PERSONS MAKING THE SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies being made by the management of Entree Gold Inc. (the "Company") for use at the Annual General Meeting of the Company's shareholders (the "Meeting") to be held on Wednesday, May 21, 2008 at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers, employees and agents of the Company.

All costs of this solicitation will be borne by the Company.

APPOINTMENT OF PROXIES

The individuals named in the accompanying form of proxy (the "Proxy") are directors or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER'S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S OR COMPANY'S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER PROXY.** A Proxy will not be valid unless it is completed, dated and signed and delivered to Computershare Investor Services Inc., 3rd Floor - 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, or is delivered to the chair of the Meeting prior to the commencement of the Meeting.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of the person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, RDSPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the

2

Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a Proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Proxy, the Proxy is not required to be signed by the Non-Registered Holder. In this case, the Non-registered Holder who wishes to submit a Proxy should otherwise properly complete the Proxy and **deliver it to Computershare Investor Services Inc.** as provided above; or
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed Proxy accompanied by a page of instructions, which contains a removable label containing a bar code and other information. In order for the Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Proxy, properly complete and sign the Proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares that they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders and insert the Non-Registered Holder’s name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the Proxy or proxy authorization form is to be delivered.**

REVOCATION OF PROXIES

A shareholder who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder’s attorney authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, at 2900-550 Burrard Street, Vancouver, BC, V6C 0A3, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it, or to the chair of the Meeting on the day of the Meeting or any adjournment of it. **Only registered shareholders have the right to revoke a Proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.**

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to the Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Information Circular, management of the Company knows of no such amendment,

3

variation or other matter which may be presented to the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As at the date hereof, the Company has issued and outstanding 94,047,841 fully paid and non-assessable common shares without par value, each share carrying the right to one vote.

Any shareholder of record at the close of business on April 16, 2008 who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified, subject to the provisions described above, will be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the best of the knowledge of the directors and executive officers of the Company, the only persons who, or corporations which, beneficially own, or control or direct, directly or indirectly, shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company are:

Shareholder Name	Number of Shares	Percentage of Issued Shares
Ivanhoe Mines Ltd.	13,799,333	14.7%
Kennecott Canada Exploration Inc.	14,914,125	15.9%

The agreement is for an initial term of two years, and is subject to automatic renewal for additional two year periods, unless notice is provided by the Company six months in advance of the end of the term. Under the agreement, Mr. Crowe was entitled originally to a salary of \$8,250 per month. In accordance with the agreement, Mr. Crowe's salary is subject to review by the board of directors (the "Board") annually. Based on a review of

Edgar Filing: ENTREE GOLD INC - Form 6-K

compensation by peer companies, Mr. Crowe's salary was adjusted to \$14,833 per month effective December 1, 2006. Based on a review of compensation by peer companies, Mr. Crowe's salary was adjusted to \$19,167 per month effective November 1, 2007.

Mr. Crowe is required to provide the Company with one month's prior written notice in the event he wishes to resign. The Company may terminate Mr. Crowe's employment at any time without cause by providing him with a lump sum payment equal to 18 months' salary and by causing any stock options awarded to Mr. Crowe, which have not yet vested, to vest immediately. Mr. Crowe will be entitled to the same lump sum amount and immediate vesting of stock options in the event he elects to terminate his employment within 90 days following a change of control or as a result of conditions that amount to constructive dismissal.

Effective November 1, 2007, the Company entered into an employment agreement with Mr. Robert Cann, its Vice President Exploration. Under the agreement, the Company agrees to pay to Mr. Cann an annual salary of \$187,500 (subject to an annual review). Mr. Cann is required to provide the Company with one month's prior notice in the event he wishes to resign. The Company may terminate his employment without cause by providing him with a lump sum in the amount of 12 months' salary and the aggregate amount of all other remuneration, bonuses and benefits that he would otherwise have received over the ensuing 12-month period (collectively, the "Severance Amount"). Mr. Cann is also entitled to the Severance Amount in the event he resigns for good reason within the one year period following a change of control.

Except as disclosed above, there is no compensatory plan, contract or arrangement where a Named Executive Officer is entitled to receive more than \$100,000 from the Company, including periodic payments or instalments, in the event of the resignation, retirement or other termination of employment, a change of control of the Company or a change in the Named Executive Officer's responsibilities following a change in control.

6

During the most recently completed financial year, the Compensation Committee was composed of James Harris (chair), Mark Bailey and Peter G. Meredith, all of whom are independent directors. On November 27, 2007, Michael Howard replaced Mr. Harris as a member of the Compensation Committee, and as its chair. Mr. Howard is also an independent director.

The Compensation Committee is responsible for reviewing and approving on an annual basis corporate goals and objectives relevant to the CEO's compensation, evaluating the CEO's performance in light of those goals and objectives and setting the CEO's compensation level based on this evaluation. The Compensation Committee is also responsible for reviewing and approving on an annual basis the adequacy and form of compensation and benefits of all other executive officers and directors and making recommendations to the Board in that regard, making recommendations to the Board with respect to the Company's incentive compensation and equity-based plans and determining the recipients of, and nature and size of share compensation awards, bonuses and inducement grants.

In determining the long-term incentive component of CEO compensation, the Compensation Committee considers, among other factors that it deems to be relevant, the Company's performance, shareholder returns, the value of similar incentive awards to Chief Executive Officers at comparable companies and the awards given to the CEO in past years.

The Compensation Committee is composed of Michael Howard (chair), Mark Bailey and Peter G. Meredith, all of whom are independent directors.

MANAGEMENT CONTRACTS

The Company entered into a Consulting Agreement dated January 1, 2005 with Hamish Malkin, pursuant to which Mr. Malkin will provide part-time services to the Company in the capacity of its CFO, for a term of one year, subject to earlier termination. The agreement provides for automatic renewal for a further one-year term and thereafter for further one-year extensions by mutual agreement.

The agreement requires Mr. Malkin to dedicate up to 50% of his time to the affairs of the Company on an as-needed basis, to give the Company's business priority over the business of his other clients and business interests, and not to engage, without the prior written consent of the Company, in any business activity or enterprise that is directly competitive with the Company. Mr. Malkin originally received \$3,000 per month as compensation for his services and the Company may grant him, at the discretion of the Board, incentive stock options. The agreement also

In the event Mr. Malkin breaches the agreement or acts in a manner that would constitute cause for dismissal, Mr. Malkin's engagement may be terminated with two months' notice or payment in lieu of notice. INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, since the commencement of the Company's most recently completed financial year, no informed person of the Company, proposed director of the Company, or any associate or affiliate of any informed person or proposed director, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

Under separate agreements with the Company, Ivanhoe Mines, at 654 – 999 Canada Place, Vancouver, British Columbia, V6C 3E1 and Kennecott Canada Exploration Inc. ("Kennecott"), at Suite 354 – 200 Granville Street, Vancouver, British Columbia, V6C 1S4, were granted pre-emptive rights, which provide that if the Company offers to sell for cash, by way of private placement or a public offering, any common shares or securities convertible into or exchangeable for common shares (other than stock options), Ivanhoe Mines and Kennecott will have the right, for a period of ten business days, to purchase that percentage of the securities that would result in them beneficially owning, after the issuance of the securities, the same percentage of outstanding common shares that they beneficially owned before the issuance of the securities. On November 26, 2007, the Company completed a short form prospectus offering of 10,000,000 common shares at a price of \$3.00 per share pursuant to an underwriting

9

agreement dated November 9, 2007 between the Company and BMO Nesbitt Burns Inc. Ivanhoe Mines and Kennecott exercised their pre-emptive rights to participate in the offering and on November 26, 2007 purchased 2,128,356 common shares (as to Ivanhoe) and 2,300,284 common shares (as to Kennecott) at a price of \$3.00 per share. Ivanhoe and Kennecott are informed persons by virtue of the fact that they each beneficially own, or controls or direct, directly or indirectly, more than 10% of the common shares of the Company.

NUMBER OF DIRECTORS

Management of the Company is seeking shareholder approval of an ordinary resolution setting the number of directors of the Company at six for the ensuing year.

ELECTION OF DIRECTORS

The term of office of each of the present directors expires at the Meeting. **The persons named below will be presented for election at the Meeting as management's nominees.** Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Company or with the provisions of the *Business Corporations Act* (British Columbia) (the "Business Corporations Act").

The following table sets out the names of the nominees for election as directors, the province or state and country in which each is ordinarily resident, the period or periods during which each has served as a director, the first and last positions held in the Company, their present principal occupations and the number of common shares of the Company or any of its subsidiaries beneficially owned, or controlled or directed, directly or indirectly, by each nominee.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101") requires each reporting issuer to disclose its corporate governance practices on an annual basis. The Company's approach to corporate governance is set forth below.

Board of Directors

Section 1.4 of National Instrument 52-110 - *Audit Committees* ("NI 52-110") sets out the standard for director independence. Under NI 52-110, a director is independent if he has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company.

Applying the definition set out in section 1.4 of NI 52-110, a majority (four of the six members) of the Board are independent. The members who are independent are Mark H. Bailey, James L. Harris, Michael Howard and Peter G. Meredith. Gregory G. Crowe and Lindsay R. Bottomer are not independent by virtue of the fact that they are executive officers of the Company.

In addition to their positions on the Board, the following directors also serve as directors of the following reporting issuers or reporting issuer equivalent(s):

11

Name of Director	Reporting Issuer(s) or Equivalent(s)
Mark H. Bailey	Minefinders Corporation Ltd., Northern Lion Gold Corp. and Dynasty Metals & Mining Inc.
Lindsay R. Bottomer	Armadillo Resources Ltd., Astorius Resources Ltd., BCM Resources Corporation, Richfield Ventures Corp., Rochester Resources Ltd., Yale Resources Ltd., and Zenith Industries Corp.
Gregory G. Crowe	Acrex Ventures Ltd.
Peter G. Meredith	Great Canadian Gaming Corporation, Ivanhoe Energy Inc., Ivanhoe Mines Ltd., Jinshan Gold Mines Inc., and SouthGobi Energy Resources Ltd.
Michael Howard	Diligence LLC, Northern Racing Limited, Amteus plc and Offshield Limited.

On occasions where it is considered advisable, the Company's independent directors hold meetings at which non-independent directors and members of management are not in attendance. Since the beginning of the Company's most recently completed financial year, the independent directors have held three such meetings.

James L. Harris, an independent director, serves as Chairman of the Board, and is responsible for ensuring that the Board discharges its responsibilities in an effective manner and that the Board understands the boundaries between Board and management responsibilities. The Board has developed a written position description for the Chairman in order to delineate the Chairman's role and responsibilities. The Chairman of the Board is primarily responsible for leading the Board in the performance of its duties and ensuring the Board's agenda will enable it to successfully carry out its duties. More specifically, the Chairman of the Board is responsible for:

- (a) monitoring and reporting to the Board regarding the effectiveness of the Board, as well as individual members, in discharging its and their responsibilities;
- (b) in consultation with the President and CEO and, where appropriate, with other Board members, determining Board and shareholder calendars and agendas;
- (c) leading the Board's periodic assessment of the job done by the CEO and his management team;
- (d) taking the lead in the Company's adherence to the highest standards of corporate governance;
- (e) facilitating an open flow of information between management and the Board; and
- (f) presiding at meetings of the Board and the shareholders.

Edgar Filing: ENTREE GOLD INC - Form 6-K

Since the beginning of the Company's most recently completed financial year, there have been five Board meetings. Mark H. Bailey, Lindsay R. Bottomer, Gregory G. Crowe and James L. Harris attended all five meetings, Peter G. Meredith attended four of the meetings and Michael Howard attended two of the meetings (subsequent to his appointment to the Board on May 16, 2007).

Board Mandate

The Board has adopted a written mandate, which is attached hereto as Appendix 1.

Position Description for CEO

The Board has adopted a written position description for the CEO, which sets out his specific duties and responsibilities. Generally, the CEO, who must be appointed by the Board and is directly accountable to the Board, is responsible for management of the day to day operation of the business of the Company and has primary accountability for the profitability and growth of the Company.

Orientation and Continuing Education

Board turnover is relatively rare. As a result, the Board provides ad hoc orientation for new directors.

12

The Corporate Governance and Nominating Committee is responsible for encouraging and facilitating continuing education programs for all directors. The Corporate Governance and Nominating Committee will also ensure that each director understands the role of the Board, its committees and its directors, and the basic procedures and operations of the Board. Board members are also given access to management and other employees and advisors, who can answer any questions that may arise.

Ethical Business Conduct

The Board has adopted a written Code of Business Conduct and Ethics (the "Code") for its directors, officers, employees and consultants, a copy of which may be obtained on SEDAR at www.sedar.com.

The Corporate Governance and Nominating Committee is responsible for assisting the Board in dealing with conflict of interest issues as contemplated by the Code, reviewing and updating the Code periodically, ensuring that management has established a system to enforce the Code and reviewing management's monitoring of the Company's compliance with the Code.

Under the Code, members of the Board are required to disclose any conflict of interest or potential conflict of interest to the entire Board as well as any committee on which they serve. Directors are to excuse themselves from participation in any decision of the Board or a committee thereof in any matter in which there is a conflict of interest or potential conflict of interest. However, if the Board determines that a potential conflict of interest cannot be cured, the individual will be asked to resign from their position with the Company.

Directors are also required to comply with the relevant provisions of the Business Corporations Act regarding conflicts of interest.

The Board is also committed to best practices in making timely and accurate disclosure of all material information and providing fair and equal access to material information. The Board has adopted a written Corporate Disclosure and Trading Policy to ensure that the Company and its directors, officers, employees and consultants satisfy the legal and ethical obligations related to the proper and effective disclosure of corporate information and the trading of securities with that information.

Board Committees

The Board has four committees, namely the Audit Committee, the Compensation Committee, the Corporate Governance and Nominating Committee and the Technical Committee. Their mandates and memberships are outlined below.

Audit Committee

The Audit Committee meets with the CEO and CFO of the Company and the independent auditors to review and inquire into matters affecting financial reporting matters, the system of internal accounting and financial controls and procedures and the audit procedures and audit plans. The

Audit Committee also recommends to the Board the auditors to be appointed. In addition, the Audit Committee reviews and recommends to the Board for approval the annual financial statements, the annual report and certain other documents required by regulatory authorities. The Audit Committee is composed of Mark H. Bailey, Michael Howard and Peter G. Meredith (chair), all of whom are independent and financially literate as such terms are defined in NI 52-110.

The Board has adopted a written position description for the chair of the Audit Committee. The chair is generally responsible for overseeing the Audit Committee in its responsibilities as outlined in the Audit Committee Charter. The chair's duties and responsibilities include presiding at each meeting of the Audit Committee, referring specific matters to the Board in the case of a deadlock on any matter or vote, receiving and responding to all requests for information from the Company or the independent auditors, leading the Audit Committee in discharging its tasks and reporting to the Board on the activities of the Audit Committee.

13

The Company's annual information form for its financial year ended December 31, 2007 dated March 27, 2008 (the "AIF"), which has been filed on SEDAR, contains additional disclosure regarding the Audit Committee. Please refer to the section of the AIF entitled "Committees of the Board" for further information.

Compensation Committee

The primary objective of the Compensation Committee is to discharge the responsibilities of the Board relating to compensation and benefits of the executive officers and directors of the Company.

The Compensation Committee is responsible for reviewing and approving on an annual basis corporate goals and objectives relevant to the CEO's compensation, evaluating the CEO's performance in light of those goals and objectives and setting the CEO's compensation level based on this evaluation. The Compensation Committee is also responsible for reviewing and approving on an annual basis the adequacy and form of compensation and benefits of all other executive officers and directors and making recommendations to the Board in that regard, making recommendations to the Board with respect to the Company's incentive compensation and equity-based plans and determining the recipients of, and nature and size of share compensation awards, bonuses and inducement grants.

The Compensation Committee is composed of Michael Howard (chair), Mark Bailey and Peter G. Meredith, all of whom are independent directors.

The Board has adopted a written Compensation Committee Charter, which permits the Compensation Committee to form and delegate authority to subcommittees when appropriate, and which requires the Compensation Committee to meet not less frequently than two times per year. The CEO may not be present during the Compensation Committee's voting or deliberations.

While the Compensation Committee has the authority to retain compensation consultants to advise the committee, no such consultants were retained since the beginning of the Company's most recently completed financial year.

The Board has adopted a written position description for the chair of the Compensation Committee. The chair is generally responsible for overseeing the Compensation Committee in its responsibilities. The chair's duties and responsibilities include presiding at each meeting of the Compensation Committee, leading the Compensation Committee in discharging its tasks and reporting to the Board on the activities of the Compensation Committee.

Corporate Governance and Nominating Committee

On November 27, 2007, the Board appointed a Corporate Governance and Nominating Committee, which replaced the Nominating Committee. The Corporate Governance and Nominating Committee is composed of Michael Howard, James L. Harris (chair) and Peter G. Meredith, all of whom are independent directors.

The primary objective of the Corporate Governance and Nominating Committee is to assist the Board in fulfilling its oversight responsibilities by: (a) developing and recommending to the Board corporate governance guidelines for the Company and making recommendations to the Board with respect to corporate governance guidelines; (b) reviewing the performance of the Board, Board members, Board committees and management; and (c) identifying individuals qualified to become Board and Board committee members and recommending such nominees to the Board for election or appointment. Pursuant to the written Corporate Governance and Nominating Committee Charter, all members must have a working familiarity with corporate governance practices. The Corporate Governance and Nominating Committee may form and delegate

authority to subcommittees when appropriate, and must meet not less frequently than two times per year.

The Board has adopted a written position description for the chair of the Corporate Governance and Nominating Committee. The chair is generally responsible for overseeing the Corporate Governance and Nominating Committee in its responsibilities. The chair's duties and responsibilities include ensuring the independence of the Board in the discharge of its responsibilities, presiding at each meeting of the Corporate Governance and Nominating Committee, leading it in discharging its tasks and reporting to the Board on its activities.

14

Nomination of Directors

The Corporate Governance and Nominating Committee examines the size and composition of the Board and recommends adjustments from time to time to ensure that the Board is of a size and composition that facilitates effective decision making. It also identifies and assesses the necessary and desirable competencies and characteristics for Board membership and regularly assesses the extent to which those competencies and characteristics are represented on the Board. The Corporate Governance and Nominating Committee identifies individuals qualified to become members of the Board, actively seeks out such individuals when there is a vacancy or when so directed by the Board, and makes recommendations to the Board for the appointment or election of director nominees and for membership on other committees of the Board.

Assessments

The Corporate Governance and Nominating Committee regularly reviews the time required from non-executive directors to perform their functions and assesses whether they are satisfying those time requirements. It receives comments from all directors as to the Board's performance, is responsible for overseeing the execution of a process assessing the effectiveness of the Board and the Board committees as a whole, with particular reference to the Mandate of the Board and appropriate committee charters, where applicable. It is required to report annually to the Board on such assessments.

Technical Committee

The Technical Committee consists of Mark H. Bailey (chair), Lindsay Bottomer and Gregory G. Crowe, each of whom is a professional geologist. Neither Mr. Crowe, the President and CEO of the Company, nor Mr. Bottomer, the Vice-President, Corporate Development of the Company, is an independent director.

The primary objective of the Technical Committee is to review and make recommendations to the Board regarding the approval of budgets, exploration programs and other activities related to the Company's mining properties. The Board has adopted a Technical Committee Charter, which provides that the Technical Committee must have at least three members, at least one of whom is independent, and all of whom are engineers or geoscientists, or otherwise have sufficient expertise to comprehend and evaluate technical issues associated with the Company's mining properties. The Technical Committee must meet at least two times per year.

The Board has adopted a written position description for the chair of the Technical Committee, who should be independent. The chair is generally responsible for overseeing the Technical Committee in its responsibilities. The chair's duties and responsibilities include presiding at each meeting of the Technical Committee, leading the Technical Committee in discharging its tasks and reporting to the Board on the activities of the Technical Committee.

APPOINTMENT AND REMUNERATION OF AUDITOR

Shareholders will be asked to approve the re-appointment of Davidson & Company LLP, Chartered Accountants, as the auditor of the Company to hold office until the next annual general meeting of the shareholders at a remuneration to be fixed by the directors. The auditor was first appointed on July 31, 1997.

PARTICULARS OF MATTERS TO BE ACTED UPON**Amendment to Stock Option Plan**

The Company has a “fixed” ceiling incentive stock option plan dated April 17, 2006, as amended (the “Plan”). Under the Plan, 10,644,000 common shares, which represents 11.38% of the Company’s current outstanding capital, are reserved for issuance. As at the date of this Information Circular, options to purchase 8,739,800 common shares (which represents 9.29% of the Company’s current outstanding capital) are outstanding (the “Outstanding Options”) and 815,500 common shares (“Available Options”) (which represents 0.87% of the Company’s current outstanding capital) are available for future option awards under the Plan. 1,088,700 shares (the “Issued Shares”), which represents 1.16% of the Company’s current outstanding capital, have been issued upon the exercise of options since the Company’s last Annual General Meeting.

On February 20, 2007, the Board amended the Plan to include a cashless exercise provision, which is described in the summary below. The amendment was accepted by the TSX. No shareholder approval of the amendment was required because of the amendment procedure in the Plan, described in the summary below.

On April 13, 2007, the Board amended the Plan to increase the number of common shares reserved for issuance from 9,888,000 common shares to 10,644,000 common shares, being 15% of the outstanding capital as of April 11, 2007. Disinterested shareholders approved the amendment at the Company’s last Annual General Meeting held on May 16, 2007.

Management believes that it is in the Company’s best interests to further amend the Plan by:

- (a) increasing the number of common shares reserved for issuance (the “Plan Ceiling”) from 10,644,000 common shares to 12,200,000 common shares, which represents 12.97% of the Company’s outstanding capital as of the record date. This will result in the immediate availability of 3,460,200 common shares (which represents 3.68% of the Company’s current outstanding capital) for future option awards under the Plan. For greater certainty, the number of common shares which will be immediately available includes the Issued Shares, which will be “reloaded” into the Plan;
- (b) adding a provision which permits automatic reloading of common shares (i.e. permitting options that have been exercised to be available for subsequent grants under the Plan and the reservation and issuance of additional common shares pursuant to such options), which provision would need to be reconfirmed by disinterested shareholders every three years in accordance with TSX requirements;
- (c) requiring the Plan to be reconfirmed by shareholders every three years; and
- (d) amending the termination provisions so that unless otherwise provided in the option certificate, in the event an employee or consultant resigns or terminates his contract with the Company without giving proper notice, all vested options will expire 7 days following the date that improper notice is given and all unvested options will expire immediately.

Directors have approved the amendments to the Plan, subject to acceptance by the TSX and disinterested shareholder approval. No other material terms or conditions of the Plan have been amended. A copy of the Plan, as amended, will be available at the Meeting for review by the shareholders. In addition, upon request, shareholders may obtain a copy of the Plan, as amended, from the Company prior to the Meeting.

Edgar Filing: ENTREE GOLD INC - Form 6-K

On April 3, 2007, options to purchase an aggregate 775,000 common shares were granted to six directors; options to purchase an aggregate 225,000 common shares were granted to three executive officers (excluding executive officers who are also directors); and options to purchase an aggregate 535,000 common shares were granted to 22 employees and consultants of the Company. All of the grants were made for a period of five years at an exercise price of \$2.00, and are subject to acceptance by the TSX and disinterested shareholder approval of the amendments to the Plan. See "Interest of Certain Persons or Companies in Matters to be Acted Upon" above.

Available Options will continue unaffected by the approval or disapproval of the amendments to the Plan.

Summary

The following is a summary of the principal terms of the Plan, as amended.

There is a maximum of 12,200,000 common shares reserved for issuance under the Plan, representing 12.97% of the issued and outstanding common shares as at the date of this Information Circular. Options exercised pursuant to the Plan will become available again for future grant. Accordingly, the Plan constitutes an "evergreen" plan, and the Plan must be reconfirmed by the Company's directors and disinterested shareholders every three years in accordance with the policies of the TSX.

The Plan provides that stock options may be granted to directors, officers, employees and Consultants (as defined in National Instrument 45-106) of the Company and any of its affiliates, and to consultant companies.

The Plan provides that it is solely within the discretion of the Board to determine who should receive stock options and in what amounts. The Board may issue a majority of the options to insiders of the Company.

The exercise price of an option will be as set forth in the option certificate issued in respect of such option and in any event will not be less than the market value of the Company's common shares as of the date of the award of the option (the "Award Date"). The market value of the Company's shares for a particular Award Date is the closing trading price of the Company's shares on the last trading day immediately preceding the Award Date. Notwithstanding the foregoing, in no case will the market value be less than the minimum prescribed by the TSX as would apply to the Award Date in question.

The expiry date of each option is fixed by the Board at the time the option is awarded, provided that no option may have a term of greater than ten years. Typically, the Board awards options with five-year terms. Unless otherwise provided in the option certificate, in the event an option holder ceases to be a director, officer, employee or consultant of the Company other than by reason of death, or other than as a result of an employee or consultant delivering insufficient notice of resignation, his vested options will expire on the earlier of the expiry date fixed by the Board (the "Fixed Expiry Date") and the 90th day following termination of his relationship with the Company. In the case of an employee or consultant that has delivered insufficient notice of resignation, his vested options will expire on the earlier of the Fixed Expiry Date and the 7th day following termination of his relationship with the Company. Vested options will expire immediately in the event a relationship with a director, officer, employee or agent is terminated for cause. In the event of the death of an option holder, his vested options will expire six months after the date of death, or on the Fixed Expiry Date, whichever is earlier. Unvested options will expire immediately upon the termination of the option holder's relationship with the Company.

Rather than exercise an option in the normal course, an option holder may elect to terminate an option, in whole or in part and, in lieu of receiving shares to which the terminated option relates (the "Designated Shares"), receive the

17

number of shares, disregarding fractions, which, when multiplied by the weighted average trading price of the shares on the TSX during the five trading days immediately preceding the day of termination (the "Fair Value" per share) of the Designated Shares, has a total dollar value equal to the number of Designated Shares multiplied by the difference between the Fair Value and the exercise price per share of the Designated Shares.

The Board may attach other terms and conditions to the award of a particular option, including a provision that a portion or portions of the option will vest after certain periods of time or upon the occurrence of certain events.

An option may not be assigned or transferred, except that it will be exercisable by the personal representative of the option holder in the event of the option holder's death or incapacity. The Company will not provide financial assistance to option holders to assist them in exercising their options.

Edgar Filing: ENTREE GOLD INC - Form 6-K

The Board may from time to time, by the approval of a majority of the directors, make any amendments or changes to the Plan, fundamental or otherwise, that the Board sees fit in its sole discretion including, the following fundamental changes:

- (a) any change to the Eligible Persons which would have the potential of broadening or increasing insider participation;
- (b) the addition of any form of financial assistance;
- (c) any amendment to a financial assistance provision which is more favourable to Eligible Persons;
- (d) the addition of a cashless exercise feature, payable in cash or securities which does not provide for a full deduction of the number of underlying securities from the Plan reserve; and
- (e) the addition of a deferred or restricted share unit or any other provision which results in Eligible Persons receiving securities while no cash consideration is received by the Company.

No shareholder approval shall be required to make any amendments or changes to the Plan, fundamental or otherwise, other than an increase in the Plan ceiling, unless specifically required by the TSX. The Board may also from time to time retrospectively amend the Plan and the terms and conditions of any option awarded thereunder, subject to the approval of the TSX, the option holder and, to the extent required by the TSX, the Company's shareholders.

Shareholder Approval

The TSX requires the Company to obtain shareholder approval of the amendment to the Plan Ceiling. Insiders of the Company entitled to receive a benefit under the Plan are not eligible to vote their securities in respect of the approval. For the purposes of this Information Circular, the term "insider" has the same meaning as found in the *Securities Act* (Ontario) and includes associates and affiliates of the insider. The Company is asking disinterested shareholders to vote affirmatively on the following resolutions to approve the amendments described above:

"RESOLVED THAT:

1. the maximum number of shares reserved for issuance at any time and from time to time upon the exercise of stock options outstanding under the Company's Stock Option Plan dated May 18, 2006, as amended (the "Plan") be increased from 10,644,000 shares to 12,200,000 shares, and the Plan be amended to effect such increase;
2. the board of directors be authorized to award options under and subject to the terms and conditions of the Plan;

18

-
3. the Plan be amended to provide that options exercised pursuant to the Plan will automatically become available again for future grants, and unallocated options issuable pursuant to the Plan as amended are hereby authorized and approved until May 21, 2011;
 4. the grant of stock options to purchase an aggregate 1,535,000 common shares of the Company at a price of \$2.00 per share made on April 3, 2008 be ratified and approved; and
 5. any one or more of the directors or senior officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company, or otherwise, all such documents and other writings, including treasury orders, as may be required to give effect to the true intent of these resolutions."

To the best of the Company's knowledge, insiders entitled to receive a benefit under the Plan own a total of 2,229,600 common shares which represents 2.37% of the Company's current outstanding capital as of the record date. Therefore, the total number of common shares held by "disinterested shareholders" is 91,818,241 common shares.
