Edgar Filing: CIT GROUP INC - Form 8-K/A

Overview

We are filing this Amendment No. 1 to our Form 8-K filed at 9:16 a.m. on December 13, 2005 solely to correct certain typographical errors and make non-substantive clarifications. This Form 8-K/A supersedes and replaces the aforementioned Form 8-K filed on December 13, 2005.

Section 8 - Other Events

Item 8.01. Other Events.

This current report on Form 8-K includes as an exhibit the audited consolidated balance sheets as of December 31, 2004 and 2003 and the statement of income, stockholders' equity and cash flows of CIT Group Inc. for the years ended December 31, 2004 and 2003, the three months ended December 31, 2002 and the year ended September 30, 2002. These financial statements include a modification to our segment reporting structure, in Note 21 (Business Segment Information), as previously disclosed by the Company in the Current Report on Form 8-K filed on July 20, 2005.

The only changes to CIT'S financial statements attached hereto from those filed with our Form 10-K for the year ended December 31, 2004 are contained in Note 21 (Business Segment Information). All other sections of the attached financial statements are the same as previously reported by the Company.

This Current Report on Form 8-K also includes a restated Management's Report on Internal Control Over Financial Reporting (also filed in CIT's Amendment No. 2 to Form 10-K for the year ended December 31, 2004) to reflect management's conclusion that a control deficiency relating to classification and related valuation and documentation of certain of its compound derivative transactions constituted a material weakness as of December 31, 2004. This weakness was previously disclosed on Form 8-K on December 13, 2005 and caused us to restate our financial statements for the quarters ended March 31, June 30 and September 30, 2005 and file amended Form 10-Q's for those periods. This weakness did not result in any material adjustments to the 2004 annual or interim financial statements, and as of the date of this filing, we have fully remediated this material weakness relating to classification and related valuation and documentation of certain compound derivative transactions.

the Private Securities Litigation Reform Act of 1995. All forward-looking statements (including statements regarding future financial and operating results) involve risks, uncertainties and contingencies, many of which are beyond CIT's control, which may cause actual results, performance, or achievements to differ materially from anticipated results, performance, or achievements.
