DISCLOSURE CONTROLS AND PROCEDURES

The Registrant carried out an evaluation, as of the end of the period covered by the report, under the supervision and with the participation of the Registrant's management, including the Registrant's Chief Executive Officer and Treasurer, of the effectiveness of the Registrant's disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) of the Securities and Exchange Act of 1934 (the Exchange Act). Based on that evaluation, the Chief Executive Officer and Chief Financial Officer have concluded that the Registrant's disclosure controls and procedures as of December 31, 2006 were effective to ensure that information required to be disclosed by the Registrant in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission's rules and forms, and is accumulated and communicated to the Registrant's management, including its Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely disclosure regarding required disclosure.

MANAGEMENT'S REPORT ON INTERNAL CONTROLS OVER FINANCIAL REPORTING

The management of the Registrant is responsible for establishing and maintaining adequate internal control over financial reporting. Internal control over financial reporting is a process to provide reasonable assurance regarding the reliability of the Registrant's financial reporting for external purposes in accordance with accounting principles generally accepted in Canada and in the United States of America. Internal control over financial reporting includes maintaining records that in reasonable detail accurately and fairly reflect our transactions and dispositions of the assets of the Registrant; providing reasonable assurance that transactions are recorded as necessary for preparation of our financial statements in accordance with generally accepted accounting principles; providing reasonable assurance that receipts and expenditures are made in accordance with authorizations of management and directors of the Registrant; and providing reasonable assurance that unauthorized acquisition, use or disposition of company assets that could have a material effect on our financial statements would be prevented or detected on a timely basis. Because of its inherent limitations, internal control over financial reporting is not intended to provide absolute assurance that a misstatement of our financial statements would be prevented or detected.

Management conducted an evaluation of the effectiveness of our internal control over financial reporting based on the framework and criteria established in *Internal Control - Integrated Framework*, issued by the Committee of Sponsoring Organizations of the Treadway Commission. This evaluation included review of the documentation of controls, evaluation of the design effectiveness of controls, testing of the operating effectiveness of controls and a conclusion on this evaluation. Based on this evaluation, management concluded that the Registrant's internal control over financial reporting was effective as of December 31, 2006.

During the fiscal year ended December 31, 2006, there were no changes in the Registrant's internal control over financial reporting that have materially affected or are reasonably likely to materially affect the Company's internal control over financial reporting (as defined in Rules 13(a)-15(f) and 15d-14(f) under the Securities Exchange Act of 1934).

This annual report does not include an attestation report of the company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the company's registered public accounting firm pursuant to temporary rules of the Securities and Exchange Commission that permit the company to provide only management's report in this annual report.

AUDIT COMMITTEE FINANCIAL EXPERT

Stephen Freedhoff serves as a member of the Audit Committee of the Registrant's Board of Directors. The Board of Directors has reviewed the definition of "audit committee financial expert" under item 8(a) of General Instruction B to Form 40-F and determined that Stephen Freedhoff satisfies the criteria for an audit committee financial expert under the Exchange Act. The SEC has indicated that the designation of Stephen Freedhoff as an Audit Committee

financial expert does not make Stephen Freedhoff an expert for any purpose, impose any duties, obligations or liability on Stephen Freedhoff that are greater than those imposed on members of the audit committee and board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of the audit committee.

CODE OF ETHICS

Our Board of Directors has developed and adopted a Code of Conduct and Business Ethics applicable to our Chief Executive Officer, our Company's principal executive officer, and the Chief Financial Officer, our Company's principal financial and accounting officer, with the goal of promoting the highest moral, legal and ethical standards and conduct within our Company. Copies of this Code of Conduct and Business Ethics are available without charge upon request by contacting CryptoLogic's investor relations department by mail at our head office, 55 St. Clair Avenue West, 3rd Floor, Toronto, Ontario, Canada, M4V 2Y7, by telephone: 416-545-1455, by email at investor.relations@cryptologic.com, and also posted on the Company's web site at www.cryptologic.com.

Pre-Approval Policies and Procedures

The Company's audit committee has direct communications channels with internal personnel responsible for financial statement preparation and with external auditors, and has concluded that the provision of services other than audit services is compatible with maintaining the auditors independence. The audit committee monitors audit functions and the preparation of financial statements, and meets with external auditors independent of management. The audit committee has adopted a policy regarding its pre-approval of all audit and permissible non-audit services provided by the independent auditors. The policy gives guidance to the Company's management as to the specific types of services that have been pre-approved. The Company's senior management periodically provides the audit committee with a summary of services provided by the independent auditors in accordance with the pre-approval policy. For the year ended December 31, 2006, none of the audit, tax and other fees described above were an exception to the audit committee's pre-approval policy.

CORPORATE GOVERNANCE DIFFERENCES

The common shares of the Company are listed on the NASDAQ National Market (NASDAQ). Section 4350(a)(1) of the NASDAQ company guide permits NASDAQ to consider the laws, customs and practices of foreign issuers in relaxing certain NASDAQ listing criteria, and to grant exemptions from NASDAQ listing criteria based on these considerations. A description of the significant ways in which the Company's governance practices differ from those followed by US domestic companies pursuant to NASDAQ standards is as follows:

Shareholder Meeting Quorum Requirement: The NASDAQ minimum quorum requirement for a shareholder meeting is 33 1/3% of the outstanding shares of common voting stock. In addition, a company listed on NASDAQ is required to state its quorum requirement in its bylaws. The Company's quorum requirement is set forth in its articles, which provide that shareholders of one-quarter of the Company's issued shares entitled to be voted at a meeting present in person or by proxy shall be a quorum for a general meeting of shareholders.

Proxy Delivery Requirement: The NASDAQ requires the solicitation of proxies and delivery of proxy statements for all shareholder meetings, and requires that these proxies be solicited pursuant to a proxy statement that conforms to the proxy rules of the U.S. Securities and Exchange Commission. The Company is a foreign private issuer as defined in Rule 3b-4 under the U.S. Securities Exchange Act of 1934, as amended, (the Exchange Act) and the equity securities of the Company are accordingly exempt from the proxy rules set forth in Sections 14(a), 14(b), 14(c) and 14(f) of the Exchange Act. The Company solicits proxies in accordance with applicable rules and regulations of Canada.
