LSI Logic will make forward-looking statements regarding 2003 during the conference call and will make reference to results of operations, excluding special items in both the news release and the conference call.

Charges for acquired in-process research and development and amortization of non-cash deferred stock compensation and intangibles are examples of items stemming from purchase business combinations. For a complete reconciliation of special items excluded from our results of operations for the three months ended March 31, 2003, and 2002, refer to the tables furnished in the news release as Exhibit 99.1.

Results of operations excluding special items for the periods presented are provided for illustrative purposes only and should be read in conjunction with the comparable information presented in accordance with generally accepted accounting principles in the United States of America and the Company's most recent annual report on Form 10-K for the twelve months ended December 31, 2002.
