PART III -- NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Due to the following, we are unable to file our Annual Report on Form 10-K for the year ended March 31, 2004 within the prescribed time period without unreasonable effort or expense:

Rentrak Corporation ("Rentrak") has been unable to complete the preparation of its financial statements to be included in its Annual Report on Form 10-K for the fiscal year ended March 31, 2004 (the "Form 10-K") and related items, including our Management's Discussion and Analysis of Financial Condition and Results of Operations, Selected Financial Data, Controls and Procedures, and required certifications. The delay resulted from the discovery of miscalculations, related to guarantee provisions in two revenue-sharing agreements that resulted in accounting errors. In order to determine the steps required to correct the errors, Rentrak spent significant additional time to reprocess a large volume of data, analyze the information and determine the correct conclusions. This effort has delayed its ability to complete its Form 10-K. Correction of the errors will require a restatement of Rentrak's audited financial statements for the fiscal years ended March 31, 2002 and 2003, as well as its unaudited interim financial statements for the first three quarters of fiscal 2004 and fiscal 2003. Financial results previously reported for fiscal 2000 and 2001 have also been updated to address the accounting errors, in order to correctly report these amounts in the Form 10-K. The delay ensuing from the identification of accounting errors and resulting restatements could not be eliminated without unreasonable effort or expense.

Rentrak anticipates that the Form 10-K will be filed on or before July 14, 2004.

## Edgar Filing: RENTRAK CORP - Form NT 10-K

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

We estimate that we will report consolidated net income for fiscal 2004 of approximately \$1.2 million or approximately \$0.12 per diluted share, compared to a consolidated net loss in fiscal 2003 of \$0.7 million or \$0.7 per diluted share, as restated. We estimate we will report after-tax income from continuing operations for fiscal 2004 of approximately \$1.3 million or approximately \$0.13 per diluted share, compared to an after-tax loss from continuing operations in fiscal 2003 of approximately \$0.1 million or approximately \$0.01 per diluted share, as restated. The improvement in fiscal 2004 financial results is primarily the result of stronger-than-expected rental demand for movie titles covered by new combined DVD/VHS revenue-sharing agreements, which primarily affected our fourth quarter revenues and earnings.
