On April 4, 2005, Ramp Corporation (the "Company"), entered into a Marketing and Strategic Services Alliance Agreement, dated as of April 4, 2005 (the "Marketing Agreement"), with HAN Pharmacy Solutions, LLC ("HAN"). The Marketing Agreement provides that the Company and HAN shall jointly market and sell electronic prescribing programs utilizing the Company's existing electronic prescribing software and/or certain HAN software, or through other electronic prescribing solutions using software and hardware to be determined (the "Solution"), to healthcare institutions and providers, including, among others, hospitals, nursing homes and physicians for purposes of electronic prescriptions and other related functions. In addition, the Company shall have the right to be assigned right, title and interest to certain HAN software currently held by HAN and various other parties. As consideration for the services to be performed by HAN and the possible assignment of right, title and interest in certain HAN software to the Company, under the Marketing Agreement, the Company issued to HAN, Agency Mosaic, LLC ("Agency Mosaic"), AIP Strategic Insight Inc. ("AIP") and Info By Phone, Inc. ("Info By Phone"), warrants to purchase shares of common stock, par value \$.001 per share (the "Common Stock"), of the Company (as more fully described below).

### ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES

On April 4, 2005, pursuant to the terms and conditions of the Marketing Agreement, the Company issued a purchase warrant to HAN to purchase 500,000 shares of Common Stock at an exercise price equal to \$1.00 per share. This warrant may be exercised at any time and from time to time during the four (4) year period after the date of issuance.

On April 4, 2005, pursuant to the terms and conditions of the Marketing Agreement, the Company issued another purchase warrant to HAN to purchase 2,000,000 shares of Common Stock at an exercise price equal to \$0.01 per share. This warrant shall vest and become exercisable with respect to a certain number of shares of Common Stock at any time and from time to time during the three (3) year period after the occurrence of the following events: (a) this warrant shall become exercisable with respect to 200,000 shares of Common Stock in the event that the Company, Research in Motion Limited ("RIM") and Nextel Communications, Inc. ("Nextel") enter into a joint development and marketing agreement with General Motors Corporation ("GM") to utilize the Solution (the "Nextel/GM/RIM Program"); (b) this warrant shall become exercisable with respect to 750,000 shares of Common Stock once the first fifty (50) physicians identified pursuant to the Nextel/GM/RIM Program have used the Solution for sixty (60) days; and (c) this warrant shall become exercisable, effective as of the last date of each calendar month following the date of the agreement for the Nextel/GM/RIM Program, with respect to 525 shares of Common Stock for each additional physician (in excess of the first fifty (50) physicians) who signed an agreement (in a form reasonably satisfactory to the Company) during the calendar month ending on such date to use the Solution. If Ramp does not execute an agreement with Nextel, GM and/or RIM for the Nextel/GM/RIM Program (the "Joint Agreement") within forty-five (45) days after the date of the Marketing Agreement and the Company thereafter gives HAN written notice that it does not desire to continue negotiations with respect to the Nextel/GM/RIM Program, then this warrant shall terminate and not be exercisable.

If the First Hospital Agreement has not been executed by the Company and the Hospital within 120 days after the date of the Marketing Agreement and the Company thereafter gives HAN written notice that it does not desire to continue negotiations with respect to the First Hospital Agreement, then such warrant shall terminate and not be exercisable.

On April 4, 2005, pursuant to the terms and conditions of the Marketing Agreement, the Company issued purchase warrants to: (a) Agency Mosaic to purchase 200,000 shares of the Common Stock, (b) AIP to purchase 350,000 shares of the Common Stock, and (c) Info By Phone to purchase 100,000 shares of the Common Stock; in each case at an exercise price equal to \$1.00 per share. These warrants shall expire four (4) years after the date of issuance and shall only vest and become exercisable at any time and from time to time during such four (4) year period upon either the Company entering into the First Hospital Agreement or the Company entering into the Joint Agreement. If the Marketing Agreement is terminated and the Company has not entered into the First Hospital Agreement or the Joint Agreement, the warrants described in this paragraph shall terminate and not be exercisable.
