FOR IMMEDIATE RELEASE

THE LEATHER FACTORY REPORTS 1ST QUARTER 2004 RESULTS NET INCOME UP 25% ON RECORD REVENUES

FORT WORTH, TEXAS - The Leather Factory, Inc. (AMEX: TLF) today reported financial results for the first quarter of 2004. Net income for the quarter ended March 31, 2004 was \$971,000, a 25% increase from \$775,000 for the first quarter of 2003. Fully-diluted earnings per share for the quarter increased to \$0.09 from \$0.07 in the first quarter of last year. Total sales for the first quarter were \$12.2 million, up 15% from \$10.6 million in the same quarter last year.

Tandy Leather sales increased \$1.3 million in the first quarter, a 70% improvement over last year's first quarter. Twenty-nine stores comprised the Tandy Leather operations on March 31, 2004, compared to nineteen retail stores a year ago. Three new stores opened in the first quarter of 2004. First quarter sales for the Leather Factory wholesale centers increased \$242,000 or 3% over the same quarter last year, in line with anticipated growth of 2-4% annually. Roberts, Cushman's first quarter sales increased \$77,000 or 15% over the same period a year ago.

Consolidated gross profit margins for the quarter improved to 55.2% compared to 53.5% a year ago. Operating expenses rose \$748,000, less than 0.5% of sales. Increases in advertising and marketing initiatives plus expenses (rent, personnel, etc.) associated with the new Tandy Leather stores contributed to the additional costs.

Wray Thompson, Chairman and Chief Executive Officer, commented, "All three operating segments produced positive results in the first quarter. We were on target with our goal of rapid profitability for new Tandy Leather stores, as two of the three new stores that were opened this quarter recorded profits in March. We made some modest progress in improving our operating margins and will continue those efforts with the goal of improving operating leverage as we continue Tandy Leather's expansion."
