## Section 1 Registrant's Business and Operations

### Item 1.01 Entry into a Material Definitive Agreement.

On April 14, 2011, CryoLife, Inc. ("CryoLife") entered into an Amended and Restated Agreement and Plan of Merger (the "Amended and Restated Merger Agreement") with CL Falcon, Inc., a wholly-owned subsidiary of CryoLife ("Merger Sub"), and Cardiogenesis Corporation ("Cardiogenesis"). The press release jointly issued by CryoLife and Cardiogenesis announcing the execution of the Amended and Restated Merger Agreement is attached as Exhibit 99.1 hereto and incorporated herein by reference.

Pursuant to the terms of the Amended and Restated Merger Agreement, CryoLife, through Merger Sub, is modifying its previously commenced cash tender offer and will now offer (as amended by the Amended and Restated Merger Agreement, the "Offer") to acquire forty-nine and nine-tenths percent (49.9%) of the issued and outstanding shares of Cardiogenesis' common stock, no par value (the "Shares"), at a price of \$0.457 per Share, net to the holder thereof in cash, without interest and subject to any applicable withholding taxes. If more than 49.9 percent of the outstanding Shares are tendered, Merger Sub will purchase Shares from the tendering shareholders on a prorated basis, as described in tender offer documents filed with the Securities and Exchange Commission ("SEC"). As a result of the Amended and Restated Merger Agreement, the top-up option has been removed from the terms of the Offer and will no longer be effective. The Offer will remain open for at least 10 business days from the date of the Amended and Restated Merger Agreement. Subsequent to the completion of the Offer, the Amended and Restated Merger Agreement provides that CryoLife will merge Merger Sub with and into Cardiogenesis (the "Merger"). As a result of the Merger, the separate corporate existence of Merger Sub will cease and Cardiogenesis will continue as the surviving corporation of the Merger and a wholly-owned subsidiary of CryoLife.

Pursuant to the Amended and Restated Merger Agreement, Cardiogenesis has agreed to convene a meeting of its shareholders following consummation of the Offer for the purpose of considering and voting on the Merger. Cardiogenesis, acting through the Cardiogenesis Board of Directors (the "Cardiogenesis Board"), has further agreed that the Cardiogenesis Board will recommend that shareholders of Cardiogenesis vote to approve the principal terms of the Merger. At such meeting, all of Cardiogenesis' shares then owned by CryoLife and Merger Sub and by any of CryoLife's other subsidiaries, and all Cardiogenesis shares for which CryoLife has received proxies to vote, will be voted in favor of approval of the Amended and Restated Merger Agreement and the Merger.

The Amended and Restated Merger Agreement includes a modified "Minimum Condition" clause that provides that CryoLife is only obligated to accept shares of Cardiogenesis common stock for exchange if there will have been validly tendered and not withdrawn prior to the expiration date of the Offer at least forty-nine and nine-tenths percent (49.9%) of the then-issued and outstanding Shares. The consummation of the Offer also will be conditioned on the satisfaction of customary closing conditions, including, among others, that the other conditions set forth in Exhibit B to the Amended and Restated Merger Agreement have been satisfied or waived. The Offer is not subject to any financing condition.

Upon the acceptance of payment of shares of Cardiogenesis common stock pursuant to the Offer, if so requested by CryoLife, Cardiogenesis has agreed to take all action reasonably necessary to cause CryoLife's designees to be elected or appointed to the Cardiogenesis Board, including, at CryoLife's option, increasing the number of directors, so that CryoLife will have representation on the Cardiogenesis Board in proportion to its share ownership. CryoLife will also be entitled to designate up to two individuals to attend all meetings of the Cardiogenesis Board and all committees thereof as observers.

During the period beginning on March 28, 2011 (the date of the entry into the original agreement and plan of merger by and among Cardiogenesis, CryoLife and Merger Sub (the "Original Merger Agreement")) and continuing through April 17, 2011 (the "Go-Shop Period"), Cardiogenesis may initiate, solicit and encourage, whether publicly or otherwise, any alternative acquisition proposals from third parties, provide non-public information to and engage in discussions or negotiations with third parties with respect to alternative acquisition proposals. Starting on April 18, 2011 (the "No-Shop Period Start Date"), Cardiogenesis will become subject to customary "no-shop" restrictions on its ability to solicit alternative acquisition proposals from third parties and to provide non-public information to and engage in discussions or negotiations with third parties regarding alternative acquisition proposals, except that Cardiogenesis may continue to engage in the aforementioned activities with certain third parties that contacted Cardiogenesis and made an alternative acquisition proposal during the Go-Shop Period that the Cardiogenesis Board has determined constitutes or could reasonably be expected to lead to a Superior Proposal (as defined below) (each, an "Excluded Party"). Notwithstanding the limitations applicable after the No-Shop Period Start Date, Cardiogenesis may under certain circumstances provide information to and participate in discussions or negotiations with third parties with respect to unsolicited alternative acquisition proposals that the Cardiogenesis Board has determined are or could reasonably be expected to lead to a superior proposal. A "Superior Proposal" is an acquisition proposal that the Cardiogenesis Board has determined is reasonably likely to be consummated and, if consummated, would result in a transaction more favorable to Cardiogenesis' shareholders from a financial point of view than the Offer and the Merger.

The foregoing summary of the Amended and Restated Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amended and Restated Merger Agreement attached as Exhibit 2.1 to this Form 8-K, without schedules, which is incorporated herein by reference. The Amended and Restated Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about CryoLife, Merger Sub or Cardiogenesis. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in a confidential disclosure letter provided by the parties thereto in connection with the signing of the Merger Agreement. This disclosure letter contains information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between CryoLife, Merger Sub, and Cardiogenesis, rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about CryoLife, Merger Sub, and Cardiogenesis.

### Important Information about the Offer

The Offer for outstanding shares of Cardiogenesis Common Stock referred to herein commenced on April 5, 2011, pursuant to the terms of the Original Merger Agreement. The solicitation and the offer to buy shares of Cardiogenesis Common Stock has been made pursuant to an offer to purchase and related materials that CryoLife and Merger Sub filed with the Securities and Exchange Commission on April 5, 2011, as amended and supplemented from time to time. CryoLife and Merger Sub filed a tender offer statement on Schedule TO with the Securities and Exchange Commission on April 5, 2011, and thereafter Cardiogenesis filed a solicitation/recommendation statement on Schedule 14D-9 with respect to the Offer, each as amended and supplemented from time to time. The tender offer statement (including an offer to purchase, a related letter of transmittal and other offer documents) and the solicitation/recommendation statement contain important information that should be read carefully and considered before any decision is made with respect to the Offer. These materials have been sent free of charge to all shareholders of Cardiogenesis. Prior to consummation of the Merger, Cardiogenesis will file a proxy statement with the SEC. These documents are available at no charge on the SEC's website at [www.sec.gov](http://www.sec.gov), or with respect to the Offer documents only, from CryoLife at CryoLife, Inc., Attn: Corporate Secretary, 1655 Roberts Boulevard, NW, Kennesaw, Georgia 30144, (770) 419-3355, or with respect to the proxy statement only, from Cardiogenesis at Cardiogenesis Corporation Investor Relations at 11 Musick, Irvine, CA, 92618, telephone number (949) 420-1827 or [IR@Cardiogenesis.com](mailto:IR@Cardiogenesis.com).
