INTRODUCTION

The enclosed proxy card (the "Proxy") is solicited by the Board of Directors (the "Board of Directors") of Salisbury Bancorp, Inc. This Proxy Statement and the enclosed form of Proxy are being mailed to shareholders (the "Shareholders") on or about April 16, 2007. The cost of preparing, assembling and mailing this Proxy Statement and the material enclosed herewith is being borne by the Company. In addition, proxies may be solicited by directors, officers and employees of the Company and Salisbury Bank and Trust Company (the "Bank") personally by telephone or other means. The Company will reimburse banks, brokers, and other custodians, nominees, and fiduciaries for their reasonable and actual costs in sending the proxy materials to the beneficial owners of the Company's common stock (the "Common Stock").

If your shares are in a brokerage or fiduciary account, your broker or bank will send you a voting instruction form instead of a Proxy. Please follow the instructions on such form to instruct your broker or bank how to vote your shares. If you wish to attend the meeting and vote your shares in person, you must follow the instructions on the voting instructions form to obtain a legal proxy from your broker or bank.

The Board of Directors has set the number of directorships at nine (9). The Board of Directors of the Company is divided into three (3) classes as nearly equal in number as possible. CORPORATE GOVERNANCE

Committees of the Board of Directors

The Board of Directors met thirteen (13) times during the year 2006, and has various committees including an Executive Committee, Human Resources and Compensation Committee, Nominating and Governance Committee and an Audit Committee. The members of the committees are appointed by the Board of Directors.

Executive Committee

The Executive Committee has general supervision over the affairs of the Company between meetings of the Board of Directors. The members of the Executive Committee include Louis E. Allyn, II, John R. H. Blum, Louise F. Brown, John F. Perotti, and Michael A. Varet. The Executive Committee did not meet separately from the Board during the year 2006.

Human Resources and Compensation Committee

The Human Resources and Compensation Committee is responsible for reviewing the Company's general compensation strategy; establishing salaries and reviewing benefit programs, including pensions and incentive compensation plans; and advising the Board of Directors and making recommendations with respect to such plans. In particular, the Committee reviews and approves the Company's Compensation strategies and objectives, reviews and makes recommendations to the Board for its approval regarding executive compensation, administers incentive plans and reviews and makes recommendations to the Board regarding general employee pension benefit plans and other benefit plans on an as needed basis. The Company strives for pay packages that are fair. In determining whether compensation of such officer is fair, the Committee considers each component of compensation including salary and bonus, stock compensation, amounts to be received from any deferred compensation, severance, perquisites or other. In establishing levels of compensation, the Committee endeavors to take into consideration an individual's performance, level of expertise, responsibilities, length of service, and comparable levels of compensation paid to executives of other companies of comparable size and development within the industry. No individual executive may participate in the review, discussion or decision of the Committee regarding his or her compensation. The Committee uses the services of Clark Consulting to provide an external annual analysis of executive compensation. The members of the Committee include Louis E. Allyn, II, Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet, all of whom are independent in

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

accordance with the AMEX independence standards. The Committee met nine (9) times during the year 2006. A copy of the Committee's Charter, which the Committee and Board review and assess at least annually, is available on the Company's website at www.salisburybank.com.

Compensation Committee Interlocks and Insider Participation

No person who served as a member of the Human Resources and Compensation Committee during 2006 was a current or former officer or employee of the Company or any of its subsidiaries or, except as disclosed below, engaged in certain transactions with the Company required to be disclosed by regulations of the SEC. Additionally, there were no compensation committee "interlocks" during 2006, which generally means that no executive officer of the Company served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of the Company.

From time to time, the Company makes loans to its directors and executive officers and related persons and entities for the financing of homes, as well as home improvement, consumer and commercial loans. It is the belief of management that these loans are made in the ordinary course of

9

business, are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and neither involve more than normal risk of collectibility nor present other unfavorable features.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for assisting the Board of Directors in identifying and evaluating potential nominees for director and recommending qualified nominees to the Board for consideration. The Nominating and Governance Committee selects the director nominees to stand for election at the Company's annual meetings of shareholders. The Nominating and Governance Committee's process for identifying and evaluating nominees for director, including nominees recommended by shareholders, has historically operated informally and without any differences in the manner in which nominees recommended by shareholders are evaluated. However, the Company's Bylaws provide that if the Committee or Board proposes a nominee age 72 or greater, then such nomination requires two-thirds approval by the full Board.

The Nominating and Governance Committee and the Board of Directors consider factors such as those summarized below in evaluating director candidates and believe that the Company's Bylaws, Nominating and Governance Committee Charter and the qualifications and considerations such as those enumerated below provide adequate guidance and flexibility in evaluating candidates.

- o Sound business judgment and financial sophistication in order to understand the Company's financial and operating performance and to provide strategic guidance to management.
- o Business management experience.
- o Integrity, commitment, honesty and objectivity.
- o A general familiarity with (i) prudent banking principles; (ii) bank operations/technology; (iii) pertinent laws, policies and regulations; (iv) markets and trends affecting the financial services industries; and (v) local economic and business opportunities.
- o Strong communication skills in order to function effectively with the

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

Company's constituencies.

- o A financial interest in the Company as a shareholder. However, generally, candidates should not have relationships with the Company or the Bank which would disqualify the candidate from being considered independent.
- o Generally, candidates should be involved in philanthropic, education, business or civic leadership positions.
- o Generally, candidates should be familiar with the geographic areas served by the Company.
- o Candidates should evidence a willingness and commitment to devote sufficient time and energy to prepare for and attend Board and Committee meetings and to diligently perform the duties and responsibilities of service as a director.
- o Candidates should not have interests which conflict with those of the Company or the Bank.

The Company has not paid a fee to any third party or parties to identify or assist in identifying or evaluating potential nominees. The Board and Nominating and Governance Committee does not discriminate on the basis of sex, race, color, gender, national origin, religion or disability in the

10

evaluation of candidates.

A copy of the Company's written Nominating and Governance Committee Charter is available on the Company's website at www.salisburybank.com.

The members of the Nominating and Governance Committee are Louis E. Allyn, II, John R. H. Blum and Louise F. Brown. All such members are "independent" in accordance with the independence standards of AMEX. The Committee met two (2) times during the year 2006. All nominees for elections as directors at the 2007 Annual Meeting were nominated by the Nominating and Governance Committee and the Board of Directors.

Audit Committee

Subject to the Audit Committee Charter, attached hereto as Appendix A, -----
the Audit Committee provides assistance to the Board of Directors in fulfilling its responsibility to the shareholders, potential shareholders and investment community relating to corporate accounting, reporting practices of the Company, and the quality and integrity of the financial reports of the Company. In so doing, it is the responsibility of the Audit Committee to appoint the independent auditors for the Company and to maintain free and open means of communication between the directors, the independent auditors, the internal auditors and the financial management of the Company.

The responsibilities of the Audit Committee are governed by the Company's Audit Committee Charter which was adopted by the Company's Board of Directors. Its members are Louis E. Allyn, II, Louise F. Brown, Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet. The Audit Committee met seven (7) times during the year 2006. As of the date of this Proxy Statement, each of the members of the Audit Committee is an "independent director" in accordance with the listing standards of the AMEX. While no member of the Audit Committee qualifies as an "audit committee financial expert" as such term is defined by federal securities laws and regulations, the Board of Directors believes the members of the Audit Committee bring diverse educational, business and professional experience that is beneficial to the audit committee function of the Company and the Bank and enables the Audit Committee to fulfill its

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

responsibility.

Code of Ethics

The Company has adopted a Code of Ethics that applies to the Company's Chief Executive Officer and Chief Financial Officer. A copy of such Code of Ethics is available upon request, without charge, by writing to John F. Foley, Chief Financial Officer and Secretary, Salisbury Bank and Trust Company, 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039.

Directors' Attendance

During 2006 no Director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Company's Board of Directors which he/she was entitled to attend, and (2) the total number of meetings held by all committees of the Company's Board of Directors on which he/she served. The Company does not maintain an attendance policy for Directors at the Company's annual meetings, but encourages all Directors to do so. All Directors of the Company attended the Company's annual meeting on May 10, 2006.

11

Board of Directors' Communications with Shareholders

The Company's Board of Directors does not have a formal process for shareholders to send communications to the Board. However, the volume of such communications has historically been de minimus. Accordingly, the Board considers the Company's informal process to be adequate to address the Company's needs. Historically, such informal process has functioned as follows: the recipient of a shareholder communication would forward it to the Chairman and Chief Executive Officer for appropriate discussion by the Board and the formulation of an appropriate response. Shareholders may forward written communications to the Board by addressing such comments to the Board of Directors of Salisbury Bancorp, Inc., 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039.

Audit Committee Report

The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2006 with management and has discussed the matters that are required to be discussed by SAS 61 with Shatswell, MacLeod & Company, P.C. (the Company's independent auditors) ("Shatswell").

The Audit Committee has received the written disclosures and the letter from Shatswell required by Independence Standards Board Standard No. 1 and has discussed Shatswell's independence with respect to the Company with Shatswell.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the SEC.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

The Human Resources and Compensation Committee of the Company's Board of Directors (the "Compensation Committee") makes decisions relating to components of compensation for the Company's executive officers, including the Chief Executive Officer, the President and Chief Operating Officer and the Chief Financial Officer (the "Named Executive Officers"). The components of compensation include:

- o base salary
- o annual cash incentive bonuses
- o post employment compensation
- o other benefits

Compensation Philosophy

The Compensation Committee makes decisions and recommendations relating to Company compensation, consistent with the intent to use compensation as a tool to recruit, retain and reward top talent that is essential to the ultimate

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

success of the Company. The Compensation Committee has conducted a comprehensive review of executive compensation programs to evaluate whether its programs are aligned with the elements of its compensation philosophy and strategy, as well as with the interests of shareholders. Such review included a review of the external market environment for

13

executive compensation. In recent years Clark Consulting has provided this external annual analysis of banking industry executive compensation comparisons to the Compensation Committee. Clark Consulting compiles executive compensation data of nearly 2,100 bank clients across the nation. In addition, Clark Consulting has built a data base with information from professionals in Massachusetts, Rhode Island, Connecticut and New York that includes 181 banks and financial institutions. They have provided human resource and compensation strategy management to region banks since 1969. The analysis provides comprehensive data needed to assess the competitiveness of the Company's compensation plan, as well as information needed to evaluate the plan's effectiveness.

When making compensation decisions, the Compensation Committee takes many factors into account, including the Named Executive Officer's performance, tenure and experience, the performance of the Company overall, as well as the historical compensation of executive officers. In addition, the Compensation Committee considers the performance of the Company and the executive's contribution to that performance. All decisions relating to the Named Executive Officer's compensation are made by the Compensation Committee in executive session, without management present. The Committee then makes recommendations to the Board for final approval.

The Company, with the review of the Compensation Committee, offers various types of compensation for its Named Executive Officers. The Committee offers various types of compensation to achieve and balance various Company goals and remain competitive with other financial institutions. The Company's goals include recruiting, and retaining highly talented employees, motivating those employees to achieve improved results, and connecting Named Executive Officers interests with the Company's shareholders' interests in order to induce long term commitment to the Company through the provision of financial security in retirement and in the event of a change in control of the Company.

Current Compensation

Base Salary - The Company provides a significant portion of compensation through an annual salary which is reviewed annually by the Compensation Committee. The Compensation Committee believes that providing competitive base salary levels is important in recruiting and retaining top talent, as the salary levels are often the initial point of consideration in a compensation package. The Compensation Committee also believes salary is important to provide any Named Executive Officers with a steady and predictable source of income for them and for their families' basic living needs. In setting the salaries of the Named Executive Officers for 2006 and 2007, the Compensation Committee reviewed the Company's financial performance as measured by earnings, asset growth, and overall financial soundness. Additional considerations were the Named Executive Officers individual's performance, responsibilities, continued involvement in community affairs, length of service to the Company as well as external market data relating to executive compensation of comparable institutions. The Named Executive Officers received merit increases ranging from .5% to 3.5% for the year 2007. After reviewing external market compensation data the Compensation Committee granted market adjustments to the base salaries of the Named Executive Officers ranging from 1.5% to 3.8%.

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

Cash Incentive Bonus - The Compensation Committee considers it important to offer financial incentives to achieve Company performance goals. These financial incentives are discretionary and are generally granted based on the extent to which the Company achieves annual performance objectives as established by the Board of Directors. Bonuses are generally accrued throughout the year and paid early

14

in the next year. The Company does not have a plan in place that grants long-term equity awards to Named Executive Officers. In connection with the annual incentive compensation, the Compensation Committee set the incentive compensation for the Named Executive Officers as a percentage of base salary. For the year 2006, the cash incentive bonuses earned for the Named Executive Officers were as follows:

John F. Perotti	10%	\$20,892
Richard J. Cantele, Jr.	11%	\$15,924
John F. Foley	9%	\$ 9,047

Post-Employment Compensation

Retirement Plans - The Company has a package of post-employment compensation plans in place that include Company-only funded benefits as well as employee contribution benefits. The combination of plans allows the Company to offer its employees, including the Named Executive Officers, post-employment compensation as incentive to remain with the Company. The Company's decisions regarding post-employment compensation reflect external market comparisons to ensure alignment of plans with the broader market. The Company maintains a non-contributory tax qualified Defined Benefit Pension Plan, a Supplemental Retirement Agreement for the Company's CEO, a 401(k) Retirement Plan and a Change in Control Plan.

Defined Benefit Pension Plan - The Bank maintains a non-contributory defined benefit pension plan for officers and other salaried employees of the Bank who become participants after attaining age 21 and completing one (1) year of service, and were hired prior to October 1, 2006. The plan was adopted in January 1953. The Named Executive Officers are participants in this plan.

Pension benefits are based upon the annual average of an employee's total compensation for the five (5) consecutive plan years of employment during which the employee's compensation was the greatest and during which he or she was a participant. The amount of the annual benefit is 2% of average salary offset by .65% of the social security wage base per year of service (to a maximum of 25 years) plus one-half of 1% of average salary for each year of service over 25 years (to a maximum of ten years). This benefit formula may be modified to conform to the pension laws. Internal Revenue Code Section 401(a) (17) limits earnings used to calculate qualified plan benefits to \$220,000 for 2006.

In September of 2006, a "soft-freeze" was approved by the Board of Directors eliminating new participation in the Plan. All employees hired on or after October 1, 2006 are excluded from participation in the Defined Benefit Pension Plan. Eligible employees hired prior to October 1, 2006 will continue receiving the benefit as outlined in the Plan.

Supplemental Retirement Agreement - John F. Perotti, Chairman and CEO, has a supplemental retirement arrangement that has been in effect since 1994. Following his disability or retirement, Mr. Perotti will receive monthly payments of \$1,250 (adjusted annually to reflect the lesser of a five percent (5%) increase or "The Monthly Consumer Price Index for All Urban Consumers,

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

United States City Average, All Items" published by the Bureau of Labor Statistics) for a period of ten (10) years. The supplemental retirement agreement includes provisions that would prevent Mr. Perotti from working for a competitor in the proximity of the Bank.

15

401(k) Plan - The Bank offers a 401(k) profit sharing plan to all salaried employees. The Named Executive Officers participate in this plan. The plan was adopted in 2000. Each plan year, the Bank will announce the amount of the matching contributions, if any. Any match will be approved and authorized by the Board of Directors, only after an audit of year-end financials is complete. The amount of the matching contributions is directly related to the employees' 401(k) salary deferral contribution. For the plan year that began January 1, 2006, all eligible participants received a matching contribution equal to fifty percent (50%) of the first four percent (4%) of the employees' salary deferral. All contributions to the plan must pass various discrimination tests. The amounts of contributions approved by the Compensation Committee and paid to the Named Executive Officers in 2006 are shown in the other compensation column of the Summary Compensation Table. The Bank's match of contributions for the year 2006 and paid in February 2007 totaled \$92,979. The amounts of contributions paid to the Named Executive Officers are as follows: Mr. Perotti, \$5,027; Mr. Cantele, \$3,544; and Mr. Foley, \$2,282.

In September of 2006, a "soft-freeze" was approved eliminating new participation in the Plan. All employees hired on or after October 1, 2006 are excluded from participation in the Defined Contribution Plan with the fifty percent (50%) of the first four percent (4%) formula. An enhanced 401(k) matching formula was approved for eligible participants hired on or after October 1, 2006 that equals a one-hundred percent (100%) matching contribution of up-to the first six percent (6%) of the employees' salary deferral. Eligible employees hired prior to October 1, 2006 will continue receiving the benefit as outlined in the pre-October 1, 2006 Plan. Currently there are no Named Executive Officers participating in this plan.

Change in Control Agreements - The Company has Change in Control Agreements with the Named Executive Officers and certain other key officers. The agreements are not employment agreements and do not provide any assurances of continued employment. The Company recognizes that a change in control can create uncertainty for its employees that may result in loss or distraction of executives during a critical period. As a result, the Company adopted a Change in Control Agreement as a mechanism to retain executives and their critical capabilities to enhance and protect the best interests of the Company and its shareholders during a change in control environment, or threatened change in control. The agreements provide that if following a "change in control" of the Company or Bank, any of the Named Executive Officers and other key officers is terminated, involuntarily reassigned more than fifty (50) miles from Lakeville, Connecticut, or has an involuntary reduction in compensation, duties or responsibilities, he or she will be entitled to a lump sum payment equal to his or her twelve (12) month compensation based upon the most recent aggregate base salary paid to the Named Executive Officers and other key officers in the twelve (12) month period immediately preceding the date of change in control and benefits are continued for twelve (12) months. In no event shall any such payments be made in an amount which would cause them to be deemed non-deductible to the Bank by any reason of operation of Section 280G of the Internal Revenue Code.

Bank Owned Life Insurance (BOLI) - In 2004, the Bank purchased supplemental life insurance to insure the lives of certain officers of the Bank. The Named Executive Officers participate in this insurance plan. By way of a separate split-dollar agreement, the policy interests are divided between the Bank and

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

the insured's beneficiary. The Bank owns the policy cash value, which includes all accumulated policy earnings. A portion of the policy net death benefit, over and above the cash value, is assigned to the insured's beneficiary. The plan provides a tax free benefit to the participant's beneficiary and provides the Bank with a financing strategy that may generate additional earnings to offset benefit plan expenses.

16

Other Benefits - Named Executive Officers qualify for the same group health, life, and dental insurance benefits as other full time employees of the Company. The Compensation Committee believes that these insurance benefits are generally important to address market conditions and recruit and retain qualified employees. In addition, the Company has in place a long term disability insurance plan for the Named Executive Officers. The amounts of these insurance benefits for Mr. Perotti during 2006 are \$17,304. The amounts for Mr. Cantele are \$14,909. The amounts for Mr. Foley are \$14,431.

Potential Payments Upon Termination or Change in Control

Pursuant to the Change in Control Agreements between the Company and each of the Named Executive Officers, each executive is eligible to receive payments and other benefits, subject to certain conditions described below, in the event the executive is terminated, involuntarily reassigned more than fifty (50) miles for Lakeville, Connecticut, or has an involuntary reduction in compensation, duties or responsibilities during the twelve (12) month period following a change in control.

For purposes of the Agreements, a "Change in Control" means the occurrence of one or more of the following events:

a. any "person" (as such term is used in Section 13 (d) and 14(d) (2) of the Exchange Act becomes a "beneficial owner" (as such term is defined in Rule 13d-3 promulgated under the Exchange Act) (other than the Company, any

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

trustee or other fiduciary holding securities under an employee benefit plan of the Company or any corporation owned, directly or indirectly, by the stockholders of the Company, in substantially the same proportions as their ownership of stock of the Company), directly or indirectly, of securities of the Company or the Bank representing fifty percent (50%) or more of the combined voting power of the then outstanding securities of the Company or the Bank; or

b. persons, who as of the Effective Date, constituted the Company's Board of Directors (the "Incumbent Board") cease for any reason including, without limitation, as a result of a tender offer, proxy contest, merger or similar transaction, to constitute at least a majority of the Company's Board of Directors, provided that any person becoming a director of the Company subsequent to the Effective Date whose election was approved by at least a majority of the directors then comprising the Incumbent Board shall for purposes of this Section 2(b), be considered a member of the Incumbent Board; or

c. the Board of Directors of the Company for reasons other than a substantial decline in the earnings and/or stock price or multiple or similar indications of economic or financial duress, approve a merger or consolidation of Salisbury Bancorp, Inc. or the Bank with any other corporation of other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or

19

d. the Board of Directors approve a plan of complete liquidation of the Company or the Bank or an agreement for the sale or disposition by the Company of all or substantially all of the assets of the Company or the Bank.

The circumstances in which and the estimated amounts to be paid to the Named Executive Officers under the Agreements are as follows:

a. If, the Executive's employment with the Bank terminates or is reassigned, (except for removal by an agency acting with proper jurisdiction, or by a board of directors for cause or as a result of death, retirement or disability) then the Bank and/or its successor shall continue to pay the Executive in accordance with the Bank's then existing payroll policies for the balance of the twelve (12) month period following the change in control at a rate equal to the Executive's annual compensation based upon the most recent aggregate base salary paid to the Executive in the twelve (12) month period immediately preceding his or her termination or reassignment;

b. In the event the Executive should obtain other employment or be compensated for services rendered to any depository or lending institution, then any payments provided for in the agreements shall be reduced by any compensation earned by the Executive as the result of employment or consulting after the Date of Termination or Reassignment.

c. It is the intention of the parties to the Agreements that no payments by the Bank to or for the Executive's benefit under the Agreements shall be non-deductible to the Bank by reason of the operation of Section 280G of the Internal Revenue Code. Accordingly, if by reason of the operation of said Section 280G of the Internal Revenue Code, any such payments exceed the amount that can be deducted by the Bank, the amount of such payments shall be reduced to the maximum that can be deducted by the Bank. To the extent that payments in excess of the amount that can be deducted by the Bank have been made to and for the Executive's benefit, they shall be refunded with interest at the applicable

Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

rate provided under Section 1274(d) of the Internal Revenue Code, or at such other rate as may be required in order that no such payment to or for the Executive's benefit shall be non-deductible pursuant to Section 280G of the Internal Revenue Code. Any payments made under the agreements that are not deductible by the Bank as result of losses that have been carried forward by the Bank for Federal tax purposes, shall not be deemed a nondeductible amount.

Assuming a December 31, 2006 termination event, the aggregate value of payments and benefits to which each Named Executive Officer would be entitled in the event the executive terminates employment would be as follows:

Name	Salary Payments and		Benefit and Health	Total
	Bonus		Programs	
	(\$)		(\$)	(\$)
John F. Perotti	\$208,915		\$27,508	\$236,423

All such issuances shall be exempt from registration under the Securities Act of 1934, as amended pursuant to Section 3(a)(2) and Section 4(2), as they are transactions by a bank not involving any public offering.

21

Certain Relationships and Related Transactions

The Company and the Bank have had, and expect to have in the future, transactions in the ordinary course of business with certain Directors, officers, principal shareholders and their associates on substantially the same terms as those available for comparable transactions with others.

Some of the Directors and executive officers of the Company and the Bank, as well as firms and companies with which they are associated, are or have been customers of the Bank, and as such, have had banking transactions with the Bank. As a matter of policy, loans to Directors and executive officers are made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectibility or present other unfavorable features.

Since January 1, 2006, the highest aggregate outstanding principal amount of all loans extended by the Bank to its Directors, executive officers and all associates of such persons as a group was \$1,658,450, representing an aggregate principal amount equal to 3.74% of the equity capital accounts of the Bank.

AUDIT COMMITTEE CHARTER

Organization

There shall be a committee of the Board of Directors of Salisbury Bancorp, Inc. (the "Corporation") to be known as the Audit Committee. Such Committee shall serve as the Audit Committee for the Corporation and its subsidiaries. The Audit Committee shall be composed of at least three (3) directors.

All Audit Committee members shall be "independent directors" within the meaning of Section 121A of the American Stock Exchange Company Guide ("Amex Rules") and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "1934 Act"), including but not limited to that no member of the Audit Committee may, other than in his or her capacity as a member of the Audit Committee, the Board of Directors, or any other Board committee, accept directly or indirectly any consulting, advisory, or other compensatory fee from the Corporation or any of its subsidiaries or be an "affiliated person" of the Corporation or any of its subsidiaries.

All members of the Audit Committee shall at the time of their appointment be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall be "financially sophisticated," that is, have employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background which results in the individual's financial sophistication, including but not limited to being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

In addition, at least one member of the Audit Committee may be an "Audit Committee Financial Expert" as defined in Item 401(h)(2) of Regulation S-K under the rules and regulations of the Securities and Exchange Commission to mean a person who has the following attributes acquired in the manner specified in Item 401(h)(3): (i) an understanding of generally accepted accounting principles and financial statements; (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves; (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the registrant's financial statements, or experience actively supervising one or more persons engaged in such activities; (iv) an understanding of internal controls and procedures for financial reporting; and (v) an understanding of audit committee functions. In compliance with Item 401(h)(1), the Corporation will disclose whether it has any Audit Committee Financial Experts, and if so, the names(s) of such person(s) and whether they are independent under the AMEX standard for audit committee independence. If at least one member is not an Audit Committee Financial Expert, the Corporation will disclose why it does not consider it necessary to have an Audit Committee Financial Expert.

Statement of Policy

The Audit Committee shall provide assistance to the Board of Directors in fulfilling its responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the Corporation, and the quality and integrity of the financial reports of the Corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the independent auditors, the internal auditors, and the financial management of the Corporation.

Responsibilities

In carrying out its responsibilities, the Audit Committee believes its policies and procedures should remain flexible in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the Corporation are in accordance with all requirements and are of the highest quality.

The Audit Committee in its capacity as a committee of the Board of Directors shall be directly responsible for the appointment, compensation and oversight of the work of any registered public accounting firm employed by the Company (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work, and each such accounting firm shall report directly to the Audit Committee.

The Audit Committee is responsible for ensuring its receipt from the outside auditor a formal written statement detailing all relationships between the auditor and the Corporation and its subsidiaries and affiliates consistent with Independence Standards Board Standard Number 1, Independence Discussions with Audit Committees (January 1999).

The Audit Committee shall be responsible for actively engaging in a dialogue with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking or recommending that the full board take appropriate action to oversee the independence of the outside auditor.

The Audit Committee shall meet with the independent auditors and financial management of the Corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors.

The Audit Committee shall review with the independent auditors, the Corporation's internal auditor(s), and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper. Further, the Committee periodically should review company policy statements to determine their adherence to the code of conduct.

The Audit Committee shall review the internal audit function of the Corporation

including the independence and authority of its reporting obligations, the proposed audit plans for the coming year, and the coordination of such plans with the independent auditors.

The Audit Committee shall review summaries of findings from completed internal audits and progress reports on the proposed internal audit plan, with explanations for any deviations from the original plan.

27

The Audit Committee shall review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders.

The Audit Committee shall review and discuss with management and the independent auditors any changes in accounting principles.

The Audit Committee shall provide sufficient opportunity for the internal and independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Corporation's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.

All auditing services and non-audit services, other than those which are subject to the de minimus exception of the applicable rules of the Securities and Exchange Commission (the "Commission"), which an auditor provides to the Corporation shall be authorized and pre-approved in advance by the Audit Committee. The Audit Committee must document all non-audit services performed by the auditor which the Audit Committee pre-approves. The Audit Committee may delegate to one or more of its members the authority to grant such required pre-approvals. The decisions of any member to whom authority is delegated to pre-approve an activity requiring pre-approval shall be presented to the full Audit Committee at each of its meetings.

The Audit Committee shall review human resources and succession planning within the accounting, financial reporting and audit functions of the Corporation.

The Audit Committee shall submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each committee meeting with, the Board of Directors.

The Audit Committee shall investigate any matter brought to its attention within the scope of its duties, with the power to engage independent counsel and other advisors as it determines necessary to carry out its duties.

The Audit Committee shall determine the appropriate funding to be provided by the Corporation for payment of compensation to the registered public accounting firm employed by the Corporation for purposes of rendering an audit report and to any advisors employed by the Audit Committee.

The Audit Committee shall have the authority and funding to engage independent counsel and any other advisors as the Audit Committee may determine to be necessary to carry out its duties and responsibilities.

The Audit Committee shall receive, and act upon as appropriate, the disclosures made by the Chief Executive Officer and the Chief Financial Officer concerning internal controls and fraud required by Rule 13a-14 of the 1934 Act.
