**Item 1.01. Entry Into a Material Agreement.**

On October 11, 2006, the Compensation Committee of the Board of Directors of Apria Healthcare Group Inc. approved an amendment of the vesting schedule for the 45,000 share Restricted Stock Purchase Rights Award granted to the company's President and Chief Operating Officer, Lawrence A. Mastrovich, on August 13, 2003. Under that grant Mr. Mastrovich was given the right to purchase all or any portion of 45,000 shares of the company's common stock at a price of \$6.46 per share at any time after vesting and prior to August 13, 2013. Under the existing terms of the grant, the right to purchase was to vest as to all of the stock on December 31, 2009, subject only to Mr. Mastrovich's continued employment with the company through that date. The effect of the amendment is to accelerate the vesting of an initial 15,000 share increment of the shares covered by the grant to June 30, 2007, and to accelerate the vesting of a second 15,000 share increment of the shares to June 30, 2008. Vesting of the final 15,000 share increment was not accelerated and will still occur on December 31, 2009. The vesting of each increment remains subject to Mr. Mastrovich's continued employment through the date of vesting. The Committee approved the accelerated vesting in order to provide a more effective retention incentive for Mr. Mastrovich by more evenly distributing the vesting installments of the award over the three-year time period in question. Neither the acceleration of vesting nor the earlier exercise of the vested portions of the award will result in an increase or acceleration of any accrual for associated compensation expense for the company.
