**Item 1.01. Entry into a Material Definitive Agreement**

In July 2005, the Compensation Committee of the Board of Directors of Cholestech Corporation ( Cholestech ) approved, subject to shareholder approval, the amended and restated 2000 Stock Incentive Program (the Plan ). The principal amendments to the Plan are as follows:

Amendment to increase the aggregate number of shares of common stock that may be issued under the Plan by 300,000;

Amendment to prohibit the grant of stock options with exercise prices less than the fair market value of Cholestech s common stock on the date of grant;

Amendment to provide that the award of stock purchase rights reduce available shares at a 2:1 rate compared to stock options;

Amendment to provide that the minimum vesting period for at least 90% of total full value awards of three years, unless such award is to vest upon achievement of one or more performance objectives, in which case the minimum vesting period is one year;

Amendment to add 150,000 share annual limit for stock purchase rights, except that in connection with an individual s initial service with Cholestech, he or she may be granted stock purchase rights up to an additional 150,000 shares;

Amendment to add specific performance criteria that the Plan administrator may use to establish performance objectives, the achievement of which will allow certain awards to vest or be issued, which in turn will allow Cholestech to receive income tax deductions under Section 162(m) of the Internal Revenue Code of 1986, as amended;

Amendment to limit Cholestech s ability to reprice any outstanding stock option after it has been granted (other than pro rata adjustments to reflect stock dividends and other corporate events), unless approved by Cholestech s shareholders.

On August 17, 2005, at Cholestech s 2005 Annual Meeting of Shareholders, shareholders approved the Plan. A copy of the full text of the Plan is incorporated herein by reference to Appendix A to Cholestech s definitive proxy statement on Schedule 14A for the 2005 Annual Meeting of Shareholders, filed with the Securities and Exchange Commission on July 15, 2005. A description of the material terms of the Plan was included in such definitive proxy statement.
