio above 100 for 2017, heavily influenced by the year's hurricane and other catastrophe events. Our result not only beats the industry's projection but also represents our 22nd consecutive year of a combined ratio below 100. This result was achieved despite experiencing our worst catastrophe year in over 20 years and is a testament to our underwriters' discipline and the benefits of a diversified product portfolio.

Operating earnings and Operating Return on Equity were \$102.2 million and 12.5%, respectively. Strong underwriting and investment performance contributed to these results, as did certain tax-related benefits, most notably corporate tax reform. The Tax Cuts and Jobs Act of 2017 (TCJA) lowered future taxes applicable to unrealized gains on investments and other deferred tax items resulted in a reduction in our net deferred tax liability, which in turn increased both operating earnings and operating return on equity. Market Value Potential ("MVP"), which is a measure

of our after-tax returns above our cost of capital (explained in more detail on pages 54-55) increased to \$86.5 million versus \$82.1 million last year. This measure was also driven by the aforementioned underwriting and investment performance and benefits associated with tax reform. Finally, we compare our relative growth in book value over a five-year period to our peer companies and use that performance as a factor in calculating incentive compensation. For the five-year period ending in 2017, our rank remained at second among our peer companies, similar to 2016.

KEY ATTRIBUTES OF RLI EXECUTIVE COMPENSATION

- Performance-based compensation: Total executive compensation is directly linked to Company performance. As in prior years, all executives participate in an incentive plan, through which they are eligible to earn compensation based on achievement of Company financial objectives and personal objectives that are aligned with shareholder value creation.
- At risk compensation: A significant portion of annual incentive compensation for our CEO, COO, CFO, Sr. Vice President, Operations and each product group vice president is paid over time through a bonus bank concept to provide an incentive for sustained shareholder value creation. Amounts credited to the bonus bank are reduced

Table of Contents

dollar-for-dollar, should negative results occur in a future period. As a result, net losses in a future period reduce the amount available in the bonus bank and could result in a negative balance.

- Compensation based on relative company performance: Each year we conduct a review of executive compensation within an insurance peer group to ensure that the Company's executive compensation remains fair, competitive and consistent with the Company's absolute and relative performance. The MVP Program for the CEO, COO, CFO and Sr. Vice President, Operations includes an adjustment factor (positive and negative) for relative company performance.
- Significant executive stock ownership: Our compensation programs encourage our employees to build and maintain an ownership interest in the Company. We have established specific executive stock ownership guidelines and our executive officers whose compensation is included in the Summary Compensation Table (referred to herein collectively as "named executive officers" or "NEOs"), as well as our other executive officers, currently maintain significant share ownership in the Company. As reflected on page 8, as of December 31, 2017, executive officers and Directors beneficially held 5.54% percent of Company shares, providing strong alignment with shareholders.

The ERC believes that the Company's overall compensation approach provided meaningful incentives for the talented management team at the Company to provide outstanding results for shareholders again this year.

HOW THE ERC OPERATES

ERC MEMBERS

From July 1, 2016 through May 4, 2017, the members of the ERC were Messrs. McPheeters (Chair), Graham, Restrepo and Scanlan. After May 4, 2017, the members of the ERC were Messrs. McPheeters (Chair), Duclos, Graham, Restrepo and Scanlan. ERC members are nominated by the Nominating/Corporate Governance Committee, elected by the Board and may be removed from the ERC by the Board at any time, with or without cause. The members of the ERC are independent directors under the independence standards developed by the Board, which incorporate all of the NYSE independence standards which are applicable to directors generally, and which are set out under the section entitled Corporate Governance and Board Matters on page 39. The Board annually determines the independence of each member of the ERC under those independence standards.

ERC RESPONSIBILITIES

The ERC operates under a Charter, which can be found on the Company's website under the Investors section at www.rlicorp.com. The ERC Charter is reviewed annually by the ERC and any proposed changes to the Charter are submitted to the Nominating/Corporate Governance Committee for recommendation to the full Board for approval. The ERC is responsible to the Board for: (1) reviewing and providing advice regarding the Company's executive

compensation; (2) reviewing and providing advice regarding the Company's management succession and development processes; (3) monitoring compensation actions by management below the executive level; (4) producing an annual report on executive compensation for approval by the Board for inclusion in the Company's proxy statement; and (5) reviewing the Company's employee benefit plans.

ERC MEETINGS

The ERC held five meetings in 2017. The ERC also held a joint meeting with the Strategy Committee of the Board of Directors to discuss safeguards against unnecessary or excessive risk that could arise from the Company's executive compensation policies and practices. The agenda for each ERC meeting is established by the Chair of the ERC in consultation with other ERC members, and with Mr. Michael and Kathleen M. Kappes, Vice President, Human Resources. ERC materials are prepared by Mr. Michael and Ms. Kappes with input from members of senior management and are reviewed and approved by the ERC Chair in advance of distribution to ERC members. The ERC meetings are attended by Mr. Michael, Ms. Kappes and from time-to-time, other members of senior management, who are excused from the meeting during the Committee's executive session.

RESPONSE TO 2017 SAY-ON-PAY VOTE

At the May 2017 annual shareholder’s meeting, we held a shareholder advisory vote on the compensation of our named executive officers, referred to as a Say-on-Pay vote, with over 98 percent of shareholder votes cast on that item in favor of our executive compensation programs. We considered this vote to represent strong support by shareholders for our long-standing executive compensation policies and practices. In 2017, therefore, the ERC continued its general approach to executive compensation, as described above in “KEY ATTRIBUTES OF RLI EXECUTIVE COMPENSATION.”

INPUT FROM MANAGEMENT

Mr. Michael plays an important role in the ERC’s consideration of executive compensation levels and the design of executive compensation plans and programs for other senior executive officers. For these individuals, Mr. Michael recommends the following components of executive compensation to the ERC for review and recommendation to the Board:

- annual base salary levels;

- annual incentive targets and financial and personal goals; and

- the form and amount of long-term incentives.

Mr. Michael makes such compensation recommendations based on external market data; achievement of respective performance criteria by each executive; and his judgment related to internal pay equity among Company executives, potential for advancement, and contribution to team initiatives. Mr. Michael also relies upon the input of the senior leadership team when making such recommendations.

COMPENSATION CONSULTANT

The ERC Charter specifically provides that if a compensation consultant is to assist in the evaluation of CEO or senior executive compensation, the ERC has sole authority to retain and terminate the consulting firm including sole authority to approve the firm’s fees and retention terms. Management also has authority to retain a compensation

consultant, but may not retain the same compensation consulting firm retained by the ERC without approval in advance by the ERC. The ERC did not retain a compensation consultant in 2017. Management retained Willis Towers Watson in 2017 to provide advice with respect to long-term incentive design.

OVERVIEW OF RLI EXECUTIVE COMPENSATION

OBJECTIVES

The objective of the Company's executive compensation program is to provide a competitive total executive compensation program linked to Company performance that will attract, retain and motivate talented executives critical to the Company's long-term success.

ELEMENTS OF COMPANY EXECUTIVE COMPENSATION

The Company's total executive compensation program is comprised of the following components, each of which is described in greater detail below:

1. Total annual cash compensation consisting of:
 - (a) Base salary;
 - (b) Annual incentive awards under the MVP Program, which incorporates annual and long-term design features, for the CEO; COO; CFO; and Sr. Vice President, Operations;
 - (c) Annual incentive awards under the Management Incentive Program ("MIP") for other home office executives;

Table of Contents

- (d) Annual incentive awards under the Underwriter Profit Program for product group executives;
1. Long-term incentive compensation granted under the LTIPs (as described herein); and under the MVP Program for the CEO; COO; CFO; and Sr. Vice President, Operations.
 2. Limited perquisites. All Company executives are provided with travel accident insurance and are reimbursed for out of pocket costs for an annual health examination not covered by the Company's health plan. The CEO and COO are permitted to use the Company's fractionally-owned aircraft for personal use for an hourly rate approved by the Board of Directors, with maximum annual use limited to total charges of 6.5 percent of annual base salary. The Company does not provide any income tax gross-ups.

BALANCE OF SHORT-TERM AND LONG-TERM COMPENSATION

The ERC works to balance short-term and long-term elements of total compensation, as described in the following sections. The goal is to provide a meaningful level of long-term compensation to align with long-term value creation and mitigate the risk that members of management make decisions or take actions solely to increase short-term compensation while adding excessive risk to the Company. In that regard, the ERC believes that a greater percentage of total compensation should be in the form of long-term compensation the more senior the role is. The Committee also takes into account the significant ownership of Company stock by Mr. Michael when determining his long-term incentive award.

We consider those salary and annual incentive amounts earned in 2017 and paid in 2017 to be short-term compensation. MVP Program payments in 2017 made from amounts earned in prior years and credited to the bonus bank for prior year MVP Program awards; and the grant date fair value of stock options awards in 2017, on the other hand, are considered to be long-term compensation. The following table compares the percentage of total compensation which is short-term in nature, to the percentage which is long-term in nature.

Name	Short-Term as % of Total Compensation (Salary and Annual Incentive Earned and Paid in 2017)	Long-Term as % of Total Compensation (Payment from Bonus Bank for Prior Years and Grant Date Fair Value of Stock Options Awarded)(1)(2)
Jonathan E. Michael	47%	53%
Craig W. Kliethermes	55%	45%
Thomas L. Brown	53%	47%
Jennifer L. Klobnak		
(1)	82%	18%

Jeffrey D. Fick (2) 78%

22%

- (1) In 2016 and in prior years, Ms. Klobnak participated in the MIP instead of MVP and consequently her long-term percentage is less than the other NEOs.
- (2) Mr. Fick does not participate in the MVP Program, but instead participates in the MIP, which does not have a bonus bank or long-term payout feature, and consequently his long-term percentage is less than the other NEOs.

MARKET VALUE POTENTIAL EXECUTIVE INCENTIVE PROGRAM (MVP PROGRAM) — GENERAL

MVP Defined. As discussed in further detail below, the MVP Program provides a mechanism with which the ERC can correlate incentive compensation to long-term shareholder value creation. The MVP Program uses an economic profit measure called “Market Value Potential” (“MVP”), which measures the after-tax returns earned by the Company above its cost of capital, as a gauge of shareholder value creation. MVP is defined as (1) the Actual Return (the increase in adjusted GAAP book value as defined immediately below), less (2) the Required Return (beginning capital multiplied by the blended cost of capital). If the Company does not earn the Required Return in a given year and MVP is negative, no incentive award is made pursuant to the MVP Program for that year.

For the purposes of the MVP Program, the increase or decrease in GAAP book value is calculated as ending capital less beginning capital. Ending capital is defined as ending GAAP book value, less unrealized gains or losses net of tax on available-for-sale fixed maturity investments, plus outstanding long-term debt instruments at the end of the period; and adjusted for capital transactions during the year. Beginning capital is defined as beginning GAAP book value, less unrealized gains or losses net of tax on available-for-sale fixed maturity investments, plus outstanding long-term instruments at the beginning of the period. The Company’s blended cost of capital is defined as the weighted average of the cost of

Table of Contents

equity capital and the cost of debt capital. The cost of equity capital is the average ten-year U.S. Treasury Note rate, plus a market risk premium multiplied by the Company's beta. The Company's cost of debt capital is the forward market rate on the outstanding long-term debt.

MVP Program Participation. Participation in the MVP Program, percentage incentive awards and the formula to calculate MVP are recommended by the ERC and approved annually by the independent Directors of the Board for Mr. Michael and by the entire Board for other participants. In 2017, participation in the MVP Program was limited to Messrs. Michael, Kliethermes, Brown and Ms. Klobnak. The Board has concluded based on the position responsibilities and ongoing assessment of individual performance against operational and financial goals that the senior executive management team (comprised of the CEO, COO, CFO and Sr. Vice President, Operations) is most responsible for the operating and investment decisions and actions that directly impact the creation of long-term shareholder value, and, therefore, should be rewarded with a portion of their incentive compensation being directly and exclusively tied to the creation of MVP.

MVP Components. As discussed in more detail below, there are two components to the MVP Program. The first component, based on strategic objectives, represents annual compensation. The second component, based on financial objectives, is paid out over time out of amounts credited to a bonus bank, which is at risk of forfeiture based on future performance and as such represents long-term compensation. The component based on financial objectives is also adjusted based on a relative comparison of the Company's five-year growth in book value to that of its Peer Companies. (The Company's relative growth in book value, in turn, is calculated by comparing its compound annual growth rate ("CAGR") in GAAP comprehensive earnings over the applicable five-year period to that of its Peer Companies. CAGR in comprehensive earnings is calculated based on publicly disclosed comprehensive earnings of Peer Companies for the five-year period ending at the third quarter of the fifth year.)

MVP Percentage Award. For 2017, each participant in the MVP Program received a MVP incentive award expressed as a percentage of MVP created by the Company in that calendar year. Each year the ERC confirms that the percentage awards remain appropriate by reviewing historical incentive award payouts, projected future payouts and resulting total compensation for MVP Program participants, which in turn, is compared to the performance of the Company necessary to achieve such payouts. The ERC compares the performance of the Company and total compensation of the MVP Program participants with comparable performance metrics and compensation at companies in the peer group. The MVP percentage award, expressed as a percentage of MVP, for each participant for 2017 was as follows: 2.5 percent for Mr. Michael, 1.8 percent for Mr. Kliethermes, 1.0 percent for Mr. Brown, and 1.0 percent for Ms. Klobnak. The ERC set the percentage incentive awards for 2017 based on the factors described above and based on the range of expected MVP to be created by the Company in 2017 and the projected incentive awards and incentive payouts that would result. For 2017, Mr. Michael's percentage award remained at 2.5 percent; Mr. Kliethermes' percentage award increased from 1.5 percent to 1.8 percent in recognition of his increased responsibilities as President & COO; Mr. Brown remained at 1.0 percent; and Ms. Klobnak's percentage award was set at 1.0 percent consistent with the scope of her responsibilities.

Individual MVP Award payments during any fiscal year, including payments from amounts credited to a bonus bank in prior years, are capped at \$7.5 million under the terms of the RLI Corp. Annual Incentive Compensation Plan

approved by Shareholders in 2016. Pursuant to the Annual Incentive Compensation Plan, under which the MVP Program operates, the Board of Directors may exercise discretion to decrease MVP Awards based on such objective or subjective criteria it deems appropriate.

ANNUAL COMPENSATION

BASE SALARY

Executive base salaries are targeted to be at the median base salary for comparable positions in the insurance industry, taking into account performance, experience, potential and the level of base salary necessary to attract and retain top executive talent.

In 2017, the ERC set base salary ranges for the CEO, CFO and COO based on publicly available executive compensation data for 2017 from the following peer companies: Alleghany Corp.; Allied World Assurance Company Holdings; AmTrust Financial Services; Argo Group Intl Holdings, Ltd.; Aspen Insurance Holdings Ltd.; Baldwin & Lyons Inc.;

Table of Contents

Endurance Specialty Holdings LTD.; Global Indemnity Ltd.; Markel Corp.; Navigators Group Inc.; Old Republic International Corp.; OneBeacon Insurance Group Ltd.; ProAssurance Corporation and Selective Insurance Group, Inc. (“Peer Company(ies)”). The ERC selected these Peer Companies based on its judgment. Each of the Peer Companies competes within the property and casualty insurance industry and sells a variety of specialty insurance products that serve both commercial entities and individuals that can generally be defined as specialty in nature, or targeted toward niche markets. The Peer Companies have established records of financial performance, and most have been publicly traded for at least five years, facilitating the comparison of the Company’s financial performance to that of the Peer Companies. The ERC also reviews the market capitalization of the Company compared to the Peer Companies to ensure that the Company is at or near the median market capitalization among those companies. For the Peer Company comparison performed in 2017, the Company’s market capitalization was ninth among fifteen companies within the peer group.

Each year, the ERC compares the relative ranking among the Company and Peer Companies based on the most recently available public data (2016 data reviewed in 2017) for base salaries and total compensation for the CEO, COO and CFO positions to the relative performance ranking for the following publicly available performance metrics for the prior year: price-to-book ratio; return on equity; combined ratio; and total shareholder return (“TSR”) for one, three and five-year time frames to determine the overall competitiveness of the Company’s executive compensation. The Company’s rank among the Peer Companies for 2017, based on 2016 results, is shown in the table below:

Performance Metric	Price/Book	Return on Equity	Combined Ratio	One-Year TSR	Three-Year TSR	Five -Year TSR
RLI Rank	1	1	2	12	8	8

Base salaries and total compensation for other NEOs and executive positions are established by reference to the publicly available survey data, including median base salary levels, for comparable executives in the insurance industry.

At the May 2017 Board meeting, when the annual review of base salaries was conducted by the ERC, Mr. Michael recommended no base salary increases for himself, Mr. Kliethermes or Mr. Brown based on an assessment of annual cash compensation levels (base salary and annual incentive payouts from the MVP Program). Mr. Michael recommended a 4.8 percent increase for Ms. Klobnak in light of the placement of her base salary compared to other similar positions in the insurance industry. Mr. Michael recommended a 4.9 percent increase for Mr. Fick in light of the additional responsibilities gained upon promotion to Sr. Vice President, Chief Legal Officer and the placement of his base salary within a competitive pay range. The ERC and Board approved Mr. Michael’s recommendations.

MARKET VALUE POTENTIAL EXECUTIVE INCENTIVE PROGRAM — ANNUAL INCENTIVE COMPENSATION COMPONENT

Twenty percent of the preliminary MVP award calculated for each participant is evaluated against annual objectives and an achievement rating of 0 to 100 percent is assigned to that portion of the award. This amount represents the annual compensation component of the MVP Program award (The long-term incentive component of the MVP Program is explained under the section Long-Term Compensation on pages 58-60). For 2017, Messrs. Michael, Kliethermes, and Brown and Ms. Klobnak had shared annual objectives related to the ongoing implementation of a company-wide executive succession and development process; strategy; relative annual financial performance; and growth initiatives. The annual objectives are established as difficult stretch goals, requiring superior effort and execution to achieve 100% on all goals. The annual objectives component of an MVP award will only be paid if objectives are achieved and if positive MVP is created for shareholders. If MVP is positive and annual objectives are achieved, the annual objectives component of the award will be paid annually to provide direct linkage of annual incentive compensation for the achievement of those annual goals. However, if MVP is negative for a year, no MVP award will be made for that year with respect to the annual objectives component.

In 2016 and prior years, Ms. Klobnak participated in the MIP discussed immediately below. Under the MIP, annual bonuses are paid out in their entirety, compared to annual bonuses under the MVP Program which are credited to a bonus bank, with 33 percent of the bonus bank paid out annually. As a transition from participation in MIP to the MVP Program, the ERC agreed that for 2017, Ms. Klobnak would be paid the greater of the bonus calculated under MIP or the MVP Program, with such amount deducted from her MVP bonus bank. Based on 2017 results, the bonus payable to Ms. Klobnak was greater under the MVP Program.

Table of Contents

For 2017, annual objectives were evaluated by the Committee and an 84 percent overall achievement factor was applied. The following annual incentive compensation was paid to each participant under the MVP Program:

Calculation of MVP Program Annual Incentive Award

	(A)	(B)	(C = A x B) 2017	(D = C x 20%)	(E = % Achieved)	(F = D x E)

T. Brown	\$ million 86.531	1.8%	\$ 1,557,558	\$ 311,512	84%	\$ 261,670
J. Klobnak	\$ million 86.531	1.0%	\$ 865,310	\$ 173,062	84%	\$ 145,372
	\$ million 86.531	1.0%	\$ 865,310	\$ 173,062	84%	\$ 145,372

MANAGEMENT INCENTIVE PROGRAM (MIP)

Participants in the MIP include home office vice presidents, assistant vice presidents and other senior managers. Awards are granted annually and expressed as a percentage of year-end base pay based on targets for three financial goals: operating return on equity (“ROE”), combined ratio and MVP. Awards are based on actual results for these metrics and achievement of personal objectives.

ROE and combined ratio are used as financial goals to provide an incentive to increase annual profitability. ROE is a ratio calculated as our operating earnings divided by our beginning equity adjusted for capital transactions such as share repurchases and special dividends. Operating earnings, in turn, are our net earnings minus realized investment gains or losses net of tax. Combined ratio is an expense measure and is calculated as the sum of our incurred losses and settlement expenses plus our policy acquisition costs and operating expenses, divided by our net premiums earned. The difference between the combined ratio and 100 reflects the per-dollar rate of underwriting income or loss. MVP is used as a financial goal as a proxy for shareholder value creation and is explained on pages 54-55.

Actual awards for a year are paid in the first quarter of the following year. The ERC approves award levels for MIP participants at the vice president level, who are designated as executive officers under Section 16 of the Exchange Act.

Mr. Michael approves award levels for other MIP participants.

For 2017, Mr. Michael recommended, and the ERC approved, a MIP maximum annual incentive opportunity for Ms. Klobnak and Mr. Fick of 90 percent of their respective year-end base salary, 72 percent of which was based on the achievement of financial goals of MVP, ROE and combined ratio and 18 percent of which was based on personal objectives related to strategic projects.

As discussed above under the MVP Program, as a transition for 2017, Ms. Klobnak was paid the greater of the bonus calculated under the MVP Program and MIP. Because the bonus calculated under the MVP Program was greater, she was paid a bonus for 2017 under the MVP Program, and no bonus was paid to her under the MIP. Beginning in 2018, Ms. Klobnak will no longer participate in the MIP.

(1) As discussed under the MVP Program, as a transition for 2017, Ms. Klobnak was paid the greater of the bonus calculated under the MVP Program and MIP. Because the bonus calculated under the MVP Program was greater, she was paid a bonus for 2017 under the MVP Program, and no bonus was paid to her under the MIP.

LONG-TERM COMPENSATION

MARKET VALUE POTENTIAL EXECUTIVE INCENTIVE PROGRAM — LONG-TERM INCENTIVE COMPENSATION COMPONENT AND FORFEITURE PROVISION (CLAWBACK)

The MVP Program is described on pages 54-55. Eighty percent of the preliminary MVP award calculated under that program (which will be positive if MVP is positive, or negative if MVP is negative) is subject to an assessment of Company performance compared to Peer Companies (the “financial component”). This represents the long-term component of the MVP award. The financial component of a preliminary award will be adjusted in a range from a 20 percent reduction (minimum) to a 25 percent increase (maximum) based on the Company’s long-term performance relative to Peer Companies measured by five-year growth in book value per share. The Company’s relative growth in book value is calculated by comparing its CAGR in GAAP comprehensive earnings over the applicable five-year period to that of its Peer Companies. CAGR in comprehensive earnings is calculated based on publicly disclosed comprehensive earnings of Peer Companies for the five-year period ending at the third quarter of the fifth year. The adjustment to the financial component is made according to the following schedule:

Adjustment of Preliminary Financial Award Based on

RLI’s Relative Five-Year Book Value per Share Growth

Relative Performance	Adjustment
90th percentile of peers or greater	125% (maximum)
60th percentile of peers	100% (target)
33rd percentile of peers or less	80% (minimum)

Results between the stated values for relative performance will be interpolated to determine the achievement rating.

Table of Contents

As noted above, the Company must perform at the 60th percentile, above the median of long-term performance of Peer Companies, in order for 100 percent of the long-term financial component of an MVP award otherwise earned to be made.

The financial component of an MVP award earned is not immediately paid to participants; rather it is credited (if positive) or charged (if negative) to each participant's long-term bonus bank. A bonus bank, in turn, may be positive or negative based on prior year results. The bonus bank is paid annually at a rate of 33 percent of a positive bank balance, meaning that it will take more than 10 years to completely pay out an incentive award for a given year deposited into a bonus bank.

Until paid out, all amounts in the MVP Program bonus bank are subject to a risk of forfeiture if future financial performance results in a negative MVP calculation. In other words, negative MVP charged to a bonus bank will reduce a positive balance in that bonus bank, effectively causing a forfeiture of such positive balance. If a bonus bank is negative after the financial component of an MVP award is credited or charged to a bonus bank, no award will be paid from the bank until it is positive as a result of future positive amounts credited to the bank. The forfeiture provision in the MVP Program bonus bank in the event of negative MVP, in effect, operates as a clawback for negative shareholder results by reducing the amount payable from the bonus bank when the Company has negative MVP. In light of the clawback feature of the MVP Program in the event of negative MVP, and given the lack of a regulatory framework for clawbacks under the Dodd-Frank Act, the ERC has decided to wait to implement broader clawback provisions until after such regulations are finalized.

The Company's MVP in 2017 was \$ 86.5 million compared to MVP of \$82.1 million in 2016. The following table shows the manner in which 2017 annual and long-term MVP award payouts and remaining at-risk bank balances were calculated for Messrs. Michael, Kliethermes, and Brown and Ms. Klobnak.

LONG-TERM INCENTIVE PLANS

The Company has three long-term incentive plans which cover our award of equity/stock-based compensation to participants. Those plans are the Omnibus Plan (effective 2005 to 2010), the 2010 Long-Term Incentive Plan (“2010 LTIP”) effective from 2010 to 2015, and the 2015 Long-Term Incentive Plan (“2015 LTIP”). The Omnibus Plan and 2010 LTIP are inactive, and the 2015 LTIP is currently in effect. Together, these plans are sometimes referred to as “LTIPs”

Under the Company’s Omnibus Plan certain employees, officers, consultants and directors of the Company were eligible to receive long-term incentive compensation in a variety of forms including non-qualified stock options, incentive stock options, stock appreciation rights, performance units, restricted stock awards and other equity awards. The 2010 LTIP was adopted in 2010 and replaced the Omnibus Plan. The 2015 LTIP, described immediately below, was adopted in 2015 and replaced the 2010 LTIP. Messrs. Michael, Kliethermes, Brown, Fick, and Ms. Klobnak have outstanding stock option awards under the 2010 LTIP and the 2015 LTIP.

The purpose of our LTIPs is to promote the interests of the Company and its shareholders by providing key personnel of the Company with an opportunity to acquire an equity interest in the Company and rewarding them for achieving or exceeding the Company’s performance goals. The grant of equity awards, the value of which is related to the value of the Company’s Common Stock, aligns the interests of the Company’s executive officers with that of the shareholders. The ERC

Table of Contents

believes this arrangement develops a strong incentive for Company executives to put forth maximum effort for the continued creation of shareholder value and long-term growth of the Company.

Under the Company's 2015 LTIP, certain employees, officers and directors of the Company are eligible to receive equity awards in a variety of forms including non-qualified stock options, stock appreciation rights, performance units, restricted stock awards and other equity awards. All executives at the Company are required to own a significant level of Company stock, stated as a multiple of base salary. Equity grants provide a means for executives to meet their ownership requirement. As explained further on page 64, executives are required to hold all net shares from an equity grant until their stock ownership level is met.

The ERC believes equity awards serve as incentives to executives to maximize long-term growth and profitability of the Company, an arrangement that benefits both the executives and shareholders. Equity awards also provide a means to attract and retain key employees. The ERC establishes and recommends to the independent Directors of the Board the annual equity award for Mr. Michael, which is established based on a review of long-term incentive compensation of CEO positions among the Peer Companies described above, an assessment of his performance and initiatives underway and a comparison of his equity awards compared to awards to other executives. A target range of the value of annual equity awards, expressed as a percentage of base salary based on peer company comparisons and executive compensation benchmarking surveys, has been established for all other Company executives.

In 2017, the Company awarded long-term incentives in the form of non-qualified stock option grants to the NEOs in amounts recommended by the ERC and approved by the Board of Directors (independent Directors with respect to Mr. Michael's award). The ERC believes that non-qualified stock options provide an effective form of performance-based compensation to align the interests of NEOs and shareholders. In reaching that conclusion, the ERC considered the following: stock options provide more leverage than equity awards such as restricted stock; are directly aligned with shareholder interests since they provide rewards only with share price appreciation; and, are understood and supported by recipients. Other Company employees eligible for long-term incentive awards received non-qualified stock options and restricted stock units in 2017.

The Company targets long-term incentives at approximately the median of competitive market data. Mr. Michael recommends to the ERC proposed long-term incentive awards within the target range for each executive officer based on the executive officer's position and a subjective assessment of the executive officer's individual performance and anticipated future contributions to the Company. The ERC considers Mr. Michael's recommendations and then approves and recommends stock option awards to the Board for approval. Options granted prior to May 2009 expire 10 years after grant, options awarded from May 2009 and after expire eight years after grant. The change in 2009 to an eight-year term for stock options was implemented to reduce the expense of option grants.

Stock options vest over five years at the rate of 20 percent per year, or upon termination of employment due to the death, disability, or qualified retirement of the recipient. Upon termination of employment (other than due to death, disability, or retirement), vested options must be exercised within the earlier of 90 days of termination or expiration of

the option award, except that options are forfeited in the event the employment of an option recipient is terminated for cause.

EMPLOYEE STOCK OWNERSHIP PLAN (ESOP)

The Company's ESOP offers another performance-based means of retaining and motivating employees, including executive officers, who work 1,000 or more hours per year, by offering ownership in the Company on a long-term basis. The Board may approve an annual contribution to the ESOP based on the profitability of the Company that is used by the ESOP to purchase Common Stock on behalf of participating employees, including executive officers. For 2017, the ERC recommended and the Board approved a discretionary profit sharing contribution to the ESOP of 6.7 percent of participants' eligible compensation. In addition, plan forfeitures equal to 0.116 percent of eligible compensation were added to all participants' accounts.

Table of Contents

401(K) PLAN

The Company sponsors a 401(k) Plan in which all employees, including executive officers, scheduled to work 1,000 or more hours per year, are entitled to participate. All participants receive a “safe harbor” annual contribution by the Company to their 401(k) accounts of 3 percent of eligible compensation. The Board may also approve discretionary profit sharing contributions to the 401(k) Plan. For 2017, in addition to the safe harbor 3 percent annual contribution, the ERC recommended and the Board approved a discretionary profit sharing contribution to the 401(k) of 3.7 percent of participants’ eligible compensation and plan forfeitures equal to 0.021 percent of eligible compensation were added to all participants’ accounts.

DEFERRED COMPENSATION PLAN (DEFERRED PLAN)

Under the Company’s Deferred Plan, an executive officer may elect to defer up to 100 percent of total cash compensation after payroll deductions. Upon an election by an executive officer to defer compensation, the Company transfers cash equal to the amount deferred to a bank trustee under an irrevocable trust established by the Company, and the trustee purchases a number of shares of Common Stock of the Company representing an amount equal to the compensation deferred by the executive officer. Pursuant to the Deferred Plan, dividends paid on the shares in such trust are used by the trustee to purchase additional shares of Common Stock of the Company, which are placed in the trust. The trust is considered to be a “Rabbi Trust” or grantor trust for tax purposes. The assets of the trust are subject to claims by the Company’s creditors. The Deferred Plan generally provides that the shares credited to the participant’s account will be transferred to the participant upon termination of employment over five years. Messrs. Michael, Kliethermes, Brown, Fick, and Ms. Klobnak did not elect to defer any income for 2017. Messrs. Michael, Kliethermes and Brown have deferred income under the Deferred Plan in prior years and their respective accounts are credited with dividends on shares held in their account, which are used to purchase additional shares.

KEY EMPLOYEE EXCESS BENEFIT PLAN (KEY PLAN)

The purpose of the Key Plan is to restore benefits lost to certain executive officers under the ESOP and 401(k) Plan due to limitations on benefits contained in the Internal Revenue Code. The Company transfers to a bank trustee under an irrevocable trust established by the Company such number of shares of Common Stock of the Company representing an amount equal to the benefits the participant would have earned in the 401(k) and ESOP but for the limitation in the Internal Revenue Code on the maximum compensation on which those benefits may be calculated. The trust is considered to be a “Rabbi Trust” or grantor trust for tax purposes. The assets of the trust are subject to claims by the Company’s creditors. The Key Plan generally provides that dividends are credited to the participant’s account and reinvested in shares of Common Stock of the Company. The shares credited to the participant’s account pursuant to the Key Plan will be paid upon termination of employment in five annual installments. Mr. Michael ceased active participation in the Key Plan in 2005. Dividends on his shares held in the Key Plan continue to be credited to his account in the Key Plan. No other employee participates or has participated in the Key Plan, which is now frozen.

- (1) Mr. Michael has met the requisite age and years of service to qualify for retirement upon his departure from the Company.

The Company has not entered into any employment or severance agreements or arrangements with any of its executive officers that would compensate the executive officers for or after departing the Company. The following paragraphs describe the circumstances under which the retirement or other termination of employment will result in a payment to an NEO under the Company's annual and long-term incentive plans.

MVP/MIP. Under the Company's MVP Program, an employee must be employed on Bonus Payment Date in order to receive a bonus for that year, unless the employee's termination of employment was due to death, disability, or Retirement. Under the Company's MIP Program, an employee must be employed on the last calendar day of the year in order to receive a bonus for that year, unless the employee's termination of employment was due to death, disability, or Retirement. Retirement requires: in order to receive a bonus payout for that year, or from a bonus bank if applicable, (1) the termination of employment of an employee who has reached age and years of service equal to or greater than 75 at the time of departure; or (2) the termination of employment of an employee who satisfies a non-competition covenant or other terms and conditions specified by the Company. The amounts in the above table show annual incentives payable upon termination of employment in the event of a death, disability, or Retirement assuming all NEOs would have met the definition of Retirement at year-end 2017, although only Mr. Michael has met the definition based on age and years of service.

Upon the termination of employment of a participant qualifying as retirement, a positive MVP bonus bank calculated on the last day of the quarter during which the participant's employment ended will be paid to a participant in a lump sum on the first day of the seventh month after termination if the participant is age 65 or older, and as a quarterly annuity starting after

Table of Contents

the first day of the seventh month after termination, and continuing to age 65 using the interest rate for the five-year Treasury Note in effect at the date of Retirement if the Participant's age is less than 65. A bonus bank balance will also be calculated at the end of the quarter prior to a participant's termination of employment and the Company may, in its discretion, pay the lower of the calculated bonus banks. All such payments upon a termination of employment qualifying as retirement are subject to ongoing restrictions on: the participant's employment in the insurance industry; solicitation of Company employees for employment elsewhere; solicitation of business away from the Company; and disclosure of confidential information of the Company.

Long-Term Incentives. Under the terms of our LTIPs, stock option grants automatically vest upon the death or disability of an optionee, but will vest upon the Retirement of an optionee only if the underlying stock option agreement so provides. The awards of stock options to the NEOs, and all other stock option recipients at the Company, provide for the immediate vesting of outstanding unvested stock options in the event of a recipient's termination of employment qualifying as a retirement. Retirement is defined under the LTIPs as the termination of employment of a participant who has combined age and years of service of 75 or greater at the time of departure. Stock options must be exercised within the earlier of one year of the death of an optionee, or three years of the termination of employment due to the disability or Retirement of an optionee, and the original expiration date of the stock option award. In the event of the termination of employment of an optionee for reasons other than death, disability, or Retirement, vested options must be exercised within the earlier of 90 days of the termination of employment or the original expiration of the option award. In 2017, Mr. Michael's respective age and years of service exceeded 75. Accordingly, upon Mr. Michael's termination of employment with the Company, all of his respective unvested stock option grants will immediately vest, expiring on the earlier of the original expiration date or three years.

For Cause. In the event of a termination for cause, all unpaid bonuses, amounts in a bonus bank, and unexercised stock options are forfeited.

Change in Control. In the event of a change in control of the Company, as defined under the 2015 LTIP, the Board must take one of two actions with respect to outstanding stock option awards. Under the first alternative, the Board must make appropriate provisions for the replacement of the outstanding awards by the substitution of equity based awards of the surviving company with substantially similar terms and conditions, with full vesting for qualifying terminations of employment, such as involuntary termination by the Company or termination by the employee with good reason, in either case, within two years following the fundamental change. Alternatively, the Board must permit the options to be exercised prior to the change in control, or cashed out as part of the change in control. For illustration purposes, the table shown on the previous page assumes the Board of Directors had exercised discretion as described above to cash out outstanding stock options granted by permitting each participant to exercise all outstanding stock options as of December 31, 2017 to realize the in-the-money value of those options.

The 2016 RLI Corp. Annual Incentive Compensation Plan, which governs the MVP and MIP bonus program, includes a change in control provision, with "change in control" defined as in the 2015 LTIP. The Annual Incentive Compensation Plan provides that upon change in control, any amounts credited to a bonus bank and any amounts earned during a full or partial performance period shall not be forfeited, but will be paid out as specified under the

applicable bonus program. The amounts shown in the table above show the full bonus bank balance under the MVP Program for Messrs. Michael, Kliethermes, Brown and Ms. Klobnak and the full year bonus under the MIP Program for Mr. Fick.

STOCK OWNERSHIP/RETENTION GUIDELINE

It is the Company's belief that key executives should hold significant amounts of Company stock. The value of all shares owned or vested, including: those held outright; those in benefit plans; and the value of in-the-money vested stock options, must equal or exceed a multiple of their annual base salary, as shown below:

Position	\$ Value of Shares
CEO	6.0 x Base Salary
COO	4.0 x Base Salary
CFO; Executive VP	3.0 x Base Salary
Senior Vice President	2.0 x Base Salary
Vice President	1.5 x Base Salary

Table of Contents

Executives to whom this Guideline applies are encouraged to reach their respective stock ownership level within five years of the date on which an individual assumes an executive position covered by this Guideline. Until an executive reaches the required ownership level, all net shares obtained from the exercise of stock options or other long-term incentive awards must be retained and may not be sold. The ERC reviews the progress of executives, to whom the Guideline applies, toward their stock ownership goal each year. All NEOs have met their respective stock ownership goals. The Company implemented a formal policy in 2015 prohibiting the NEOs from using financial instruments to reduce the risk of holding company stock (hedging); or from using Company shares for margin trading or collateral purpose. At the time the policy was implemented, none of the NEOs had engaged in hedging, pledging, or margining shares of RLI stock.

EXECUTIVE COMPENSATION

SUMMARY COMPENSATION TABLE

The aggregate compensation earned from the Company and its subsidiaries during the last fiscal year is set forth below for the Company's President & CEO; Sr. Vice President, Chief Financial Officer; and the other three most highly compensated executive officers, referred to herein collectively as "named executive officers" or "NEOs". None of the NEOs have an employment contract with the Company.

The key elements of compensation presented in the summary compensation table include base salary (column c); payouts under annual incentive programs (column g); and stock option awards (column f). Amounts reflected in the column titled "Non-Equity Incentive Plan" for Messrs. Michael, Kliethermes, and Brown reflect payouts from each of their respective MVP Program bonus bank accounts of amounts earned in prior years based on financial performance of the Company in those years. As described in greater detail on pages 58-60, payouts under the long-term component of the MVP Program are reflective of amounts earned in prior years, which are banked and paid out over a period of time of up to 10 years.

(1) The amounts shown in column (f) reflect the aggregate grant date fair value of stock option awards computed in accordance with FASB ASC Topic 718. Assumptions used in the calculation of these amounts are included in footnote 8 to the Company's audited financial statements for the fiscal year ended December 31, 2017, included in the Company's Annual Report on Form 10-K filed with the SEC on February 23, 2018.

(2) The amount shown in column (g) for Messrs. Michael, Kliethermes, Brown and Ms. Klobnak (2017 only) reflects the cash awards paid under the MVP Program, which is discussed in further detail on pages 54-55, and includes the annual award payout under that Program and long-term payout reflecting 33 percent of their respective bonus bank balances. The bank balance, in turn, includes amounts credited to their bonus banks for 2017. The amount reflected in column (g) for Ms. Klobnak (2016 only) and Mr. Fick reflects the cash award paid under the MIP, which is discussed in further detail on pages 57- 58. Mr. Fick's 2016 MIP was awarded based on a prorated amount equal to 1) 75 percent of his base salary while serving as Vice President, Human Resources where 60 percent of which was based on the achievement of financial goals of MVP, ROE and combined ratio and 15 percent of which was based on personal objectives related to strategic projects and 2) 90 percent of his base salary while serving as Sr. Vice President, Chief Legal Officer where 72 percent of which was based on the achievement of financial goals of MVP, ROE and combined ratio and 18 percent of which was based on personal objectives related to strategic projects.

(3) The amounts shown in column (i) include:

- b. A Company contribution to the 401(k) Plan of \$18,147 for 2017; \$12,817 for 2016; and \$12,807 for 2015 for each of the NEOs.
- c. Amounts for executive physical examinations for Messrs. Michael, Kliethermes, Brown and Fick; and proportionate amounts of travel accident insurance provided for all Company management at the assistant vice president level and above.
- (4) Messrs. Michael and Kliethermes were authorized by the Board to use the Company's fractionally-owned aircraft for personal use in 2017, at an hourly rate established from time to time by the Board, limited to the maximum hourly charges equal to 6.5 percent of base salary. The hourly rate after September 1, 2016 was set at \$1,600 per hour which takes into account the variable hourly operating cost, including fuel prices, of the Company aircraft. Previously, the hourly rate was set at \$1,800 per hour. The amounts included in the All Other Compensation column for Messrs. Michael and Kliethermes reflect the difference between the Company's hourly variable operating costs, less the hourly rates paid by them, for all personal hours flown in a year as reflected in column (e) in the following table:

- (5) In 1996, when the Company acquired an equity ownership interest in Maui Jim, Inc. ("Maui Jim") Mr. Michael was elected to the Board of Directors of Maui Jim, a position he continues to hold. Mr. Michael was paid an initial board of director retainer in the form of 20,000 non-qualified options to purchase shares of Maui Jim stock and was paid a director fee of \$1,500 for each of the nine Maui Jim board meetings held from December 1996 through February 2002. Mr. Michael elected to be paid his entire Maui Jim director fees in the form of non-qualified

options to purchase shares of Maui Jim stock valued pursuant to an annual appraisal, which election was available to members of the Maui Jim Board of Directors who were not Maui Jim employees. After February 2002, no further director fees were paid to Mr. Michael for his service as a director of Maui Jim. Mr. Michael exercised all of his options to purchase 67,878 Maui Jim shares in 2003. Mr. Michael paid cash for such shares and incurred an income tax liability on the gain at the time of exercise. Mr. Michael received a dividend of \$50,908 in 2016 on his shares of Maui Jim stock. No dividend was paid by Maui Jim in 2015 or 2017. The amounts reflected in column (i) do not include dividends paid to Mr. Michael on the Maui Jim stock in 2016.

(1) The MVP Program applicable to Messrs. Michael, Kliethermes, Brown and Ms. Klobnak discussed in further detail on pages 54-55, does not provide for a minimum threshold award level. Mr. Fick participates in the MIP and the amounts shown in column (c) represent the minimum award under the MIP, discussed in further detail on pages 57-58, which is equal to zero if personal objectives and financial goals are not met.

(2)

The MVP Program applicable to Messrs. Michael, Kliethermes, Brown and Ms. Klobnak does not provide for a target award. The amounts shown in column (d) are their respective 2016 MVP Program payouts for 2016 performance, which are shown as representative amounts for a target MVP Program awards for 2017. For Ms. Klobnak, the amount shown in column (d) is the amount she would have received as a payout if she had participated in MVP in 2016 as a first year participant with a 1% MVP Percentage Award. For Mr. Fick, the amount in column (d) represents his target award under MIP which is equal to 60 percent of his annual base salary rate at year-end.

- (3) The amounts shown in column (e) for Messrs. Michael, Kliethermes, and Brown and Ms. Klobnak reflect the maximum incentive award permitted under the RLI Corp. Annual Incentive Compensation Plan approved by shareholders in 2016, which governs the MVP Program. For Mr. Fick, the amount shown under column (e) represents his maximum award under MIP which is equal to 90 percent of his annual base salary at year-end.
- (4) Twenty percent of each option grant becomes exercisable one year after the date of the grant and each year thereafter in 20 percent increments. Options expire on the eighth anniversary of the grant date. The 2017 grants were granted pursuant to the 2015 LTIP. The stock option grants vest upon the death or the termination of employment of a stock option recipient due to disability or Retirement. Retirement is defined as termination of employment of an employee with combined age and years of service of 75 or greater. Under FASB ASC Topic 718, option awards to recipients who are current employees, but who qualify for retirement upon departure from the Company, must be expensed at the time of grant, rather than over the five-year vesting period. Because Mr. Michael's age and years of service exceeded 75 in 2006, the ERC decided to grant option awards to Mr. Michael beginning in 2006 on a quarterly basis to avoid a disproportionate expense in the quarter of grant if the option award was made in a single annual grant.

Ratio of ceo to median employee total compensation

As a result of the recently adopted rules under the Dodd-Frank Act, beginning with our 2018 Proxy Statement, the SEC requires disclosure of the CEO to median employee ratio of total compensation.

We determined the median employee for purposes of this disclosure by generating a report from our payroll system reflecting either the base salary, or wages and overtime, as appropriate, for the calendar year 2017 for every full-time, part-time, seasonal, and temporary employee (other than Mr. Michael), annualizing that amount for any full-time or part-time employee who had worked for less than a full year. Once we determined the median employee, we calculated that employee's total compensation for 2017 in the same manner used to calculate Mr. Michael's total compensation as reflected in the Summary Compensation Table at page 66. For the median employee, we included base salary, annual incentive payout, and retirement contributions to the employee's accounts under the Company's Employee Stock Ownership Plan and 401(k) Plan. Amounts reflected in Mr. Michael's total compensation in the form of long-term incentive awards and limited perquisites did not apply to the median employee.

Mr. Michael had 2017 total compensation of \$3,989,751 while the median employee had 2017 total compensation of \$105,360 for a ratio of 38 to 1.

SAFEGUARDS AGAINST UNNECESSARY OR EXCESSIVE RISK

Management of the Company, including leaders in legal and human resources, undertook analysis of the Company's compensation structure considering the Company's compensation policies and practices with respect to the named executive officers, as well as the other employees of the Company, to determine whether incentives arising from compensation policies or practices relating to any of the Company's employees would be reasonably likely to have a material adverse effect on the Company. This analysis was reviewed and discussed by the ERC and Strategy Committee in their joint meeting in 2017. Based on the analysis and discussions, the ERC and management concluded that the Company's compensation policies and practices do not create risks reasonably likely to have a material adverse effect on the Company, and again confirmed that the mix of compensation types and time frames tend to align risk-taking with appropriate medium and long-term rewards for the Company.

The following is a discussion of how the Company's compensation policies and practices for its employees will affect risk management practices and risk-taking incentives. The Company is in the business of insurance and therefore takes on the risk of others in return for appropriate premiums. The Company is therefore particularly sensitive to matching the annual incentives it pays to its employees with the long-term risk and value created by the insurance business it writes. The following discussion is broken into four areas: (1) Senior Management Compensation; (2) Underwriting Compensation; (3) Investment Practices; and (4) Employee and Executive Equity Ownership.

SENIOR MANAGEMENT COMPENSATION

The Company's CEO, COO, CFO and Sr. Vice President, Operations participate in the MVP Program, an incentive program described in further detail on pages 54-55. The MVP Program balances risk and opportunity by incorporating a risk-based cost of capital target. The MVP Program contains three features which adjust, for longer-term considerations, the annual measure of shareholder value creation used to determine incentive awards.

The first is a banking feature that deposits the financial component of MVP-based incentive awards (which may be positive or negative) into a "bonus bank," paying out 33 percent of the bonus bank's balance annually. A bonus bank balance is at risk based on future performance — future positive MVP will increase the bonus bank and payouts, while negative MVP will decrease the bank and payouts. By exposing the bonus bank balance to future performance, the MVP Program provides an incentive to sustain long-term shareholder value creation.

The second is a peer company adjustment factor applicable to the financial component of an MVP Program award that rates the relative performance of the Company to that of its peer group with respect to growth in book value over a five-year period.

The third is Board discretion to reduce awards resulting from excessively risky actions by management, or for other

Table of Contents

subjective or objective criteria. Additionally, the MVP Program includes a Board approval mechanism, which requires the prior approval of the independent directors of the Board of the financial portion of any annual award (positive or negative) contributed to a MVP bonus bank that exceeds 300 percent of a participant's base salary. This Board approval limit gives the Board the ability to reduce an award if the Board determines that MVP did not correspondingly increase shareholder value.

The ERC believes that the risk-based cost of capital target, long-term banking feature, peer company adjustment factor for five-year growth in book value and Board discretion to reduce incentive awards significantly reduce the likelihood that senior management will take high-risk actions solely to improve short-term financial results to the detriment of long-term performance.

UNDERWRITING COMPENSATION

Underwriters are paid annual incentives under one of two annual incentive programs, the Underwriter Profit Program ("UPP") or the Underwriter Incentive Plan ("UIP"). Participants in UPP, product group executives with oversight responsibility for respective product group underwriting, earn an annual incentive equal to a percentage of underwriting profit created. All other underwriters at the Company participate in UIP. UIP provides incentives based on specific performance factors such as individual and product group loss ratio, underwriting profit, combined ratio, gross written premium and new business generation.

To calculate underwriting profit for purposes of UPP and UIP, actual and estimated losses are subtracted from net premiums to ensure that the annual incentives based on underwriting profit reflect losses that occur over several years. For most products, actual and estimated losses are measured over a four to eight-year period. Over that four to eight-year period, only a partial incentive award is paid each year until all losses develop and a final underwriting profit figure can be determined for the applicable underwriting year. For earthquake insurance, modeled expected losses are used to calculate underwriting profit for incentive purposes since losses are typically experienced over a significantly longer period of time. The ERC believes that by subjecting premiums to risk of actual and estimated losses, the Company's underwriting incentive plans, UPP and UIP, ensure that the income and risk to the Company from underwriting results are closely aligned with the incentives paid to underwriters. In this manner, UPP and UIP are designed to ensure that underwriters are not given an incentive to produce short-term underwriting results without regard to the long-term income and risk consequences of their underwriting.

INVESTMENT PRACTICES

The ERC believes that the following controls protect the Company against the Company taking excessive and unnecessary risk to maximize short-term investment results:

- The Company's investment portfolio is managed pursuant to the oversight of the Finance and Investment Committee of the Board;
- The Finance and Investment Committee has established an Investment Policy Statement setting forth detailed investment objectives, benchmarks, constraints and operating policies for the portfolio;
- All security transactions are confirmed by three Company officers; and
- All investment actions must comply with state insurance regulatory provisions related to the investments in the portfolio.

EMPLOYEE AND EXECUTIVE EQUITY OWNERSHIP

Finally, the Company has a long-standing employee ownership culture, reflected by its ESOP implemented in 1975. The ownership culture creates strong alignment between the interests of employees and shareholders to foster a long-term shareholder value creation perspective. To further support the employee ownership culture, the ERC has designed the executive compensation program to provide equity-based long-term incentives and has implemented a stock ownership guideline requiring significant levels of stock ownership for key executives, described in detail at page 64. The ERC believes

Table of Contents

that significant stock holdings by employees and executives provide a strong incentive to grow long-term shareholder value and to avoid actions that increase short-term results in a manner that prevents excessive and unnecessary risk to long-term results.

BOARD'S ROLE IN RISK OVERSIGHT

The Board's risk oversight is accomplished both at the full Board level and through its committee structure. The full Board discusses and considers risk management issues at each of its meetings. The Board will adjust its practices with respect to risk management oversight when it determines it needs to do so and will involve itself in particular areas or business circumstances where its proper exercise of oversight demands it. The Board's role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and the Board and its committees providing oversight in connection with these efforts.

The individual Committee responsibilities with respect to risk oversight are included in their respective Charters. The Audit Committee has sole authority to retain and compensate outside auditors and reviews and monitors underwriting, catastrophe management, reserving, reinsurance, regulatory environment, and business continuity, among other things. The Company's Vice President, Internal Audit reports jointly to Mr. Michael, administratively, and to the Audit Committee, functionally, to ensure an open and effective line of communication with respect to Company risk oversight. In 2017, the Audit Committee and Strategy Committee met to discuss monitoring and safeguards against unnecessary or excessive risk that could arise from the Company's business practices in the areas of underwriting, catastrophe management, reserving, reinsurance, regulatory environment, and business continuity. The Finance and Investment Committee oversees the Company's investment and corporate finance transactions, policies and guidelines, which includes the oversight of investment performance, investment risk exposure and the Company's capital structure, among other activities. In February 2018, the Finance and Investment Committee and Strategy Committee met to discuss monitoring and safeguards against unnecessary or excessive risk that could arise from the Company's financing and investment activities in the areas of equity, interest rates, credit and capital. As discussed in more detail under "Safeguards Against Unnecessary or Excessive Risk," the ERC monitors and oversees executive compensation and incentive programs and associated goals, and, together with the Board, ascertains that such programs do not create the likelihood that employees will take unnecessary and excessive risks to maximize short-term gains to the detriment of long-term performance. The ERC and Strategy Committees met in 2017 to discuss executive compensation and safeguards against unnecessary and excessive risk. The Nominating/Corporate Governance Committee provides oversight of the Company enterprise risk management in areas including, but not limited to corporate governance, regulatory, legislative and related matters, in coordination with other Board committees as appropriate. The Strategy Committee is responsible to the Board for oversight of the Company's corporate strategy and corporate growth/development, and as of November 2016 the overall enterprise risk management and associated risks. Each of the Board committees works within their area of responsibility and coordinates with other committees, the full Board and executive management in risk management at the Company.

(an Illinois Corporation)

This AGREEMENT AND PLAN OF MERGER (this “Agreement”) is made and entered into as of May __, 2018 between RLI Corp., a Delaware corporation (“Merger Corp”), and RLI Corp., an Illinois corporation (“RLI”).

RECITALS

WHEREAS, Merger Corp is a corporation duly organized and existing under the laws of the State of Delaware;

NOW, THEREFORE, in consideration of the mutual agreements contained herein and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

ARTICLE I

MERGER

1.1 The Merger. After satisfaction or, to the extent permitted hereunder, waiver of all conditions to the Merger, and subject to the applicable provisions of the General Corporation Law of the State of Delaware (the “DGCL”) and the Illinois Business Corporation Act of 1983, as amended (the “ILBCA”), RLI shall be merged with and into Merger Corp, and Merger Corp shall file a Certificate of Merger (the “DE Certificate”) with the Secretary of State of the State of Delaware (the “DE SOS”) in accordance with the provisions of the DGCL, file Articles of Merger (the “IL Certificate” and, together with the DE Certificate, the “Merger Certificates”) with the Secretary of State of the State of Illinois (the “IL SOS”) in accordance with the provisions of the ILBCA and make all other filings or recordings required by Delaware or Illinois law in connection with the Merger.

1.2 Effective Time. The Merger shall become effective as set forth in the Merger Certificates (the “Effective Time”). At the Effective Time, the separate corporate existence of RLI shall cease and Merger Corp shall continue its corporate existence under the DGCL as the surviving corporation of the Merger (the “Surviving Corporation”).

1.3 Conditions to the Merger. The respective obligation of RLI and Merger Corp to consummate the Merger is subject to the satisfaction or waiver (to the extent permitted hereunder) of the following conditions:

(a) This Agreement shall have been adopted by the sole stockholder of Merger Corp in accordance with the requirements of the DGCL and the Certificate of Incorporation and the Bylaws of Merger Corp;

(b) This Agreement shall have been adopted by the shareholders of RLI in accordance with the requirements of the ILBCA, the Amended and Restated Articles of Incorporation and the Bylaws of RLI.

1.4 Transfer, Conveyance and Assumption. At the Effective Time, Merger Corp shall continue in existence as the Surviving Corporation and, without further transfer, succeed to and possess all rights, privileges, powers and

franchises of RLI, and all of the assets and property of whatever kind and character of RLI shall vest in Merger Corp, as the Surviving Corporation, without further action. Thereafter, Merger Corp, as the Surviving Corporation, shall be liable for all of the liabilities and obligations of RLI, and any claim or judgment against RLI may be enforced against Merger Corp, as the Surviving Corporation, in accordance with Section 259 of the DGCL and Section 11.50 of the ILBCA.

Table of Contents

1.5 Certificate of Incorporation; Bylaws.

(a) From and after the Effective Time, the Amended and Restated Certificate of Incorporation of Merger Corp immediately prior to the Effective Time shall be the Certificate of Incorporation of the Surviving Corporation.

(b) From and after the Effective Date, the Bylaws of Merger Corp, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation.

1.6 Directors and Officers of the Surviving Corporation. The directors and officers of Merger Corp immediately prior to the Effective Time shall be, from and after the Effective Time, the directors and officers of the Surviving Corporation.

ARTICLE II

CONVERSION OF SHARES

2.1 Conversion of Stock.

(a) At the Effective Time, by virtue of the Merger and without any action on the part of any holder thereof, each share of capital stock of Merger Corp (the “Merger Corp Stock”) issued and outstanding immediately prior to the Effective Time, it being understood that all such shares are held by RLI, shall be automatically cancelled and cease to exist, and no consideration shall be issued in respect thereof.

(b) At the Effective Time, by virtue of the Merger and without any action on the part of any holder thereof, each share of common stock, par value \$1.00 per share, of RLI (the “RLI Common Stock”) that is issued and outstanding immediately prior to the Effective Time shall be automatically converted into one share of common stock, par value \$0.001 per share, of the Surviving Corporation (the “Surviving Corporation Common Stock”).

2.2 Stock Certificates. From and after the Effective Time, the stock certificates, if any, representing shares of RLI Common Stock issued prior to the Effective Time shall, by virtue of the Merger, represent an equal number of shares of Surviving Corporation Common Stock and shall be so registered on the books and records of the Surviving

Corporation or its transfer agents. The registered owner of any such outstanding stock certificate shall, until such certificate shall have been surrendered as provided under this Section 2.2, have and be entitled to exercise any voting and other rights with respect to and receive any dividend and any other distributions upon the shares of the Surviving Corporation Common Stock represented by such outstanding certificate as provided above. All terms and conditions of each Option, RSU or other derivative security shall otherwise remain unchanged.

2.4 Shares of RLI Dissenting Shareholders. Notwithstanding anything to the contrary contained herein, holders of RLI Common Stock that have complied with the requirements for perfecting dissenters’ rights under Section 11.70 of the ILBCA (such shares, the “Dissenting Shares”) shall not be converted into Surviving Corporation Common Stock as provided for in Section 2.1(b). At the Effective Time, all Dissenting Shares shall be cancelled and cease to exist, and the holders thereof shall cease to have any rights with respect thereto, other than such rights as may be granted to them under Section 11.70 of the ILBCA. If any holder of Dissenting Shares shall fail to perfect, or shall otherwise waive, withdraw or lose, its dissenters’ rights under the ILBCA, such that dissenters’ rights can no longer be legally perfected or exercised under the ILBCA with respect to such RLI Common Stock, then such holder’s shares shall no longer be deemed to be Dissenting Shares and shall be treated as if they had been converted automatically at the Effective Time into the right to receive Surviving Corporation Common Stock as provided for in Section 2.1(b).

Bylaws of

RLI Corp.

Article I - Corporate Offices

2.1 Registered Office.

The address of the registered office of RLI Corp. (the “Corporation”) in the State of Delaware, and the name of its registered agent at such address, shall be as set forth in the Corporation’s certificate of incorporation, as the same may be amended and/or restated from time to time (the “Certificate of Incorporation”).

2.2 Other Offices.

The Corporation may have additional offices at any place or places, within or outside the State of Delaware, as the Corporation’s board of directors (the “Board”) may from time to time establish or as the business of the Corporation may require.

Article II - Meetings of Stockholders

2.1 Place of Meetings.

Meetings of stockholders shall be held at such place, if any, within or outside the State of Delaware, designated by the Board. The Board may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 211(a)(2) of the General Corporation Law of the State of Delaware (the “DGCL”). In the absence of any such designation or determination, stockholders’ meetings shall be held at the Corporation’s principal executive office.

2.2 Annual Meeting.

The Board shall designate the date and time of the annual meeting. At the annual meeting, directors shall be elected and other proper business properly brought before the meeting in accordance with Section 2.4 may be transacted.

2.3 Special Meeting.

(i) Special meetings of the stockholders for any purpose or purposes may be called only (a) by the chairman of the Board, (b) by the Board, pursuant to a resolution approved by a majority of the entire Board or (c) by the Secretary of the Corporation, following his or her receipt of one or more written demands to call a special meeting of the stockholders in accordance with, and subject to, this Section 2.3 from stockholders of record as of the record date fixed in accordance with Section 2.3(iv) who hold, in the aggregate, at least 20 percent (20%) of the voting power of the outstanding shares of the Corporation and who otherwise comply with the requirements of Section 2.3. The notice of a special meeting shall state the purpose or purposes of the special meeting, and the business to be conducted at the special meeting shall be limited to the purpose or purposes stated in the notice. Except in accordance with this Section 2.3, stockholders shall not be permitted to propose business to be brought before a special meeting of the stockholders. Stockholders who nominate persons for election to the Board at a special meeting must also comply with the requirements set forth in Section 2.5 and Section 2.6.

(ii) No stockholder may demand that the Secretary of the Corporation call a special meeting of the stockholders pursuant to Section 2.3(i) unless a stockholder of record has first submitted a request in writing that the Board fix a record date (a “Demand Record Date”) for the purpose of determining the stockholders entitled to demand that the Secretary of the Corporation call such special meeting, which request shall be in proper form and delivered to, or mailed and received by, the Secretary of the Corporation at the principal executive offices of the Corporation.

(iii) To be in proper form for purposes of this Section 2.3, a request by a stockholder for the Board to fix a Demand Record Date shall set forth:

(a) As to each Requesting Person (as defined below), the Stockholder Information (as defined in Section 2.4(iii)(a)), except that for purposes of this Section 2.3 the term “Requesting Person” shall be substituted for the term “Proposing Person” in all places it appears in Section 2.4(iii)(a);

(b) As to each Requesting Person, any Disclosable Interests (as defined in Section 2.4(iii)(b)), except that for purposes of this Section 2.3 the term “Requesting Person” shall be substituted for the term “Proposing Person” in all places it appears in Section 2.4(iii)(c) and the disclosure in clause (A) of Section 2.4(iii)(b) shall be made with respect to the business proposed to be conducted at the special meeting or the proposed election of directors at the special meeting, as the case may be);
