Proxy Statement
Annual Meeting of Shareholders
August 22, 2003

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Advanced Photonix, Inc., a Delaware corporation (the "Company"), for use at the 2003 Annual Meeting of Shareholders of the

Edgar Filing: ADVANCED PHOTONIX INC - Form DEF 14A

Company and for any adjournments or postponements thereof (the "Annual Meeting") to be held at the Company's corporate office, 1240 Avenida Acaso, Camarillo, California, at 10:00 a.m., Pacific time, on August 22, 2003, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. A Board of Directors' proxy (the "Proxy") for the Annual Meeting is enclosed, by means of which you may vote as to the proposal described in this Proxy Statement.

All Proxies that are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in accordance with the stockholder's instructions contained in such Proxy. In the absence of instructions, shares represented by such Proxy will be voted FOR the election of the four nominees to the Board of Directors. The Board of Directors is not aware of any business to be presented at the Annual Meeting except the matter set forth in the Notice and described in the Proxy Statement. If any other matters come before the Annual Meeting, the persons named in the accompanying Proxy will vote on those matters in accordance with their best judgment. A stockholder may revoke his or her Proxy at any time before it is exercised by filing with the Secretary of the Company at its offices at 1240 Avenida Acaso, Camarillo, CA 93012, either a written notice of revocation or a duly executed Proxy bearing a later date, or by appearing in person at the Annual Meeting and expressing a desire to vote his or her shares in person.

This Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders, Proxy and 2003 Annual Report to Shareholders are being sent to Shareholders on or about July 25, 2003.

VOTING SECURITIES

June 27, 2003 has been fixed as the record date for the determination of Shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. As of that date, the Company had outstanding 13,407,783 shares of Class A and Class B Common Stock, \$.001 par value. A quorum, representing a majority of the total outstanding shares, must be established for the meeting to be held and any action to be taken. The presence, in person or by proxy, of shareholders entitled to cast a majority of votes will constitute a quorum for the Annual Meeting. Holders of Class A and Class B Common Stock are entitled to one vote for each share owned. As a plurality of votes cast is required for the election of directors, abstentions and broker non-votes will have no effect on the outcome of the election.

Brokers holding shares for beneficial owners must vote those shares according to the specific instructions they receive from beneficial owners. If specific instructions are not received, brokers may vote those shares in their discretion, depending on the type of proposal involved. The Corporation believes that, in accordance with New York Stock Exchange rules applicable to such voting by brokers, brokers will have discretionary authority to vote on matters relating to the election of directors. Shares as to which brokers have not exercised such discretionary authority or received instructions from beneficial owners are considered "broker non-votes."

ELECTION OF DIRECTORS

A Board of four Directors of the Company is to be elected at the Annual Meeting,

Edgar Filing: ADVANCED PHOTONIX INC - Form DEF 14A

each to serve, subject to the provisions of the Company's by-laws, until the next Annual Meeting of Shareholders and until his successor is duly elected and qualified. It is management's recommendation that the accompanying form of Proxy be voted FOR the election as Directors of the four persons named below, all of whom are currently Directors of the Company. The Board of Directors believes that the nominees named below are willing to serve as Directors. However, in the event that any of the nominees should become unable or unwilling to serve as a Director, the Proxy will be voted for the election of such person or persons as shall be designated by the Board of Directors. The Board of Directors does not have a nominating committee.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities (collectively the "Reporting Persons") to file reports of beneficial ownership and changes in beneficial ownership of the Company's equity securities with the Securities and Exchange Commission and to furnish the Company with copies of these reports. Based solely on its review of the copies of the forms received by it, the Company believes that all of its officers and directors complied with all filing requirements applicable to them, except with respect to the late filing of Form 3 by Paul Ludwig to report initial ownership of securities upon being appointed Chief Operating Officer on August 21, 2002, which was reported on September 10, 2002.

Meetings and Committees of the Board of Directors

The Board of Directors held seven meetings during the fiscal year ended March 30, 2003. The Board of Directors has the following standing committees: Compensation Committee, Audit Committee and Special Committee. The Compensation Committee was established to evaluate directors and management compensation plans as well as the Company's stock option and incentive plans. The Compensation Committee met once during fiscal 2003. The members of the

Edgar Filing: ADVANCED PHOTONIX INC - Form DEF 14A

Compensation Committee are Mr. Farese, Mr. Harper, and Mr. Soltwedel. Mr. Kurtz was a member of the Compensation Committee until February 2003, when he became Chief Executive Officer of the Corporation.

The Special Committee was established during fiscal year 2002 to focus on the Corporation's demands for governance, future development and any other duties assigned by the Board of Directors. The Special Committee did not meet independently during fiscal 2003; all discussions and decisions were made as part of the regular board meetings. The members of the Special Committee are Mr. Farese, Mr. Kurtz and Mr. Soltwedel.

The Audit Committee is comprised of three independent directors: Mr. Soltwedel, Mr. Farese and Mr. Harper. To maintain Audit Committee independence, Mr. Kurtz, who was a member of the Audit Committee until his appointment as Chief Executive Officer in February 2003, was replaced by Mr. Harper in May 2003. Currently, all members of the Audit Committee are independent directors as defined by the listing requirements of the American Stock Exchange. The Audit Committee held one independent meeting during the fiscal year ended March 30, 2003; all other meetings and financial reviews were held as part of the regular board meetings. As set forth in the Audit Committee Charter, the Audit Committee is responsible for, among other things, (a) reviewing the professional services and independence of the independent auditors, (b) ensuring that the scope of the annual external audit is sufficiently comprehensive, (c) reviewing, in consultation with the independent auditors, the plan and results of the annual audit and the adequacy of the Company's internal control systems and (d) reviewing the results of such audit.

Audit Committee Report

The Audit Committee of the Company's Board of Directors is composed of three independent Directors and operates under a written charter adopted by the Board of Directors and the Audit Committee. The Audit Committee assists the Board, through review and recommendation, in its oversight responsibility related to the quality and integrity of the Company's financial information and reporting functions, the adequacy and effectiveness of the Company's system of internal accounting and financial controls, and the independent audit process.

The Company's Management has the primary responsibility for the quality and integrity of the financial statements and the reporting process including the system of internal controls. The Company's independent public accountants, Farber & Hass LLP, are responsible for performing an audit and expressing an opinion as to whether the Company's financial statements are fairly presented, in all material respects, in conformity with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-KSB with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from

Edgar Filing: ADVANCED PHOTONIX INC - Form DEF 14A

management and the company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit, and approves all payments to the independent auditors for services performed. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended March 30, 2003 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have also recommended, subject to shareholder approval, the selection of Advanced Photonix's independent auditors.
