Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 8, 2018, Omega Healthcare Investors, Inc. ("Omega" or the "Company") held its Annual Meeting of Stockholders at the Company's headquarters at 303 International Circle, Suite 200 Hunt Valley, Maryland 21030 (the "Annual Meeting"). At the Annual Meeting the Company's stockholders approved the Omega Healthcare Investors, Inc. 2018 Stock Incentive Plan (the "2018 Plan"), which amends and restates the Omega Healthcare Investors, Inc. 2013 Stock Incentive Plan (the "2013 Plan").

The 2018 Plan makes a number of changes to the 2013 Plan as summarized below:

The 2018 Plan increases the number of shares of common stock available for issuance under the 2013 Plan by 4,500,000 shares. Shares attributable to awards (including prior awards under the 2013 Plan) which are forfeited, cancelled, expired, terminated or paid or settled in cash or otherwise without the issuance of common stock (except for shares that cannot be recycled into the 2018 Plan as discussed in the next bullet point) are again available for grant under the 2018 Plan.

The 2018 Plan prohibits liberal share recycling. Specifically, shares that have been (i) tendered or withheld to pay the exercise price of options or stock appreciation rights, (ii) withheld to satisfy tax withholding, (iii) repurchased by the Company using cash proceeds from the exercise of options or (iv) subject to a stock appreciation right or option and not issued upon net settlement or net exercise of the stock appreciation right or option. In contrast, the 2013 Plan permitted such shares to be recycled into the plan.

The 2018 Plan limits the amount of compensation in the form of Omega common stock payable to each non-employee director of the Company for service in such capacity. Specifically, the grant date fair value of awards in the form of Omega common stock or that are payable in Omega common stock cannot exceed \$750,000 per director per year. In contrast, the 2013 Plan did not contain a limit that applied to non-employee directors.

The 2018 Plan provides in general that the term "change in control," will (if used) be defined in the applicable award agreement, but provides that a liberal change in control definition cannot be used. Specifically, the 2018 Plan provides that a change in control cannot be triggered upon any event that does not result in an actual change in control of the Company, such as an announcement or commencement of a tender offer or exchange offer, a potential takeover, stockholder approval (as opposed to consummation) of a merger or other transaction, acquisition of less than 15% or less of the outstanding voting securities of the Company, an unapproved change in less than a majority of the Board or other similar provisions in which the Committee determines that an actual change in control does not occur. Further, the 2018 Plan prohibits the Committee from accelerating vesting of an award in connection with a liberal change in control definition.

The 2018 Plan deletes many provisions that were previously in the 2013 Plan solely to qualify certain performance-based compensation payable to named executive officers for a tax deduction under Section 162(m) of the Internal Revenue Code to the extent that the compensation exceeded \$1,000,000 per year per officer.

A summary of the 2018 Plan is set forth under the heading "Proposal 4 — Approval of 2018 Stock Incentive Plan" in the Company's definitive proxy statement filed with the Securities and Exchange Commission on April 30, 2018 (the "Proxy Statement"), which description is incorporated herein by reference. That summary of the 2018 Plan is qualified in its entirety by reference to the full text of the 2018 Plan, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
