CUSIP NO. 13123X102

The following constitutes Amendment No. 2 ("Amendment No. 2") to the Schedule 13D filed by the undersigned. This Amendment No. 2 amends the Schedule 13D as specifically set forth herein.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 is hereby amended and restated to read as follows:

The Shares purchased by each of Lone Star Value Investors and Lone Star Value Co-Invest were purchased with working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases, except as otherwise noted, as set forth in Schedule A, which is incorporated by reference herein. The aggregate purchase price of the 1,050,000 Shares beneficially owned by Lone Star Value Investors is approximately \$5,367,696, excluding brokerage commissions. The aggregate purchase price of the 1,480,000 Shares beneficially owned by Lone Star Value Co-Invest is approximately \$5,700,241, excluding brokerage commissions.

The Shares held in Mr. Eberwein's IRA Account were purchased with personal funds in open market purchases. The aggregate purchase price of the 100,000 Shares held in Mr. Eberwein's IRA Account is approximately \$346,890, including brokerage commissions.

Item 4. Purpose of Transaction.

Item 4 is hereby amended to add the following:

On January 6, 2013, Lone Star Value Management, together with its affiliates and director nominees ("Lone Star Value") issued a press release, a copy of which is attached hereto as Exhibit 99.1 and is incorporated herein by reference. In the press release, Lone Star Value urged the board of directors of the Issuer (the "Board") to refrain from any further dilution of shareholder value through capital markets issuances, cease all acquisition activity outside the Permian Basin and immediately commence a process to explore and evaluate all strategic alternatives available to the Issuer, including a sale of the Issuer, with a goal of maximizing shareholder value.

In the press release, Lone Star Value attributed the Issuer's material undervaluation relative to its Permian Basin peers and assessed Net Asset Value (NAV) and its short- and long-term stock underperformance, to poor operating and financial track record, high cost of capital and the threat of further shareholder dilution. Lone Star Value expressed concern that the Issuer's true long-term strategy is to grow its asset base (likely at a high cost) rather than enhance shareholder value.

The press release outlined Lone Star Value's superior plan to maximize shareholder value. Specifically, Lone Star Value explained that the Issuer: (1) should avoid making any acquisitions outside the Permian Basin; (2) should only use low-cost bank debt to fund its growth; and (3) should immediately commence a robust review and evaluation of all strategic opportunities to maximize shareholder value, including the sale of the Issuer. Lone Star Value noted it is aware of certain preliminary indications of interest by potential acquirers and it believes such overtures were rebuffed by the Issuer's management without serious consideration. The press release concluded with Lone Star Value's belief that if elected to the Board, its highly-qualified, independent nominees, Jeffrey E. Eberwein and Matthew Regis Bob, will be instrumental in designing a plan to maximize shareholder value, including through strategic avenues the incumbent directors have shown reluctance to consider.
