(e) On March 20, 2009, the Compensation Committee of the Board of Directors of Newport Corporation (the Registrant ) approved awards of restricted stock units and stock-settled stock appreciation rights to the Registrant 's principal executive officer, principal financial officer and other named executive officers under the Registrant 's 2006 Performance-Based Stock Incentive Plan.

The awards of the restricted stock units are on substantially the terms of the form of Restricted Stock Unit Award Agreement filed as Exhibit 10.2 to the Registrant 's Current Report on Form 8-K filed with the Securities and Exchange Commission on May 23, 2006.

Each stock appreciation right has a term of seven years and a base value per share equal to the closing price of the Registrant 's common stock on the date of grant, which was \$4.18 per share. Each stock appreciation right entitles the executive officer to receive from the Registrant upon the exercise of the stock appreciation right an amount, payable in shares of the Registrant 's common stock, equal to the excess, if any, of (a) the fair market value of one share of common stock on the date of exercise, over (b) the base value per share.

All such restricted stock units and stock appreciation rights have vesting conditioned on the Registrant 's achievement of a specified financial performance goal for the Registrant 's fiscal year 2009. If such performance goal is achieved, the restricted stock units and stock appreciation rights will vest in equal annual installments on the first three anniversaries of the grant date.
