Item 7.01 Regulation FD Disclosure

Section 8 - Other Events

Item 8.01 Other Events

As previously disclosed, PPL Montana, LLC (“PPL Montana”) has been engaged in litigation in Montana First Judicial District Court (the “Court”) regarding a claim by the State of Montana for annual lease payments or other compensation for PPL Montana’s use and occupancy of certain portions of the beds of navigable rivers in Montana for operation of hydropower facilities. On June 16, 2008, the Court ruled that the State of Montana is entitled to back rent from PPL Montana of approximately \$34.7 million for the period between 2000 and 2006, and approximately \$6.2 million for 2007. In addition, the Court ruled that the Montana State Land Board must determine the terms and conditions of annual leases, including payments due from PPL Montana, for 2008 and subsequent years.

PPL Montana is reviewing the Court’s decision and will determine whether to appeal the decision to the Montana Supreme Court. PPL Montana will assess the accounting implications of the decision as part of the financial closing for the second quarter of 2008.
