(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) has been filed? If the answer is no, identify report(s). Yes [x] No []

The Company anticipates that the Company will have net income for the three months and nine months ended September 30, 2002, compared to a net loss of (\$657,400) and (\$1,323,600) for the three and nine months ended September 30, 2001. The Company is unable to state amounts for the net income because the review of financial statements has not yet been completed. The Company expects that the anticipated net income will be attributable

Edgar Filing: SCOTTS LIQUID GOLD INC - Form NT 10-Q

in large part to the Company's receiving \$594,600 as payment of a judgment in a lawsuit against an insurer, as previously reported, and a reduction in its accounts receivable allowance based upon various factors. Revenues for the three months ended September 30, 2002 are anticipated to be higher than revenues of \$4,933,400 for the three months ended September 30, 2001. Revenues for the nine months ended September 30, 2002 are anticipated to be lower than revenues of \$19,439,000 for the nine months ended September 30, 2001. The increase in revenues for the three months ended September 30, 2002, compared to third quarter of 2001, is due primarily to higher sales of Montagne Jeunesse products that more than offset the decreases in sales of Alpha Hydrox products and household chemical products. The decrease in revenues for the nine months ended September 30, 2002 compared to the nine months ended September 30, 2001 is primarily due to a decrease in sales of Alpha Hydrox products and household chemical products offset in part by higher sales of Montagne Jeunesse products.
