PROCEEDINGS OF MEETING:

I. OVERVIEW OF THE AGENDA:

Mr. Abal presented the agenda prepared for the meeting by the Chairman and distributed in advance to Committee members. Electronic copies of documentation for use at the meeting were also sent in advance to Audit Committee members.

II. OPINION ON THE PROPOSALS THAT THE BOARD OF DIRECTORS INTENDS TO SUBMIT TO THE ANNUAL GENERAL ORDINARY SHAREHOLDERS’ MEETING

The Board of Directors of the Company, at its meeting No. **368** held on March 7, 2018, decided to request the opinion of the Audit Committee, in accordance with section 110, subsections a) and e) of Law 26,831 and Section 10A of the U.S. Securities Exchange Act, on certain proposals that the Board of Directors intends to submit for the consideration of the Annual General Ordinary Shareholders’ Meeting.

Furthermore, in its capacity as continuing company following the merger on December 1, 2017 of its controlling company Nortel Inversora S.A. (“Nortel”) —and considering that the latter was publicly listed— the Shareholders’ Meeting of Telecom Argentina shall consider, with the opinion of the Audit Committee: i) The compensation of Nortel Directors that served from April 27, 2017 to November 30, 2017; and ii) the fees to be paid to the External Auditors for the audit of Nortel’s Financial Statements for irregular fiscal year 2017 (started on January 1, 2017 and ended November 30, 2017)

The proposals formulated are included below:

- a) Telecom Argentina: The proposal to allocate the aggregate compensation of **P\$101,200,000** to the members of the Telecom Argentina Board of Directors serving during Fiscal Year 2017 (from April 27, 2017 through the Shareholders Meeting that considers their compensation) and to empower the Board of Directors to distribute such amount among its members. Said amount includes the fees payable for serving as Board Members, the amounts for the roles of President and Vice President of the Company, for sitting on several Board Committees, and compensations for technical and administrative tasks undertaken by two directors under employment contract. The proposed amount represents 1.31% of the 'accountable earnings' for Fiscal Year 2017, calculated according to section 3, Chapter III, Title II of the Rules of the *Comision Nacional de Valores* (CNV) (N.T. 2013).

Additionally, the Board of Directors would propose to the Shareholders Meeting to grant authorization to the Board to make advance payments to those directors acting during Fiscal Year 2018 (from the date of the Shareholders Meeting that considers this matter through the date of the meeting that reviews Fiscal Year 2018 documents), in compliance with the provisions of the General Corporations Law, and contingent upon the decision of the Shareholders Meeting that considers the final documentation of such fiscal year.

- b) Nortel: The proposal to allocate the aggregate compensation of **P\$5,600,000** to the members of the Nortel Board of Directors serving from April 27 to November 30, 2017, and to empower the Company's Board of Directors to distribute such amount among the members of the Nortel Board of Directors.

The proposed amount represents 0.15% of the 'accountable earnings' for Nortel's irregular Fiscal Year 2017 (started January 1, 2017 and ended November 30, 2017), calculated according to section 3, Chapter III, Title II of the Rules of the *Comision Nacional de Valores* (CNV) (N.T. 2013).

- a) Telecom Argentina: The proposal to pay Price Waterhouse & Co. S.R.L., (“PwC”) for its services as External Independent Auditors of Telecom Argentina’s financial statements for Fiscal Year 2017, the amount of
- 2) **P\$15,840,000** (which does not include VAT), broken down into **P\$7,920,000** for financial statement audit tasks, and **P\$7,920,000** for audit tasks related to the certification under Section 404 of the Sarbanes Oxley Act.
- b) Nortel: The proposal to pay PwC for its services as External Independent Auditors of Nortel’s financial statements for irregular Fiscal Year 2017 (from January 1, 2017 to November 30, 2017), the amount of **P\$140,000** (which does not include VAT).

The proposal to appoint Price Waterhouse & Co. S.R.L. as Independent External Auditors of Telecom Argentina’s 3) financial statements for the Fiscal Year ending December 31, 2018, with Carlos Alberto Pace acting as the regular certifying accountant and Marcelo Daniel Pfaff as his alternate.

The Audit Committee has also been asked to report the amount of expenses that were assigned to its operation and training activities during Fiscal Year 2017 to be reported to the Shareholders Meeting, and to assess the funds it considers necessary to carry out its duties during Fiscal Year 2018, in order to request the Shareholders’ Meeting to approve the respective budget.

1) Opinion on the Proposal of Compensation for the members of the Board of Directors acting during Fiscal Year 2017 and advance payments to those who shall serve in 2018

- a) Telecom Argentina: The proposal to allocate to the directors serving in Fiscal Year 2017 (from April 27, 2017 until the date of the meeting that reviews their compensation) the aggregate compensation of **P\$101,200,000**, proposing to the Shareholders’ Meeting to delegate into the Board of Directors the authority to distribute such amount among its members. The aforementioned amount includes the fees for the performance of Directors’ duties, the roles of Chairman and Vice Chairman of the Company, participation in the various Board Committees, as well as compensation for the technical and administrative functions served by two Directors under employment contract.

In order to evaluate such proposal, the members of the Audit Committee have considered the following:

1. the number of members of the Board of Directors (11 regular members and 11 alternate members), their roles, responsibilities and dedication to their functions;
2. the participation of members of the Board of Directors in several committees (Audit Committee, Steering Committee and Operations Committee, the latter two, replaced by the Executive Committee since January 31, 2018) which demand high professionalism and many hours of work, and involve a high level of responsibility; additionally, the roles of Chairman and Vice Chairman, and the compensation for technical and administrative tasks performed by two Directors under employment contract have been considered;
3. the consistency of this proposal with those submitted in previous fiscal years. It should be noted that during the fiscal year under review, Members of the Board of Directors have applied a considerable amount of time to the analysis and discussion of multiples matters deriving from the merger of Telecom and its related companies, on the one hand, and Telecom and Cablevisión, on the other.
4. the updated survey conducted on the *Autopista de Informacion Financiera* of the *Comision Nacional de Valores*, "CNV", regarding remunerations paid to directors of other companies similar to Telecom Argentina during the last fiscal year, as reported by such companies. Said survey shows that the fees proposed for Telecom Argentina's directors, as a whole, are consistent with the average amounts paid by such organizations and by Telecom Argentina in previous years;
5. the fact that the total amount of fees proposed represents a small percentage (1.31%) of the 'accountable earnings', calculated according to CNV Rules.

Based on the above, it is agreed that the total remuneration of **P\$101,200,000** proposed by the Board of Directors for its Members serving during Fiscal Year 2017 from April 27, 2017 through the date of the Shareholders' Meeting reviewing its compensation, is reasonable (under the terms of section 2 paragraph d of Chapter III, Title II, of CNV Rules). The factors considered include the number of directors and their responsibilities, representation, and technical tasks as members of several Board of Directors' committees; the technical and administrative tasks performed by two Directors under employment contract; the dedication to the role, competence and professional reputation of Directors, and the market value of their services. Furthermore, the proposal does not involve any infringement of any legal, regulatory or statutory provision applicable to the Company.

The Audit Committee also considers reasonable, according to market practices, the proposal to authorize the Board of Directors to make advance payments to those Directors serving during Fiscal Year 2018 (from the date of the Shareholders Meeting that deals with this advance through the date of the Meeting that reviews Fiscal Year 2018 documents), in compliance with the provisions of the General Corporate Law, and contingent upon the decision of the Shareholders Meeting that considers the financial statements of such Fiscal Year.

b) Nortel: The proposal to allocate the aggregate compensation of **P\$5,600,000** to the members of the Nortel Board of Directors serving from April 27 to November 30, 2017, and to empower the Company's Board of Directors to distribute such amount among the members of the Nortel Board.

In order to evaluate such proposal, the members of the Audit Committee have considered the following:

the updated survey conducted on the *Autopista de Informacion Financiera* of the *Comision Nacional de Valores*, 1) "CNV", regarding remunerations paid to directors of other companies similar Nortel during the last fiscal year, as reported by such companies. Said survey shows that the fees proposed for Nortel's

directors, as a whole, are consistent with the average amounts paid by such organizations and by Nortel in previous years;

2) The proposed amount represents a minimum percentage (0.15%) of the 'accountable earnings', calculated according to CNV Rules.

Based on the above, it is agreed that the total remuneration of **P\$5,600,000** proposed by the Board of Directors for the Nortel Directors serving from April 27, 2017 to November 30, 2017, is adequate under the terms of section 2 paragraph d of Chapter III, Title II, of CNV Rules, and does not involve any infringement of any legal, regulatory or statutory provision applicable to the Company.

2) **Opinion on the Proposal of Fees payable to the Independent Auditors for Fiscal Year 2017**

a) Telecom Argentina: The Board of Directors has requested the opinion of the Audit Committee on the proposal it intends to submit to the Shareholders regarding the fees to be paid to Price Waterhouse & Co. S.R.L., for their services as Independent Auditors of the financial statements of Telecom Argentina for fiscal year 2017. The proposal to be submitted at the Shareholders' Meeting includes the payment of **P\$15,840,000** (which does not include VAT), of which **P\$7,920,000** are fees for financial statement audit tasks and **P\$7,920,000** are fees for the audit activities performed in connection with the certification under Section 404 of the Sarbanes Oxley Act.

The Audit Committee considers that the amount of **P\$7,920,000** that the Board of Directors will propose to the Shareholders' Meeting as compensation for the financial statement audit tasks performed by the Independent Auditors during fiscal year 2017 is reasonable and consistent with the importance, magnitude and quality of the tasks performed, and is within the range of the fees approved by other listed companies similar to Telecom Argentina.

Likewise, taking into account the complexity of the task and the specialization required for the Independent Auditors to perform the audit in respect of the certification under Section 404 of the Sarbanes Oxley Act, the Audit Committee concludes that the amount of **P\$7,920,000** that the Board of Directors will propose to the Shareholders' Meeting as remuneration for audit tasks performed is also deemed reasonable.

b) Nortel: The Board of Directors has requested the opinion of the Audit Committee on the proposal it intends to submit to the Shareholders regarding the fees to be paid to Price Waterhouse & Co. S.R.L., for its services as Independent Auditors of Nortel's financial statements for irregular Fiscal Year 2017 (from January 1, 2017 to November 30, 2017). The proposal to be submitted to the Shareholders provides for the payment of **P\$140,000** (which does not include VAT).

The Audit Committee considers that the amount of **P\$140,000** that the Board of Directors will propose to the Shareholders' Meeting to be approved as compensation for audit tasks on Nortel's financial statements by the Independent Auditors during irregular fiscal year 2017 is reasonable and consistent with the importance, magnitude and quality of the tasks performed, and is within the range of the fees approved by other listed companies similar to Nortel.

3) Opinion on the Proposal to Appoint the Independent Auditors for Fiscal Year 2018

The Board will propose the General Meeting to appoint Price Waterhouse & Co. S.R.L. as Independent External Auditors of the financial statements for the fiscal year ending December 31, 2018, with Carlos Alberto Pace acting as the regular certifying accountant and Marcelo Daniel Pfaff as his alternate.

The Audit Committee, under the specific provisions of CNV regulations —substantiated opinion required by section 28 subsection c), Section VI, Chapter III, Title II of the CNV Rules (N.T. 2013 and amendments)— carried out, in early 2016, a review of the background and performance of Price Waterhouse & Co. S.R.L. ("PwC"), the current external independent auditors of Telecom Argentina, and of Cablevisión until December 31, 2017, given that at 12:00 am on January 1, 2018, the merger between both companies was completed.

The assessment conducted on that occasion was based mainly on the knowledge of the background and performance of the firm, as part of the Audit Committee's activities of annual oversight and evaluation of external auditors, with the aim to achieve reliability in the financial information that the Company provides to control entities, investments, and markets.

Additionally, the firm's audit and support teams, at both national and international level, have in-depth knowledge of the business systems and processes, and particularly, of the financial information generation process.

In summary, PwC is a firm of local and international prestige, with a vast and outstanding professional record, and its procedures meet stringent levels of quality and independence from audited companies. Additionally, it has sound knowledge of the business of Telecom Argentina and Cablevisión, and of their administrative and internal control structure.

Therefore, the Audit Committee, based on the background of the proposed firm, its performance in previous years and the abovementioned considerations, unanimously resolved to submit to the Board of Directors a favorable opinion on the proposal to appoint PwC as External Independent Auditors for the year 2018.

Audit Committee Expenses - 2017 Report and 2018 Budget

The Board of Directors requested the Audit Committee to report the expenses incurred in its operation and training activities in Fiscal Year 2017, and to estimate the amount that it considers necessary to carry out its activities in Fiscal Year 2018, in order to request the approval by the Shareholders' Meeting of the relevant budget.

Mr. Abal submitted a report on the expenses incurred by the Committee from May 2017 through April 2018, segregating those already incurred and those to be accrued until the closing of such budget period. The members of the Committee reviewed the different items included in the report, which showed aggregate expenses of P\$1,278,899 for such period.

Continuing with discussions concerning the budget, in view of the activities performed during the previous fiscal year, the training and advisory needs estimated for the current year, and the hiring of services required for the effective performance of its tasks and responsibilities, as well as the general evolution of costs, the members of the Audit Committee resolved to request the Shareholders' Meeting to approve an operating budget of **PS\$4,000,000** for Fiscal Year 2018.

A copy of the Audit Committee's expense report, its budget estimates, and the survey of directors' and external auditors' fees in the *Autopista de Información Financiera* were included in the folder with supporting and background documentation of the matters discussed by the Committee.

Finally, it was unanimously resolved that the Chair, Mr. Carlos Alejandro Harrison, sign this document on behalf of the Audit Committee and forward it to the Board of Directors of Telecom Argentina S.A.

There being no further business to transact, the meeting was adjourned and the proposal was made to communicate the date for the next meeting through the Secretary of the Audit Committee.
