(i) in the case of

Mr. Jordan, a salary of \$515,016 per annum; and (ii) in the case of Mr. Dutta, a salary of \$414,000 per annum.

Mr. Dutta received an additional salary increase to \$500,000 per annum effective November 21, 2005. Total salary amounts reported are lower than these 2005 annual salary increases because lower salaries were in effect for a portion of 2005.

Neither Ms. Whitman nor Mr. Webb received an annual salary increase.

Mr. Donahoe received a salary of \$750,000 per annum effective March 17, 2005 (his date of hire).

- (2) All 2005 bonuses represent amounts paid in 2005 and 2006 for services rendered in 2005, all 2004 bonuses represent

amounts paid in 2004 and 2005 for services rendered in 2004, and all 2003 bonuses represent amounts paid in 2003 and 2004 for services rendered in 2003.

- (3) Represents the perquisites outlined in the table below. Perquisites are valued at the incremental cost of providing such perquisites.

The incremental cost to eBay of personal usage of its corporate aircraft is calculated based on a methodology that includes the weighted average cost of fuel, maintenance expenses, parts and supplies, landing fees, ground services, catering, and crew expenses associated with such use. Because the corporate aircraft is used primarily for business travel, the methodology

excludes fixed costs that do not change based on usage. Fixed costs include pilot salaries, the purchase or lease costs of the aircraft, and the cost of maintenance not related to such personal travel. Executives, their families, and invited guests occasionally fly on corporate aircraft as additional passengers on business flights. In those cases, the aggregate incremental cost to eBay is a *de minimis* amount, and as a result, no amount is reflected in the table. Prior to 2004, eBay calculated the cost of the personal use of its corporate aircraft using the Standard Industrial Fare Level (SIFL) tables prescribed under applicable IRS regulations. Because eBay has determined that the incremental cost methodology produces

generally higher amounts than use of the SIFL calculation method, the incremental cost methodology has also been used to calculate the value of personal use of corporate aircraft by Ms. Whitman for 2003. Our annual report and proxy statement covering the period ended December 31, 2003 reflected the value of Ms. Whitman's personal use of corporate aircraft in 2003 using the SIFL calculation method and valued such use at \$115,857.

- (1) Options granted in 2005 were granted under our 2001 Equity Incentive Plan. All options granted in 2005 to the Named Executive Officers were granted by our Board of Directors, are nonqualified stock options, and are subject to a four-year vesting schedule, and, except for Mr. Donahoe's option and Mr. Dutta's November 25, 2005 option grant, such options vest 12.5% six months after the grant date and 1/48 per month thereafter. Mr. Donahoe's new hire option grant vests 25% on the first anniversary of the grant date and 1/48 per month thereafter. Mr. Dutta's November 25, 2005 option grant vests 50% on November 22, 2007 and 1/48 per month

thereafter.

Amounts have been adjusted to reflect the two-for-one stock split that occurred on February 16, 2005.

- (2) Based on options to purchase 34,488,548 shares of our common stock granted to employees in 2005.
- (3) Options were granted at an exercise price equal to the fair market value of our common stock, as determined by our Board of Directors, on the date of grant. The exercise prices per share listed in the table above are rounded up to the nearest cent. The exercise per share has been adjusted to reflect the two-for-one stock split that occurred on February 16, 2005.
- (4) Represents the estimated fair value of stock options as of the

applicable grant date. The Black-Scholes method is used to estimate the fair value in accordance with the requirements of Financial Accounting Standards Board's Statement of Financial Accounting Standards 123(R) (FAS 123R). The estimated fair value of all stock-based compensation is amortized over the vesting period and is reflected in the footnotes to eBay's consolidated financial statements through fiscal year 2005 and, beginning in fiscal year 2006, will be included as an expense in the eBay's consolidated income statement in accordance with FAS 123R.

The following table sets forth the number of shares acquired and the value realized upon exercise of stock options during 2005 and the number of shares of our common stock subject to exercisable and unexercisable stock options held as of December 31, 2005 by each of the Named Executive Officers. The value at fiscal year end is measured as the difference between the exercise price and the fair market value at close of market on December 31, 2005, which was \$43.22.

(1) Amounts have been adjusted to reflect the two-for-one stock split that occurred on February 16, 2005.

(2) Value realized is based on the fair market value of our common stock on date of exercise minus the exercise price and does not necessarily reflect proceeds actually received by the Named Executive Officer.

**Pension Plan and Other Retirement Arrangements**

We do not have any pension plan or deferred compensation plan for our U.S. employees, including our executive officers. We have a savings plan, which qualifies under Section 401(k) of the Internal Revenue Code. We contribute one dollar for each dollar a participant contributes, with a maximum contribution of \$1,500 per employee (including our executive officers). Our non-U.S. employees are covered by various other savings, and in some cases pension, plans.

**Employment Agreements, Change-in-Control Arrangements, Severance Arrangements, and Retention Bonus Plans with Executive Officers**

We do not have individual long-term employment agreements or change-in-control arrangements with any of our executive officers. We do not have any severance payment arrangements with any of our executive officers, except that: (i) under her January 16, 1998 employment letter agreement, if Ms. Whitman is terminated other than for cause, she is entitled to receive salary compensation for six months, and if she remains unemployed at the end of such six-month period, she is eligible to received additional salary compensation for the lesser of six months or commencement of other employment; and (ii) under his July 17, 1999 offer letter, if Mr. Webb is terminated other than for cause, he is entitled to receive salary compensation for six months, and if he remains unemployed at the end of such six-month period, he is eligible to received additional salary compensation for the lesser of six months or commencement of other employment. See footnotes 9 and 10 of the Summary Compensation Table for descriptions of the special retention bonus plans that we entered into with Mr. Jordan and Mr. Donahoe.

Similar to the provisions of broad-based equity compensation plans of many other public companies, our broad-based equity compensation plans provide that in the event of a change in control, any surviving corporation or acquiring corporation must either assume or continue outstanding awards or substitute similar awards. If the surviving corporation or acquiring corporation refuses to do so, then with respect to awards held by participants whose service has not terminated, the vesting of such awards (and, if applicable, the time during which such awards may be exercised) will be accelerated in full.

### **Compensation of Directors**

Board compensation is determined by the Compensation Committee. Prior to 2003, Board compensation was 100% equity based. After a review in December 2002, Board compensation was substantially revised by the Board, with equity compensation reduced and cash compensation added. Board compensation has subsequently been reviewed annually by the Compensation Committee, which has not changed cash compensation and has effectively reduced equity compensation by holding the number of options granted annually to the same absolute number notwithstanding two subsequent stock splits of eBay common stock.

New directors who are not employees of eBay, or any parent, subsidiary or affiliate of eBay, receive deferred stock units, or DSUs, with an initial value of \$150,000 under our 2003 Deferred Stock Unit Plan. DSUs represent an unfunded, unsecured right to receive shares of eBay common stock (or the equivalent value thereof in cash or property), and the value of DSUs varies directly with the price of eBay's common stock. Each DSU award granted to a non-employee director upon election to the Board will vest as to 25% of the DSUs on the first anniversary of the date of grant and as to 1/48 of the DSUs each month thereafter, provided the director continues as a director or consultant of eBay. DSUs are payable in stock or cash (at eBay's election) following the termination of a non-employee director's tenure in such capacity.

**Table of Contents**

Non-employee directors are also eligible to participate in the 1998 Directors Stock Option Plan, also referred to as the Directors Plan. Option grants under the Directors Plan are automatic and non-discretionary, and the exercise price of the options must be 100% of the fair market value of the common stock on the date of grant. Each eligible director is granted an option to purchase 15,000 shares of eBay common stock at the time of each annual meeting if he or she has served continuously as a member of the Board since the date elected. The Compensation Committee elected to maintain the annual option grant under the Directors Plan at 15,000 shares notwithstanding the two-for-one split of eBay common stock in February 2005. All options granted under the Directors Plan vest as to 25% of the shares on the first anniversary of the date of grant and as to 1/48 of the shares each month thereafter, provided the optionee continues as a director or consultant of eBay. In the event of a change of control of eBay, the Directors Plan provides that options granted under that plan will become fully vested and the individual award agreements for directors under the 2003 Deferred Stock Unit Plan provide that DSUs granted under that plan will become fully vested.

Except for Mr. Omidyar, eBay's founder and the Chairman of its Board of Directors, non-employee directors are paid a retainer of \$50,000 per year, the chairman of the Audit Committee receives an additional \$10,000 per year, and the Lead Independent Director and all other committee chairs receive an additional \$5,000 per year. Directors may elect to receive, in lieu of these fees and at the time these fees would otherwise be payable (i.e., on a quarterly basis in arrears for services provided), DSUs with an initial value equal to the amount of these fees. Except for Mr. Omidyar, each non-employee director also receives meeting fees of \$2,000 for each Board meeting and \$1,000 for each committee meeting.

During the year ended December 31, 2005, non-employee directors received the following compensation:

**Stock Ownership Guidelines for Directors**

In September 2004, our Board adopted stock ownership guidelines to better align the interests of our directors and executives with the interests of stockholders and further promote our commitment to sound corporate governance. Under the guidelines, directors are required to achieve ownership of eBay common stock valued at three times the amount of the annual retainer paid to directors within three years of joining the Board, or in the case of directors serving at the time the guidelines were adopted, within three years of the date of adoption of the guidelines. A more detailed summary of our stock ownership guidelines can be found on our website at <http://investor.ebay.com/governance>. The ownership levels of our directors as of April 1, 2006 are set forth in the section entitled Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters below.

**Compensation Committee Interlocks and Insider Participation**

The members of the Compensation Committee of our Board are Edward W. Barnholt, Philippe Bourguignon, Robert C. Kagle, and Thomas J. Tierney. No member of our Board's Compensation Committee is or was formerly an officer or an employee of eBay. No interlocking relationship exists between our Board and its Compensation Committee and the board of directors or compensation committee of any other company, nor has such interlocking relationship existed in the past.

Information regarding shares of common stock that may be issued upon the exercise of options, warrants, and rights under our existing equity compensation plans was set forth under the heading "Equity Compensation Plan Information" in Item 5 of our Annual Report on Form 10-K filed on February 24, 2006.

We have entered into indemnification agreements with each of our directors and executive officers. These agreements require us to indemnify such individuals, to the fullest extent permitted by Delaware law, for certain liabilities to which they may become subject as a result of their affiliation with eBay.

From time to time, we have entered into and may continue to enter into commercial arrangements with companies with which our directors or executive officers may have relationships, including as a director or executive officer, but with respect to which our directors or executive officers do not have a material interest and, thus, are not required to be disclosed. These commercial arrangements are entered into in the ordinary course of business and on an arm's-length basis.

In March 2006, we made a \$2,000,000 equity investment in Meetup, Inc., a local community website that brings groups together offline. Mr. Omidyar, our founder and the Chairman of our Board of Directors, is a director of Meetup, Inc., and entities controlled by Mr. Omidyar beneficially hold greater than a 10% equity interest in Meetup, Inc. Consistent with our corporate governance practices, the Audit Committee of our Board of Directors pre-approved this transaction. We believe this transaction was made on terms no less favorable to us than we could have obtained from unaffiliated third parties. While we do not believe that Mr. Omidyar had a direct or indirect material interest in this transaction, and thus it is not required to be disclosed, we are disclosing its existence as a matter of good corporate governance and because it is not an ordinary course commercial arrangement.

In February 2006, we entered into a special retention bonus plan with Mr. Swan in connection with his hiring. Under the terms of this bonus plan, Mr. Swan received a \$200,000 bonus in March 2006. In addition, the terms of the bonus plan provide for four additional bonus payments of \$200,000, payable on each of the first, second, third, and fourth anniversaries of the date of his commencement of employment, assuming his continued employment with us.

Mr. Omidyar and Mr. Skoll, a beneficial owner of more than 5% of our common stock, from time to time make their personal aircraft available to our officers for business purposes at no cost to us. The imputed cost of the aircraft use was not material to our consolidated financial statements.

***PRINCIPAL ACCOUNTANT FEES AND SERVICES***

During the fiscal years ended December 31, 2004 and December 31, 2005, fees for services provided by PwC were as follows (in thousands):

	<b>Year Ended December 31,</b>	
	<b>2004</b>	<b>2005</b>
Audit Fees	\$ 3,757	\$ 3,174
Audit-Related Fees	1,617	2,202
Tax Fees		
All Other Fees		
<b>Total</b>	<b>\$ 5,374</b>	<b>\$ 5,376</b>

Audit Fees consisted of fees incurred for services rendered for the audit of eBay's annual financial statements, review of financial statements included in eBay's quarterly reports on Form 10-Q, other services normally provided in connection with statutory and regulatory filings, and for attestation services related to Sarbanes-Oxley compliance.

Audit-Related Fees consisted of fees billed for due diligence procedures in connection with acquisitions and divestitures and consultation regarding financial accounting and reporting matters. We did not incur any Tax Fees or All Other Fees in the fiscal years ended December 31, 2004 and 2005.

The Audit Committee of our Board of Directors has determined that the rendering of non-audit services by PwC was compatible with maintaining their independence.

***Audit Committee Pre-Approval Policy***

The Audit Committee of our Board of Directors has adopted a policy requiring the pre-approval of any non-audit engagement of PwC. In the event that we wish to engage PwC to perform accounting, technical, diligence, or other

permitted services not related to the services performed by PwC as our independent registered public accounting firm, our internal finance personnel will prepare a summary of the proposed engagement, detailing the nature of the engagement, the reasons why PwC is the preferred provider of such services, and the estimated duration and cost of the engagement. The report will be provided to our Audit Committee or a designated committee member, who will evaluate whether the proposed engagement will interfere with the independence of PwC in the performance of its auditing services. Beginning with the first quarter of 2003, we have disclosed all approved non-audit engagements during a quarter in the appropriate quarterly report on Form 10-Q or annual report on Form 10-K.
