Funds for the purchase of the Shares by EP Fund and EP Master Fund reported herein were derived from general working capital and margin account borrowings made in the ordinary course of business. In such instances, the positions held in the margin accounts are pledged as collateral security for the repayment of debit balances in the account, which may exist from time to time.

## Edgar Filing: AIRGAS INC - Form SC 13D

Since other securities are held in the margin accounts, it is not possible to determine the amounts, if any, of margin used to purchase the Shares reported herein. A total of approximately \$370 million was paid to acquire the Shares reported herein.

The Reporting Persons have not entered into any agreement with any third party to act together for the purpose of acquiring, holding, voting or disposing of the Shares reported herein. The Reporting Persons intend to review their investment in the Company on a continuing basis and may from time to time engage in discussions with management, the Board of Directors, other shareholders of the Company and other relevant parties, including representatives of any of the foregoing, concerning matters with respect to the Reporting Person's investment in the Shares, including, without
