Dear Fellow Cedar Fair Unitholders:

Our Board of Directors has recognized that *unitholders want the right to nominate directors* for election to the Board. They have proposed two amendments that would allow unitholders to have this right. Although we do not see eye-to-eye with the Board on many issues, we do support what the Board has proposed here, and we do give credit where credit is due. Proposal 1 is an amendment to the Regulations to permit the Partnership Agreement to include a provision giving unitholders the right to nominate directors for election to the Board. Proposal 2 is an amendment to the Partnership Agreement to establish certain procedures and information requirements pursuant to which unitholders can nominate directors for election to the Board. Combined, these two amendments will give unitholders the right to nominate directors.

To approve Board Proposal 1 and Board Proposal 2 above, the Board set the approval threshold at 80% of all outstanding Units of the Company, consistent with the Regulations, so it is therefore critically important that all unitholders (i) check the FOR box, (ii) sign and (iii) date their proxy cards. Because of the extremely high threshold set by the Board, each unitholder must vote its Units, as simply not voting will count as a vote against both Board Proposals.

Edgar Filing: CEDAR FAIR L P - Form DFAN14A

Q Investments, therefore, urges unitholders to support the Company's amendments and return the proxy card you should have already received from the Company with a vote FOR each of the two director nomination resolutions. If you have misplaced or have not yet received the proxy card from the Company, another identical card is enclosed for your convenience. You can also vote by calling (800) 454-8683 or do so online at [www.proxyvote.com](http://www.proxyvote.com). Make sure to have your proxy card available when voting by telephone or online.

Sincerely yours,

Q Funding III & Q4 Funding
