TAT Technologies Ltd. Shares to be Dual Listed on TASE

Thursday August 11, 9:30 am ET

GEDERA, Israel, August 11 /PRNewswire-FirstCall/ -- TAT Technologies Limited (NASDAQ: TATTF - News) today announced that the Tel-Aviv Stock Exchange has approved its request to dual-list its shares on the Tel Aviv Stock Exchange (TASE). The Company shares will begin trading on the TASE on Tuesday, August 16, 2005.

"By listing on the TASE, our shares will become accessible to Israeli institutions and individuals who currently do not trade shares in the US because of various restrictions, costs or time differences. Another advantage of a dual listing is a longer trading day. We believe this will expand our trading volume significantly, increasing the liquidity of our shares," said Mr. Israel Ofen, TAT Technologies' CFO.

TAT Technologies Ltd. together with its subsidiaries, is principally engaged in the manufacture, repair and overhaul of heat transfer equipment, such as heat exchangers, precoolers and oil/fuel hydraulic coolers used in aircraft, defense systems, electronic equipment and other applications. In addition the Company manufactures and overhauls aircraft accessories and systems such as APU's, Landing Gears, Propellers, Pumps, Valves, Power Systems, Turbines, etc.

Certain statements made herein that use the words "estimate," "project," "intend," "expect," "believe" and similar expressions are intended to identify forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks and uncertainties which could cause the actual results, performance or achievements of the Company to be materially different from those which may be expressed or implied by such statements, including, among others, changes in general economic and business conditions and specifically, decline in demand for the Company's services, inability to timely develop and introduce new technologies, services and applications and loss of market share and pressure on prices resulting from competition. For additional information regarding these and other risks and uncertainties associated with the Company's business, reference is made to the Company's Annual Report filed with the Securities and Exchange Commission and its other reports as filed from time to time with the Securities and Exchange Commission.
