Item 1.01 Entry into a Material Definitive Agreement

Runoff Notes and Pledge and Security Agreement

On March 19, 2012, WMI Holdings Corp. (formerly known as Washington Mutual, Inc. (the “Company” or “WMI”)) issued \$110 million aggregate principal amount of its 13% Senior First Lien Notes due 2030 (the “First Lien Notes”) under an indenture, dated as of March 19, 2012 (the “First Lien Indenture”), between the Company and Wilmington Trust, National Association, as Trustee (the “First Lien Trustee”). Additionally, the Company issued \$20 million aggregate principal amount of its 13% Senior Second Lien Notes due 2030 (the “Second Lien Notes” and, together with the First Lien Notes, the “Runoff Notes”) under an indenture, dated as of March 19, 2012 (the “Second Lien Indenture” and, together with the First Lien Indenture, the “Indentures”), between the Company and Law Debenture Trust Company of New York, as Trustee (the “Second Lien Trustee” and, together with the First Lien Trustee, the “Trustees”).

The Runoff Notes will mature on March 19, 2030. The Company will pay interest on the Runoff Notes on March 1, June 1, September 1 and December 1 of each year, commencing on June 1, 2012. Interest on the Runoff Notes will accrue at a rate of 13% per annum.

In connection with the Indentures, the Company also entered into that certain Pledge and Security Agreement (the “Indenture Pledge and Security Agreement”) by the Company in favor of the Collateral Agent (as defined therein) for the benefit of the First Lien Secured Parties (as defined therein), the Second Lien Secured Parties (as defined therein) and the Third Lien Secured Parties (as defined therein) in order to grant a security interest on distributions it receives of Runoff Proceeds (as defined within the Indentures) and the equity interests in, and assets of, either WM Mortgage Reinsurance Company, Inc., a Hawaii corporation and direct wholly-owned subsidiary of the Company (“WMMRC”), or such other entity as holds WMMRC’s existing portfolio of assets, to the extent a lien has been granted therein (with any such lien subject to regulatory approval). A copy of the Pledge and Security Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Security. The Runoff Notes are secured by, and have a specified priority in right of payment in, (a) a securities or deposit account into which the Company will deposit distributions it receives of Runoff Proceeds (as defined within the Indentures) (the “Collateral Account”) and (b) the equity interests in, and assets of, either WMMRC, or such other entity as holds WMMRC’s existing portfolio of assets, to the extent a lien has been granted therein (with any such lien subject to regulatory approval).

Interest Payments. The Company will, and will cause WMMRC to, deposit all distributions, dividends or other receipts in respect of Runoff Proceeds (as defined in the Indentures) on the date paid to the Company directly into the Collateral Account. On any interest payment date, payments are made from the Collateral Account and from any other Runoff Proceeds Distributions (as defined in the Indentures) in the priority set forth in the First Lien Indenture and then, to the extent there are any amounts remaining, in the priority set forth in the Second Lien Indenture. Generally, payments are made first to the Trustees for any fees and expenses, then to the Company for an amount as described in the First Lien Indenture, then to the holders of the First Lien Notes for interest and principal, then to the Company for an amount as described in the Second Lien Indenture, and lastly to the holders of the Second Lien Notes for interest and principal. To the extent that any interest is not paid in cash on any such interest payment date, the interest is payable by increasing the principal amount of the Runoff Notes or by issuing PIK Notes (as defined in the Indentures).

Offer to Purchase; Open Market Purchases. The Company is not required to make any mandatory redemption or sinking fund payments with respect to the Runoff Notes.

Optional Redemption. The Company may redeem some or all of the Runoff Notes at any time at a redemption price equal to 100% of the principal amount of the Runoff Notes redeemed, plus accrued and unpaid interest to the redemption date, subject to the rights of holders on the relevant record date to receive interest due on the relevant interest payment date.

Covenants. The Indentures contain covenants that, among other things: (a) obligate the Company to cause WMMRC to use commercially reasonable efforts to obtain the appropriate regulatory approval of a dividend and to pay to the Company such dividend and deposit such dividend into the Collateral Account; and (b) limit the Company's ability to create liens on the collateral securing the Runoff Notes.

Events of Default. The Indentures also provide for customary events of default, including, without limitation, payment defaults, covenant defaults and certain events of bankruptcy and insolvency for the Company or WMMRC. If any such event of default occurs and is continuing under the First Lien Indenture or Second Lien Indenture, the First Lien Trustee or Second Lien Trustee, as applicable, or the holders of at least 25% in principal amount of the total outstanding First Lien Notes or Second Lien Notes, as applicable, may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding First Lien Notes or Second Lien Notes, as applicable, issued under the First Lien Indenture or Second Lien Indenture, as applicable, to be due and payable immediately. However, in the event of a bankruptcy default, all outstanding Runoff Notes will be automatically due and payable without further action or notice.

Transfer Restrictions. The Second Lien Indenture contains certain transfer restrictions. In particular, without the approval of the Company's board of directors, no person is permitted to acquire, whether directly or indirectly, and whether in one transaction or a series of related transactions, Second Lien Notes, to the extent that after giving effect to such purported acquisition (a) the purported acquirer or any other person by reason of the purported acquirer's acquisition would hold at least 4.75% of the then outstanding principal amount of the Second Lien Notes (or is a Substantial Holder, as defined in the Company's Amended and Restated Articles of Incorporation, as filed with the Secretary of State of the State of Washington on March 19, 2012 (the "Articles")), or (b) the beneficial interest of a person that, prior to giving effect to the purported acquisition, holds at least 4.75% of the then outstanding principal amount of the Second Lien Notes (or is a Substantial Holder) would be increased.

The summary set forth above is not intended to be complete and is qualified in its entirety by reference to the full text of the First Lien Indenture attached hereto as Exhibit 4.1 and the Second Lien Indenture attached hereto as Exhibit 4.2.
