been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, neither the MHC nor any of the Insiders has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) All of the Insiders are U.S. citizens.

Item 3. Source and Amount of Funds or Other Consideration  
-----

On March 29, 2004, the Company was formed for the purpose of becoming the stock holding company of Citizens Community Bank, a federally chartered savings bank located in Eau Claire, Wisconsin (the "Bank"), and the MHC was formed for the purpose of becoming the mutual holding company parent of the Company. Pursuant to the Plan of Reorganization and Stock Issuance Plan ("Plan of Reorganization"), effective March 29, 2004, the Bank became a wholly owned subsidiary of the Company, which became a majority owned subsidiary of the MHC (the "Mutual Holding Company Reorganization"). On March 29, 2004, 2,063,100 shares of Common Stock were issued to the MHC at no cost to the MHC. In addition, on March 29, 2004, March 30, 2004, March 31, 2004, April 1, 2004 and April 2, 2004, certain Insiders purchased shares of Common Stock using their personal funds. All shares purchased by Insiders were purchased at a price of \$10.00 per share.

Item 4. Purpose of Transaction  
-----

The primary purpose of the Mutual Holding Company Reorganization was to establish a structure that will enable the Bank to compete and expand more effectively in the financial services marketplace, and that will enable the Bank's depositors, employees, management and directors to obtain an equity ownership interest in the Bank through their ownership interests in the Company. The mutual holding company structure permitted the Company to sell capital stock, which is a source of capital not available to a mutual savings institution. The transaction also gives the Bank and the Company greater flexibility to structure and finance the expansion of operations and to diversify into other financial services. Because the Company only issued a minority of the Common Stock for sale to the public in the Mutual Holding Company Reorganization, the Bank's ability to remain an independent savings bank and to provide community-related financial services is expected to be preserved.

While the MHC and Insiders intend to exercise their rights as stockholders, neither the MHC nor the Insiders currently has any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Company or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form SC 13D

liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any

other material change in the Company's business or corporate structure; (g) changes in the Company's charter or bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized or quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer

(a) As of March 29, 2004, the MHC directly and beneficially owned 2,063,100 shares of the Company's Common Stock, which represented 67.8% of the issued and outstanding shares of Common Stock on such date. The following table sets forth information with respect to the shares of Common Stock beneficially owned by the Insiders as of April 12, 2004. All of such shares were purchased by the Insiders in the subscription offering conducted by the Company in accordance with the Plan of Reorganization or during the week ending April 2, 2004:
