LIFETIME HOAN REPORTS 31% INCREASE IN NET SALES AND
88% INCREASE IN EARNINGS PER SHARE

WESTBURY, N.Y., February 26, 2004 -- LIFETIME HOAN CORPORATION (NASDAQ NM: LCUT), a leading marketer of housewares, today announced results for the fourth quarter and full year ended December 31, 2003.

For the fourth quarter of 2003, net sales increased 31% to \$62.1 million from \$47.5 million in the same period of the prior year. Income from continuing operations increased 94% to \$5.4 million from \$2.8 million for the same period in 2002. Earnings per diluted share from continuing operations rose 88% to \$0.49 per diluted share from \$0.26 per diluted share in last year's fourth quarter.

For the twelve months ended December 31, 2003, net sales totaled \$160.4 million compared to \$131.2 million in 2002. Income from continuing operations totaled \$8.4 million, or \$0.78 per diluted share, compared to \$3.6 million, or \$0.34 per diluted share, in 2002.

Jeffrey Siegel, president and chief executive officer, commented, "Our fourth quarter performance capped a very successful year for Lifetime Hoan. Our KitchenAid(R) branded products, which include kitchen utensils, gadgets and bakeware, were an especially strong growth driver. As we expected, our S'mores Maker, introduced in mid-year, was an extremely popular gift item during the holiday season and, together with solid sales of our Cuisinart(R) cutlery, contributed to making this Lifetime's most successful fourth quarter ever.

"In 2004, we will continue our winning strategy of using

Lifetime's advanced design capabilities to develop exciting, high quality products for our portfolio of premium brands. Our KitchenAid line, which includes an exceptionally attractive and powerful assortment of utensils, gadgets and bakeware, will continue to be a key driver. In the second half of the year, we will begin rolling out kitchen cutlery, storage blocks, knife sharpeners and wood cutting boards under the KitchenAid brand name, which we expect to be just as well received as our original items.

"During 2004, we will also expand our CasaModa(R) line, focused on the growing market for casual home entertainment. This will include the introduction of a number of variations on our original S'mores Maker. Equally important, we will focus on expanding the placement of all of our products during the coming year. This was an important element of our strategy in 2003, and we expect it to help drive Lifetime's results in 2004."

In 2004, management estimates that Lifetime's net sales will total approximately \$190 million to \$200 million. Earnings per share are estimated to total approximately \$0.95 to \$1.10 for the year.

As announced in 2002, Lifetime sold its 51% interest in the businesses of each of Prestige Italiana, Spa. and Prestige Haushaltswaren GmbH (together, the "Prestige Companies"). The loss from the Prestige Companies' operations for the fourth quarter of 2002 and the full year is reflected as discontinued operations on the Company's income statements.
