Edward P. Garden's present principal occupation or employment is (i) serving as Portfolio Manager and a founding partner of Trian Management and, as such, managing the investments of Trian Onshore, Trian Offshore, Parallel Fund I, Parallel Fund II and the Separate Account and (ii) serving as Vice Chairman and a director of Triarc.

None of the Filing Persons, nor any director, executive officer, general partner or controlling person of any of the Filing Persons, has, during the past five years, (a) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (b) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting, or mandating activities subject to, Federal or State securities laws or a finding of any violation with respect to such laws.

Each of the Filing Persons is responsible for the completeness and accuracy of the information concerning him or it contained herein, but is not responsible for the completeness and accuracy of the information concerning the others, except to the extent that he or it knows or has reason to believe that such information is inaccurate.

#### Item 3. Source and Amount of Funds or Other Consideration

As of 4:00 pm, New York City time, on February 23, 2007, the aggregate purchase price of the 1,350,000 Shares purchased by Trian Onshore, Trian Offshore, Parallel Fund I, Parallel Fund II and the Separate Account, collectively, was \$57,189,065 (including commissions). In addition, as of such time and date, such Filing Persons and the Separate Account collectively owned an economic interest in an additional 6,150,000 Shares, which was acquired through a series of privately negotiated back-to-back call and put transactions with a financial institution (the "Options") and as a result of which such Filing Persons and the

Separate Account are subject to the same economic gain or loss as if they had purchased the underlying Shares. Such Filing Persons and the Separate Account currently intend to exercise these call options using general working capital currently available. As of February 23, 2007, these call options have an aggregate strike price of \$246,953,902.43. (See Schedule A hereto for additional detail on the Options). As set forth in Item 5, none of the other Filing Persons directly own any Shares or options. The source of funding for the purchase of the Shares was, and the source of funding for the purchase of any additional Shares is currently expected to be, the respective general working capital of the purchasers.

### Item 4. Purpose of Transaction

The Filing Persons acquired the Shares and Options (collectively, "Issuer Securities") because they believe that the Shares are currently undervalued in the market place as a result of the Issuer's underperformance compared to certain of its peers and various market indices and represent an attractive investment opportunity. After several meetings and other discussions with certain members of senior management and the Board of Directors of the Issuer, and in light of management's and the Board's commitment to engage in a dialogue with the Filing Persons regarding the Filing Persons' ideas and strategies to improve the Issuer's financial performance and to further grow and broaden the Tiffany brand, the Filing Persons have decided not to seek board representation at the Issuer's 2007 annual meeting of stockholders. The Filing Persons will seek to help the Issuer improve its margins and its earnings per share growth and address various other operational and strategic issues, including optimizing global expansion opportunities and evaluating non-core businesses.

The Filing Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and strategic direction, price levels of the Shares, conditions in the securities market and general economic and industry conditions, the Filing Persons may in the future take such actions with respect to their investment in the Issuer as they

deem appropriate including, but not limited to, communicating with management, the Board and other stockholders, purchasing additional Issuer Securities or selling some or all of the Issuer Securities, hedging their position in the Issuer Securities, conducting a proxy solicitation to elect directors at an annual meeting of stockholders of the Issuer, and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

The Filing Persons do not have any present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed herein.

## Edgar Filing: TIFFANY & CO - Form SC 13D

\*Each of the sales of set forth above were made solely for the purpose of entering into a series of privately negotiated back-to-back call and put transactions, as further described below.

\*\*On the various dates set forth above, and as more fully described below, the named persons entered into a series of privately negotiated back-to-back call and put transactions (the "Options") with Morgan Stanley & Co. International Limited (the "Counterparty") through which they acquired an economic interest in an aggregate of 6,150,000 Shares and as a result of which such named persons are subject to the same economic gain or loss as if they had purchased the underlying Shares. Such persons currently intend to exercise these call options using general working capital currently available. More specifically, these transactions represent call options pursuant to which, on or prior to March 1, 2010 (the "Exercise Date"), the named person may acquire the number of Shares set forth above at the Price Per Share set forth above (the "Exercise Price"). These call options may be exercised at any time, in whole or in part, on or prior to the Exercise Date. Simultaneously with the purchase of each call option, the named person also sold a put option to the Counterparty for the same number of Shares pursuant to which, if on the Exercise Date the Exercise Price is greater than the closing price of the Shares on the Exercise Date (the "Closing Price"), the Counterparty may require the named person to, at such person's election, either (i) pay the Counterparty an amount in cash equal to the product of (a) the excess of the Exercise Price over the Closing Price and (b) the number of Shares set forth above or (ii) acquire from the Counterparty the number of Shares set forth above at the Exercise Price. As part of these transactions, the named persons pay the Counterparty a financing fee based on the number of days that the Options are outstanding, which fee is calculated using an annual rate of the Federal Funds Rate plus 0.30%.
